Avanti! - Janice M. Aski 2007
This uniquely effective new introductory Italian language program meets the needs of instructors as well as learners. Three significant

characteristics set *Avanti!* apart from other beginning Italian texts currently available: First, in response to instructors' concern that most textbooks attempt to cover too much material in

the first year, *Avanti!* reflects reasonable expectations for the amount of material that most beginning learners can acquire in one year of classroom instruction. Second, *Avanti!* strives to satisfy students' desire to communicate in everyday situations right from the start. The activities guide students to communicate in truly meaningful contexts that encourage explorations of the rich Italian culture. Third, the methodology of *Avanti!* is firmly grounded in the latest findings from research in second language acquisition and foreign language pedagogy.

Psychological Operations - Frank L. Goldstein
1996

This anthology serves as a fundamental guide to PSYOP philosophy, concepts, principles, issues, and thought for both those new to, and those experienced in, the PSYOP field and PSYOP applications. It clarifies the value of PSYOP as a cost-effective weapon and incorporates it as a psychological instrument of U.S. military and political power, especially given our present

budgetary constraints. Presents diverse articles that portray the value of the planned use of human actions to influence perceptions, public opinion, attitudes, and behaviors so that PSYOP victories can be achieved in war and in peace.

Number Worlds - Sharon Griffin 2007

Teacher Editions and eBooks allow teachers to develop critical math concepts with routine lesson plans, integrated project-based learning, and a guide for facilitating differentiated learning in the classroom.

Looseleaf for Experience Spanish - María Amores, Dr. 2011-12-16

Your students are changing. Technology is changing. The idea of the “classroom” is changing. Now, the way your students experience Spanish can change as well! At McGraw-Hill, we rededicated ourselves over the past few years to broadening and deepening our understanding of the student and instructor experience in World Languages. Employing a wide array of research tools including surveys,

focus groups, and ethnographic studies, we identified a number of areas for improvement upon the existing learning materials available. The result is Experience Spanish. Experience Spanish is a first. Its groundbreaking adaptive diagnostic and synchronous/asynchronous conversation tools create a 24/7 active language-in-culture environment never possible before. With Experience Spanish, instructors can tailor the environment while students tailor the experience, allowing everyone to take ownership of the learning experience. Affording the flexibility that only an integrated solution can provide, Experience Spanish provides an opportunity for instructors to quickly and easily provide a common learning experience for their students regardless of whether the course is face-to-face, online, or hybrid. At the same time, students have all of the tools at their fingertips to take their second language acquisition from the classroom to their communities in an efficient and personalized way. With Experience

Spanish, your concerns about different levels of student preparedness and delivering consistent and meaningful courses in different formats are behind you. Own the experience. Take charge of learning. Experience Spanish and experience the world.

LL FOR PUNTOS DE PARTIDA - Anne Becher
2016-01-04

It's more than a text. It's a program. Success in the language classroom requires so much more than just a text. In any language-learning setting, students require numerous and various opportunities to read, write, hear, and speak. Puntos de partida sets the standard for Spanish-language teaching. An innovative program that has been continuously refined for today's

classroom, Puntos delivers proven pedagogy with clear and effective presentations, comprehensive teaching resources, and powerfully adaptive digital tools. Now in its anniversary Tenth Edition, Puntos builds on the holistic, five-skills approach it pioneered. It's the Puntos you know. It's the Puntos of today. Puntos hallmark features include: Engaging and Immersive Digital Tools: Connect Spanish is the most powerful and flexible course management system available. Rooted in research on effective student learning practices, the platform integrates adaptive learning tools with dynamic, engaging language practice activities. McGraw-Hill's LearnSmart provides each student with a personalized and adaptive learning experience based on individual needs. Connect Spanish also provides the instructor with both the ability and flexibility to pull from the robust set of content available in the platform and craft a unique learning path based on the goals of the course. With Practice Spanish: Study Abroad, the

market's first 3-D immersive language game designed exclusively by McGraw-Hill, Puntos brings the language to the students in a fun, engaging, and immersive gaming experience. Students "study abroad" virtually in Colombia where they will create their very own avatar, live with a host family, make new friends, and navigate a variety of real-world scenarios using their quickly developing Spanish language skills. The first and only analytics tool of its kind, Connect Insight is a series of visual data displays—each framed by an intuitive question—to provide instructors at-a-glance information regarding how your class is doing. Connect Insight provides analysis on five key insights, available at a moment's notice from your Connect course. A Comprehensive scope and sequence: The comprehensive scope and sequence allows instructors to choose what to cover throughout the course without having to supplement their own materials to fill gaps present in other texts. Carefully arranged

organization: the overall organization carefully progresses from formulaic expressions to vocabulary and grammar relevant to daily life and personal interests (studies, family, home, leisure activities), then goes on to prepare students for survival situations (ordering a meal, traveling), and finally branches out to broader themes (current events, social and environment issues). This forward progress is reinforced by a cyclical structure where vocabulary, grammar, and language functions are continuously reviewed and recycled. Clear and effective vocabulary and grammar presentations: Puntos' approach to vocabulary and grammar focuses on the acquisition of vocabulary during the early stages of language learning and then at the start of each chapter throughout the text. Grammar is introduced in thorough explanations, with careful attention given to skills development rather than grammatical knowledge alone. These explanations are now even more accessible to students, featuring conversational language,

increased clarity, additional examples, and organization of complex, dense explanations into manageable chunks of concise grammar summary. Integrated four-skills approach: Puntos carefully sequences activities, moving students from controlled to free-form tasks. In the tenth edition, this overall scaffolding is improved and introduced at the individual activity level. Starting with the very first activity fol

Nuestro idioma, nuestra herencia - Carmen

Carney, Dr 2010-01-19

Nuestro idioma, nuestra herencia: Español para hispanohablantes is a Spanish for Heritage Speakers textbook. It has been especially crafted for students in the United States who grew up speaking or hearing Spanish at home or in their community and who, for the most part, are proficient at understanding and speaking Spanish, but need to further develop their reading and writing skills. As such, the ultimate goal of *Nuestro idioma, nuestra herencia* is to

refine students' Spanish language skills so that they develop the confidence to use them in any context—academic, professional, or personal. Unique in its approach, each of the eight chapters highlights a Hispanic cultural genre and grounds it in relevant countries of focus, such as music of the Hispanic Caribbean, Mexican film, and literary traditions, myths, and legends in Peru, Ecuador, and Bolivia. Through cultural readings and business-oriented readings related to the chapter theme, students will build upon their reading skills. In addition, students will sharpen their writing skills by practicing different writing techniques presented in each chapter. Moreover, a review of key grammatical structures and Spanish orthography provides focused opportunities to polish these essential aspects of the language. As students hone their Spanish language skills, they will also develop a deeper sense of pride in their linguistic and cultural heritage.

MÁS - Virginia Adán-Lifante 2009-01-12

For your classes in Intermediate Spanish McGraw-Hill introduces the latest in its acclaimed M Series. The M Series started with your students. McGraw-Hill conducted extensive market research with over 4,000 students to gain insight into their studying and buying behavior. Students told us they wanted more portable texts with innovative visual appeal and content that is designed according to the way they learn. We also surveyed instructors, and they told us they wanted a way to engage their

students without compromising on high quality content Welcome to MÁS: an exciting new content-based intermediate Spanish program created in response to student feedback on the look and function of their learning materials. With integrated multi-media content from around the Spanish-speaking world, MÁS exposes students to the importance of culture with many opportunities for open-ended conversation, while offering a review and expansion of language structures appropriate for the second year. One of the highlights of MÁS is the stunning collection of short films integrated into the program from Mexico, Spain, Uruguay, and Costa Rica, available for student viewing online and on DVD for instructors. In addition, MÁS contains both literary and journalistic readings to provide even more authentic input to students on current on provocative topics allowing for more students interaction in class. More current, more portable, more captivating, plus a rigorous and innovative research

foundation adds up to: more learning. When you meet students where they are, you can take them where you want them to be.

Leadership lessons from the iconic brand you can use to drive Disney-style success In helping Walt Disney create “The Happiest Place on Earth,” Van France and his team started a business revolution in 1955 that eventually became the Disney University—the employee training and development program that powers one of the most famous brands on earth. Disney U examines how Van France's timeless company values and leadership expertise have turned into a training and development dynasty: the Disney U. The book reveals the heart of the Disney Culture and describes the company's values and operational philosophies that support the world-famous Disney brand. Doug Lipp is an

internationally acclaimed expert on customer service, leadership, change management and global competitiveness, specializing in the lessons he learned at the Disney U.

Intermediate Accounting Update Edition with CD-ROM, Net Tutor, Powerweb, Alternate Exercises and Problems - Sepe
2005-01

Intermediate Accounting, 3e, by Spiceland/Sepe/Tomassini will gain support in traditional and technology-driven accounting departments, especially those looking for a more concise, decision-making text that reinforces challenging concepts via CD-ROM. The revision of this text is based around a "Learning System." The revision of this "Learning System" was built on improving the clarity of the chapters, emphasizing more decision-making in order to prepare students for the changes taking place on the CPA exam, acknowledging the diversity of students and their learning styles by creating supplemental materials to assure the success of

every student, and creating a consistent text and supplemental package for both students and instructor's giving us the best possible intermediate text on the market. Returning to the Third edition is the award winning "Coach" CD-ROM. The Coach CD-ROM is a multimedia product integrating audio and video clips, animated illustrations, cases, and alternative reading material that helps students comprehend some of the more difficult topics associated with intermediate accounting. Designed specifically for the Spiceland text, instructors and students will find these learning tools placed strategically throughout the text. This is the most comprehensive Learning System in Intermediate Accounting. At only 1120 pages (300 pages less than the average intermediate accounting text), Spiceland/S/T has not sacrificed content for pages. Instead, the authors have created a very flexible text with a student friendly writing style that focuses on explaining not just how to apply a procedure, but

why it's applied.

Mexicans in the Making of America - Neil Foley
2014-10-06

America has always been a composite of racially blended peoples, never a purely white Anglo-Protestant nation. The Mexican American historian Neil Foley offers a sweeping view of the evolution of Mexican America, from a colonial outpost on Mexico's northern frontier to a twenty-first-century people integral to the nation they have helped build.

Must Know High School Basic Spanish - Jean Yates
2019-06-28

Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. The new Must Know series is like a lightning bolt to the brain Developing a good grasp of Spanish doesn't have to be a frustrating experience. This book offers a unique approach to self-study that makes it easier to build new Spanish skills.

Every school subject has must know ideas, or essential concepts, that lie behind it. This book will use that fact to help you learn in a unique way. Most study guides start a chapter with a set of goals, often leaving the starting point unclear. In *Must Know High School Basic Spanish*, however, each chapter will immediately introduce you to the must know idea, or ideas, that lie behind the new Spanish topic. As you learn these must know ideas, the book will show you how to apply that knowledge to speaking, reading, and writing Spanish. Focused on the essential concepts of Spanish, this accessible guide will help you develop a solid understanding of the subject quickly and painlessly. Clear explanations are accompanied by numerous examples and followed with more challenging aspects of Spanish. Practical exercises close each chapter and will instill you with confidence in your growing Spanish skills. *Must Know High School Basic Spanish* features:

- Each chapter begins with the must know ideas

behind the new topic

- Extensive examples illustrate these must know ideas
- Students learn how to apply this new knowledge to speaking, reading, and writing Spanish
- 250 practical review questions instill confidence
- IRL (In Real Life) sidebars present real-life examples of the subject at work in culture, science, and history
- Special BTW (By the Way) sidebars provide study tips, exceptions to the rule, and issues students should pay extra attention to
- Bonus app includes 100 flashcards to reinforce what students have learned

Conéctate - Grant Goodall 2020-12

"*Conéctate* is a fresh approach in every way. With its focus on the most critical language for communication, its active presentation of vocabulary and grammar, and its inclusion of real-world culture throughout, the program provides a unique framework for the Introductory Spanish course, with two separate but complementary goals in mind: learning to use the language and appreciating the world

that it comes from"--

Dos mundos - Magdalena Andrade 2009-01-30

Dos mundos, a best-selling program for

Introductory Spanish known for its exceptional progressive activities, made its name as an innovative pioneer in Beginning Spanish. Today, it has maintained the spirit of innovation through many successful editions and continues to be implemented in numerous beginning Spanish language classes across the nation with outstanding results. Based on the communicative approach, *Dos mundos* stresses the use of engaging activities in a natural and spontaneous classroom atmosphere. The *Actividades de comunicacion* play a primary role in *Dos mundos*, since the core of the program is communication. These activities include fresh, practical ideas from the field of second-language teaching. In this research-based approach to learning language, the development of communicative language skills is the central goal, with formal grammar presentation and practice at the service of communication. To this end, the grammar explanations and exercises on the blue pages at the end of each chapter are

designed for quick reference and ease of study. Additionally, cultural content is integrated throughout each chapter. The new *Conozca* section on each chapter opener gives an introduction of the country or region of focus, including information about holidays, foods, famous people, and important cities. *Ventanas culturales* readings focus on community, customs, and daily life while *Ventanas al pasado* readings focus on aspects of the social, cultural, or political history of the Spanish-speaking world. The *Enlace* readings explore literature, music, and cinema, and the *Lecturas* present topics such as sports and leisure activities.

Hola, amigos! - Ana Jarvis 2013-01-01

This highly accessible, manageable program is user-friendly for instructors, teaching assistants, and students. Known for its succinct and precise grammar explanations, its presentation of high-frequency and practical vocabulary, and its overall flexibility, *HOLA, AMIGOS!* continues to maintain its appeal with instructors regardless

of their preferred methodology. The program is designed to develop students' ability to communicate effectively in Spanish in a variety of situations as well as to strengthen cultural awareness and competence. It offers a full scope and sequence, yet is brief enough to be used effectively for a two-semester course. The eighth edition features an enhanced integration and presentation of culture and new and exciting technology components. All components are fully integrated with the flexibility to accommodate a range of scheduling factors, contact hours, course objectives, and ability levels. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Oreo - Fran Ross 2015-07-07

A pioneering, dazzling satire about a biracial black girl from Philadelphia searching for her Jewish father in New York City. *Oreo* is raised by her maternal grandparents in Philadelphia. Her black mother tours with a theatrical troupe, and

her Jewish deadbeat dad disappeared when she was an infant, leaving behind a mysterious note that triggers her quest to find him. What ensues is a playful, modernized parody of the classical odyssey of Theseus with a feminist twist, immersed in seventies pop culture, and mixing standard English, black vernacular, and Yiddish with wisecracking aplomb. *Oreo*, our young hero, navigates the labyrinth of sound studios and brothels and subway tunnels in Manhattan, seeking to claim her birthright while unwittingly experiencing and triggering a mythic journey of self-discovery like no other.

Experience Spanish (Student Edition) - José Luis Suárez-García, Dr. 2014-11-21

Experience Spanish: Un mundo sin límites, presents vocabulary and grammar in action through culture. With emphasis on the 5C's, the *Experience Spanish* program delivers dynamic opportunities for communicative practice in all

course delivery formats built upon the following principles: Culture is core: Culture is infused throughout the program. The students' cultural experience and exposure is not limited to special cultural sections, but rather embedded in presentations as well as in vocabulary and grammar practice. The dedicated cultural sections are rich and varied: Entrada cultural, Expresiones artísticas, Notas culturales, Notas interdisciplinarias, Lectura cultural, Concurso de videoblogs, Conexiones culturales en vivo, and Conexiones culturales. These readings, videos, notes, and fine art presentations offer students extensive cultural perspectives and promote cross-cultural comparisons and connections. Language in action: Vocabulary in Experience Spanish is presented visually through colorful, engaging illustrations, and put into action with personal and communicative activities. Grammar points are introduced with contextualized short dialogues or cultural readings that immediately illustrate the concepts

in action, allowing students to experience the structures in context before focusing on the forms and rules. Personalized experience: No two students are alike. Why should their learning paths be? LearnSmart uses revolutionary adaptive technology to build a learning experience unique to each student's individual needs. Students engage in targeted vocabulary and grammar practice so they are prepared to practice communication in the classroom. To further the personalized experience, we're excited to announce the interactive 3-D game, Practice Spanish: Study Abroad, that immerses students in a virtual study abroad experience in Colombia. Practice Spanish, accessible on laptops and mobile devices, allows students to practice real world language in a game environment that integrates culture, grammar, and vocabulary. Experience Spanish everywhere: Connect is the only integrated learning system that empowers students by continuously adapting to deliver

precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. *Connect Spanish, including but not limited to the workbook/lab manual, LearnSmart, Practice Spanish: Study Abroad, the video program, and chat tools, is sold separately and does not come automatically with the purchase of the textbook.

Teaching and Learning in Digital World - Mercè Gisbert 2015-06-11

Many reports over the last few years have analysed the potential use of games, videogames, 3D environments and virtual reality for educational purposes. Numerous emerging technological devices have also appeared that will play important roles in the development of

teaching and learning processes. In the context of these developments, learning rather than teaching becomes the main axis in the organisation of the educational process. This process has now gone beyond the analogue world and face-to-face education to enter the digital world, where new learning environments are being produced with ever greater doses of realism. Teaching and Learning in Digital Worlds examines the teaching and learning process in 3D virtual environments from both the theoretical and practical points of view.

The European Blood and Marrow Transplantation Textbook for Nurses - Michelle Kenyon 2018-03-14

This book is open access under a CC BY 4.0 license. This textbook, endorsed by the European Society for Blood and Marrow Transplantation (EBMT), provides adult and

paediatric nurses with a full and informative guide covering all aspects of transplant nursing, from basic principles to advanced concepts. It takes the reader on a journey through the history of transplant nursing, including essential and progressive elements to help nurses improve their knowledge and benefit the patient experience, as well as a comprehensive introduction to research and auditing methods. This new volume specifically intended for nurses, complements the ESH-EBMT reference title, a popular educational resource originally developed in 2003 for physicians to accompany an annual training course also serving as an educational tool in its own right. This title is designed to develop the knowledge of nurses in transplantation. It is the first book of its kind specifically targeted at nurses in this specialist field and acknowledges the valuable contribution that nursing makes in this area. This volume presents information that is essential for the education of nurses new to transplantation,

while also offering a valuable resource for more experienced nurses who wish to update their knowledge.
