Life as We Knew it - Susan Beth Pfeffer 2008

I guess I always felt even if the world came to an end, McDonald's still would be open. High school sophomore Miranda's disbelief turns to fear in a split second when an asteroid knocks the moon closer to Earth, like "one marble hits another." The result is catastrophic. How can her family prepare for the future when worldwide tsunamis are wiping out the

coasts, earthquakes are rocking the continents, and volcanic ash is blocking out the sun? As August turns dark and wintery in northeastern Pennsylvania, Miranda, her two brothers, and their mother retreat to the unexpected safe haven of their sunroom, where they subsist on stockpiled food and limited water in the warmth of a wood-burning stove. Told in a year's worth of journal entries, this heart-pounding story chronicles

Miranda's struggle to hold on to the most important resource of all--hope--in an increasingly desperate and unfamiliar world. An extraordinary series debut Susan Beth Pfeffer has written several companion novels to *Life As We Knew It*, including *The Dead and the Gone*, *This World We Live In*, and *The Shade of the Moon*.

Me Since You - Laura Wiess 2014-02-18

"Laura Wiess's masterful prose kept me turning the pages. This is the first book in a very long time that made me say, 'Wish I'd written this'" (Ellen Hopkins, author of *Crank*, on *Such a Pretty Girl*). Laura Wiess captures the visceral emotion of a girl's journey from innocence to devastating loss and, ultimately, to a strange and unexpected kind of understanding—in this beautiful and painfully honest new novel. Are there any answers when someone you love makes a tragic choice? Before and After. That's how Rowan Areno sees her life now. Before: she was a normal sixteen-year-old—a little too

sheltered by her police officer father and her mother. After: everything she once believed has been destroyed in the wake of a shattering tragedy, and every day is there to be survived. If she had known, on that Friday in March when she cut school, that a random stranger's shocking crime would have traumatic consequences, she never would have left campus. If the crime video never went viral, maybe she could have saved her mother, grandmother—and herself—from the endless replay of heartache and grief. Finding a soul mate in Eli, a witness to the crime who is haunted by losses of his own, Rowan begins to see there is no simple, straightforward path to healing wounded hearts. Can she learn to trust, hope, and believe in happiness again?
