The Scrutinies of Simon Iff -

Aleister Crowley 1987

Six detective stories featuring the mystic, magician and man of the world Simon Iff who resolves crime by way of Tao.

Studies in Occultism - Helena Petrovna Blavatsky 1910

Moonchild, Modernized Edition -

Aleister Crowley 2019-01-10

A year or so before the beginning of World War I, a young woman named Lisa la Giuffria is seduced by a white magician, Cyril Grey, and persuaded into helping him in a magical battle with a black magician and his black lodge. Grey is attempting to save and improve the human race and condition by impregnating the girl with the soul of an ethereal being -- the moonchild. To achieve this, she will have to be kept in a secluded environment, and many preparatory magical rituals will be carried out. The black magician Douglas is bent on destroying Grey's plan. However, Grey's ultimate motives may not be what they appear. The moonchild rituals are carried out in southern Italy, but the occult organizations are based in Paris and England. At

the end of the book, the war breaks out, and the white magicians support the Allies, while the black magicians support the Central Powers.

A Description of the Cards of the

Tarot - Aleister Crowley 2007-07

This book originally appeared in Crowley's larger volume, *The Equinox*, in 1912. A complete and thorough study of all the cards. Recommended to serious students of the tarot.

White Stains - Aleister Crowley

2017-08-28

Inspired by *Psychopathia Sexualis*, Richard Krafft-Ebing's controversial study of sexual perversity, *White Stains* purports to be "the literary remains of George Archibald Bishop, a neuropath of the Second Empire." Aleister Crowley's book of provocative verse was clandestinely published in 1898 and of the hundred copies that were originally printed, only a handful were spared destruction by Her Majesty's Customs. This new edition of *White Stains* from *Occult Classics* features a newly formatted text optimized for reading, free of the many typos common to many editions of this classic, once banned work.

Enochian World of Aleister Crowley -

Aleister Crowley 2008-01-01

Many consider Enochiana the most powerful and least understood system of Western Occult practice. This book makes it truly accessible and easy to understand. Crowley's work was the launching pad for all that followed. Originally published in 1912, it rent the veil of the Inner Order of the Golden Dawn and revealed its most precious jewel for all to see. And now, for the first time, the reader is provided with instructions that bridge the gap between the material and spiritual worlds by integrating Enochiana with Sex Magick. Mr DuQuette and Dr Hyatt bring over forty years of practical experience in the field to show you how to start using this powerful system right now. It also includes an Enochian dictionary.

Moonchild - Aleister Crowley
2015-10-28

Moonchild is a novel written by the British occultist Aleister Crowley in 1917. A year or so before the beginning of World War I, a young woman named Lisa la Giuffria is seduced by a white magician, Cyril Grey, and persuaded into helping him in a magical battle with a black magician and his black lodge. Grey is attempting to raise the level of his force by impregnating the girl with the soul of an ethereal being - the moonchild. To achieve this, she will have to be kept in a secluded environment, and many preparatory magical rituals will be carried out. The black magician Douglas is bent on destroying Grey's plan. However, Grey's ultimate motives may not be what they appear. The moonchild rituals are carried out in southern Italy, but the occult organizations are based in Paris and England. At the end of the book, the war breaks out, and the white magicians support the Allies, while the black magicians support the Central Powers.

The Two Novels of Aleister Crowley -
Aleister Crowley 2018

Aleister Crowley is best known for his work in the occult, his writings on Magick, and creating the religion of Thelema. He was a giant of his time with many talents and, some argue, many flaws as well. Of all his gifts, his writing was the vehicle that drove his genius. His Book of the Law and other mystical works are widely read by students of occult philosophy. Few, however, are familiar with his more artistic endeavors, including his two literary novels: Diary of a Drug Fiend & Moonchild. For whatever reason, stories help readers integrate and understand larger themes and ideas present in the narrative. Perhaps that is why people look to allegories like Cain and Abel when trying to understand the nature of murder, or recite The Boy Who Cried Wolf when teaching their children not to lie. The truths appearing in fiction take no intellectual effort to grasp; they work subtly on the reader's mind in a way that is easier to digest than the cold, hard philosopher's stone. The great religions of the world understand this. Crowley took note as well. His two novels carry the message of Thelema. The characters and themes in the books were imagined and created to dramatize and illustrate its practice. The reader sees Thelema in action and learns of Crowley's broader beliefs and philosophy as the drama unfolds. "Do what thou wilt shall be the whole of the law; Love is the law, love under will." A short phrase with monumental import. In Diary of a Drug Fiend, Crowley shows its power to bring two hopeless addicts out of a pit of hell. In Moonchild, he demonstrates the fate of those who would misinterpret its meaning and be seduced by the temptations of Black Magick. Whether intended or not, The

Two Novels of Aleister Crowley provide a more compelling case for his beliefs than his other works ever could.

Liber Aleph Vel CXI - Aleister Crowley 1991-01-01

Written in New York City at the end of the First World War, this has been described by Crowley as an extended and elaborate commentary on The Book of the Law, in the form of a letter from the Master Therion to his magical son.

A Magick Life - Martin Booth 2001

"A Magick Life is a detailed and extensively researched biography, a uniquely unbiased study of one of the twentieth century's most charismatic, misinterpreted and controversial figures, a brilliant polymath whose considerable intellect and talent were crushed by his self-destructiveness."--Back cover

Moonchild - Aleister Crowley 1929

Household Gods - Aleister Crowley 1912

THE SCENE is at the hearth of CRASSUS, where is a little bronze altar dedicated to the Lares and Penates. A pale flame rises from the burning sandal-wood, on which CRASSUS throws benzoin and musk. He is standing in deep dejection. CRASSUS. Smoke without fire No thrill of tongues licks up The offerings in the cup. Dead falls desire.

The Devil's Mistress - J W Brodie Innes 2021-11-09

"The Devil's Mistress" by J W Brodie Innes. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Moon Child Annotated By Lars Lowborn - Aleister Crowley 2021-04-30

Moonchild is a novel written by the British occultist Aleister Crowley in 1917. Its plot involves a magical war between a group of white magicians, and a group of black magicians, over an unborn child. The version as Illustrated by Viktoria Saeki contains the Test of the Royal Secret, the ritual of timeless ageing of Count St. Germaine, and the reformed Order of Nine Angles, Rules of Living. The Plot starts out a year or so before the beginning the great war, a young harlot named Lisa la Giuffria fornicates with a white magician, Cyril Grey, and persuaded into helping him in a psychic battle with a black magician and his black lodge. Grey is attempting to save and improve the human race and condition by impregnating the girl with the soul of an ethereal being - the moonchild. Some would say this is the beast of Revelations, To achieve this, she will have to be kept in a secluded environment, and many preparatory magical rituals will be carried out. For which the Illustrator has given you for your own personal use. The black magician Douglas is bent on destroying Grey's plan. However, Grey's ultimate motives may not be what they appear. The moonchild rituals are carried out in Italy, but the occult organizations are based in Paris and England. At the end of the book, the war breaks out, and the white magicians support the Traditional Colonial Powers of France and England, while the black magicians support the 2nd Reich.

The Net and the Butterfly - Olivia Fox Cabane 2017-02-07

In *The Charisma Myth*, Olivia Fox Cabane offered a groundbreaking approach to becoming more charismatic. Now she teams up with Judah Pollack to reveal how anyone can train their brain to have more eureka insights. The creative mode in your brain is like a butterfly. It's beautiful and erratic, hard to catch and highly valued as a result. If you want to capture it, you need a net. Enter the executive mode, the task-oriented network in your brain that help you tie your shoes, run a meeting, or pitch a client. To succeed, you need both modes to work together--your inner butterfly to be active and free, but your inner net to be ready to spring at the right time and create that "aha!" moment. But is there any way to trigger these insights, beyond dumb luck? Thanks to recent neuroscience discoveries, we can now explain these breakthrough moments--and also induce them through a series of specific practices. It turns out there's a hidden pattern to all these seemingly random breakthrough ideas. From Archimedes' iconic moment in the bathtub to designer Adam Cheyer's idea for Siri, accidental breakthroughs throughout history share a common origin story. In this book, you will learn to master the skills that will transform your brain into a consistent generator of insights. Drawing on their extensive coaching and training practice with top Silicon Valley firms, Cabane and Pollack provide a step-by-step process for accessing the part of the brain that produces breakthroughs and systematically removing internal blocks. Their tactics range from simple to zany, such as:

- Imagine an alternate universe where gravity doesn't exist, and the social and legal rules that govern it.
- Map Disney's Pocahontas

story onto James Cameron's *Avatar*.

- Rid yourself of imposter syndrome through mental exercises.
- Literally change your perspective by climbing a tree.
- Stimulate your butterfly mode by watching a foreign film without subtitles. By trying the exercises in this book, readers will emerge with a powerful new capacity for breakthrough thinking.

Moonchild Illustrated Edition -

Aleister Crowley 2021-10-13

Moonchild is a novel written by the British occultist Aleister Crowley in 1917. Its plot involves a magical war between a group of white magicians, led by Simon Iff, and a group of black magicians, over an unborn child. It was first published by Mandrake Press in 1929 and its recent edition is published by Weiser.

The Psychology of Hashish - Aleister

Crowley 2022-05-17

The Psychology of Hashish is an autobiographical essay of Aleister Crowley's experimentation with cannabis. Heavy use of hashish during Thelema rituals comprise the important part of Crowley's philosophy. In this essay, Crowley explains the importance of drug use during the rituals, calling it an aid to mysticism.

The Diary of a Drug Fiend - Aleister

Crowley 1922

The Deaths and Afterlife of Aleister

Crowley - Ian Thornton 2019-08-22

Aleister Crowley, also known as the Great Beast, is one of the most reviled men in history. Satanist, cult leader, debauched novelist and poet, his legacy has been harshly contested for decades. Crowley supposedly died in 1947, but in Ian Thornton's new novel, set in the present day, the Great Beast is alive and well and living in Shangri-la. Now over 130 years old, thanks to the magical air of his mystical location, he looks back on his life and decides

it is time to set the record straight. For Crowley was not the evil man he is often portrayed as. This was just a cover to hide his real mission, to save the twentieth century from destroying itself and to set humanity on the road to freedom and liberty. The Death and Afterlife of Aleister Crowley is an epic novel that will make you see this notorious figure in a completely new light, as he encounters an impressive cast of real-life characters including Timothy Leary, The Beatles, Princess Margaret, Orson Welles and Alfred Hitchcock.

The Handbook of Geomancy - Aleister Crowley

Aleister Crowley - Gary Lachman
2014-05-15

This definitive work on the occult's "great beast" traces the arc of his controversial life and influence on rock-and-roll giants, from the Rolling Stones to Led Zeppelin to Black Sabbath. When Aleister Crowley died in 1947, he was not an obvious contender for the most enduring pop-culture figure of the next century. But twenty years later, Crowley's name and image were everywhere. The Beatles put him on the cover of Sgt. Pepper's Lonely Hearts Club Band. The Rolling Stones were briefly serious devotees. Today, his visage hangs in goth clubs, occult temples, and college dorm rooms, and his methods of ceremonial magick animate the passions of myriad occultists and spiritual seekers. Aleister Crowley is more than just a biography of this compelling, controversial, and divisive figure—it's also a portrait of his unparalleled influence on modern pop culture.

Diary of a Drug Fiend - Aleister Crowley 2018-04

Moonchild by Aleister Crowley
Illustrated (Noble Classic) -

Aleister Crowley 2021-07-04

A year or so before the beginning of World War I, a young woman named Lisa la Giuffria is seduced by a white magician, Cyril Grey, and persuaded into helping him in a magical battle with a black magician and his black lodge. Grey is attempting to raise the level of his force by impregnating the girl with the soul of an ethereal being -- the moonchild. To achieve this, she will have to be kept in a secluded environment, and many preparatory magical rituals will be carried out. The black magician Douglas is bent on destroying Grey's plan. However, Grey's ultimate motives may not be what they appear. The moonchild rituals are carried out in southern Italy, but the occult organizations are based in Paris and England. At the end of the book, the war breaks out, and the white magicians support the Allies, while the black magicians support the Central Powers.

The Three Magical Books of Solomon -
2019-12-03

Finally in a single book, the Keys and Testament of Solomon are available together in *The Three Magical Books of Solomon: The Greater and Lesser Keys & The Testament of Solomon*. The Testament is a story of his use of magic to control demons and the Keys reveal his spells and methods. The Lesser Key of Solomon is a well-know grimoire which has the description of the 72 demons conjured by Solomon, along with illustrations of their sigils, and the instructions for how to summon them. It also lists "Spirits mingled of Good and Evil Natures". The third book, attributed to the Apostle Paul, discusses the "Spirits allotted unto every degree of the 360 Degrees of the Zodiac; and also of the Signs, and of the Planets in the Signs, as well as of the Hours." Later on, *Ars Almadel Salomonis* provides instructions on

how to create a wax tablet with specific designs intended to contact angels via scrying. This book also contains the prayers and orations of Solomon. The Key of Solomon the King is a very famous and important grimoire. It is divided up into two books. The first section includes various chants, spells, and curses to summon or restrain demons and the spirits of the dead. It also contains instructions on how to perform a series of magic spells. The second part describes purifications an exorcist should undergo, as well as on clothing and magical devices. The Testament of Solomon is about demons summoned by King Solomon, and how they can be countered by invoking angels and other magical techniques. It is one of the oldest magical texts attributed to King Solomon, dating First Century A.D.

The Drug and Other Stories - Aleister Crowley 2010

Edited, with an Introduction, by William Breeze. Foreword by David Tibet. This volume brings together the uncollected short fiction of the poet, writer and religious philosopher Aleister Crowley (1875 - 1947). Crowley was a successful critic, editor and author of fiction from 1908 to 1922, and his short stories are long overdue for discovery. Of the fifty-two stories in the present volume, only thirty were published in his lifetime. Most of the rest appear here for the first time. Like their author, Crowley's stories are fun, smart, witty, thought-provoking and sometimes unsettling. They are set in places he had lived and knew well: Belle Epoque Paris, Edwardian London, pre-revolutionary Russia and America during the first World War. The title story The Drug stands as one of the first - if not the first - accounts of a psychedelic experience. His Black and Silver is a knowing early

noir discovery that anticipates an entire genre. Atlantis is a masterpiece of occult fantasy, a dark satire that can stand with Samuel Butler's Erewhon. Frank Harris considered The Testament of Magdalen Blair the most terrifying tale ever written. Extensive editorial end-notes give full details about the stories.

Gems from the Equinox - Aleister Crowley 2007-11-30

In the original ten volumes of the Equinox, Aleister Crowley succeeded in synthesizing the aim of religion and the method of science. Israel Regardie's selections in Gems of the Equinox make a volume that is invaluable to readers, students, and adepts. It includes material on Crowley's magical order, magical rituals, yoga, invocations, and sex magick, among many other topics. Gems from the Equinox is a unique resource that serves as a veritable textbook for the magickal orders AA and O.T.O. Although it is written for the advanced practitioner, beginners will gain much from its many pages of wisdom, including yoga postures and breathing techniques, ceremonial rituals and meditations, an Enochian magick primer, and The Book of the Law. In Gems from the Equinox, Israel Regardie's selections of Aleister Crowley's writings synthesize the aim of religion and the method of science, making it invaluable to readers, students, and adepts. Gems is a must have for every student of Occultism, Mysticism, Thelema, Magick, and comparative religion.

We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to

facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

Moonchild - Aleister Crowley
2020-08-22

Aleister Crowley's *Moonchild* is an allegorical tale about a war between two rival magicians. The plot and action dramatize and illustrate the practice of Thelema. The reader sees Thelema in action and learns of Crowley's broader beliefs and philosophy as the story unfolds. "Do what thou wilt shall be the whole of the law; Love is the law, love under will." A phrase of great import. In *Moonchild*, Crowley demonstrates the fate of those who would misinterpret its meaning and be seduced by the temptations of Black Magick.

Moonchild - Jack Hunter 2002

Kenneth Anger: author of *Hollywood Babylon*, disciple of Aleister Crowley, former mentor to both Bobby Beausoleil and Mick Jagger, "Godfather" of MTV--and almost certainly one of the most original and talented film-makers of the 20th Century. *Moonchild* is a comprehensive study of Anger's films focusing in particular on the occult, mind-altering, homo-erotic, and pop-culture elements found within such classics as *Fireworks*, *Inauguration of the Pleasure Dome*, *Scorpio Rising*,

and *Invocation Of My Demon Brother*.

Moonchild: Large Print - Aleister Crowley 2018-09-29

Moonchild: Large Print by Aleister Crowley A year or so before the beginning of World War I, a young woman named Lisa la Giuffria is seduced by a white magician, Cyril Grey, and persuaded into helping him in a magical battle with a black magician and his black lodge. Grey is attempting to raise the level of his force by impregnating the girl with the soul of an ethereal being - the moonchild. To achieve this, she will have to be kept in a secluded environment, and many preparatory magical rituals will be carried out. The black magician Douglas is bent on destroying Grey's plan. However, Grey's ultimate motives may not be what they appear. The moonchild rituals are carried out in southern Italy, but the occult organizations are based in Paris and England. At the end of the book, the war breaks out, and the white magicians support the Allies, while the black magicians support the Central Powers.

The Moonchild - Alan Richardson
2018-12-31

There is a deep esoteric tradition that the next Christ will be female. But what if She was already here, influencing and changing the world without anyone knowing? What if She has already transmitted Her ancient gnosis into you, without you realising? The *Moonchild* is set in a hidden (but very real) valley in the West of England and details the birth and upbringing of a little girl called Lilith, born in 1966, who has to learn to be an Earthchild first before she can begin her secret mission as the legendary Lady Babalon. Along with *On Winsley Hill* and *du Lac*, I've used a certain rhythm in my prose to try and trigger things off on differing levels of the readers' minds and I hope this will

be the case here. At very least I hope to have made use of the Annunaki in a whimsically provocative way that might get your pulses racing. For those purists who might feel that my The Moonchild is a shameful rip-off from Aleister Crowley's singular Moonchild, written in 1917, then I would point out that the ever-helpful William Breeze (the present-day head of the O.T.O.), was quite happy for me to use this title, and appreciated me asking.

Beast Or Man? - Sean M'Guire 2009-09
Sean M'Guire wrote this lost race novel in 1930 when such stories were mired in racism and formula. But BEAST OR MAN? is more in the mold of H. Rider Haggard and addresses deeper themes, and at the same time, providing a rousing romp through Africa. This is the first book under the Dancing Tuatura Press imprint (DTP) which promises to include more novels of Sean M'Guire.

Moonchild (Jabberwoke Pocket Edition)
- Aleister Crowley 2021-01-27
Moonchild--Aleister Crowley's cattiest novel--is a thinly veiled attack on his critics that follows the initiation of "Lisa la Giuffria" (a representation of Crowley-muse Mary D'Este) into the White Lodge, recruited to fill the role of the Goddess Artemis in a secret Experiment that could re-order the future of all humankind. It is in these passages that Crowley reveals some of the technical mechanisms of his Order's particular magickal system--as the heretical blood magick practiced by the truly wicked and the fallen.

Bare-Faced Messiah - Russell Miller
2016-01-07
Bare-Faced Messiah tells the

extraordinary story of L. Ron Hubbard, a penniless science-fiction writer who founded the Church of Scientology, became a millionaire prophet and convinced his adoring followers that he alone could save the world. According to his 'official' biography, Hubbard was an explorer, engineer, scientist, war hero and philosopher. But in the words of a Californian judge, he was schizophrenic, paranoid and a pathological liar. What is not in dispute is that Hubbard was one of the most bizarre characters of the twentieth century. Bare-Faced Messiah exposes the myths surrounding the fascinating and mysterious founder of the Church of Scientology - a man of hypnotic charm and limitless imagination - and provides the definitive account of how the notorious organisation was created.

Magick Without Tears - Aleister Crowley 2014-03-07
The book consists of 80 letters to various students of magick. Originally to be titled Aleister Explains Everything, the letters offer his insights into both magick and Thelema--Crowley's religious and ethical system--with a clarity and wit often absent in his earlier writings. The individual topics are widely varied, addressing the orders O.T.O. and AA, Qabalah, Thelemic morality, Yoga, astrology, various magical techniques, religion, death, spiritual visions, the Holy Guardian Angel, and other issues such as marriage, property, certainty, and meanness. The book is considered by many as perhaps Crowley's most notable contribution to the occult studies, defining magick for the 20th century.
