Garden Spells - Sarah Addison Allen
2007-08-28

In a garden surrounded by a tall fence, tucked away behind a small, quiet house in an even smaller town, is an apple tree that is rumored to bear a very special sort of fruit. In this luminous debut novel, Sarah Addison Allen tells the story of that enchanted tree, and the extraordinary people who tend it. . . . The Waverleys have always been a curious family, endowed with peculiar gifts that make them outsiders even in their hometown of Bascom, North Carolina. Even their garden has a reputation, famous for its feisty

apple tree that bears prophetic fruit, and its edible flowers, imbued with special powers. Generations of Waverleys tended this garden. Their history was in the soil. But so were their futures. A successful caterer, Claire Waverley prepares dishes made with her mystical plants—from the nasturtiums that aid in keeping secrets and the pansies that make children thoughtful, to the snapdragons intended to discourage the attentions of her amorous neighbor. Meanwhile, her elderly cousin, Evanelle, is known for distributing unexpected gifts whose uses become uncannily clear. They are the last of the Waverleys—except for Claire's rebellious sister, Sydney, who fled Bascom the moment she could, abandoning Claire, as their own mother had years before. When Sydney suddenly returns home with a young daughter of her own, Claire's quiet life is turned upside down—along with the protective boundary she has so

carefully constructed around her heart. Together again in the house they grew up in, Sydney takes stock of all she left behind, as Claire struggles to heal the wounds of the past. And soon the sisters realize they must deal with their common legacy—if they are ever to feel at home in Bascom—or with each other. Enchanting and heartfelt, this captivating novel is sure to cast a spell with a style all its own. . . .

Zoli - Colum McCann 2008-12-10
A unique love story, a tale of loss, a parable of Europe, this haunting novel is an examination of intimacy and betrayal in a community rarely captured so vibrantly in contemporary literature. Zoli Novotna, a young woman raised in the traveling Gypsy tradition, is a poet by accident as much as desire. As 1930s fascism

spreads over Czechoslovakia, Zoli and her grandfather flee to join a clan of fellow Romani harpists. Sharpened by the world of books, which is often frowned upon in the Romani tradition, Zoli becomes the poster girl for a brave new world. As she shapes the ancient songs to her times, she finds her gift embraced by the Gypsy people and savored by a young English expatriate, Stephen Swann. But Zoli soon finds that when she falls she cannot fall halfway—neither in love nor in politics. While Zoli's fame and poetic skills deepen, the ruling Communists begin to use her for their own favor. Cast out from her family, Zoli abandons her past to journey to the West, in a novel that spans the 20th century and travels the breadth of Europe. Colum McCann, acclaimed author of *Dancer* and *This Side of Brightness*, has created a sensuous novel about exile, belonging and survival, based loosely on the true story of the Romani poet Papsuza. It

spans the twentieth century and travels the breadth of Europe. In the tradition of Steinbeck, Coetzee, and Ondaatje, McCann finds the art inherent in social and political history, while vividly depicting how far one gifted woman must journey to find where she belongs. Praise for Zoli "Soaring and stumbling over decades of midcentury Eastern Europe, Zoli is a riveting novel."—Gail Caldwell, Boston Sunday Globe "Beautifully written . . . Beautifully conceived, wonderfully told, the story is proof of an indomitable spirit. The elusive character of Zoli, the brilliant artist, is unforgettable."—The Washington Post Book World BONUS: This edition includes an excerpt from Colum McCann's TransAtlantic.

The Museum of Innocence – Orhan Pamuk
2011-08-05

The Museum of Innocence – set in Istanbul between 1975 and today – tells the story of Kemal, the son of

one of Istanbul's richest families, and of his obsessive love for a poor and distant relation, the beautiful Fusun, who is a shop-girl in a small boutique. In his romantic pursuit of Füsün over the next eight years, Kemal compulsively amasses a collection of objects that chronicles his lovelorn progress—a museum that is both a map of a society and of his heart. The novel depicts a panoramic view of life in Istanbul as it chronicles this long, obsessive love affair; and Pamuk beautifully captures the identity crisis experienced by Istanbul's upper classes that find themselves caught between traditional and westernised ways of being. Orhan Pamuk's first novel since winning the Nobel Prize is a stirring love story and exploration of the nature of romance. Pamuk built The Museum of Innocence in the house in which his hero's fictional family lived, to display Kemal's strange collection of objects

associated with Fusun and their relationship. The house opened to the public in 2012 in the Beyoglu district of Istanbul. 'Pamuk has created a work concerning romantic love worthy to stand in the company of Lolita, Madame Bovary and Anna Karenina.' --Financial Times

Dark Fires - Brenda Joyce 2009-07-22
"He murdered his wife," they whispered. Nicholas Bragg, Earl of Dragmore, was notorious--even after a British court found him innocent. He was wild, explosive, an uncouth Texas rakehell--exactly the wrong kind of man for an English beauty to tame. Together they would be swept into the dark storm of their passionate destiny...and wild, all-consuming love.

The Whisperer - Donato Carrisi
2012-01-05

A gripping literary thriller and smash bestseller that has taken Italy, France, Germany and the UK by storm. Six severed arms are discovered, arranged in a mysterious circle and buried in a clearing in the woods. Five of them appear to belong to missing girls between the ages of eight and eighteen. The sixth is yet to be identified. Worse still, the girls' bodies, alive or dead, are nowhere to be found. Lead investigators Mila Vasquez, a celebrated profiler, and Goran Gavila, an eerily prescient criminologist, dive into the case. They're confident they've got the right suspect in their sights until they discover no link between him and any of the kidnappings except the first. The evidence in the case of the second missing child points in a vastly different direction, creating more questions than it answers. Vasquez and Gavila begin to wonder if they've been brought in to take the

fall in a near-hopeless case. Is it all coincidence? Or is a copycat criminal at work? Obsessed with a case that becomes more tangled and intense as they unravel the layers of evil, Gavila and Vasquez find that their lives are increasingly in each other's hands. *THE WHISPERER*, as sensational a bestseller in Europe as the Stieg Larsson novels, is that rare creation: a thought-provoking, intelligent thriller that is also utterly unputdownable.

Tamed - Emma Chase 2014-07-15

In the third unforgettable book by New York Times bestseller Emma Chase, Matthew Fisher—the best friend of Drew Evans from Tangled and Twisted—wants to settle down, but he'll have to overcome the mistrust of the colorful and unique Dee Dee Warren. Stop me if you've heard this one before: girl meets player, they fall in love, player changes his ways. It's a good story. But it's not

our story. Ours is a lot more colorful. When I met Dee, I knew right away that she was special. When she met me, she thought I was anything but special—I was exactly like every other guy who'd screwed her over and let her down. It took some time to convince her otherwise, but it turns out I can make a convincing argument when sex is at stake. You might know where this story's headed. But the best part isn't where we ended up. It's how we got there.

The Fortress - Meša Selimović 1999

The Fortress is one of the most significant and fascinating novels to come out of the former Yugoslavia. Ahmet Shabo returns home to eighteenth-century Sarajevo from the war in Russia, numbed by the death in battle or suicide of nearly his entire military unit. In time he overcomes the anguish of war, only to find that he has emerged a reflective and contemplative man in a society

that does not value, and will not tolerate, the subversive implications of these qualities.

Villa America - Liza Klausmann
2015-08-04

A dazzling novel set in the French Riviera based on the real-life inspirations for F. Scott Fitzgerald's *Tender is the Night*. When Sara Wiborg and Gerald Murphy met and married, they set forth to create a beautiful world together—one that they couldn't find within the confines of society life in New York City. They packed up their children and moved to the South of France, where they immediately fell in with a group of expats, including Hemingway, Picasso, and Zelda and Scott Fitzgerald. On the coast of Antibes they built Villa America, a fragrant paradise where they invented summer on the Riviera for a group of bohemian artists and writers who became deeply entwined in each other's affairs. There, in their

oasis by the sea, the Murphys regaled their guests and their children with flamboyant beach parties, fiery debates over the newest ideas, and dinners beneath the stars. It was, for a while, a charmed life, but these were people who kept secrets, and who beneath the sparkling veneer were heartbreakingly human. When a tragic accident brings Owen, a young American aviator who fought in the Great War, to the south of France, he finds himself drawn into this flamboyant circle, and the Murphys find their world irrevocably, unexpectedly transformed. A handsome, private man, Owen intrigues and unsettles the Murphys, testing the strength of their union and encouraging a hidden side of Gerald to emerge. Suddenly a life in which everything has been considered and exquisitely planned becomes volatile, its safeties breached, the stakes incalculably high. Nothing will remain as it once was. Liza Klausman

expertly evokes the 1920s cultural scene of the so-called "Lost Generation." Ravishing and affecting, and written with infinite tenderness, VILLA AMERICA is at once the poignant story of a marriage and of a golden age that could not last.
