Legal Eagles - Indu Bhan 2015-08-31

Harish Salve failed his CA exam twice. Mukul Rohatgi was unable to secure a place at the Law Faculty, Delhi University. Rohinton Nariman was trained to become a Parsi priest. Legal Eagles examines the lives and times of India's top seven lawyers, who fought some of the country's landmark courtroom battles. Tracing their journey from their childhood days to the present, the book highlights the important milestones of their careers, their victories and failures, their influences, and their work ethic and role models, demonstrating that the path to success is paved with determination, grit and challenges. Journalist Indu Bhan gives a ringside view of the most significant case handled by each of these lawyers, including the Vodafone tax case, Coalgate and the 2G spectrum controversy, among others.

We, the People - Nani Ardeshir Palkhivala 1984

Speeches and lectures delivered by the author on various occasions; chiefly on the legal and political developments of India.

The Art of a Lawyer - 2016

God Save the Hon'ble Supreme Court and Other Opinions - 2018

The Case that Shook India - Prashant Bhushan 2018-01-01

On 12 June 1975, for the first time in independent India's history, the election of a prime minister was set aside by a high court judgment. The watershed case, Indira Gandhi v. Raj Narain, acted as the catalyst for the imposition of the Emergency. Based on detailed notes of the court proceedings, The Case That Shook India is both a significant legal and a historical document. The author, advocate Prashant Bhushan, provides a blow-by-blow account of the goings-on inside the courtroom as well as the manoeuvrings outside it, including threats, bribes and deceit. As the case goes to the Supreme Court, we see how a ruling government can misuse legislative power to save the PM's election. Through his forceful and gripping narrative, Bhushan vividly recreates the legal drama that decisively shaped India's political destiny.

The Inner Fire - Rohinton F. Nariman 2016-09-01

Zoroastrianism might be a fast-declining religion in today's world, but what is remarkable is its eternal enigma. It is hard to believe that the hymns of the faith have travelled down to us in accurate form and poetic metre, purely through the memory of generations of priests. Zarathustra, the founder of the faith, belonged to a period of Persian history which antedated the Achaemenid dynasty (from 550 BC to 330 BC). He followed the old Rigvedic religion until he was the first to receive a revelation from Almighty God. The Gathas—the most sacred text of the Zoroastrian faith—were first composed and sung by Prophet Zarathustra. Along with the complete comprehension of the Gathas, consisting 238 verses in the same language as the Rigveda, this book is for anyone who wants to gain a deeper understanding of the purpose of life on earth and what happens to mankind after death. The Gathas are extremely relevant in modern times for the fundamental reason that they are timeless. They do not emanate from Prophet Zarathustra's mind, but are revelations from Almighty God, making them universal in their approach. This book is an attempt to help the reader fully comprehend these and choose the path of leading a righteous life.

Constitutional Law of India - G. S. Pandey 1995

Before Memory Fades - Fali S. Nariman 2010-06-01

Before Memory Fades by Fali S. Nariman is a revelatory, comprehensive and perceptive autobiography - candid, compelling and authoritative. Internationally admired and respected, Fali S. Nariman is a senior advocate of the Supreme Court of India. He began his career at the Bombay High Court in November 1950, and has since been active in the legal profession. Over the years, he has held several prestigious posts at both the national and international levels. He became a Member of

Parliament (Rajya Sabha) in November 1999. He is the recipient of the Padma Bhushan (1991) and the Padma Vibhushan (2007). Starting with his formative years, when he had the good fortune to interact with many eminent judges and advocates, Fali S. Nariman moves on to deal with a wide variety of important subjects, such as, the sanctity of the Indian Constitution and attempts to tamper with it. crucial cases that have made a decisive impact on the nation, especially on the interpretation of the law, the relationship between the political class and the judiciary, the cancer of corruption and how to combat this menace, the author outlines measures to restore the now-low credibility of the legal profession, he also delineates his role in several high-profile cases. In recognition of his track record, the Government of India nominated him to the Rajya Sabha. He describes the highlights of his tenure there. Both members of the legal profession and the lay reader will find the contents informative and useful.

The Shape of Things to Come - Markandey Katju 2019-07-10

India is in the throes of transition—from a primarily feudal agrarian society to a modern, industrial one. For the transition to be successful, however, Markandey Katju says that the country needs to rid itself of the ills of the feudal days. But perturbed by the growing incidents of communalism, racial and lingual strife, corruption and persisting issues of poverty, casteism and unemployment, he is sceptical of the change arriving anytime soon. He argues that this turbulent transition might last for another twenty-odd years. In this timely collection of his views, Katju suggests that influential politicians and their governance are not enough, but a scientific mission for national reconstruction is the need of the hour to bring India into its own as a developed and egalitarian society. In his trademark no-holds-barred approach, the author holds up a mirror to the citizens of India and where they could be headed—so that from the dark times emerges a shining vision of the nation its people deserve. His forthright and unreserved views in The Shape of Things to Come give an important perspective to judge India's future.

Choosing Hammurabi - Paul Santosh 2013

India's Legal System - Fali S Nariman 2017-05-24

An incisive and comprehensive view of India's legal process and its key issues India has the second-largest legal profession in the world, but the systemic delays and chronic impediments of its judicial system inspire little confidence in the common person. In India's Legal System, renowned constitutional expert and senior Supreme Court lawyer Fali S. Nariman explores the possible reasons. While realistically appraising the criminal justice system and the performance of legal practitioners, he elaborates on the different aspects of contemporary practice, such as public interest litigation, judicial review and activism. In lucid, accessible language, Nariman discusses key social issues such as inequality and affirmative action, providing real cases as illustrations of the on-ground situation. This frank and thought-provoking book offers valuable insights into India's judicial system and maps a possible road ahead to make justice available to all.

We, the Nation - Nani Ardeshir Palkhivala 1994

Legal Confidential - Ranjeev C Dubey 2015-11-25

Rookie lawyer Ranjeev C. Dubey slogs his way through the corridors of Delhi's trial courts and realizes that the legal system is anything but fair. He stumbles upon a strange world of corruption, sleaze, adultery, eloping couples and clients willing to pay for legal services 'in kind'. He survives the 'killing field' of litigation for twelve long years, biding his time. When he gets an offer to join a law firm, Dubey believes he has finally arrived. But has he? The world of Indian corporate law is one of intense power-play and the merciless pursuit of revenue. In this sinister world of destructive politicking, Ranjeev becomes enemies with the big sharks who own the law firm. What follows is an explosive showdown. In this dark, racy memoir, the now-well-known corporate lawyer exposes the world of the black robes with his trademark wit and leaves you wanting more. If you had to read only one book about the world of lawyers and the Indian legal system, Legal Confidential would have to be it!

Selected Writings - Nani Ardeshir Palkhivala 1999

Eightieth birthday commemorative volume Lawyer par excellence, renowned public speaker, philanthropist and distinguished ambassador, Nani Ardeshir Palkhivala was in public life for over five decades. His post-budget speeches in Bombay since 1958 have drawn national attention. Considered to be one of the world's top ten lawyers, he was once described by former prime minister Morarji Desai as 'India's finest intellectual'. The profile at the beginning of this volume, penned by the editors, L.M. Singhvi, M.R. Pai and S. Ramakrishnan, brings together for the first time little known episodes from Nani Palkhivala's early years, as also instances of his legendary memory, kindness, humility and generosity. The selections that follow, from his best published writings and lectures, show to good effect his multi-faceted personality and understanding of Indian business and society. They are on subjects as diverse as religion, freedom and democracy, the Indian Constitution, judicial reforms, the Indian economy, socialism, and education. There are also pieces on historical figures and contemporaries who have strongly influenced him. Some of the correspondence that Palkhivala has had with K.R. Narayanan, Indira Gandhi, Sanjay Gandhi, V.P. Singh, Dr Manmohan Singh, Justice H.R. Khanna, Swami Ranganathananda and others has been included, along with rare photographs from the Palkhivala family album. All these offer a warm and full portrait of an individual who has spent his life in pursuit of excellence. Candid, provocative and forceful, the pieces in this volume reflect a mind that possesses a remarkable moral and intellectual integrity and a rare clarity of vision.

Landmark Judgements That Changed India - Asok K. Ganguly 2015-08-02

The executive, the legislature and the judiciary are the three branches of government, both state and central, in India. Of these, it is the judiciary's task to uphold constitutional values and ensure justice for all. The interpretation and application of constitutional values by the judicial system has had far-reaching impact, often even altering provisions of the Constitution itself. Although our legal system was originally based on the broad principles of the English common law, over the years it has been adapted to Indian traditions and been changed, for the better, by certain landmark verdicts. In Landmark Judgments that Changed India, former Supreme Court judge and eminent jurist Asok Kumar Ganguly analyses certain cases that led to the formation of new laws and changes to the legal system. Discussed in this book are judgments in cases such as Kesavananda Bharati v. State of Kerala that curtailed the power of Parliament to amend the Constitution; Maneka Gandhi v. Union of India and Others that defined personal liberty; and Golaknath v. State of Punjab, where it was ruled that amendments which infringe upon fundamental rights cannot be passed. Of special significance for law students and practitioners, this book is also an ideal guide for anyone

interested in the changes made to Indian laws down the years, and the evolution of the judicial system to what it is today.

Social Justice - V. R. Krishna Iyer 1987

Landmarks in the Law - Alfred Denning 1984-10-08

Written in Lord Denning's familiar vivid, staccato style, Landmarks in the Law discusses cases and characters whose names will be known to all readers, grouped together under headings such as High Treason, Freedom of the Press, and Murder. Thus, for example, the chapter on High Treason tells the stories of Sir Walter Raleigh, Sir Roger Casement, and William Joyce - three very different cases, the first occurring nearly 350 years before the last, but each one raising constitutional issues of the greatest importance.

Nani Palkhivala - Soli J. Sorabjee 2012

The Wit and Wisdom of Nani A. Palkhivala - Jignesh R. Shah 2015-09-10
this book contains select quotations classified subjectwise under various chapters from his writings and speeches over six decades of his working life. the book introduces the man through his thoughts and ideas with the aim of inspiring readers, particularly the youth.

10 Judgements That Changed India - Zia Mody 2013-08-15

Who was Shah Bano and why was her alimony pertinent to India's Secularism? Does the fundamental right to life include the right to livelihood and shelter? Where there is the right to live, is there also the right to die? How did Bhanwari Devi's Rape help define sexual harassment at the workplace? Here are the Supreme Court's ten pivotal judgements that have transformed Indian democracy and redefined our daily lives. Exploring vital themes such as custodial deaths, reservations and environmental jurisprudence, this book contextualizes the judgements, explains key concepts and maps their impacts. Written by one of India's most respected lawyers, Ten Judgements That Changed India is an authoritative yet accessible read for anyone keen to understand India's legal system and the foundations of our democracy.

The Rebel - Susan Adelman 2017-03

The Legend of Nani Palkhivala - M. R. Pai 2002

On the life and work of eminent Indian jurist and lawyer, Nani Ardeshir Palkhivala, b. 1920-

Ram Jethmalani - Nalini Gera 2002

Meticulously Researched And Illuminated By Moments Of Rare Insight, This Book Explores The Mind And Career Of India S Most Famous Political Maverick, And In The Process Throws Light On The Major Political And Legal Events That Shaped Post-Independence India.

Devil's Advocate - Karan Thapar 2018-07-30

Sometime in the late summer of 1976, Sanjay Gandhi asked if I wanted to go flying with him... After first attempting to teach Karan Thapar to fly (not very successfully) Sanjay Gandhi took the controls and performed a series of aerobatics, not particularly dangerous but nonetheless thrilling. Once they were further away from Delhi, he became even more daring. Suddenly, he decided to scare the farmers working in the fields below by

aiming the aircraft straight at them. As he dived down, they scattered and ran, fearing for their lives. At the last moment, Sanjay pulled up dramatically and waved at the bewildered farmers, clearly chuffed with the whole performance. The manoeuvre required nerves of steel and tremendous self-confidence, both of which Sanjay possessed in plenty. In *Devil's Advocate*, Karan dives deep into his life to come up with many such moments. Included here are stories of warm and lasting friendships, such as with Benazir Bhutto, whom he met while he was an undergraduate. He also talks about his long association with Aung San Suu Kyi and Rajiv Gandhi. However, not all friendships lasted—for example, with L.K. Advani, with whom he shared a close bond until an unfortunate disagreement over an interview caused a falling-out. The tension generated during an interview has spilled over off-screen multiple times, and Karan discusses these incidents in detail. For instance, when Amitabh Bachchan lost his cool during a post-interview lunch or when Kapil Dev cried like a baby. And there's the untold story of two of his most controversial interviews—with Jayalalithaa and Narendra Modi. While Jayalalithaa laughed it off later, the after-effects of Modi's infamous walkout have grown worse with time. Riveting and fast-paced, *Devil's Advocate* is as no-holds-barred as any of Karan Thapar's interviews.

JUSTICE FOR THE JUDGE - Ranjan Gogoi 2021-12-08

The Oxford Handbook of the Indian Constitution - Sujit Choudhry 2016-05-12

The Indian Constitution is one of the world's longest and most important political texts. Its birth, over six decades ago, signalled the arrival of the first major post-colonial constitution and the world's largest and arguably most daring democratic experiment. Apart from greater domestic focus on the Constitution and the institutional role of the Supreme Court within India's democratic framework, recent years have also witnessed enormous comparative interest in India's constitutional experiment. The *Oxford Handbook of the Indian Constitution* is a wide-ranging, analytical reflection on the major themes and debates that surround India's Constitution. The Handbook provides a comprehensive account of the developments and doctrinal features of India's Constitution, as well as articulating frameworks and methodological approaches through which studies of Indian constitutionalism, and constitutionalism more generally, might proceed. Its contributions range from rigorous, legal studies of provisions within the text to reflections upon historical trends and social practices. As such the Handbook is an essential reference point not merely for Indian and comparative constitutional scholars, but for students of Indian democracy more generally.

Justice Versus Judiciary - Sudhanshu Ranjan 2019-07-12

There can be no dispute that the judges of the high courts and the Supreme Court of India wield tremendous powers. However, power comes with a price which bestows huge responsibility and calls for strict adherence to dos and don'ts. This book builds upon this narrative and advocates that judges must be made accountable not only in respect of their personal conduct and integrity, but also in respect of the judicial verdicts they deliver. The work emphasizes that the need for judicial accountability has increased in recent times as the judiciary is, nowadays, performing not only judicial functions, but virtually executive functions also, for which the government is accountable to the people. The author, in particular, critically discusses Articles 141, 142, and 144, which make the Supreme Court the most powerful institution in the country, and Articles 32 and 136, which also confer wide powers on it. Using these powers, the apex court sometimes, unmindful of the budgetary and other vital implications, passes orders which are simply not implementable. For example, the intervention of the Supreme Court in the matter of the interlinking of rivers, a policy decision which falls clearly in the domain of the Executive. The book advocates the need for judicial accountability to save the institutions of justice from turning autocratic and narcissistic.

The Tools of Argument - Joel P. Trachtman 2013

Joel Trachtman's book presents in plain and lucid terms the powerful tools of argument that have been honed through the ages in the discipline of law. If you are a law student or new lawyer, a business professional or a government official, this book will boost your analytical thinking, your foundational legal knowledge, and your confidence as you win arguments for your clients, your organizations or yourself.

A comprehensive survey of the state of the discipline, The *Routledge Handbook of International Law* is an essential work of reference for scholars and practitioners of international Law.

Trials of Truth - Pinky Anand 2018-01-28

A close look at criminal cases that shocked the country Drawing on her vast experience as a senior advocate and Additional Solicitor General at the Supreme Court, Pinky Anand examines criminal cases that have captured public interest. Breaking down each aspect of cases such as the Nirbhaya rape, the Nanavati murder, the Nithari killings and others, she gives us an inside look and lawyer's perspective into the manner of legal proceedings, strategies employed by legal counsel on both sides and the rigour with which courts come to verdicts. Even years after they have been tried in court, these instances are cemented in people's memories on account of either their brutality, the trials or the landmark judgments they resulted in. Anand's insights not only delve into the finer details but also provide context to the cases that have had a lasting impact on society as well as legal institutions.

Off the Bench - V. R. Krishna Iyer 2001

Sixteen Stormy Days - Tripurdaman Singh 2020-01-20

Sixteen Stormy Days tells the story of the first amendment of the Constitution of India, passed in June 1951 in the face of tremendous opposition within and without the Parliament, and the subject of some of Independent India's fiercest parliamentary debates. It was a pivotal moment in Indian constitutional and political history. The first amendment broke new ground to curb the freedom of speech-public order, the interests of the security of the state and relations with foreign states; enabled caste-based reservations in education by restricting freedom against discrimination; circumscribed the right to property; validated zamindari abolition; and, finally, created a special schedule where laws could be placed to make them immune to judicial challenge even if they violated fundamental rights. How did fundamental rights—the heart and soul of the Constitution—so ceremoniously and pointedly given in 1950, become the lacunae in the same Constitution and the cause of grave difficulties by 1951? What led to the leading framers of the Constitution turning on their own creation within fifteen months, and to the Government of India and the Congress party taking the extraordinary step of radically amending the Constitution they had piloted in 1950? Who got up to defend the newly granted fundamental rights when the moment came, and how did this climactic battle unfold? And, finally, what were the consequences? Were there lacunae in the Constitution, as Jawaharlal Nehru believed, or was man (and the government) 'vile', as B.R. Ambedkar had asserted before the constituent assembly? These are the questions this book seeks to explore, and within them lies the story it seeks to tell.
