**The Big Love** - Florence Aadland 2018

Literary Nonfiction. California Interest. Women's Studies. Film. Memoir. THE BIG LOVE is a Hollywood nightmare. It tells the story of Errol Flynn--a fading, alcoholic movie star--and the underage dancer-actress Beverly Aadland. The narrator? Beverly Aadland's fame-worshipping mother Mrs. Florence Aadland, who spurs the relationship on. There is nothing subtle or sympathetic about this memoir: It is outrageous, grotesque, surreal, notorious--an intimate look at Hollywood exploitation and decay. On the one hand, THE

BIG LOVE depicts the deterioration of Errol Flynn, an actor who is quickly losing relevance after years of playing irresistible swashbucklers in films such as Captain Blood (1935) and The Adventures of Robin Hood (1938). He is riddled with medical problems, drinking himself to death. On the other hand, there is Mrs. Florence Aadland, also an alcoholic, an uncultured stage mother psychotically pushing her daughter Beverly forward even at the cost of her own marriage. A bizarre, seedy time capsule of the 1950s, THE BIG LOVE is the long-lost literary sister of Barbara Payton's I AM NOT ASHAMED. And, after languishing out of print for years, it is ready to shock brand new audiences with its absurd humor, villainous characters, and sickly dissipation.

**Imaginative Love Seeing Through the Eye of God** -

Rita Faith 2016-06-30

In this book I introduce with my own interpretation and insights, two rare radio talks and three lectures from Neville Goddard whom I believe to be one of the greatest teachers on spiritual and mystic matters. A true genius in the realm of reality creation and manifesting. Each chapter is preceded with my introduction and advice on the material that is then presented by Neville. He taught with such authority as he had experienced the truth of his own teachings, he believed in them as he had lived them. I have also experienced the truth of his teachings and it is my desire that you do too. This is the reason behind the creation of this book. This book contains spiritual truths. I believe everyone deserves to know

these truths, to experience this power the power to create your very own heaven on earth. I spent numerous months selecting from the hundreds of Neville's lectures and talks, the five that I believe will truly change your life and also help you to become the master of your fate. If I can do it you can do it to. Neville Goddard's teachings changed my life. I have gone from working in a job I hated, to working for myself from my home on my own terms doing something that I love. I have transformed my relationships. I have gone from living paycheck to paycheck to always having more than enough. I have traveled to most parts of the World. I have gone from depression and anxiety to happiness and peace. You can do this too. The teachings in this book are profound and if you read with an open mind and actually apply the teachings to every area in your daily life you will change your World. This isn't about a quick fix or to put a patch on circumstances you don't want

or like. It's a lifestyle, it's a way of life and if you live by these teachings and I mean really live them you will experience these truths. You will experience God in You. You will create your very own Heaven on Earth. Enjoy the journey, be excited. I wish you every success in the World.

Dr. Joseph Murphy 2019-10-22

You have the incredible potential to be, do, and receive whatever you desire, imagine, and truly believe.

Meditations & Affirmations will show you how to create your own new reality through desire, imagination, and belief.

Infinite Possibility - Katherine Jegede 2018-06-05

An immensely practical, hands-on journey through the techniques of the most radical mystical figure of the last

century, Neville Goddard, who taught that your mind is God. This fresh take from a powerful new voice appeals to the growing audience around Neville. "According to Neville, there is only one power in the universe out of which all things emanate. Not a 'good' source and a separate 'evil' one, but one universal source bending in obedience to the creative will of men and women everywhere. The how remains a mystery; but this eternal fact is nonetheless true. As soon as I was able to feel and accept this to be true, I was free." -- Katherine Jegede Growing up in London, Katherine Jegede was always searching for a philosophy to make sense of life. When she found the mind-as-creator philosophy of Neville Goddard, she thought she had found it. Falling victim to a terrible crime, however, caused Jegede to rethink everything she thought she knew. Rather than abandoning Neville's ideas, however, she discovered within them a new source of strength and fortitude. She not only rebounded from her crisis,

but also used Neville's creative-mind principles to become a television presenter, something she had never before imagined possible. In this primer and introduction to Neville's methods, Jegede powerfully guides the reader through his techniques--and explains how to apply them, now, in your life.

**CONTROL YOUR INNER CONVERSATIONS - Neville Goddard Lectures -**

Neville Goddard 2017-05-31

The whole manifested world goes to show us what use we have made of God's gift. Receiving a gift does not mean that we are going to use it wisely, but we have the gift. Everyone has the gift; and the world simply reflects the use of that gift. In "The Merchant of Venice," Shakespeare puts these words into the mouth of Portia: "If to do were as easy as to know what were good to do, chapels had been churches and

poor men's cottages princes' palaces. It is a good divine who follows his own instructions. I can easier teach twenty what were good to be done than to be one of the twenty to follow my own teaching." So you and I have been given a gift. To what use have we put it? In a book written in the First Century, written at the time of our Gospel, -- it's called the *Hermetica*, and this is a translation by Walter Scott. It is a wonderful series of four volumes; and in this he says: "There are two gifts that God has given to man alone, and to no other mortal creature, and these two gifts are Mind and Speech. And the gifts of Mind and Speech are essential and identical with Immortality. If they are used rightly, man will not differ in any respect from the immortals; and when he quits the body, these two will be his guides and they will lead him into the troop of the gods and to the souls that have attained to bliss."

*The Power of God Given Imagination* - Ray McCollum

2015-10-06

God has already given you the power to create your own future...you just need to learn how to use it. *The Power of God-Given Imagination* awakens the dreamer within you by unveiling this incredible gift and explaining its quiet necessity in your life. No faith has ever sprouted and no prayer has ever been prayed without the use of imagination. For too long the power of imagination has been associated with New Age mysticism or the secular realm of "positive thinking." Ray McCollum defies this trend by demonstrating that the power of the human mind and imagination belongs to the church—and God expects us to use it. Within the pages of this book, you will discover exactly what the power of imagination is, how it works, and how you can use it to both transform your personal life and transform the culture around you by releasing the kingdom of God.

**One Truth, One Law** - Erin Werley 2020

Have you been seeking answers but not really finding them? Have your dreams started to feel like just that-dreams? Has the fear of what other people will think stopped you from being who you want to be and doing what you want to do? Does a fulfilled life feel like something meant for others, not for you? Erin Werley used to feel that way, too.

Then, one day, she started to receive "deposits" from her inner voice, which calls itself "I Am." And everything in her life began to change. Most people would call One Truth, One Law: I Am, I Create a "channeled" book, but I Am is adamant that it isn't. As I Am puts it, "Every human is me. Every human can access me. When somebody says they're 'channeling' something outside of themselves, it's because they don't understand that they are God and that we are all one." Written as a series of conversations between I Am

and Werley's husband, Phil, the message of One Truth, One Law is simple: Every single one of us is God. We just have a confused filter that thinks we're not God. I Am's intention with this book is not to offer you information that can only come through Werley. It's to teach you how to access your own inner voice so that you'll finally get answers to your questions. So that you'll be able to make your dreams a reality. So that you'll tap into your own God wisdom that no longer worries about what others think. So that you'll know a fulfilled life is something for you and not just other people. Once you really let it soak in that you are God, and you're here to further expand the universe through this physical experience, the limits on your dreams start to fall away.

The Lost Teachings of Atlantis - Jon Peniel 1997-07-06

This is the account of an American teenager who discovered a monastery in Tibet that was the inspiration for the legend of Shangri La. It might be categorized as a 'new age' or philosophy book, like the Celestine Prophecy, since it focuses on his spiritual training and their teachings in a novel-like format. Hard to believe, but interestingly, the sub-tropical region amongst the Himalayas that he describes finding, was later documented by explorers from National Geographic, then 'covered up' (there is still evidence of this).

Also interesting is that the author was apparently mentioned in the Edgar Cayce readings (the famous American psychic whose books have sold millions of copies), as someone who would one day bring an important message to the world.

### **52 Weekly Affirmations -**

Joseph Murphy 2019-05-09

You have the incredible potential to be, do, and receive whatever you desire, imagine, and truly believe.

Unfortunately, however, only a small number of people achieve their full human potential, because they fail to recognize and harness the infinite power of the subconscious mind--the divinity within them and

around them. The secret to success is no secret. It has been in practice for thousands of years. The most successful people throughout history are not those who merely accept the reality presented to them but those who imagine a better reality and believe in it so deeply that they are actually able to create a new reality--to change the state of being around them. In this book, you discover how to create your own new reality through desire, imagination, and belief: Part 1: Affirmation Essentials: Here you discover how to plant thoughts into your subconscious mind, so it can begin to work miracles in transmuting your thoughts into reality, often with little or no effort on your part. Part 2: Weekly Affirmations: These 52 weekly affirmations empower you to improve every aspect of your life, including your health, wealth, relationships, marriage, and career. Each weekly affirmation is accompanied by commentary that places the affirmation in the context of real life, so you

can more clearly imagine and start appreciating the new reality you are about to experience. Part 3: More Techniques for Planting Thoughts in the Subconscious Mind: These additional techniques enable you to plant thoughts in your subconscious mind and crystallize your vision. The more clearly and distinctly you are able to imagine yourself being, doing, or receiving that which you desire, the more certain your desire will be fulfilled. Part 4: Unlock the Infinite Power Within You: Part 4 reveals the principles upon which the practice is based and relates true stories of people who solved problems, healed themselves and others, saved lives, improved relationships, achieved career success, and attracted wealth, through the power of affirmation. Part 4 also reveals the role the subconscious mind plays in out-of-body experiences, extrasensory perception, mental telepathy, clairvoyance, precognition, remote viewing, and other psychic powers. This

book is your personal guide to leading a happier, wealthier, and more fulfilling life. By following the guidance offered here, you can stop going through life as a victim of circumstances and become the master of your own destiny. You discover how to harness the power of your own mind and the infinite resources surrounding you to be, do, and receive whatever you desire, imagine, and believe.

*Neville Goddard* - Frank Carter  
2018-03-26

Frank Carter, friend of Neville Goddard (1905-1972) the twentieth century Christian Mystic, Author and Lecturer, gave a series of lectures in 1976, concerning his belief by way of his own vision and knowledge of scriptural meaning, that Neville Goddard's death had fulfilled scripture. The lectures contained in this book may not include every single lecture in Frank's series, and some of the audio was poor quality for transcription, but what we do have reveals little known details about Neville, a few anecdotes, Neville's last written words, and most importantly reveals what Neville's death meant scripturally, for us all. This book is not meant to be an exhaustive tale of Neville's life or even his work. In fact, the lectures, given by Frank Carter

are focused more on Neville's last days and night, and Franks subsequent visions and understanding that Neville himself appeared in scripture. Neville's work is growing in popularity on the internet with available audio recordings and written lectures that continue to emerge, not to mention his books and booklets that can be purchased easily now. As more and more people come to find Neville's work, typically by way of learning The Law that Neville taught, I hope they continue to study Neville long enough to find truth mirrored back to them, to find themselves in Neville's work. As he said, the whole story in The Bible is actually about us, about awakening. This book of lectures can appeal to any truth seeker, or Bible lover, and especially any student of Neville Goddards who has read and believed. Grab a Bible and a concordance and follow along as Frank shares what he has found. The lectures contained in this book, in Franks words, are intended to reveal the great revealer. Frank said of

Neville... "This man stepped out of the pages of scripture and came to us and gave us the great secret, and told us whatever we do, don't worship him. Don't make him into a demigod, this is all for awakening. " I would like to thank Barry Peterson, for allowing me to be a part of introducing these lectures. Barry's passion for sharing truth and enlightenment, has blessed my life more than words can say. I feel blessed to be a part of this project, as I have a true love, respect and gratitude for Neville's work. Franks lectures have touched my heart, and my spirit said Amen, Amen and Amen! To the truth contained within them.

Psycho-Cybernetics - Maxwell Maltz 2015-11-03

Cybernetics (loosely translated from the Greek): "a helmsman who steers his ship to port."

Psycho-Cybernetics is a term coined by Dr. Maxwell Maltz, which means, "steering your mind to a productive, useful goal so you can reach the greatest port in the world,

peace of mind." Since its first publication in 1960, Maltz's landmark bestseller has inspired and enhanced the lives of more than 30 million readers. In this updated edition, with a new introduction and editorial commentary by Matt Furey, president of the Psycho-Cybernetics Foundation, the original text has been annotated and amplified to make Maltz's message even more relevant for the contemporary reader. "Before the mind can work efficiently, we must develop our perception of the outcomes we expect to reach. Maxwell Maltz calls this Psycho-Cybernetics; when the mind has a defined target it can focus and direct and refocus and redirect until it reaches its intended goal."

—Tony Robbins (from Unlimited Power) Maltz was the first researcher and author to explain how the self-image (a term he popularized) has complete control over an individual's ability to achieve (or fail to achieve) any goal. And he developed techniques

for improving and managing self-image—visualization, mental rehearsal, relaxation—which have informed and inspired countless motivational gurus, sports psychologists, and self-help practitioners for more than fifty years. The teachings of Psycho-Cybernetics are timeless because they are based on solid science and provide a prescription for thinking and acting that lead to quantifiable results.

**See It, Feel It, Have It** -  
Joseph Balmaceda 2020-06-24  
Mastering The Laws of  
Manifestation is The Key to  
Attaining Any Desire... And  
Reading "See It, Feel It, Have  
It: The Master Key to

Manifesting Your Desires" is  
The Quickest Way to Do It! By  
Peeking "Behind the Scenes" of  
How The Laws of Manifestation  
Operate, You'll Be Able Witness  
Your Desires Sprout Into  
Existence! The Laws of  
Manifestation taught and  
USED within the book are FAR  
from fantasy. In fact, you're  
already using them to manifest  
everyday...Both consciously,  
and unconsciously. And if you  
already know a thing or two  
about Manifestation, but  
haven't been able to use it  
successfully... The author can  
GUARANTEE you that there  
are only a few, small tweaks  
needed for you to be able to  
"flip the switch" and see your  
desires start to manifest. These  
small tweaks, which have the  
biggest impact, are often the  
difference between success  
and failure with  
Manifestation... And they are  
hidden within the book for  
those who are ready to see  
them. Once You Spot The  
"Hidden Keys" Within The  
Book, You'll Be A Master of  
Manifesting Through Your  
Imagination And Sense of

Feeling. Furthermore, what the author has included within are LAWS. That means they operate under ANY circumstances. But, that means that no matter if your desire is good or bad, just or unjust, these LAWS can be used to manifest it. So, the author asks that if you READ this book, please use these Laws to only manifest desires that are PURE, POSITIVE and GOOD...Or, do NOT READ IT!

When The Author First Stumbled Upon These Laws He Was 21 Years Old, Had No Clue He Was Using Them, And Was In Charge Of \$14.4 Million Dollars In Investments. Joseph graduated college in about half the time of everyone else, and shortly after found himself working for the largest privately held investment firm in the world, with his own branch, his own assistant, and in charge of \$14.4 million dollars for his investors. Although... because he wasn't CONSCIOUSLY aware of the Laws he was using to his advantage, he ended up peaking, and started to lose

clients left and right. That is until he lost his biggest client, Chris, and decided it was time to quit. BUT, once he started to study ancient Scriptures and Texts, he stumbled upon these Laws of Manifestation and started bending the Universe to work in his favor. And now that he KNOWS what was REALLY going on when he manifested both his rise and fall, he has included that knowledge in "See It, Feel It, Have It" for the people that are ready to see it. He has done this as a way for people to have a lot of the same success he's had in manifesting desires, without most of the failure. If you desire to find the ANSWERS you've been looking for, by reading the book right now you'll find them inside. But, like stated previously, what Joseph teaches within are LAWS. And the nature of a Law is that they operate whether your desires are GOOD or BAD. So, only read this book if you're going to use it to manifest the GOOD and POSITIVE in your life, or please, don't read it at all.
