Pictures of Perfection - Reginald Hill 2019-04-30

In this “tour de force” of a mystery, the British detectives investigate a disappearance in a deceptively idyllic Yorkshire village (San Diego Union-Tribune). Reginald Hill “raised the classical British mystery to new heights” when he introduced pugnacious Yorkshire Det. Inspector Andrew Dalziel and his partner, the callow Sgt. Peter Pascoe (The New York Times Book Review). Their chafing differences in education, manners, technique, and temperament made them “the most remarkable duo in the annals of crime fiction” (Toronto Star). Adapted into a long-running hit show for the BBC, the Gold Dagger Award-winning series is now available as ebooks. It's the Day of Reckoning in the village of Enscombe, a two-day celebration among locals to feast and to pay old debts. When Enscombe's constable vanishes, it's time for Dalziel and Pascoe to upend the party. At first they're confronted with what appear to be only niggling hiccups in the enclave: break-ins, a vicar with a lustful bent, and family feuds. But as Enscombe's past comes into focus, the investigators begin to see a bigger crack in the picture-perfect village. Now, in this season when misdeeds must not go unpunished, reckoning will indeed be paid. And it may already be too late for Dalziel and Pascoe to change the course of local history. Pictures of Perfection is the 15th book in the Dalziel and Pascoe Mysteries, but you may enjoy reading the series in any order.

Stories for Nighttime and Some for the Day - Ben Loory 2011-07-26

"This guy can write!" —Ray Bradbury Loory's collection of wry and witty, dark and perilous contemporary fables is populated by people-and monsters and trees and jocular octopi-who are united by twin motivations: fear and desire. In his singular universe, televisions talk (and sometimes sing), animals live in small apartments where their nephews visit from the sea, and men and women and boys and girls fall down wells and fly through space and find love on Ferris wheels. In a voice full of fable, myth, and dream, *Stories for Nighttime and Some for the Day* draws us into a world of delightfully wicked recognitions, and introduces us to a writer of uncommon talent and imagination. Contains 40 stories, including "The Duck," "The Man and the Moose," and "Death and the Fruits of the Tree," as heard on NPR's *This American Life*, "The Book," as heard on *Selected Shorts*, and "The TV," as published in *The New Yorker*.

[Performing Disability in Early Modern English Drama](#) - Leslie C. Dunn 2021-01-04

Performing Disability in Early Modern English Drama investigates the cultural work done by early modern theatrical performances of disability. Proffering an expansive view of early modern disability in performance, the contributors suggest methodologies for finding and interpreting it in unexpected contexts. The volume also includes essays on disabled actors whose performances are changing the meanings of disability in Shakespeare for present-day audiences. By combining these two areas of scholarship, this text makes a unique intervention in early modern studies and disability studies alike. Ultimately, the volume generates a conversation that locates and theorizes the staging of particular disabilities within their historical and literary contexts while considering continuity and change in the performance of disability between the early modern period and our own.
