The Crossroads - Alexandra Diaz 2018-09-04
Winner of the International Latino Book Award
“An incredibly heartfelt depiction of immigrants and refugees in a land full of uncertainty.”
—Kirkus Reviews “Insightful, realistic picture...especially important reading for today’s children.” —Booklist “Fans of *The Only Road* will appreciate...while teachers and librarians may find the text useful to counter unsubstantiated myths about Central Americans fleeing to the US.” —School Library Journal
Jaime and Ángela discover what it means to be living as undocumented immigrants in the United States in this timely sequel to the Pura Belpré Honor

Book *The Only Road*. After crossing Mexico into the United States, Jaime Rivera thinks the worst is over. Starting a new school can’t be that bad. Except it is, and not just because he can barely speak English. While his cousin Ángela fits in quickly, with new friends and after-school activities, Jaime struggles with even the idea of calling this strange place “home.” His real home is with his parents, abuela, and the rest of the family; not here where cacti and cattle outnumber people, where he can no longer be himself—a boy from Guatemala. When bad news arrives from his parents back home, feelings of helplessness and guilt gnaw at Jaime. Gang violence in Guatemala means he can’t return home, but he’s not sure if he wants to stay either. The US is not the great place everyone said it would be, especially if you’re sin papeles—undocumented—like Jaime. When things look bleak, hope arrives from unexpected places: a quiet boy on the bus, a music teacher, an old ranch hand. With his sketchbook always close by, Jaime uses his drawings to show what it means to be a true citizen. Powerful and moving, this touching sequel to *The Only Road* explores overcoming homesickness, finding ways to connect despite a language barrier, and discovering what it means to start over in a new place that alternates between being wonderful and completely unwelcoming.

Breaking Out of Beginner's Spanish - Joseph J. Keenan 2010-01-01

Many language books are boring—this one is not. Written by a native English speaker who learned Spanish the hard way—by trying to talk to Spanish-speaking people—it offers English speakers with a basic knowledge of Spanish hundreds of tips for using the language more fluently and colloquially, with fewer obvious "gringo" errors. Writing with humor, common sense, and a minimum of jargon, Joseph Keenan covers everything from pronunciation, verb usage, and common grammatical mistakes to the subtleties of addressing other people, "trickster" words that look alike in both languages, inadvertent obscenities, and intentional swearing. He guides readers through the set phrases and idiomatic expressions that pepper the native speaker's conversation and provides a valuable introduction to the most widely used Spanish slang. With this book, both students in school and adult learners who never want to see another classroom can rapidly improve their speaking ability. Breaking Out of Beginner's Spanish will be an essential aid in passing the supreme language test-communicating fluently with native speakers.

Social Services for Digital Citizens - Cristina Pombo 2018-05-09

Disruption is the new norm and the digital transformation can spur innovation growth across many activities. Emerging technologies of the Fourth Industrial Revolution (4IR) can help governments reduce costs while improving services. Not every emerging technology will

alter the social landscape, but some truly do have the potential to disrupt the statu quo and change the way people live. This study focuses on the following key building blocks of the 4IR to examine their impact on the social services sector in Latin America and the Caribbean: Artificial Intelligence, Blockchain, Internet of Things and Cloud Computing, Big Data, Virtual and Augmented Reality.

The Five Jars - M. R. James 2016-01-15

M. R. James was born in Kent, England in 1862. James came to writing fiction relatively late, not publishing his first collection of short stories - Ghost Stories of an Antiquary (1904) - until the age of 42. Modern scholars now see James as having redefined the ghost story for the 20th century and he is seen as the founder of the 'antiquarian ghost story'. We are republishing these classic works in affordable, high quality, modern editions with a brand new introductory biography of the author.

The Telltale Lilac Bush and Other West Virginia Ghost Tales - Ruth Ann Musick 2010-09-12

" West Virginia boasts an unusually rich heritage of ghost tales. Originally West Virginians told these hundred stories not for idle amusement but to report supernatural experiences that defied ordinary human explanation. From

jealous rivals and ghostly children to murdered kinsmen and omens of death, these tales reflect the inner lives—the hopes, beliefs, and fears—of a people. Like all folklore, these tales reveal much of the history of the region: its isolation and violence, the passions and bloodshed of the Civil War era, the hardships of miners and railroad laborers, and the lingering vitality of Old World traditions.

Ragtime - E.L. Doctorow 2010-11-17

Selected by the Modern Library as one of the 100 best novels of all time Published in 1975, Ragtime changed our very concept of what a novel could be. An extraordinary tapestry, Ragtime captures the spirit of America in the era between the turn of the century and the First World War. The story opens in 1906 in New Rochelle, New York, at the home of an affluent American family. One lazy Sunday afternoon, the famous escape artist Harry Houdini swerves his car into a telephone pole outside their house. And almost magically, the line between fantasy and historical fact, between real and imaginary characters, disappears. Henry Ford, Emma Goldman, J. P. Morgan, Evelyn Nesbit, Sigmund Freud, and Emiliano Zapata slip in and out of the tale, crossing paths with Doctorow's imagined family and other fictional characters, including an immigrant peddler and a ragtime musician from Harlem whose insistence on a point of justice drives him to revolutionary violence.

"You Gotta BE the Book" - Jeffrey D. Wilhelm
2016-08-31

This award-winning book continues to resonate with teachers and inspire their teaching because it focuses on the joy of reading and how it can engage and even transform readers. In a time of next-generation standards that emphasize higher-order strategies, text complexity, and the reading of nonfiction, "You Gotta BE the Book" continues to help teachers meet new challenges, including those of increasing cultural diversity. At the core of Wilhelm's foundational text is an in-depth account of what highly motivated adolescent readers actually do when they read, and how to help struggling readers take on those same stances and strategies. His work offers a robust model teachers can use to prepare students for the demands of disciplinary understanding and for literacy in the real world. The Third Edition includes new commentaries and tips for using visual techniques, drama and action strategies, think-aloud protocols, and symbolic story representation/reading manipulatives. Book Features: A data-driven theory of literature and literary reading as engagement. A case for undertaking teacher research with students. An approach for using drama and visual art to support readers' comprehension. Guidance for assisting students in the use of higher-order strategies of reading (and writing) as required by next-generation standards like the Common Core. Classroom interventions to help all students, especially reluctant ones, become successful readers. Online resources, including inquiry unit templates, tools for teaching with drama, and

tips for using visual techniques.

Varney the Vampire or; The Feast of Blood -

Thomas Preskett Prest 2017-04-14

An often confusing book to follow, the story of Varney nonetheless had a lot of influence on modern vampire fiction. Driven by the need for blood and for monetary gains, Varney loathes the situation he is in and over the course of the novel he is seen as a character of sympathy. Eventually Varney has to make a decision as to whether to live with his condition or make a more drastic decision.
