Good and Cheap - Leanne Brown 2015-07-14

A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and

Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS

turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

10 Miracles of Jesus - Jamie Buckingham 1988-12-25

What is the real story why Jesus turned water into wine? Why did Jesus really heal the sick? Why are some healed and others not? Did Jesus really have power over nature to calm the storms and walk on water? When did Jesus really multiply the 5 loaves and 2 fish to feed 5000 people? Are demons real? Did Jesus really raise a dead man back to life and why? Jamie Buckingham's remarkable book on the miracles of Jesus takes us on an exciting adventure as he leads us through the history and culture that surrounded some of Jesus' most notable miracles. If you believe in your head but doubt in your heart that God still works miracles, you will find Jamie's book, "10 Miracles of Jesus," a great way to take a closer look at the miracles of Jesus -- then and now. Jamie points out that the biblical accounts of these and other

miracles of Jesus are either lies of the first magnitude or they are literally true. If they are lies and the Bible is false, then Jesus was the biggest con man who ever walked the face of the earth. But if the Bible is true and these miracles really did happen, then the same Spirit who raised Christ from the dead can work supernaturally in you, today. This book is a fascinating look at some of the miracles of Jesus and the compelling stories of what still happens when ordinary men and women of God refuse to place limits on the miracle-working power of our heavenly father. "Anything is possible for the one who believes" (Mark 9:23). (This work was also published under the title, *Miracle Power.*) Joyce in the Belly of the Big Truck; Workbook - Joyce A. Cascio 2005-05

\$2.00 a Day - Kathryn Edin 2015

The story of a kind of poverty in America so deep that we, as a country, don't even think exists--from a leading national poverty expert who "defies convention" (New York Times)

Caring for You, Caring for Me - David H. Haigler 1998
Caring for persons with chronic illnesses or disabilities is a rewarding endeavor, but it often places extreme demands on those providing care. Caregivers need both education and support to understand their caregiving roles and to cope with the difficult situations they face. All too often there is a chasm between professionals who are part of the formal caregiving system and family members, friends, and neighbors who provide daily care. The *Caring for You, Caring for Me* education and support program is a valuable tool for use in providing caregivers with education and support. The program is designed to bring formal (professional) and informal (lay/family) caregivers together to gain a better understanding of each other's perspectives on what it means to be a caregiver, with the hope that in the process both will learn to do it better. The program is based on caregiving research and the expertise of frontline caregivers. The Leader's Guide contains everything needed to conduct a ten-hour education and support program for caregivers: informational content, layouts for overhead transparencies, and suggested group activities. The companion Participant's Manual supports the presentation, providing a workbook for class activities, a suggested reading list, and a compendium of national sources of help for caregivers. *Caring for You, Caring for Me* was developed by the Rosalynn Carter

Institute under the guidance of the West Central Georgia Caregivers' Network (CARE-NET). The Rosalynn Carter Institute was established in 1987. Its mission is to understand the process of caregiving and discover new ways to benefit both formal and informal caregivers. The Institute supports the premise that caregivers and care receivers can be served most effectively through the collaborative efforts of formal and informal caregivers, academicians, public and private services, and organizations representing caregivers and recipients of care.

Build vocabulary skills with Latin and Greek roots and word lists, and by using the spelling rules to add prefixes and suffixes to root words. Choose from among the suggested activities to include practice with grammar, dictionary, and composition skills. Phonic, spelling, and punctuation rules are listed for easy reference. Word lists are divided by grade, 1 through 8. However, this method is easily adapted for older students or adults who need remedial work. Because of its multi-sensory and simplified approach to spelling, and because each child can work at his own pace, this program is ideal for students with learning disabilities. Grades K-12.
