Financial Accounting - Adriana Duțescu 2019-11-26
This book covers the principles, concepts, techniques and practical tools of financial accounting in supporting overall business decisions. Using a comprehensive theoretical framework, this book is enhanced by practical examples, exercises, chapter summaries and complex cases in each of the eleven chapters. With the International Financial Reporting

Standards (IFRS) and their specific Conceptual Framework as the baseline approach, this book also highlights Romanian regulation and practice specifically. Despite the globalisation efforts, this book demonstrates that there are still discrepancies and cultural challenges and will be of interest to students and academics of financial accounting.

Get to the Point - Chris Stoakes 2013

Writing is one of the key factors in professional success. It is one of the ways in which managers appraise you. Write well and clients and colleagues will rate you. Write poorly and you could harm your prospects. This book explains how to write well in the workplace. Christopher Stoakes is a lawyer and trainer acclaimed for his concise style
