Chilton 2012 Labor Guide: Domestic and Imported Vehicles - Chilton
2012-02-06

The Chilton 2012 Labor Guide Manuals feature new models and new labor operations in order to stay current with new technologies. In addition, Chilton's editors have split up larger model groups into smaller ones so that users can find vehicles quicker. The 2012 edition provides repair times for 1981-2012 import and domestic vehicles. Chilton's editors

consider warranty times, component locations, component type, the environment in which technicians work, the training they receive, and the tools they use when calculating a labor time. To allow for vehicle age, operating conditions, and type of service, the Chilton 2012 Labor Guide provides standard and severe service times, plus OEM warranty times. Vehicle makes and models conform to current Automotive Aftermarket Industry Association (AAIA) standards.

The Elephant Lady of Thailand -
Dennis W. Shepherd 2011-04

A True Story Born a poor hill tribe girl from a mountain jungle village in northern Thailand, Lek Chailert spent her childhood learning spiritual and healing powers from her grandfather, the village shaman. Hers was a world filled with beautiful morning calls from hundreds of gibbons, lush jungle foliage, banyan trees and giant timber bamboo, clear mountain creeks, and, from time to time, a wandering Asian tiger. She learned how to collect medicinal herbs and heal sick and injured

animals. She also fought a constant battle against the vicious discrimination practiced against hill tribe minorities. Elephant Lady is the true story of this amazing woman. At her low point, she was a hunted woman, targeted for assassination. She became a national disgrace when the world learned that elephants were being tortured for the sake of pleasing tourists at elephant shows. Powerful shadow forces in her native Thailand blamed her for the loss of tourist dollars. Discover the power of truth and conviction as you take one woman's journey into darkness, only to overcome it all, and ascend as the world's premier elephant savior.

From the Folks Who Brought You the Weekend - Priscilla Murolo 2018-08-28
Newly updated: "An enjoyable introduction to American working-class history." –The American Prospect Praised for its "impressive even-handedness", From the Folks Who Brought You the Weekend has set the standard for viewing American history through the prism of working people (Publishers Weekly, starred review). From indentured servants and slaves in seventeenth-century Chesapeake to high-tech workers in contemporary Silicon Valley, the book "[puts] a human face on the people, places, events, and social conditions that

have shaped the evolution of organized labor", enlivened by illustrations from the celebrated comics journalist Joe Sacco (Library Journal). Now, the authors have added a wealth of fresh analysis of labor's role in American life, with new material on sex workers, disability issues, labor's relation to the global justice movement and the immigrants' rights movement, the 2005 split in the AFL-CIO and the movement civil wars that followed, and the crucial emergence of worker centers and their relationships to unions. With two entirely new chapters—one on global developments such as offshoring and a second on the 2016 election and unions' relationships to Trump—this is an "extraordinarily fine addition to U.S. history [that] could become an evergreen . . .

comparable to Howard Zinn's award-winning A People's History of the United States" (Publishers Weekly). "A marvelously informed, carefully crafted, far-ranging history of working people." –Noam Chomsky

100 Ready-to-use Pathfinders for the Web - A. Paula Wilson 2005

In this book/CD-ROM resource, Wilson (Maricopa County Library District) presents 100 customizable pathfinders for helping library users find the information they need. Topics most often asked about in all kinds of libraries are covered, including

career resources, health and wellness, and government information. Presented in a uniform, user-friendly format, the pathfinders list essential print and electronic materials, from dictionaries and periodicals to databases, primary sources, and call numbers. The CD-ROM contains all of the pathfinders as Cascading Style Sheets for Web sites and as Word documents for handouts. The electronic templates include spaces for inserting local information. Co.
