Beautiful Losers - Leonard Cohen 2011-01-26
One of the best-known experimental novels of the 1960s, Beautiful Losers is Leonard Cohen's most defiant and uninhibited work. As imagined by Cohen, hell is an apartment in Montreal, where a bereaved and lust-tormented narrator

reconstructs his relations with the dead. In that hell two men and a woman twine impossibly and betray one another again and again. Memory blurs into blasphemous sexual fantasy--and redemption takes the form of an Iroquois saint and virgin who has been dead for 300 years but still has the power

to save even the most degraded of her suitors. First published in 1966, Beautiful Losers demonstrates that its author is not only a superb songwriter but also a novelist of visionary power. Funny, harrowing, and fiercely moving, it is a classic erotic tragedy, incandescent in its prose and exhilarating for its risky union of sexuality and faith.

A Loser God - Davide Latini 2021-01-13

From a young age, Lorenzo became an addict – not of any conventional illegal substance, but of the one thing he knew he could achieve if he pushed himself long enough and hard enough. His “drug of choice” was success. For him, winning gave him the fix he craved. At times when tiredness would overcome him, his father’s words would drive him on: “I win, therefore I exist”. Alone in his room, Lorenzo blows out the 50

candles on his birthday cake and begins to reflect on his past. Despite his success as an Italian swimming champion, he is unfulfilled and unhappy with the shallowness of his life. He has lost touch with all of his friends but had never really been able to connect with them on an intimate level. He remembers how it all began, how his life was shaped by the proximity to his home of an Olympic-sized swimming pool. It was there he met his coach, Sandro Romagnoli, aka The Master, who recognized his talent and passion for swimming even before he did so himself. He nurtured Lorenzo to achieve success in the Italian championships, but Lorenzo wanted more: the pinnacle of swimming success – a gold medal at the Summer Olympics. Lorenzo realizes a

growing sense that his father's ambitions have been passed down to him, and throughout his teenage years, he is driven to training harder and longer than anyone else would possibly dare to push themselves. The novel explores the themes of loyalty to one person and alienation of another and how the need to win could tempt someone to achieve success in shocking and self-destructive ways. *I am still not a Loser* - Jim Smith 2013-02-04 The second book in the brilliant Roald Dahl Funny Prize winning BARRY LOSER series. 99 Bad Boy Traits -
2017-02-02

In 99 Bad Boy Traits That Instantly Attract Women, You're Going to Learn:- Carry yourself in a confident and charming manner that immediately catches women's attention.- Talk to women in a way that communicates you're experienced, you "get it", and she won't be

disappointed.- Become a man who doesn't show women he likes them by kissing ass or seeking approval.- Become fearless around women you want and communicate you're their best option.- Stop sacrificing your value and self-image in exchange for attention, affection, and approval.- Handle friction and conflict smoothly, confidently, and in a way that multiplies attraction.- Stop causing women to feel repulsed and "icky" from being way too nice.- Become more of a leader who women are wildly attracted to instead of a follower.- Gain women's loyalty and trust through honesty, straightforwardness, being direct, and not being "sneaky".- Become mentally and emotionally stronger so you can pass her unconscious "attraction tests".-

Become straightforward with your intentions instead of leading her to believe you only want to be her "friend".- Stop annoying women by apologizing too much and always making sure they're "ok".- Have the sort of high self-esteem that women find irresistible, intoxicating, and sexy.- Multiply the attraction women feel for you by becoming physically more attractive.- Exact detailed tips, advice, and guides on how to dress more like a bad boy and stop dressing and looking like a "nice" guy.- Get over your fear of beautiful women and how to stop being nervous and intimidated by women.- Get women to see you as "cool" and "awesome" instead of a dork, nerd, or a geek.- Gain women's respect and admiration by being a man who women can't take advantage

of.- Become more attractive by not caring so much what women and others think about you.- Not be too "easy" and become a man who's valuable, challenging, and hard to get.- Become a man who is "internally driven" instead of looking for hints and clues "outside of himself" for how he should be thinking, behaving, and living his life.

Stop Being a Fucking Loser - Nweke Pascal
2019-12-07

If you are here reading this, you are a person who wants to improve, wants to overcome fears and anxiety, and increase the quality of your life. You don't want to remain static without knowing where to go, you want to move forward. Self-improvement is a type of motivation that works to make people feel good about themselves and to

maintain self-esteem. This motivation becomes especially prominent in situations of threat, failures or blows to self-esteem. Self-improvement implies a preference for positive views over negative ones. Life is a learning process and books are an excellent way to enter the path of self-improvement, emotional development and control. This book will help you change negative thoughts into solutions that will lead you to the path of success, identifying bad habits and guiding you in the process of building new ones. Using principles of CBT (cognitive behavioral therapy) and meditation to improve mental health, overcome your fears and be at peace with yourself, helping you eliminate everything in yourself that could possibly hold you back. This book is

useful for anyone who desires to become a successful person and enjoy a stress-free life.

Sally Sore Loser - Frank J. Sileo 2012-08-01

Sally loves to be first at everything! She is first in line at school. She is first out the door at recess. She is first at dinner finishing her mac 'n' cheese! Unfortunately, Sally dislikes losing and this can lead to hot tempers and hurt feelings. She even gets the nickname "Sally Sore Loser" from her classmates at school. With the help of her teacher and her mom, Sally learns the rules for being a good winner and a good loser, and

that the most important thing is having fun. A Note to Parents is included, with practical tips for teaching children to be good winners and good losers.

Red Flags - Gary S. Aumiller 1999-09-01
Sure, he's gorgeous, funny, and charming—but early in any doomed relationship there are warning signals foretelling the bad news to come. Studies show that most women will try to justify these signs, excusing them so they don't interfere with their fantasy of having met the perfect man. Unfortunately, such signs are usually all too prophetic—they are the essence of what Gary Aumiller and Daniel Goldfarb call "Red Flags." The question then becomes how to detect and respond to a Red Flag before it's too late. This first-of-its-kind book will help

readers determine a man's all-important "loser potential" within the first three dates. Each chapter includes a profile of a different loser, a post-date quiz to help you determine if Mr. Right is Mr. Wrong, and important information about the best way to break up with him. Red Flags has all the fun of a magazine quiz combined with the expertise of psychologists who specialize in the techniques used by the police to profile criminals. They know how to spot the rejects—and now you will, too!

Loser's Town - Daniel Depp 2009-03-03

The sensibilities of Hollywood private investigator David Spandau are put to the test when he is hired by a young rising actor at the middle of a filmmaking--and blackmailing--scheme gone wrong. A first novel.

Loser - Jerry Spinelli 2009-10-13

From renowned Newbery-winning author Jerry Spinelli comes a powerful story about how not fitting in just might lead to an incredible life. This classic book is perfect

for fans of Gordon Korman and Carl Hiaasen. Just like other kids, Zinkoff rides his bike, hopes for snow days, and wants to be like his dad when he grows up. But Zinkoff also raises his hand with all the wrong answers, trips over his own feet, and falls down with laughter over a word like "Jabip." Other kids have their own word to describe him, but Zinkoff is too busy to hear it. He doesn't know he's not like everyone else. And one winter night, Zinkoff's differences show that any name can someday become "hero." With some of his finest writing to date and great wit and humor, Jerry Spinelli creates a story about a boy's individuality surpassing the need to fit in and the genuine importance of failure. As readers follow Zinkoff from first through sixth grade, it

becomes impossible not to identify with and root for him through failures and triumphs. The perfect classroom read.

L O L - James Marsh
Sternberg MD 2021-08-29
Just what is LOL? Yes, a common abbreviation for Laughing Out Loud, and often used to refer to a Little Old Lady, but in bridge it means a Loser-On-Loser play. At times a declarer can improve his/her situation by playing a losing card from one hand on a loser in a different suit from the hand opposite. This occurs when a player has a loser in two suits but can arrange to lose them both on one trick, thereby reducing the number of losers from two to one. Often this looks like a Ruff-and-Sluff play, but instead of ruffing, declarer or dummy discards a loser in each hand. When and why would one do this?

This technique has many uses. One example is to keep the 'Danger' hand off lead. Often in the end game it serves as the exit in assisting the process of elimination and placing the lead in the hand of the desired opponent for an endplay. The advantage of this procedure is that declarer divests himself of two losers while simultaneously placing the lead in the desired quarter.

The Loser - Thomas Bernhard 2010-11-10
Thomas Bernhard was one

of the most original writers of the twentieth century. His formal innovation ranks with Beckett and Kafka, his outrageously cantankerous voice recalls Dostoevsky, but his gift for lacerating, lyrical, provocative prose is incomparably his own. One of Bernhard's most acclaimed novels, *The Loser* centers on a fictional relationship between piano virtuoso Glenn Gould and two of his fellow students who feel compelled to renounce their musical ambitions in the face of Gould's incomparable genius. One commits suicide, while the other-- the obsessive, witty, and self-mocking narrator-- has retreated into obscurity. Written as a monologue in one remarkable unbroken paragraph, *The Loser* is a brilliant meditation on success, failure,

genius, and fame.

Manuscript Found in Accra - Paulo Coelho

2013-04-02

The latest novel from the #1 internationally best-selling author of *The Alchemist*. There is nothing wrong with anxiety. Although we cannot control God's time, it is part of the human condition to want to receive the thing we are waiting for as quickly as possible. Or to drive away whatever is causing our fear. . . . Anxiety was born in the very same moment as mankind. And since we will never be able to master it, we will have to learn to live with it—just as we have learned to live with storms. * * * July 14, 1099. Jerusalem awaits the invasion of the crusaders who have surrounded the city's gates. There, inside the ancient city's walls, men and women of every age and every faith have gathered to hear the wise words of a

mysterious man known only as the Copt. He has summoned the townspeople to address their fears with truth: "Tomorrow, harmony will become discord. Joy will be replaced by grief. Peace will give way to war. . . . None of us can know what tomorrow will hold, because each day has its good and its bad moments. So, when you ask your questions, forget about the troops outside and the fear inside. Our task is not to leave a record of what happened on this date for those who will inherit the Earth; history will take care of that. Therefore, we will speak about our daily lives, about the difficulties we have had to face." The people begin with questions about defeat, struggle, and the nature of their enemies; they contemplate the will to change and the virtues

of loyalty and solitude; and they ultimately turn to questions of beauty, love, wisdom, sex, elegance, and what the future holds. "What is success?" poses the Copt. "It is being able to go to bed each night with your soul at peace." * * * Now, these many centuries later, the wise man's answers are a record of the human values that have endured throughout time. And, in Paulo Coelho's hands, *The Manuscript Found in Accra* reveals that who we are, what we fear, and what we hope for the future come from the knowledge and belief that can be found within us, and not from the adversity that surrounds us. This eBook edition includes a Reading Group Guide.

Loser's Corner - Antonin Varenne 2015-11-03

Parisian street cop and amateur boxer George "The Wall" Crozat is racking up an impressive knockout record in the world of underground boxing. Failing to translate his small-time boxing success into a decent source of income, however, and unable to finance his nasty prostitution habit with his meager earnings as a police officer, he

contemplates a drastic career change. Finally, unable to resist a tempting offer to make some cash using his fists as an enforcer, he unwittingly becomes a pawn in a very dangerous game. Meanwhile, we learn the unsettling story of the young socialist Pascale Verini, exiled to the Algerian front during the 1957 Algerian War. As soon as he gets to Algeria, Verini is transferred to a nightmare "farm" in deepest Sahara, where North African prisoners of war are mercilessly tortured and killed by the French, away from prying eyes and ears. Prix Quais du Polar winner Antonin Varenne draws on his father's experiences of France's colonialist past to illuminate one of the darkest pages of France's colonial history, even as he

details the grim reality of being a beat cop in present-day Paris. The result is a darkly personal, elegantly gritty tale of conspiracy, torture, corruption, and revenge.

Losers - Mary Pilon
2020-08-18

"It's easy to do anything in victory. It's in defeat that a man reveals himself."
—Floyd Patterson
Twenty-two notable writers—including Bob Sullivan, Abby Ellin, Mike Pesca, Sir Arthur

Conan Doyle, Louisa Hall, and Gay Talese—examine the untold stories of the losers, and in doing so reveal something raw and significant about what it means to be human. The locker rooms of winning teams are crowded with coaches, family, and fans. Reporters flock to the athletes, brimming with victory and celebration, to ask, How does it feel? In contrast, the locker rooms of the losing teams are quiet and awkward, and reporters tend to leave quickly, reluctant to linger too long around loss. But, as sports journalists Mary Pilon and Louisa Thomas argue, losing is not a phenomenon to be overlooked, and in *Losers*, they have called upon novelists, reporters, and athletes to consider what it means to lose. From the Olympic gymnast who was

forced to surrender her spot to another teammate, to the legacy of Bill Buckner's tenth-inning error in the 1986 World Series, to LeBron James's losing record in the NBA Finals, these essays range from humorous to somber, but all are united by their focus on defeat.

Interweaving fourteen completely new and unpublished pieces alongside beloved classics of the genre, *Losers* turns the art of sports writing on its head and proves that there is inspiration to be found in stories of risk, resilience, and getting up after you've been knocked down.

Keep calm and make it to prom night—without a legit panic attack. For seventeen-year-old Bree Hughes, it's easier said than done when gossip, grief, and the opportunity to fail at

love are practically high-fiving her in the hallways of Belmont High. When Bree's crush, Sean Mills, gives her his phone number, she can't even leave a voicemail without sounding like a freak. Then she's asked to be on Prom Court because Maisey Morgan, the school outcast nominated as a joke, declined. She apologizes to Maisey, but it's too late. After years of torment and an ugly secret shared with their class's cruel Pageant Queen, Maisey commits suicide. Bree is left with a lot of regret...and a revealing letter with a final request. With Sean by her side, Bree navigates through her guilt, her parents' divorce, and all the Prom Court drama. But when a cheating-love-triangle secret hits the fan after a night of sex, drinks, and video games,

she's left with new information about Sean and the class Pageant Queen. Bree must now speak up or stay silent. If she lets fear be her guide, she'll lose her first love, and head to prom to avenge the death of the school outcast—as a party of one. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Stop Being a Broke Loser
- Christopher Alan Bell
2020-11-27

The world is awash in terrible financial advice that extracts wealth from the middle class and funnels it to the wealthy. Expensive investments, over-priced insurance products and speculative investments with no underlying value abound. "Gurus" on YouTube and other social media platforms hawk terrible financial advice and sell personal courses that destroy wealth instead of creating it. People continue to get brainwashed by corporate advertising into spending their entire life's income on useless products to signal

status. This must end. This book contains everything you need to know to avoid investment scams, buy appropriate insurance to protect your family, and help you live a financially fruitful life.

In Declare War on Yourself, you'll learn:- What it means to actually "have your act together" and how it helps you get the life you actually want- Why only 3% of us actually have our life together and the rest of us can't figure it out- Why society's definition of "having your act together" leads you in the wrong direction- Why we're consciously choosing not to have our

act together- The things giving us a false sense of having our act together- Signs you don't have your act together and have work to do- The real and simple definition of being successful- The one thing about your personality keeping you from having your life together- The part of your brain that is constantly sabotaging you and doesn't want you to improve- Things you're not doing that you should be doing- Things you're not focused on that you should be focused on- Very important things you're ignoring and not making a priority- Reasons we're lazy, we don't push ourselves as hard as we should, and we keep giving up- The things happening in and around your life that you shouldn't be "OK" with but you are- How it's easier than you

think to accomplish anything you want or that needs to be done- 3 things that will change your life forever if you do them on a regular basis- What it actually takes to change yourself and get your life together for good- The people and situations that are actually holding you back from getting your act together- What actually matters and doesn't matter when you want to get your act and life together- Two types of people you can be and what makes them successful and unsuccessful- Where you stand in your life, which level you're on, and how to move forward from it- How what you're programming your mind with each minute of each day is helping you or hurting you- What change you're looking for, who you're aiming to become, and who the ideal you

is- How much time you're actually wasting each day on useless thoughts and activities- The things that are really stopping you from moving in the right direction with your life- What thoughts, emotions, feelings, people, places, and things are getting in your way- Which thoughts are worth your time and a waste of your time- Which emotions are actually holding you back and causing you to move backwards- How to eliminate "chaos" from your mind, daily routine, and your life- How to eliminate the distractions and prevent them from killing your focus- How to identify the 80% of thoughts, feelings, activities, people, and things are a waste of your time- How to replace your trash habits without having to focus on them too much- How to find out what you

don't need in your life and how to get rid of it- What you need to accept about yourself and your life in order to move forward- 3 things you need to be absolutely clear with yourself about so you don't keep making these mistakes- Boundaries and rules you should establish with yourself so you stay on track and make things happen- Things you're consciously doing that are making you unhappy, unproductive, and unsuccessful- 4 things you need to stop doing immediately to be a good example to yourself and others- How to commit to yourself, respect yourself, and do what you say you're going to do- The one mindset that creates permanent change and sets you apart from everyone else- 3 mindsets that will help you reach your goals faster and easier-

"Failure" mindsets you need to eliminate as of yesterday- Powerful mindsets that help the world's most elite people keep their head on straight- Mental toughness - how to develop it and how it gets you through anything- How to make self-control and self-discipline easier- How your environment is playing a big part in where you're currently at- How to handle your dark moments and what to do about themAnd More!
The Loser's Seminar - Saidi Mdala 2015-09-09
Will you let opportunity pass for school? Do you always give in to external pressure? Are you floating through life without a purpose? Do you take whatever is handed down to you? Are you always avoiding making decisions? Are you ill-disciplined? Do you struggle to finish anything you start? Do

you take crap while sitting? Are you just plain lazy? Do you lack guts? Would you rather play it safe than take a risk? If you even remotely relate to any of these, ...this book was written for you.

A Day That Changed

Everything - Beth Moran

2020-03-24

'At a time when I needed a lift, this novel came

into my life.' 5* Reader

Review Amy Piper is in need of a bit of luck. She's lost her confidence, her mojo and her way. But one thing she has never lost is her total love for her thirteen-year-old son Joey, and for his sake she knows it's time for a change. But first she has to be brave enough to leave the house... What she needs are friends and an adventure. And when she joins a running group of women who call themselves The Larks, she finds both. Not to mention their inspiring (and rather handsome) coach, Nathan. The trick to changing your life, is to take it one day at a time. Now, with every ounce of strength she has left, Amy is determined to make just one day special - for herself and for Joey. And who knows, today might be the day that changes everything...

Uplifting, funny and unforgettable, Beth Moran returns with a joyous tale of friendship, love and facing your fears. This book was previously published as How Not to be a Loser. Praise for Beth Moran 'Life-affirming, joyful and tender.' Zoe Folbigg 'Every day is a perfect day to read this.' Shari Low 'A British author to watch.'
