Congratulations on purchasing such a great book. A good quality book will help you throughout your life. You may find many books for keyboard learning online, but you will probably never find a complete book like this one that will teach you everything from beginning to end. By just following this book without a teacher, you will get a full sense of how to play the keyboard. The book's chapters have been researched so that you can get started easily as a newbie. The book is structured into 8 chapters, and you will learn step by step by yourself, which will save you time and money. Each important section has the necessary pictures that will help you a lot to learn difficult topics easily. Chapter one discusses all keyboards, such as the keyboard keys, their types, and benefits. Keyboard keys and famous keyboard brands have been discussed in this chapter, as well. Going through this chapter, you'll come to know all the basics regarding the keyboards and its elements. The second chapter focuses on how you can get started. Once you complete chapter one thoroughly, you can accelerate your journey from chapter two. Then learn all about the musical theory in Chapter three. Chapter four introduces ideas on the musical sheet itself and how it actually works. Chapters 5 and 6 are the most important. These two chapters discuss the two main components of keyboard learning in detail- scales and chords. Chapter five is practical and when it's time to get started practicing. Chapter seven discusses the higher concept so that a newbie can learn full-fledged keyboard lessons. In addition, some guidelines and tips are given so that one can quickly learn to play the keyboard effectively. Finally, this book will guide you like a hands-on tutor to

teach you keyboard lessons from A to Z and from beginner to advanced level.

Topics like Scales, Arpeggios, and Chromatic Scales have been explained such a way that you can understand these complex things easily. But what makes this book the most comprehensive one? It includes Memorizing techniques, A Brief History of Piano, and short biographies of greatest pianists of all time. Another great thing about this book is that you can start playing chords almost instantly after reading the very first chapter. Are you still thinking about the long boring hours of memorizing theories? Learning to play piano chords still seems like a pretty big challenge? Have you tried before using another method or book and unfortunately it didn't work? Just put those negative thoughts behind you and grab this book now to start playing your very first song today! We'll provide you a strategy by which someone looking to learn this musical instrument can learn quickly and efficiently. If you are looking to become a

pianist, then this book is for you. It is written in simple and concise language; there is no obscure wording that gets in the way of your understanding. This is a must-have for people who are passionate about learning to play the piano, either for themselves or as accompanists. It is also an excellent tool for expert piano players who are looking to learn a thing or two about the history of their beloved instrument, as well as to refresh their memories about chords. In all, you can be sure that this book will set you up on the path towards becoming a great pianist. As long as you are willing to put in the work required, and to practice everything that is taught in the book, making beautiful music is in your future. Learn the basic terms used in music like tone, semitone, degrees, sharps, flats, arpeggios and key signatures. Develop proper posture and fingering technique. Teach yourself to play the basic musical scales in all 12 keys. Learn and apply a wealth of information on chords and where and when to play them. Get started on your journey into reading music. Acquire the basic knowledge and skills to finally take the plunge into the daunting yet wonderful world of improvisation. Benefit from useful tips on how to play different genres, how to maximize your practice sessions and how to develop good feel. Best of all, you'll be getting all this from the perspective of a professional player who gigs, records, composes and simply plays music for fun. Whether you have aspirations to play music professionally or simply want to become a better player for the sheer joy of it, whether you have plans to hit the recording studio or simply want to impress and entertain family and friends, this book has you covered. You'll also find useful bits of information and advice that will provide you with help and insight into desirable skills such as playing by ear, and into practical concerns such as cost. And don't worry-everything will be broken down into bite-sized pieces so even an absolute beginner can benefit from it. So, what are you waiting for? Bust out the ol' piano or that electronic keyboard, get comfortable and let's go! Music beckons!

[How to Play the Piano](#) - James Rhodes
2019-04-02

Now you can master Bach's most beautiful prelude—even if you've never sat down at a piano before! Do you have a piano (or keyboard) and forty-five spare minutes every day? Then spend the next six weeks with acclaimed concert pianist James Rhodes. By the end, you'll be able to perform Bach's Prelude No. 1 in C major—no prior musical experience required! Rhodes reveals How to Play the Piano step by step—how to read the treble and bass clefs as well as sharp and flat notes, and then how to practice—before teaching the Prelude in easy, bite-size segments. His method is free of tedious drills, and filled with inspiration: "If listening to music is soothing for the soul, then playing music is achieving enlightenment." Before you know it, not only will you have learned how to play one of Bach's most beloved masterpieces—you also will have unleashed your creativity, exercising your mind (and fingers) and accomplishing something you never thought possible. Bravo! Includes four instructional videos supported by select e-reader devices.
