Management Accounting, Second Canadian Edition. Study Guide with Lotus Templates - Curry, Dudley W 1996-01-01

Cost Accounting - Charles T. Horngren 2006-08-14

This market leader continues the basic theme of all previous editions: "different costs for different purposes." *Cost Accounting, Fourth Canadian Edition*, goes beyond cost accounting procedures and also stresses concepts, analysis and the use of cost accounting as a management tool. It makes use of extensive real-world examples and provides clarity and understandability.

Management Accounting, Third Canadian Edition - Charles T. Horngren 1998-10

This text is appropriate for one- or two-term, first and/or second courses in Managerial or Cost Accounting at both the college and university level. The new edition of this best-selling text continues to emphasize a decision-making approach to prepare Canadian students to be managers of accounting information. It shows how accountants prepare information that is useful to managers, and demonstrates why managers in all types of organizations should have an understanding of the advantages and limitations of accounting. A strategic management theme running through the text allows students to

relate management accounting decisions to a company's key success factors. It features solid cases for the introductory level and the material is reviewed by senior practicing managers in Canadian industry to ensure a real world efficacy. It has been extensively revised, with the addition of extra assignment material, new issues boxes, improved supplements, including a casebook, CBC video cases, and a Companion Web Site.

Mylab Accounting with Pearson Etext -- Access Card -- For Horngren's Financial & Managerial Accounting - Tracie Miller-Nobles 2020-05

For courses in financial and managerial accounting. Expanding on proven success with Horngren's accounting *Horngren's Financial and Managerial Accounting* presents the core content of principles of accounting courses in a fresh format designed to help today's learners succeed. As teachers first, the author team knows the importance of delivering a student experience free of obstacles. Their pedagogy and content uses leading methods in teaching students critical foundational and emerging topics (e.g., data analytics and employability skills) in the field of accounting, and concentrates on improving student results -- all tested in class by the authors themselves. With this in mind, the 7th Edition continues to focus on readability and student comprehension and takes this a step further by employing a new theme to

help students see how managerial accounting is used as a tool to help all business people make decisions. By providing more meaningful learning tools, this title gives professors the resources needed to help students clear hurdles inside and outside of the classroom, like never before. Personalize learning with MyLab Accounting By combining trusted author content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. You are purchasing an access card only. Before purchasing, check with your instructor to confirm the correct ISBN. Several versions of the MyLab(TM) and Mastering(TM) platforms exist for each title, and registrations are not transferable. To register for and use MyLab or Mastering, you may also need a Course ID, which your instructor will provide. If purchasing or renting from companies other than Pearson, the access codes for the MyLab platform may not be included, may be incorrect, or may be previously redeemed.
