Curriculum and Teaching Dialogue - David J. Flinders 2013-09-01

Curriculum and Teaching Dialogue (CTD) is a publication of the American Association of Teaching and Curriculum (AATC), a national learned society for the scholarly field of teaching and curriculum. The field includes those working on the theory, design and evaluation of educational programs at large. At the university level, faculty members identified with this field are typically affiliated with the departments of curriculum and instruction, teacher education, educational foundations, elementary education, secondary education, and higher education. CTD promotes all analytical and interpretive approaches that are appropriate for the scholarly study of teaching and curriculum. In fulfillment of this mission, CTD addresses a range of issues across the broad fields of educational research and policy for all grade levels and types of educational programs.

Family and Consumer Science - Marion Stephens 2016-06-30

Family and Consumer Science (FCS), previously known as Home Economics, is the study of how to utilize resources to care for the household, plan and prepare nutritional meals and how to interact socially with others. The five key components of Family and Consumer Science, covered in this book include:* Food and Nutrition* Clothing, Construction and Craft* Home Management* Housing* Parent and Child

DevelopmentThis book is a guide that has been compiled principally for junior high school students who are preparing for the Family and Consumer Science Bahamas Junior Certificate (BJC) Examination.

Additionally, the concepts taught in this book can be integrated into other subject areas, including but not limited to, Mathematics, Natural Sciences, English Language and Social Science.FCS represents a culmination of years of note taking and the compilation of information from numerous sources including concepts developed through the author's experiences as a junior high school Family and Consumer Science educator in the Commonwealth of The Bahamas.ABOUT THE AUTHORMarion Audria Stephens achieved her Secondary Education teaching diploma (Home Economics), from Mico Teachers' College in 2000. Ms. Stephens obtained a Bachelor of Education Degree in Family & Consumer Science, Food and Nutrition from The College of The Bahamas in 2010. The author's success is realized because she does what she loves and loves what she does.Commencing her teaching career at the primary school level, Ms. Stephens uses creative and interactive methods of transforming the delivery of Family and Consumer Science content to her students. The author hails from Jamaica, the Caribbean island of wood and water, and is best described in the local vernacular as 'little but tallawah'.
