Basic economic concepts, key terms, and a breakdown of each exam's content are included, so you can prepare for all topics tested on the exams. A glossary and appendices of free-response topics and commonly used formulas are included for extra study and review. Each chapter contains review questions that help students study smarter and boost their AP* scores. The test prep features two full-length practice exams (one for Microeconomics and one for Macroeconomics) with detailed explanations of all answers, custom study schedules, and test-taking strategies. The practice tests are composed of every type of question that can be expected on the actual AP* exams, so you can "practice for real" and target your strengths and weaknesses before the test. Both of the book's practice tests are included on CD in a timed format with automatic, instant scoring. Our interactive TestWare CD offers detailed on-screen answers, diagnostic feedback, plus an extended time function for students with disabilities. If you're serious about getting a 5 on your exam, you need REA's test prep for the AP* Micro & Macroeconomics exam! REA has helped more than a million students succeed on their AP* exams! Teachers across the country consider our AP* titles to be invaluable resources and consistently recommend our books to their students.
