The 48 Laws of Power - Robert Greene 2000-09-01

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

The Art Of Seduction - Robert Greene 2010-09-03

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an

Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. *The Art of Seduction* is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*.

It's clear the beauty wants nothing to do with him, but he's drawn to her and determined to win her over. The last thing Lydia needs is an alpha male type meddling in her private life. But when a family prank goes terribly wrong, causing Erik to succumb to a love potion, Lydia becomes the target of his sudden and embarrassingly obsessive behavior. They'll have to find a way to pull Erik out of the spell fast when it becomes clear that Lydia has more than a lovesick warlock to worry about. From the Highlands of Scotland to the valleys of Wisconsin... *Book One of the Warlocks MacGregor® series* by NY Times and USA TODAY Bestselling Author, Michelle M. _____ About the Warlocks MacGregor® Series People know magic is fake--card tricks and illusions, magicians and entertainers. But there is an older magick, a powerful force hidden from modern eyes, buried in folklore and myths, remembered by the few who practice the old ways and respect the lessons of past generations. The term

"warlock" is a variation on the Old English word waerloga, primarily used by the Scots. It meant traitor, monster or deceiver. This fiction-based family includes males and females of magick. The MacGregors do not agree with how history has labeled them, or other supernaturals. To them, warlock means magick, family, and immortality. This series is not a portrayal of modern-day witchcraft or those who hold such beliefs. The MacGregors are a magickal class all their own. Warning: Contains yummy, hot, mischievous MacGregors who may or may not be wielding love potion magic in an effort to prank their older brother, and who are almost certainly up to no good on their quest to find true love. Crone's Book of Magical Words - Valerie Worth 1999

Crone's Book of Magical Words (previously published as The Crone's Book of Words) by Valerie Worth is the book you've been waiting for! In its pages are over 125 spells, incantations, and charms. If you can think of a purpose for a spell, it's probably in this book. Need a spell to summon a ghost? Or perhaps you want the opposite: a spell to free a house from being haunted. They're both in this book. Do you need something to help you lose weight or have longevity? You'll find them here. Or perhaps you want to pass through a locked door. It's all in this book. Even if you don't know a thing about magic, you can use this book. The spells are easy, poetic, and evocative. For example, to cure a wart the instructions are: "Stamp within a silver cup mullein and houseleek together. Stir them with a sparrow's feather. Let it draw the juices up; Twenty times upon one day, brush them over the excrescence; Under sunlight dry the essence--Soon the wart must shrink away." The range in this book is phenomenal. You'll find a simple fertility charm and a way to conjure with smoke. You'll read about how to bring rain and how to stop rain from falling. You'll learn how to tell fortunes with sand or with tea leaves. This is more than just a book about magic, it is a folklorist's bonanza. If you're ready to win another's love or to sweeten someone's disposition, if you want to turn hair long and golden or discover tree spirits, this is the book you must have. Whether you have been doing magic for a long time or are a beginner, this book is a must.

The Great Work of the Flesh - Sarane Alexandrian 2015-01-30

An inside look at sex magic in Eastern and Western Mystery traditions • Details the sex magic practices of P. B. Randolph, Aleister Crowley, Austin Osman Spare, Julius Evola, and Maria de Naglowska • Includes a complete overview of love magic in the Middle Ages, with accounts of the use of potions, powders, spells, and enchantments • Explores sex magic techniques of the East, including Taoist sexual alchemy Magic, almost in its entirety, is connected to sexuality. It is through the natural magic of love that sex magic operates, harnessing the forces that join lovers together. In this extensive study of sex magic in the Eastern and Western Mystery traditions, Sarane Alexandrian explains how there is a sex magic connected with every religion, spiritual belief system, and initiatory society. Exploring sexual practices in folk magic, high magic, alchemy, and religion, the author begins with a complete overview of love magic in the Middle Ages, including accounts of the use of potions, powders, spells, and enchantments, and he reveals how these techniques related to the religious practices of the time. He introduces the Taoist sexual alchemy practices of Mantak Chia, the secret tantric practices of the Tibetan bons, sexual shiatsu, and a Vietnamese practice called “mouth moxa.” Examining the sacred sexuality that arose in Western initiatory orders in the late 19th and early 20th centuries, Alexandrian details the development of P. B. Randolph's white sexual magic and the black sexual magic of Aleister Crowley, as well as explaining the practices of Austin Osman Spare, Julius Evola and the Ur Group, and Maria de Naglowska. He reveals the scientific principles underlying sex magic and how successful results are guaranteed by the influences of the heavenly bodies and the radiant powers of color, number, scents, and physical movements, which intensify the activity of the human bioelectric field. Alexandrian also details the tantra practices of Margot Anand, the sexual rituals of Wicca, and magical “sex aids,” including talismans and jewels. Providing complete practical information, the author explains how, through sex magic, a couple can extract from each other what they are missing by way of virility and femininity, multiplying their energies tenfold and merging the carnal and spiritual worlds to experience transcendent adventures in the deepest depths of reality.

Wealth Magick - Damon Brand 2014-10-30

Damon Brand reveals the closely guarded secrets of the super-rich. This much sought-after volume is available once more. It contains a complete magickal system for attracting great wealth. The system has been developed over thirty years by a group of occultists known as The Gallery of Magick. Magick is not for everybody, and the magick in this book is certainly not suitable for the casual user, or for somebody who just wants a little extra cash.

Although you do not need any particular skills or experience to benefit from this book, you do need to dedicate time, effort and mental energy to the working, as well as moving the focus of your life to wealth. If you are prepared for that level of commitment, there can be great rewards. This book is designed for those who want to focus on long term wealth creation. It is not designed for those in desperate poverty, but for those who can afford to turn their attention to wealth. Damon says, 'To be clear, and for the sake of complete honesty, I am not super-rich, but I am extremely wealthy compared to where I was a few years ago, and compared to my childhood I feel like a billionaire. I have also found that the effects of the working grew long after it was initially performed, with my wealth continuing to expand years later.' How rich you become is up to you. Wealth Magick concentrates magick into a series of workings that will enable you to attract the wealth you desire. If you want money, it's yours. As Damon Brand points out, magick is often over-complicated. He says, 'Before you know it you're trying ten different methods at once and your house is filled with candles, altars, incense and all sorts of images, crystals

and magickal gadgets. The good news is that most of this can be thrown out. Everything you need is contained in Wealth Magick." You do not have to spend years performing endless spells or make offerings to dangerous spirits. This method has been concentrated into the purest magick. You begin attracting wealth from day one. You should note, however, that this is not a quick fix, and although the daily rituals are brief, several months of dedication are required. The magickal operations in this book are not about attracting a little extra cash. They are about creating a completely new lifestyle, based on a flow of extreme prosperity. Only go ahead if you genuinely want to focus on creating wealth and if you are willing to accept the challenges and changes that come with extreme wealth. You will discover: The number one mistake people make when trying to manifest money. A set of unique secret seals, drawn from ancient texts and combined with modern magick. The power of The Daily Practice. Seven wealth workings that can not be found anywhere else. WARNING: This book uses angels and demons to attain your desires. The entire working is made safe by three omnipotent angels who oversee the operation, but if the thought of working with demons makes you uneasy, look to my other books such as Magickal Cashbook and Magickal Riches, which have no demonic content. DISCLAIMER: Magick is not for everybody. If you are drawn to magick, you will get good results. If you are afraid of magick, you will not. The magick in Damon Brand's books has been developed by The Gallery of Magick to get results safely. There is plenty of evil in the world, but there is no evil in these books. You will not be punished by karma or chased down by demons, and there is no magickal backlash that will punish you for being rich. But if you are afraid of magick or think that magick is evil or that you are underserving of wealth, this book is not for you. If you're uncertain, you can read more about magick on the website. If you feel that magick can help you take control of your life, then welcome the power that this book offers.

Success Magick - Damon Brand 2020-03-11

There is no such thing as a simple ritual to make you an overnight success. This is a system of magick. It is far more than a list of rituals that solve problems. You integrate a successful pathway into your life. The great secrets of magick were delivered to a genius mathematician in the sixteenth century. After that, the magick was locked

away for many years, then found again and shared in secret. Occultists are beginning to unravel these secrets to the point where they have become practical. The methods described here are based on a lifetime studying and exploring success, combined with the wisdom of the Enochian Angels. Whether you are tired of the struggle, ~~Missing Seduction~~ *Missing Seduction* competitors, finding it difficult to start or finish a project, uncertain of what to do with your life, or straining to get where you want to be, this book presents a form of magick that can unlock your dreams.

Whatever your age or experience, and no matter what you have gone through before, it is never too early or too late to find success. From this point on, you can choose the life you have always wanted. With this magick, you can compress time, improve fortune, and open opportunity in a way that cannot happen without magick. Enochian Magick reveals an underlying power in the universe that can bring you the success you desire. This book shows every step you need to take. People may tell you that you cannot use Enochian Magick, but the angels said otherwise. They said that magick should be used. We were told to use this magick to understand and experience its power. That is what you can do now. You don't need any equipment or special magickal skills. You only need a private space where you can perform the magick. Centuries ago, in a set of strange and fascinating circumstances, the angels revealed an encoded magickal system to Doctor John Dee, a friend and advisor to Queen Elizabeth I. This secret magick was nearly taken by the flames of the Great Fire of London. It survived, and has slowly been recovered, examined, explored, and experienced. Enochian Magick is no longer a historical curiosity but the essence of practical magick. Give it your attention, and it can open you up to a life of success.
