**A Prayer for Every Occasion** - Carrie Marris

2020-09-29

Are you ever at a loss for words during prayer? God encourages us to approach Him with confidence, yet often we don't know what to say. We wonder if we'll pray the "wrong" way—or we

simply have no words at all. A Prayer for Every Occasion inspires readers with prayer prompts, tips on how to pray, and ways to grow a habit of prayer. Organized by occasion and need, this prayer book offers abundant prayer examples to share with others or pray privately, and includes:

Prayers for when you're suffering Prayers during a waiting season Prayers for when you seek growth and transformation Prayers for weddings, funerals, births, and loss Prayers for graduations, praise, celebrations, and more Including beloved prayers from Scripture as well as historical prayers, this lovely gift book teaches us how to pray with passion and joy. This book is a great gift for just about every occasion--birthdays, Easter, Mother's Day, Christmas, a loved one grieving, a friend needing encouragement, or someone achieving a milestone. Written for veteran pray-ers as well as for those of us who find prayer intimidating, *A Prayer for Every Occasion* provides an overview of the most common elements found in well-known prayers—including the words of Jesus—to help us find new confidence in our prayer lives.

*Reaching Out* - Henri J. M. Nouwen 1986-08-05 With the clarity and depth characteristic of the classics, this spiritual bestseller lays out a perceptive and insightful plan for living a spiritual

life and achieving the ultimate goal of that life -- union with God. Nouwen views our spiritual "ascent" as evolving in three movements. The first, from loneliness to solitude, focuses on the spiritual life as it relates to the experience of our own selves. The second, from hostility to hospitality, deals with our spiritual life as a life for others. The final movement, from illusion to prayer, offers penetrating thoughts on the most mysterious relationship of all: our relationship to God. Throughout, Nouwen emphasizes that the more we understand (and not simply deny) our inner struggles, the more fully we will be able to embrace a prayerful and genuine life that is also open to others' needs. *Reaching Out* is a rich book to be read, reread, pondered, and shared with others. "It does not offers answers or solutions," Nouwen cautions, "but is written in the conviction that the quest for an authentic Christian spirituality is worth the effort and the pain, since in the midst of this quest we can find signs offering hope, courage, and confidence."

**Enchanted Love** - Marianne Williamson  
2013-12-17

Three of Marianne Williamson's previous bestsellers -- *A Return to Love*, *A Woman's Worth*, and *Illuminata* -- explored the issue of relationships. Now, in this deeply personal collection of essays, prayers, and self-reflection, she turns to romantic love. In *Illuminata*, Williamson wrote that "we experience God to the extent to which we love, forgive, and focus on the good in others and ourselves." Now, in *Enchanted Love*, she writes that "enchanted partnership begins with the conscious understanding, on the part of two people, that the purpose of their relationship is not so much material as spiritual, and the internal skills demanded by it are prodigious." High romance, she says, "is not about past or future. It is not about practicality. It is not about society or worldly routines. It is an audacious ride to the center of what is, at the heart of every person. It is a bold and masterful inquiry into what two

people really are and how we might become, while still on earth, the angels who reside within us."

*Illuminata* - Marianne Williamson 1994

Collection of prayers and ceremonies for the for times of need, spiritual growth, and change.

**Miracle Cards** - Marianne Williamson  
2002-02-01

**It's Not Your Money** - Tosha Silver 2020-09-15  
New in paperback from the author of *Outrageous Openness*: a witty and spirited guide to radically releasing the burdens of financial fears. It's natural to crave prosperity. Some seek to manifest it in myriad ways--using anything from vision boards to writing a pretend check for a million dollars from the Bank of Divinity. Yet whatever comes, or doesn't, the mind always seems to want more. But what if there was a whole other way? Instead of grasping and chasing, what if we offered everything--our money (or lack of it), our triumphs, our problems,

our desires--fully back to Love? What if this offering itself was actually the secret to abundance? Tosha Silver, internationally beloved spiritual guide, has created a practical and powerful financial book unlike any other. Leading you through a deeply transformative eight-week process, she shares the mental, emotional, and spiritual steps that anyone can take to learn to fully receive and prosper. Her step-by-step guidance is filled with prayers, meditations, and stories to help you find and heal the source of these fears and unworthiness. As you come to know you are part of something larger--something that you serve and that longs to serve you--you begin to feel a new sense of freedom and abundance. You yourself become a vehicle for Divine Flow.

*Everyday Grace* - Marianne Williamson  
2004-10-05

From activist, spiritual leader, New York Times-  
bestselling author, and 2020 presidential  
candidate Marianne Williamson comes a book

about everyday peace, everyday hope, and  
everyday grace In these pages, author Marianne  
Williamson acts as a guide back to the spiritual  
source, exploring the ways to nurture a thriving  
soul in a harsh world. The large and small  
difficulties of our days challenge us to open our  
hearts and minds. With an attitude of hope, a call  
to forgive, and a celebration of miracles,  
Williamson helps readers to find sacred footing  
on ordinary ground. For no matter what, there is  
always an opportunity to be happy. Everyone is  
entitled to the pleasures of everyday grace.

**God and the Evolving Universe** - James  
Redfield 2003-01-06

In a world racked by violence and conflict, James  
Redfield and Michael Murphy—leading cocreators  
of today's spiritual boom—present a message of  
hope and a vision for the future. It is no accident,  
they argue, that the twentieth and early twenty-  
first centuries have witnessed a revolution in new  
human capacities. Daily we hear and read about  
supernormal athletic feats; clairvoyant

perception; lives transformed by meditative practices; healing through prayer—and we ourselves experience these things. The authors contend that thousands of years of human striving have delivered us to this very moment, in which each act of self-development is creating a new stage in planetary evolution—and the emergence of a human species possessed of vastly expanded potential.

*Return of the Corn Mothers* - Renee Fajardo  
2019-09-19

An anthology of photographs and stories of multi-generational and multi-cultural women of the Southwest, whose lives and work embody the spirit of community.

Healing the Soul of America - 20th Anniversary Edition - Marianne Williamson 2018-07-24

Now updated with new material by #1 New York Times bestselling author and 2020 Democratic presidential candidate Marianne Williamson, the twentieth anniversary edition of *Healing the Soul of America* shares her timeless, visionary

message of political healing. In the twentieth anniversary edition of *Healing the Soul of America*, Marianne Williamson reclaims her powerful voice for social conscience in American society. This is a time, according to Williamson, for Americans to return once again to our first principles, both politically and spiritually. Here, Williamson draws plans to transform the American political consciousness and encourage powerful citizen involvement to heal our society. With updated material throughout, Williamson explores the current state of American politics, reminding us of her theory of holistic politics—the convergence of political activists looking toward spiritual wisdom and spiritual contemplatives extending their service into the political landscape. She believes that a morally concerned American must now take an active stand in turning this country away from its current identity as a nation obsessively in love with its money to a nation more seriously invested in all of its children and the potential brilliance of every

citizen. “Marianne Williamson...is attempting to...help not only her followers but an entire nation” (People). In the wake of the current political dysphoria, with countless tragedies consistently on the nightly news, America is facing a time of immense division. Political parties that completely polarize friends and family, mass shootings, threats of nuclear war, and a lack of confidence in our governmental leaders show that the country is in desperate need of restoration. We need a new paradigm of political understanding, a moral commitment to express it, and a new kind of activism to bring it forth. Healing the Soul of America is a blueprint for all three and there has never been a more urgent need.

Healing the Soul of America - Marianne

Williamson 2014-03-18

Healing That Reaches Beyond the Self In this landmark work, Marianne Williamson reminds us that there is a point in everyone's spiritual journey where the search for self-awareness can turn into self-preoccupation. All of us are better off when contemplation of holy principles is at the center of our lives. But it is in applying those principles in our lives that we forge the true marriage between heaven and earth. In the compassionate but clear-eyed prose that has won her so many avid readers, Williamson shows us that the principles which apply to our personal healing also apply to the healing of the larger world. Calling on Americans to turn the compassion in our hearts into a powerful force for social good, Williamson shows us how to transform spiritual activism into a social activism that will in turn transform America into a nation seriously invested in the hope of every child and in the potential of every adult.

**Christmas Prayers** - Marianne Williamson 2000

Bestselling spirituality author and guru Williamson offers fairly generic, but beautifully illustrated, prayers for the Christmas season. Written in the slightly offbeat, mystical style that is Williamson's trademark, these prayers emphasize the holiday's themes of universal love and reconciliation.

**The Age of Miracles** - Marianne Williamson  
2008-01-01

As seen on OWN's Super Soul Sunday! The need for change as we get older—an emotional pressure for one phase of our lives to transition into another—is a human phenomenon, neither male nor female. There simply comes a time in our lives—not fundamentally different from the way puberty separates childhood from adulthood—when it's time for one part of ourselves to die and for something new to be born. The purpose of this book by best-selling author and lecturer Marianne Williamson is to psychologically and spiritually reframe this transition so that it leads to a wonderful sense of

joy and awakening. In our ability to rethink our lives lies our greatest power to change them. What we have called "middle age" need not be seen as a turning point toward death. It can be viewed as a magical turning point toward life as we've never known it, if we allow ourselves the power of an independent imagination, utilizing thought-forms that don't simply flow in a perfunctory manner from ancient assumptions handed down to us, but rather flower into new archetypal images of a humanity just getting started at 45 or 50. What we've learned by that time, from both our failures as well as our successes, tends to have humbled us into purity. When we were young, we had energy but were clueless about what to do with it. Today, we have less energy, perhaps, but we have far more understanding of what each breath of life is for. And now at last, we have a destiny to fulfill—not a destiny of a life that's simply over, but rather a destiny of a life that is finally truly lived. Midlife is not a crisis; it's a time of rebirth. It's not a time to

accept your death; it's a time to accept your life—and to finally, truly live it, as you and you alone know deep in your heart it was meant to be lived.

*A Return to Love* - Marianne Williamson

2009-10-13

Back by popular demand -- and newly updated by the author -- the mega-bestselling spiritual guide in which Marianne Williamson shares her reflections on *A Course in Miracles* and her insights on the application of love in the search for inner peace. Williamson reveals how we each can become a miracle worker by accepting God and by the expression of love in our daily lives. Whether psychic pain is in the area of relationships, career, or health, she shows us how love is a potent force, the key to inner peace, and how by practicing love we can make our own lives more fulfilling while creating a more peaceful and loving world for our children.

**Illuminated Prayers** - Marianne Williamson

1998

Prayer is a powerful force that can lift spirits, guide journeys, and heal the heart. *Illuminated Prayer* is a small volume of spiritual wisdom to bring the power of prayer into our daily lives. Illustrated in the manner of an illuminated manuscript, *Illuminated Prayers* offers a treasured keepsake of the power and enduring relevance of Williamson's message: Prayer illuminates our souls, and with prayer we can change the world.

*Intimate Conversations with the Divine* - Caroline Myss 2021-11-09

Now in paperback, from the New York Times best-selling author of *Sacred Contracts* and *Anatomy of the Spirit*, a timely guide with 100 prayers for entering into a personal relationship with the Divine. "I've loved so many of Caroline Myss's books, but maybe none so much as *Intimate Conversations with the Divine*. Has there ever been a more urgent need for her unique and profound (and sometimes wonderfully cranky) take on our spiritual reality, healing, and the

language of holiness?" -- Anne Lamott, author of *Traveling Mercies* and *Help, Thanks, Wow* In her most personal book to date--now available in paperback for the first time--beloved teacher and best-selling author Caroline Myss draws on her own practice to help us regain our fluency in the language of prayer and renew our connection to the sacred. *Intimate Conversations with the Divine* offers 100 of Myss's personal prayers as a resource and inspiration to start a prayer practice of your own. Each prayer illustrates a different type of grace that feeds the human soul, from awakening, endurance, and healing, to silence, surrender, and trust. "We are one holy system of life and great cosmic truth, which is that all life--including all of us--breathes together," Myss writes. "I hope this book, these prayers, will bring you comfort and grace, and help you through the difficult times ahead. And I hope they will inspire you to believe that with God, all things are possible."

*A Woman's Worth* - Marianne Williamson

2013-01-23

Cutting across class, race, religion, and gender, *A Woman's Worth* speaks powerfully and persuasively to a generation in need of healing, and in search of harmony. With *A Woman's Worth*, Marianne Williamson turns her charismatic voice—and the same empowering, spiritually enlightening wisdom that energized her landmark work, *A Return to Love*—to exploring the crucial role of women in the world today. Drawing deeply and candidly on her own experiences, the author illuminates her thought-provoking positions on such issues as beauty and age, relationships and sex, children and careers, and the reassurance and reassertion of the feminine in a patriarchal society.

*Illuminata* - Marianne Williamson 1994

*Journey Without Distance* - Robert Skutch  
2004-09

With more than 1.5 million copies in print,A

Course in Miracles is one of the most popular texts for self-actualization. A self-study course designed to help change one's perceptions, A Course in Miracles was recorded over a seven-year period by Dr. Helen Schucman, a highly respected research psychologist who heard a "voice" dictating the material to her. In JOURNEY WITHOUT DISTANCE, Robert Skutch, director of the Foundation for Inner Peace, publishers of A Course in Miracles, recounts the inspirational story of how the book came to be. What was Helen Schucman really like? Why was she chosen to receive the material? What roles did other people play in this fantastic journey? Based on firsthand accounts told to the author, JOURNEY WITHOUT DISTANCE is a suspenseful and dramatic story that will fascinate the millions of people who have read A Course in Miracles and captivate those who have not yet opened its pages.

**Illuminata** - Marianne Williamson 1995

**Timeless Healing** - Herbert Benson 2009-07-07

In this life-changing book, Dr. Herbert Benson draws on his twenty-five years as a physician and researcher to reveal how affirming beliefs, particularly belief in a higher power, make an important contribution to our physical health. We are not simply nourished by meditation and prayer, but are, in essence, "wired for God." Combining the wisdom of modern medicine and of age-old faith, Dr. Benson shows how anyone can, with the aid of a caring physician or healer, use their beliefs and other self-care methods to heal over 60 percent of medical problems. As practical as it is spiritual, Timeless Healing is a blueprint for healing and transforming your life.

**The Law of Divine Compensation** - Marianne Williamson 2012-11-27

Marianne Williamson is a bestselling author (Return to Love, Healing the Soul of America), a world-renowned teacher, and one of the most important inspirational thinkers of our time. In The Law of Divine Compensation, she reveals the

spiritual principles that help us overcome financial stress and unleash the divine power of abundance. A guru to anyone interested in spirituality, Williamson's words ring with power and truth as she assures us that, with faith in God's promise of prosperity for all, we need never fear the future.

**Illuminata** - Marianne Williamson 2013-01-30  
Marianne Williamson's bestselling *A Return to Love* ended with a prayer in which she asked God to help us "find our way home, from the pain to peace, from fear to love, from hell to Heaven." Now, in this stunning new collection of thoughts, prayers, and rites of passage, Marianne Williamson returns to prayer. Prayer is practical, Williamson tells us. "To look to God is to look to the realm of consciousness that can deliver us from the pain of living." *Illuminata* brings prayer into our daily lives, with prayers on topics from releasing anger to finding forgiveness, from finding great love to achieving intimacy. There are prayers for couples, for parents, and for

children; prayers to mend broken relationships and prayers to overcome obsessive and compulsive love. There are prayers to heal the soul, prayers to heal the body, and prayers for work and creativity. Williamson also gives us prayers for the healing of America, including two prayers that have had powerful effects on audiences at her lectures: a prayer of amends on behalf of European Americans to African-Americans and one to Native Americans. How, Williamson asks, can we expect anyone to forgive when we have made no formal apology? Another section includes rites of passage, ceremonies of light for the signal events in our lives: blessing of the newborn, coming of age, marriage, and death. There is also a ceremony of the elder, for moving into midlife, and a ceremony of divorce, in which a gentle transition is provided for both the couple and their children. "Read my prayers or someone else's," Williamson says. "By all means, create your own." *Illuminata* is a way to bring prayer into practical use, creating a

sweeter, more abundant life for yourself and the people you care for. "No conventional therapy," she says, "can release us from a deep and abiding psychic pain. Through prayer we find what we cannot find elsewhere: a peace that is not of this world."

Tears to Triumph - Marianne Williamson

2017-06-13

The internationally recognized teacher, speaker, and New York Times bestselling author of *A Return to Love* argues that our desire to avoid pain is actually detrimental to our lives, disconnecting us from our deepest emotions and preventing true healing and spiritual transcendence. Marianne Williamson is a bestselling author, world-renowned teacher, and one of the most important spiritual voices of our time. In *Tears to Triumph*, she argues that we—as a culture and as individuals—have learned to avoid facing pain. By doing so, we are neglecting the spiritual work of healing. Instead of allowing ourselves to embrace our hurt, we

numb it, medicate it, dismiss it, or otherwise divert our attention so that we never have to face it. In refusing to acknowledge our suffering, we actually prolong it and deny ourselves the opportunity for profound wisdom—ultimately limiting our personal growth and opportunity for enlightenment. Frozen by denial, we are left standing in the breach. Whole industries profit from this immobility, and while they have grown rich, we have become spiritually poorer. As Marianne makes clear, true healing and transcendence can only come when we finally face our pain and wrestle with what it has to teach us. Written with warm compassion and profound wisdom, *Tears to Triumph* offers us a powerful way forward through the pain, to a deeper awareness of our feelings, our lives, and our true selves.

*Emma and Mommy Talk to God* - Marianne Williamson 2006-02

Because Mommy teaches Emma that God is present in everyone in the world, Emma learns

not to be afraid and even asks God to help Peter.

A Course In Weight Loss - Marianne Williamson  
2010

For so many people, whether your addiction is to a substance or merely to a certain way of thinking or acting, a profound humbling occurs when you realize that your problem is bigger than you are. The terror of realizing, even dimly, that you have no control over a self-destructive pattern of behavior that as much as you would want to, you simply cannot stop can mark a crucial turning point in your life. At that point, you go in one of two directions: either way, way down, or way, way up. . . . This book is for you if you know in your heart that you are an addict, and that you are powerless before your addictive behavior. As the title promises, Marianne Williamson looks at weight loss from a spiritual perspective, bringing you 30 lessons that can be done separately or in conjunction with any other serious spiritual path. These 30 lessons are

completely separate from anything related to diet or exercise they will retrain your consciousness in the area of weight in order to break the cycle of overeating, dieting, and shame that rules so many lives. Finally, Marianne has brought you what you've been waiting for: help to heal your addiction once and for all!

**A Course in Miracles** - 2005

**The Gift of Change** - Marianne Williamson  
2009-03-17

Bestselling author of Return to Love and Law of Divine Compensation, Marianne Williamson shows people how to live without fear or worry in The Gift of Change. The time in which we now live is more difficult and stressful than people are willing to admit. We live with an abiding sense of collective anxiety. Williamson shows how we are paralyzed in our current state of fear and anger because we are not facing and dealing with the true causes of our anxieties and fears. Williamson reveals that fear and worry do not need to be the

only tools in our tool box for dealing with problems in the world. As we learn to trust God and the love that surrounds us and guides us, we will see that what causes us pain is an opportunity for growth, healing, and miracles that can transform us and our world. Williamson delivers hope and healing as she illuminates ten basic changes that each of us can make as we learn to view the world through the eyes of love instead of fear.

The Four Agreements Companion Book - Don Miguel Ruiz 2010-03-18

**It's a Meaningful Life** - Bo Lozoff 2001-03-01  
Here is a universal, time-tested path for finding true meaning and joy in every aspect of our lives. Drawing on his 30 years of teaching and service, Bo Lozoff shows why compassion--not success, self-improvement, or self-esteem--is at the root of happiness. In 26 intimate, inspiring chapters--each accompanied by a specific practice--Lozoff covers themes such as developing honesty, learning humility, dealing with anger, and honoring relationships. He shows how practices such as a daily vow of kindness or a simple commitment of time with others can have a

profound effect on ourselves and our world. Lozoff's stories and lessons can awaken everyone to a happier and more fulfilled life.

*The Laws of Spirit* - Millman Dan 2015-01-29  
Perhaps the most important section in Dan Millman's best-selling book, *The Life You Were Born to Live* was titled *Laws that Change Lives*. These laws, as described, were key to overcoming the specific hurdles on a given individual's life path. Different laws played critical roles for different paths. But the author considers these laws so central to all our lives that they needed a book of their own, and a more universal treatment, since anyone could benefit from applying any of these laws. As he writes: "Within the mystery of our existence, the universe operates according to spiritual laws as real as the law of gravity and as constant as the turning of the heavens. Aligning our lives to these laws can transform our relationships, careers, finances, and health. Simply put, they make life work better." *The Laws of Spirit*, Dan Millman's "little

book of big wisdom," offers a teaching tale in which he encounters an ageless woman sage while on a mountain hike. There, in the wilderness, she takes Dan and his readers through experiences and tests in the natural world that demonstrate the power of spiritual laws of balance, choice, process, presence, compassion, faith, action, patience, , surrender, and unity. As the sage relates, "These laws belong to all of us. They rest within our hearts and at the heart of every religion and spiritual tradition." As you make your own journey through the pages of this book, you will find universal solutions to the varied challenges of our lives, leading to perspective and wisdom about the meaning and purpose of our lives here, and our connection with all of creation It begins with a single step: Open the first page of a book you will refer to again and again for inspiration and guidance on life's journey, up the mountain path.

**Prayerforce** - Clyo Beck 2004-11

AWAKENING AWARENESS During the course of

preparing for publication, many personal interviews were made in a test of the present stage of awareness of an individual's sense of self, of who the "I am" really is. These interviews were generally spontaneous, conducted in a natural setting during a conversation in which I would take advantage of a pause and quietly say: "I am going to ask you three questions which will change your awareness of who you really are. You will simply give me one-word answers, and by doing so you will begin to think of yourself in a new way. First: Are you more than a body? Yes, I am more than a body" Second: Since you are more than a body, what is the "more?" What is the "more" than my body? My Soul. Third: Since your soul is "more" than your body think now are you a body with a soul, or are you a soul in a body? Which has domain, your body or your soul? Which is the real you? (Longer pause) Most replied by saying "I am a soul in a body." \*\*\*\*\* "With" or "in" is determinative, and the one you choose, like a fork in the road, will

control your path ahead. If one chooses "with," it is an admission that Darwin is right; we are Homo sapiens, intelligent animals descended from the ape. As Donald Trump said, "Life is what you do when you are waiting to die." If one chooses "in," then one believes we cannot die. We are Human Beings, ascended from within, on the earth but not of it, destined to graduate when our bodies die and we return to the universe from whence we came as Souls in the form of radiant energy. The key to the fork in the road is awareness, for we become as we think. Who we think we are is that which we become. Descended from the ape or ascended from within, there is magic in the awakening of awareness of who is in control during our time of life on earth, and the personal awareness of who "I am" ignites the presence of enthusiasm within us entheos: God within.

\*\*\*\*\* BEING . . . is Nathan Shippee's autobiography of his Soul following his out-of-body experience.

*Signs From Above* - Doreen Virtue 2009-01-15

Your guardian angels are continually giving you messages, frequently through signs, such as seeing rainbows, repetitive number sequences, finding coins or feathers, and hearing meaningful songs. In this fascinating book, Doreen Virtue and her son Charles teach you how to understand the signs that are always around you. You'll gain comfort from reading true stories of how angels have answered prayers by giving clear signs revealing their love and protection. You'll also learn how to ask the angels for signs, along with specific prayers for your relationships, career, health, and other vital areas of your life.

**A Politics of Love** - Marianne Williamson  
2019-04-23

In this stirring call to arms, the activist, spiritual leader, and New York Times bestselling author of the classic *A Return to Love* confronts the cancerous politics of fear and divisiveness threatening the United States today, urging all spiritually aware Americans to return to—and act out of—our deepest value: love. America's story

is one of great social achievement. From the Abolitionists who fought to outlaw slavery, to the Suffragettes who championed women's right to vote, to the Civil Rights proponents who battled segregation and institutionalized white supremacy, to the proponents of the women's movement and gay rights seeking equality for all, citizens for generations have risen up to fulfill the promise of our nation. Over the course of America's history, these activists have both embodied and enacted the nation's deepest values. Today, America once again is in turmoil. A spiritual cancer of fear threatens to undo the progress we have achieved. Discord and hatred are dissolving our communal bonds and undermining the spirit of social responsibility—the duty we feel toward one another. In this powerful spiritual manifesto, Marianne Williamson offers a tonic for this cultural malignancy. She urges us to imitate the heroes of our past and live out our deepest spiritual commitment: where some have sown

hatred, let us now sow love. Williamson argues that we must do more than respond to external political issues. We must address the deeper, internal causes that have led to this current dysfunction. We need a new, whole-person politics of love that stems not just from the head but from the heart, not just from intellectual understanding but from a genuine affection for one another. By committing to love, we will make a meaningful contribution to the joyful, fierce and disruptive energies that are rising at this critical point in time. In the words of Abraham Lincoln, "we must think anew, and act anew . . . and then we shall save our country."

*God Is in the Crowd* - Tal Keinan 2018-09-25

"Enthralling, searching, profound, an extraordinarily powerful work on Jewish identity in the twenty-first century."—Rabbi Lord Jonathan Sacks A bold proposal for discovering relevance in Judaism and ensuring its survival, from a pioneering social activist, business leader, and fighter pilot in the Israeli Air Force *God Is in the*

Crowd is an original and provocative blueprint for Judaism in the twenty-first century. Presented through the lens of Tal Keinan's unusual personal story, it is a sobering analysis of the threat to Jewish continuity. As the Jewish people has become concentrated in just two hubs—America and Israel—it has lost the subtle code of governance that endowed Judaism with dynamism and relevance in the age of Diaspora. This code, as Keinan explains, is derived from Francis Galton's "wisdom of crowds," in which a group's collective intelligence, memory, and even spirituality can be dramatically different from, and often stronger than, that of any individual member's. He argues that without this code, this ancient people—and the civilization that it spawned—will soon be extinct. Finally, Keinan puts forward a bold and original plan to rewrite the Jewish code, proposing a new model for Judaism and for community in general. Keinan was born to a secular Jewish family in Florida. His interest in Judaism was ignited by a Christian

minister at his New England prep school and led him down the unlikely path to enlistment in the Israel Air Force. Using his own dramatic experiences as a backdrop, and applying lessons from his life as a business leader and social activist, Keinan takes the reader on a riveting adventure, weaving between past, present, and future, and fusing narrative with theory to demonstrate Judaism's value to humanity and chart its path into the future.
