The Key of Solomon the King - S. Liddell MacGregor Mathers 1999-07
Translated and Edited from Manuscripts in the British Museum by S. Liddell MacGregor Mathers. One of the most famous of all magical textbooks. The Key of Solomon the King, was translated by S. Liddell MacGregor Mathers, who was a well known 19th century magician and head of the Order of the Golden Dawn. The ancient manuscripts were found in the British Museum and are believed to be the actual words and instructions of King Solomon himself. In these texts he instructs his followers on how to summon and master spiritual powers, including how to obtain answers to problems from the spirit world. A

section called "Solomon, the Wise Man" details nothing of his magic, but shares many stories of Solomon's great wisdom. This same kind of wisdom is an important prerequisite to engaging in this magical work. The work here can be very powerful. The processes involved show the complexity in which European ritual magic was performed. This book also explains how the choice of time and place, preparation procedures, incantations, fasting, robes, fumigations, and various trappings play an integral part in the annals of magic. Other topics include days, hours, and virtues of the planets, prayers and conjurations, medals and pentacles, invisibility, magic carpets, and more.

The King's Seal - Amy Kuivalainen

2021-06-24

The exciting conclusion to *The Magicians of Venice* is a treasure hunt through time as Penelope hunts for a lost relic capable of defeating the demon Thevetat and his followers... The search for the legendary ring of King Solomon has begun, and Penelope must sift through its long and convoluted history of lost emperors, crusaders, and other famous historical figures—including one with whom the magicians share their own complicated past— if she hopes to find it in time. As Penelope's magic continues to grow stronger with the coming high tide, she and Alexis will have to depend upon each other more than ever to keep everyone they care about safe from the continuing attacks by Thevetat's priests. When the magical high tide finally peaks, the long-awaited battle against Thevetat will begin, and Penelope, Alexis, and the magicians will have to rely on both powers of old and new

if they hope to defeat their enemy once and for all.
