*Live Rich* - Stephen Pollan 1998-09-23

In his recent national bestseller, *Die Broke*, Stephen Pollan introduced a radical new strategy for spending and saving money in today's unpredictable financial environment. The natural result of *Die Broke*--indeed the reason to die broke in the first place--is the subject of this new volume. If *Die Broke* is about how we spend, save, and invest our money, *Live Rich* is the other side of the equation, the earning side of

things. In it, Stephen Pollan shares the compelling observation that living rich has less to do with new worth or income stream and everything to do with freedom. The most powerful form of financial freedom comes from working for yourself (whoever your boss may be). *Live Rich* says all that's standing in your way of earning enough to live the life of your dreams is your relationship to money. Act rationally rather than emotionally when it comes to your income, and

you'll find money can buy you happiness. The four tenets of the Live Rich philosophy, simply stated, are: Make Money. Too many of us have been fed the line that "work isn't necessarily about making money." Tell that to Visa next time they send you a bill. Don't grow, change. Be ready to change your work paradigm on a moment's notice, to morph from career to career several times as conditions--and you--change. Take Charge. In the twenty-first century, you must become proactive and start taking measured risks. Become a mercenary. Think for yourself as a free agent, responsible for your own security and always on the lookout for the next great job. Live Rich provides an explanation of Stephen Pollan's radical workplace philosophy as well as a detailed A to Z action plan--from "accountants" and "advertisement" to "Web sites" and "working capital"--that allows readers to apply the philosophy to every facet of their working lives and truly Live Rich.

Never Too Old to Get Rich - Kerry E. Hannon  
2019-06-17

Start a successful business mid-life When you think of someone launching a start-up, the image of a twenty-something techie probably springs to mind. However, Gen Xers and Baby Boomers are just as likely to start businesses and reinvent themselves later in life. Never Too Old to Get Rich is an exciting roadmap for anyone age 50+ looking to be their own boss and launch their

dream business. This book provides up-to-date resources and guidance for launching a business when you're 50+. There are snappy profiles of more than a dozen successful older entrepreneurs, describing their inspirational journeys launching businesses and nonprofits, followed by Q&A conversations, and pull-out boxes containing action steps. The author walks you through her three-part fitness program: guidelines for becoming financially fit, physically fit, and spiritually fit, before delving more deeply into how would-be entrepreneurs over 50 can succeed. • Describes how you can find capital to start your own business • Offers encouraging stories of real people who have become their own bosses and succeeded as entrepreneurs • Written by PBS Next Avenue's entrepreneur expert, Kerry Hannon • Teaches you how to start your own business Never Too Old to Get Rich is the ideal book for older readers looking to pursue new business ventures later in life.

Sales Dogs - Blair Singer 2013-02-28

The number one skill for any entrepreneur or business owner is the ability to sell. Why? Because sales = income. Yet, many fail financially not because they do not have great ideas or even good work ethic, but typically because they don't know how to, refuse to, are afraid to, or don't think it is important to know how to sell. SalesDogs was written as the very first of the Rich Dad Poor Dad "how-to" Advisory

series to teach in a very fun and impactful way how to overcome the fears, the myths and the obstacles to selling your products, services or yourself. It then teaches a simple, time-proven process of selling that will generate great income in most any business. The reader will learn the five most important selling skills to master, how to overcome any objection, manage a territory and much more. The book quickly de-bunks the idea that you have to be an overly aggressive “attack dog” to be successful. It uses the metaphor of “man’s best friend” to say that a great sales person is like a loyal, persistent and lovable canine. It stipulates that there are five different “breeds” or personalities of SalesDogs that can each make a lot of money by playing to its strength. You will learn how to identify, maximize and train to that strength and also how to teach others on your team to do the same. While the book is fun and engaging, it also dives deep into the personal development issues that block a person’s ability to generate income and how to overcome them. The book is perfect for first time salespeople, individuals who are uncomfortable with the notion of “selling”, those who need to train others to sell and those who want to simply get better quicker.

**Tax-Free Wealth** - Tom Wheelwright 2013-02-28

Tax-Free Wealth is about tax planning concepts. It’s about how to use your country’s tax laws to your benefit. In this book, Tom Wheelwright will

tell you how the tax laws work. And how they are designed to reduce your taxes, not to increase your taxes. Once you understand this basic principle, you no longer need to be afraid of the tax laws. They are there to help you and your business—not to hinder you. Once you understand the basic principles of tax reduction, you can begin, immediately, reducing your taxes. Eventually, you may even be able to legally eliminate your income taxes and drastically reduce your other taxes. Once you do that, you can live a life of Tax-Free Wealth.

**Rich Dad Poor Dad** - Robert T. Kiyosaki 2017-04

April 2017 marks 20 years since Robert Kiyosaki's Rich Dad Poor Dad first made waves in the Personal Finance arena. It has since become the #1 Personal Finance book of all time... translated into dozens of languages and sold around the world. Rich Dad Poor Dad is Robert's story of growing up with two dads -- his real father and the father of his best friend, his rich dad -- and the ways in which both men shaped his thoughts about money and investing. The book explodes the myth that you need to earn a high income to be rich and explains the difference between working for money and having your money work for you. 20 Years... 20/20 Hindsight In the 20th Anniversary Edition of this classic, Robert offers an update on what we've seen over the past 20 years related to money, investing, and the global economy. Sidebars

throughout the book will take readers "fast forward" -- from 1997 to today -- as Robert assesses how the principles taught by his rich dad have stood the test of time. In many ways, the messages of Rich Dad Poor Dad, messages that were criticized and challenged two decades ago, are more meaningful, relevant and important today than they were 20 years ago. As always, readers can expect that Robert will be candid, insightful... and continue to rock more than a few boats in his retrospective. Will there be a few surprises? Count on it. Rich Dad Poor Dad... \*

- \* Explodes the myth that you need to earn a high income to become rich
- \* Challenges the belief that your house is an asset
- \* Shows parents why they can't rely on the school system to teach their kids about money
- \* Defines once and for all an asset and a liability
- \* Teaches you what to teach your kids about money for their future financial success

**Why the Rich Are Getting Richer** - Robert T. Kiyosaki  
2018-12-11

It's Robert Kiyosaki's position that "It is our educational system that causes the gap between the rich and everyone else." He laid the foundation for many of his messages in the international best-seller Rich Dad Poor Dad -- the #1 Personal Finance book of all time -- and in Why the Rich Are Getting Richer, he makes his case... In this book, the reader will learn why the gap between the rich and everyone else grows wider. In this book, the reader will get an

explanation of why savers are losers. In this book, the reader will find out why debt and taxes make the rich richer. In this book, the reader will learn why traditional education actually causes many highly educated people, such as Robert's poor dad, to live poorly. In this book, the reader will find out why going to school, working hard, saving money, buying a house, getting out of debt, and investing for the long term in the stock market is the worst financial advice for most people. In this book, the reader will learn the answers Robert found on his life-long search, after repeatedly asking the question, "When will we learn about money?" In this book, the reader will find out why real financial education may never be taught in schools. In this book, the reader will find out "What financially education is... really."

**Run Your Own Corporation** - Garrett Sutton

2013-02-28

"I've set up my corporation. Now what do I do?"

All too often business owners and real estate investors are asking this question. They have formed their protective entity – be it a corporation, LLC or LP – and don't know what to do next.

"*Run Your Own Corporation*" provides the solution to this very common dilemma. Breaking down the requirements chronologically (ie the first day, first quarter, first year) the book sets forth all the tax and corporate and legal matters new business owners must comply with. Written by Rich Dad's Advisor Garrett Sutton, Esq., who also authored the companion edition "*Start Your Own Corporation*", the book clearly identifies what must be done to properly maintain and operate your corporation entity. From the first day, when employer identification numbers must be obtained in order to open up a bank account, to the fifth year when trademark renewals must be filed, and all the requirements in between, "*Run Your Own Corporation*" is a unique resource that all business owners and investors must have. Rich Dad/Poor Dad author Robert Kiyosaki states, "*Run Your Own Corporation* is the missing link for most entrepreneurs. They've set up their entity, but don't know the next steps. Garrett

Sutton's book provides valuable information needed at the crucial start up phase of operations. It is highly recommended reading." When "Start Your Own Corporation" is combined with "Run Your Own Corporation" readers have a two book set that offers the complete corporate picture.

**Bullshit Jobs** - David Graeber 2019-05-07

From bestselling writer David Graeber—"a master of opening up thought and stimulating debate"

(Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled “On the Phenomenon of Bullshit Jobs.” It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society’s most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. “Clever and charismatic” (The New Yorker), Bullshit Jobs gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and “a thought-provoking examination of our working lives” (Financial Times).

*The ABCs of Getting Out of Debt* - Garrett Sutton 2013-02-28

In difficult times, debt can be a matter of life and death, happiness and despair. Controlling your debt can bring order and calm. Mastering debt can bring wealth and success. As bestselling Rich Dad/Poor Dad author Robert Kiyosaki says, “Good debt makes you rich and bad debt makes you poor.” *The ABCs of Getting Out of Debt* provides the necessary knowledge to navigate through a very challenging credit environment. A Rich Dad’s Advisor and best selling author of numerous business books, Garrett Sutton, Esq. clearly writes on the key strategies readers must follow to get out of debt. Unlike other superficial offerings, Sutton explores the psychology and health effects of debt. From there, the reader learns how to beat the lenders at their own game, and how to understand and repair your own

credit. Using real life illustrative stories, Sutton shares how to deal with debt collectors, avoid credit scams, and win with good credit. “The reason Garrett Sutton’s book is so important is that like it or not, debt is a powerful force in our world today. The financially intelligent are using debt to enrich themselves while the financially uneducated are using debt to destroy their lives.”- Robert Kiyosaki The times call for a book that offers hope and education on mastering credit and getting out of debt.

How to Get Rich - Felix Dennis 2008-06-12

Felix Dennis is an expert at proving people wrong. Starting as a college dropout with no family money, he created a publishing empire, founded Maxim magazine, made himself one of the richest people in the UK, and had a blast in the process. How to Get Rich is different from any other book on the subject because Dennis isn't selling snake oil, investment tips, or motivational claptrap. He merely wants to help people embrace entrepreneurship, and to share lessons he learned the hard way. He reveals, for example, why a regular paycheck is like crack cocaine; why great ideas are vastly overrated; and why "ownership isn't the important thing, it's the only thing."
