The Boat People - Sharon Bala 2018-01-09  
Globe and Mail  
bestseller, The Boat People is an extraordinary novel about a group of refugees who survive a

perilous ocean voyage only to face the threat of deportation amid accusations of terrorism  
When a rusty cargo ship carrying Mahindan and five hundred fellow refugees from Sri

Lanka's bloody civil war reaches Vancouver's shores, the young father thinks he and his six-year-old son can finally start a new life.

Instead, the group is thrown into a detention processing center, with government officials and news headlines speculating that among the "boat people" are members of a separatist militant organization responsible for countless suicide attacks—and that these terrorists now pose a threat to Canada's national security. As the refugees become subject to heavy interrogation, Mahindan begins to fear that a desperate act taken in Sri Lanka to fund their escape may now jeopardize his and his son's chance for asylum. Told through the alternating perspectives of Mahindan; his lawyer, Priya, a second-

generation Sri Lankan Canadian who reluctantly represents the refugees; and Grace, a third-generation Japanese Canadian adjudicator who must decide Mahindan's fate as evidence mounts against him, *The Boat People* is a spellbinding and timely novel that provokes a deeply compassionate lens through which to view the current refugee crisis.

*How to Create Chemistry with Anyone -* Leil

Lowndes 2013-01-01

Why do you feel an

instant attraction to one person and not another? And how can you help ensure that a connection lasts? With her ability to deliver cutting edge information in a lighthearted style, communications expert Leil Lowndes has made a career of teaching the secrets of successful interaction. In this book, based on the latest findings in cognitive science, she shows readers how to spark that elusive feeling of chemistry with almost anyone—and sustain it when the relationship moves to the next level, from marriage to parenthood and beyond. Although chemistry affects nearly every relationship, few people understand it—what initiates it, what destroys it, and what makes it last forever. While genetic makeup and past experiences all play a

role, there are many things you can do to influence it.

Ultrapractical, *How to Create Chemistry with Anyone* turns the complex neurological science of attachment into 75 easy communication strategies and unusual techniques that show readers what to do—and what not to do—to find and keep love.

*The 48 Laws of Power* - Robert Greene 2000-09-01  
Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert

Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

*Crucial Conversations Tools for Talking When Stakes Are High, Second Edition* - Kerry Patterson 2011-09-16  
The New York Times and Washington Post bestseller that changed the way millions communicate "[Crucial Conversations] draws our attention to those defining moments that literally shape our lives, our relationships, and our world. . . . Covey, author of *The 7 Habits of Highly Effective People* "The quality of your life comes out of the quality of your dialogues and conversations. Here's how to instantly uplift your crucial conversations." –Mark Victor Hansen, cocreator

of the #1 New York Times bestselling series Chicken Soup for the Soul® The first edition of Crucial Conversations exploded onto the scene and revolutionized the way millions of people communicate when stakes are high. This new edition gives you the tools to: Prepare for high-stakes situations Transform anger and hurt feelings into powerful dialogue Make it safe to talk about almost anything Be persuasive, not abrasive

**Calling in "The One" -**

Katherine Woodward

Thomas 2007-12-18

Are you frustrated by stymied relationships, missed connections, and the loneliness of the search for someone to spend the rest of your life with? Are you ready, instead, to find "The One"? In Calling in "The One," Katherine Woodward Thomas shares her own personal

experience to show women that in order to find the relationship that will last a lifetime, you have to be truly open and ready to create a loving, committed, romantic union. Calling in "The One" shows you how. Based on the Law of Attraction, which is the concept that we can only attract what we're ready to receive, the provocative yet simple seven-week program in Calling in "The One" prepares you to bring forth the love you seek. For each of the 49 days of Thomas's thoughtful and life-affirming plan, there is a daily lesson, a corresponding practice, and instruction for putting that lesson into action in your life. Meditation, visualization, and journaling exercises will gently lead you to recognize the obstacles on your path to love and

provide ways to steer around them. At the end of those 49 days, you will be in the ideal emotional state to go out into the world and find "The One." An inspirational approach that offers a radical new philosophy on relationships, Calling in "The One" is your guide to finding the love you seek.

*Welfare Magnets* - Paul E. Peterson 1990  
Advocates the establishment of a minimum national welfare standard to reduce the interstate variation in welfare benefits. Presents a case study of welfare policy in the state of Wisconsin.

**From Strength to Strength** - Arthur C. Brooks 2022-02-15  
The roadmap for finding purpose, meaning, and success as we age, from bestselling author, Harvard professor, and the Atlantic's happiness

columnist Arthur Brooks. Many of us assume that the more successful we are, the less susceptible we become to the sense of professional and social irrelevance that often accompanies aging. But the truth is, the greater our achievements and our attachment to them, the more we notice our decline, and the more painful it is when it occurs. What can we do, starting now, to make our older years a time of happiness, purpose, and yes, success? At the height of his career at the age of 50, Arthur Brooks embarked on a seven-year journey to discover how to transform his future from one of disappointment over waning abilities into an opportunity for progress. From Strength to Strength is the result, a practical roadmap for the rest of

your life. Drawing on social science, philosophy, biography, theology, and eastern wisdom, as well as dozens of interviews with everyday men and women, Brooks shows us that true life success is well within our reach. By refocusing on certain priorities and habits that anyone can learn, such as deep wisdom, detachment from empty rewards, connection and service to others, and spiritual progress, we can set ourselves up for increased happiness. Read this book and you, too, can go from strength to strength.

Finding Allies, Building Alliances - Mike Leavitt  
2013-08-12

From Governor and White House cabinet member Mike Leavitt: how to find collaborative solutions to the greatest challenges Your business challenges

extend far beyond you and your firm, to the competitors within your industry and the regulators outside it. How can leaders successfully bridge divides and turn competitors into collaborators? Leavitt and McKeown explain how a well-chosen network can become a powerful alliance. Whether you're launching a new partnership, or rehabilitating one already in progress, Finding Allies, Building Alliances will help you find workable solutions to the most complex problems. Written by Mike Leavitt, former

Governor of Utah who brought the 2002 Winter Olympics to Salt Lake City, former US Secretary of Health and human services, and former head of the EPA; with his former Chief of Staff and business partner Rich McKeown, co-founder of Leavitt Partners Includes a framework of 8 elements that will help any leader foster and maintain an effective, productive collaborative venture Shows how better collaboration can not only solve problems, but boost the competitiveness and resilience in all sectors Finding Allies, Building Alliances is essential reading for any business leader looking for transformative solutions and a sustainable future.

*The Art Of Seduction* - Robert Greene 2010-09-03  
Which sort of seducer

could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and

strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of The 48 Laws of Power, Mastery, and The 33 Strategies Of War. *Dare to Lead* - Brené

Brown 2018-10-09  
#1 NEW YORK TIMES  
BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Don't miss the five-part HBO Max docuseries Brené Brown: Atlas of the Heart! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay

curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times

bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is

that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read *Daring Greatly* and *Rising Strong* or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

**Your Magnetic Heart** - Ruediger Schache 2014  
Most people have the same fundamental yearnings and questions inside of them. Our most common desire by far is to love and to be loved,

yet for so many people, love -- in its many forms -- poses the most difficult challenge of all. Your Magnetic Heart reveals the nature of the mysterious force of charisma and attraction which is present in us all and which determines the course of our relationships and our lives. Here, life coach and author Rudiger Schache introduces the spiritual and psychological concept of the "heart magnet" and how it can guide readers to find their true life path. This is explained in ten essential secrets which emphasize self-reflection. The description of each secret is accompanied by practical advice, real-life case histories, and spiritual insights from seers and thinkers. Those who embrace these concepts can develop a new consciousness and improve their inner

clarity, outer relationships, and fortune. By attuning to the force of their heart magnet, readers can attract the people and events for which they have been longing into their lives.

What Happened to You? - Oprah Winfrey 2021-04-27 #1 NEW YORK TIMES BESTSELLER Our earliest experiences shape our lives far down the road, and What Happened to You? provides powerful scientific and emotional insights into the behavioral patterns so many of us struggle to understand. "Through this lens we can build a renewed sense of personal self-worth and ultimately recalibrate our responses to circumstances, situations, and relationships. It is, in other words, the key to reshaping our very lives."—Oprah Winfrey This book is going to

change the way you see your life. Have you ever wondered "Why did I do that?" or "Why can't I just control my behavior?" Others may judge our reactions and think, "What's wrong with that person?" When questioning our emotions, it's easy to place the blame on ourselves; holding ourselves and those around us to an impossible standard. It's time we started asking a different question. Through deeply personal conversations, Oprah Winfrey and renowned brain and trauma expert Dr. Bruce Perry offer a groundbreaking and profound shift from asking "What's wrong with you?" to "What happened to you?" Here, Winfrey shares stories from her own past, understanding through experience the vulnerability that comes

from facing trauma and adversity at a young age. In conversation throughout the book, she and Dr. Perry focus on understanding people, behavior, and ourselves. It's a subtle but profound shift in our approach to trauma, and it's one that allows us to understand our pasts in order to clear a path to our future—opening the door to resilience and healing in a proven, powerful way.

*The Human Magnet*

*Syndrome* - Ross

Rosenberg 2018-01-12

*The Human Magnet*

*Syndrome: The*

*Codependent Narcissist*

*Trap* is a complete

rewrite of Ross's first

book. Not only is the

book re-written, re-

organized, updated and

expanded, it contains

over 125 more pages than

the original. Ross

provides a more explicit

rendering of *The Human*

*Magnet Syndrome*, that

includes new theories,

explanations and

concepts. The

information on

Gaslighting and The Narcissistic Abuse Syndrome, like the rest of the book, is cutting edge and completely original. This book contains many more case examples and stories of Ross's own codependency recovery. Like its predecessor, it is written for both the layman and professional. Men and women have been magnetically and irresistibly drawn together into romantic relationships, not so much by what they see, feel and think, but more by invisible forces. Codependents and Pathological Narcissists are enveloped in a seductive dreamlike state; however, it will later unfold into a painful "seesaw" of love, pain, hope and disappointment. The soul mate of the codependent's dreams will become the narcissist of their

nightmares. Readers of the Human Magnet Syndrome will better understand why they, despite their dreams for true love, find themselves hopelessly and painfully in love with partners who hurt them. This book will guide and inspire both the layman and the professional.

The Human Magnet

Syndrome - Ross A.

Rosenberg 2013-04-01

"Born in the cauldron of personal experience of suffering and healing and honed through years of professional experience, this book will help anyone understand the attractors of love and consequent suffering. I recommend it to couples who are mystified by the depth and repetition of their pain and joy and to therapists whose destiny is to help them." ~ Harville Hendrix, Ph.D., co-

author with Helen LaKelly Hunt of Making Marriage Simple: Transform the Relationship you Have Into the Relationship you Want Since the dawn of civilization, men and women have been magnetically and irresistibly drawn together into romantic relationships, not so much by what they see, feel and think, but more by invisible forces. When individuals with healthy emotional backgrounds meet, the irresistible "love force" creates a sustainable, reciprocal and stable relationship. Codependents and emotional manipulators are similarly enveloped in a seductive dreamlike state; however, it will later unfold into a painful "seesaw" of love, pain, hope and disappointment. The soul mate of the codependent's dreams

will become the emotional manipulator of their nightmares. Readers of the Human Magnet Syndrome will better understand why they, despite their dreams for true love, find themselves hopelessly and painfully in love with partners who hurt them. This book will guide and inspire both the layman and the professional.

NEW YORK TIMES  
BESTSELLER • The acclaimed social psychologist challenges conventional thinking about morality, politics, and religion in a way that speaks to conservatives and liberals alike—a "landmark contribution to humanity's understanding of itself" (The New York Times Book Review). Drawing on his twenty-five years of groundbreaking research on moral psychology, Jonathan Haidt shows how moral judgments arise not from reason but from gut feelings. He shows why liberals, conservatives, and libertarians have such different intuitions about right and wrong, and he shows why each side is actually right about many of its central concerns. In this subtle yet

accessible book, Haidt gives you the key to understanding the miracle of human cooperation, as well as the curse of our eternal divisions and conflicts. If you're ready to trade in anger for understanding, read *The Righteous Mind*.

[How To Win Friends And Influence People](#) - Dale Carnegie 2014-01-28

With an enduring grasp of human nature, Dale Carnegie's *How to Win Friends and Influence People* teaches his readers how to handle people without letting them feel manipulated, how to make people feel important without inspiring resentment, how win people over to your point of view without causing offence, and how to make a friend out of just about anyone. Published in 1937, Carnegie's *How to Win Friends and Influence People*, was

originally written as a companion book to his lectures on how to be a good salesperson.

However, what began as a basic sales primer, quickly exploded into an overnight success, eventually selling more than 15 million copies worldwide, and pioneering an entire genre of self-help and personal success books. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms.
