The Vomit Factory : Life Is Fake Death Is Good - Philobabblist Extraordinaire Alexander T. Newport 2013-03-13

Nothing we do here has any spiritual consequence or significance because we are already spiritually perfect. This mortal life is but a dreamgame and each of us came here knowing we would temporarily forget our spiritual reality. Death is but a return to that spiritual reality and that is why it is good---This book is composed of four hundred & forty eight pages of crafted rants, dream accounts, hateful-dialogues, poems, theories, and miscellaneous bits & bobs. Included as well are heaping-heaving amounts of psychological nudity and filthy language. So don't expect something that would appeal to 20-something eggheads and academic old farts. This writer actually went far beyond memorizing and learning how to parrot what others have thought and said, and actually did his own thinking.---

12 Rules for Life - Jordan B. Peterson 2018-01-23

#1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. 12 Rules for Life shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.

POWER (Book 1) - Liv Bennett 2016-08-29

I used to be a spoiled princess, a diva whose life revolved around clothes and expensive trips. Worth fifty million dollars only half a year ago, now I'm down to living on pennies. No more

weekend escapades to Aspen or skinny-dipping in Barcelona for me. No more security guards or private chauffeurs. My designer clothes and exclusive jewelry are all gone. My life turned upside down when my father was charged for a crime he didn't commit; a bomb explosion that took the lives of twelve people in the heart of Los Angeles. Hope comes in the form of a gorgeous man and a deal I have no alternative but to accept. Ethan Koenig, a mysterious businessman I haven't heard of before, offers me a helping hand that comes with conditions...conditions that send fear into my heart and delicious shivers down my body. Suspiciously familiar with my father's case, Ethan leads me toward dark secrets that go way beyond the bomb explosion. With each new revelation, I realize the man who's helping me might be the one behind it all. By the time I try to escape, it's too late. My heart is irrevocably lost to the man whose one and only purpose in life is to take revenge on my family.

The Playboy's Ruthless Pursuit - Miranda Lee
2016-08-01

His most challenging conquest When you're as handsome, dynamic and wealthy as British tycoon Jeremy Barker-Whittle, there's no shortage of stunning women willing to share your bed. So when Alice Waterhouse says no, it's a challenge the jaded playboy can't refuse. But discovering Alice's carefully guarded innocence brings an end to Jeremy's thoughts of briefly stolen passion. The cynical CEO must put aside this delicate beauty...until Alice shocks him by asking him to take her virginity! As Jeremy toys with the temptation to be the first man to show Alice pleasure, he's unaware that she could be the first woman to tame him...

Plunge - Liesbet Collaert 2020-11-28

Tropical waters turn tumultuous in this travel memoir, as a free-spirited woman jumps headfirst into a sailing adventure with a new man and his two dogs. Join Liesbet as she faces a decision that sends her into a whirlwind of love, loss, and living in the moment. When she swaps life as she knows it for an uncertain future on a sailboat, she succumbs to seasickness and a growing desire to be alone. Guided by impulsiveness and the joys of an alternative lifestyle, she must navigate personal storms, trouble with US immigration, adverse weather conditions, and doubts about her newfound love.

Does Liesbet find happiness? Will the dogs outlast the man? Or is this just another reality check on a dream to live at sea? ### Have you ever wondered how life could be if you had made different choices? If you didn't marry early, commit to a large loan for the house, focus on your career, start a family? Maybe you're just curious about how a person thinking outside the box manages? A person without boundaries, striving to be flexible, happy, and free. What you are about to read is how one such person follows her dreams, no, her intuition, and how she survives her naivety, life altering twists, and a relationship in close quarters. Plunge is a story of what happens when you go with the flow, when you have a bright idea - or thought you had one - and ride the waves of the unknown. Ready to hop aboard and delve in?

Brand by Hand - Jon Contino 2018-10-23

Brand by Hand documents the work, career, and artistic inspiration of graphic designer extraordinaire Jon Contino. Jon is a born-and-bred

New Yorker. He talks like one, he acts like one, and most importantly, he designs like one. He is the founder and creative director of Jon Contino Studio, and over the past two decades, he has built a massive collection of award-winning graphic-design work for high-profile clients such as Nike, 20th Century Fox, and Sports Illustrated. Throughout all of this, he has gone to design hell and back, facing obstacles like fear, self-doubt, and bad luck. Brand by Hand documents the work and career of Jon Contino, exploring his lifelong devotion to the guts and grime of New York and cementing his biggest artistic inspirations, from hardcore music to America's favorite pastime. A graphic-design retrospective showcasing his minimalist illustrations and unmistakable hand-lettering, Brand by Hand shares how Contino has taken a passion for pen and ink and turned it into an expanding empire of clients, merchandise, and artwork.

James Bond and Philosophy - James B. South 2012-03-30

"Bond. James Bond." Since Sean Connery first uttered that iconic phrase in *Dr. No*, more than one quarter of the world's population has seen a 007 film. Witty and urbane, Bond seduces and kills with equal ease — often, it seems, with equal enthusiasm. This enthusiasm, coupled with his freedom to do what is forbidden to everyone else, evokes fascinating philosophical questions. Here, 15 witty, thought-provoking essays discuss hidden issues in Bond's world, from his carnal pleasures to his license to kill. Among the lively topics explored are Bond's relation to existentialism, including his graduation "beyond good and evil"; his objectification of women; the paradox of breaking the law in order to ultimately uphold it like any "stupid policeman"; the personality of 007 in terms of Plato's moral psychology; and the Hegelian quest for recognition evinced by Bond villains. A reference guide to all the Bond movies rounds out the book's many pleasures.

Pleasure Extraordinaire 1 - Liv Bennett

2014-02-26

Michael Hawkins is mature, rich, and drop-dead sexy. He is also gay. And for some strange reason, he wants me to be his pretend girlfriend in exchange for a big sum of money. He has one condition though: I cannot get close to a man or be seen with one during the one year I'm contracted with him. I thought it'd be a piece of cake until I met his two grown-up, gloriously handsome sons, who won't take no for an answer. Including from me. I'll not fall for their cheap tricks even if it means I'll have to close my eyes each time I see them. And each time I close my eyes, I imagine their naked bodies doing sinful things to mine. God help me before my physical urges get the best of me, and the contract blows up in my face.

How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book One - Jon Knowles 2019-03-31

The ghosts that haunt our sexual pleasure were born in the Stone Age. Sex and gender taboos were used by tribes to differentiate themselves from one another. These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city-states and empires. For the early Christians, all sex play was turned into sin, instilled with guilt, and punished severely. With the invention of sin came the construction of women as subordinate beings to men. Despite the birth of romance in the late middle ages, Renaissance churches held inquisitions to seek out and destroy sex sinners, all of whom it saw as heretics. The Age of Reason saw the demise of these inquisitions. But, it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime, degeneracy, and sickness. The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists, such as Alfred Kinsey and Margaret Sanger, sought to carve out a place for sexual freedom in society. However, strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence. Volume I of this two-part publication traces the history of sex from the Stone Age to the Enlightenment. Interspersed with 'personal hauntings' from his own life and the lives of friends and relatives, Knowles reveals how historical discourses of sex continue to haunt us today. This book is a page-turner in simple and plain language about 'how sex got screwed up' for millennia. For Knowles, if we know the history of sex, we can get over it.

The Love of Books - Richard de Bury 1902

Death's Kiss - Josh Reynolds 2021-06-01
Nobleman sleuth Daidoji Shin returns for a brilliant new investigation deep in the Emerald Empire, in this exciting novel set in the fantastical world of Legend of the Five Rings. Daidoji Shin, former louche layabout turned amateur investigator, and his long-suffering bodyguard, Kasami, are called away from the comforts of the City of the Rich Frog and into Unicorn lands to investigate a seemingly open-

and-shut case of murder. But it's never that straightforward... A condemned woman's life is at stake, and the outcome may prevent a war between noble families. But that's only the beginning of this mystery: Shin will come face to face with a sinister seditionist organization that could have much deeper consequences than he could imagine.

In the Presence of the Enemy - Elizabeth George 2008-05-06

Hailed as the "king of sleaze," tabloid editor Dennis Luxford is used to ferreting out the sins and scandals of people in exposed positions. But when he opens an innocuous-looking letter addressed to him at The Source, he discovers that someone else excels at ferreting out secrets as well. Ten-year-old Charlotte Bowen has been abducted, and if Luxford does not admit publicly to having fathered her, she will die. But Charlotte's existence is Luxford's most fiercely guarded secret, and acknowledging her as his child will throw more than one life and career into chaos. Luxford knows that the story of Charlotte's paternity could make him a laughingstock and reveal to his beautiful wife and son the lie he's lived for a decade. Yet it's not only Luxford's reputation that's on the line: it's also the reputation—and career—of Charlotte Bowen's mother. For she is Undersecretary of State for the Home Office, one of the most high-profile Junior Ministers and quite possibly the next Margaret Thatcher. Knowing that her political future hangs in the balance, Eve Bowen refuses to let Luxford damage her career by printing the story or calling the police. So the editor turns to forensic scientist Simon St. James for help. It's a case that fills St. James with disquiet, however, for none of the players in the drama seem to react the way one would expect. Then tragedy occurs and New Scotland Yard becomes involved. Detective Inspector Thomas Lynley soon discovers that the case sends tentacles from London into the countryside, and he must simultaneously outfox death as he probes Charlotte Bowen's mysterious disappearance. Meanwhile, his partner Detective Sergeant Barbara Havers, working part of the investigation on her own and hoping to make the coup of her career, may be drawing closer to a grim solution—and to danger—than anyone knows. In the Presence of the Enemy is a brilliantly insightful and haunting novel of ideals

corrupted by self-interest, of the sins of parents visited upon children, and of the masks that hide people from each other—and from themselves. *The SPOOK & GOON Space Adventures Super Box Bundle* - Chad V. Holtkamp 2020-07-28

Good Economics for Hard Times - Abhijit V. Banerjee 2019-11-12

The winners of the Nobel Prize show how economics, when done right, can help us solve the thorniest social and political problems of our day. Figuring out how to deal with today's critical economic problems is perhaps the great challenge of our time. Much greater than space

travel or perhaps even the next revolutionary medical breakthrough, what is at stake is the whole idea of the good life as we have known it. Immigration and inequality, globalization and technological disruption, slowing growth and accelerating climate change--these are sources of great anxiety across the world, from New Delhi and Dakar to Paris and Washington, DC. The resources to address these challenges are there--what we lack are ideas that will help us jump the wall of disagreement and distrust that divides us. If we succeed, history will remember our era with gratitude; if we fail, the potential losses are incalculable. In this revolutionary book, renowned MIT economists Abhijit V. Banerjee and Esther Duflo take on this challenge, building on cutting-edge research in economics explained with lucidity and grace. Original, provocative, and urgent, *Good Economics for Hard Times* makes a persuasive case for an intelligent interventionism and a society built on compassion and respect. It is an extraordinary achievement, one that shines a light to help us appreciate and understand our precariously balanced world.

Pleasure Activism - adrienne maree brown
2019-03-19

How do we make social justice the most pleasurable human experience? How can we awaken within ourselves desires that make it impossible to settle for anything less than a fulfilling life? Editor adrienne maree brown finds the answer in something she calls "Pleasure Activism," a politics of healing and happiness that explodes the dour myth that changing the world is just another form of work. Drawing on the black feminist tradition, including Audre Lourde's invitation to use the erotic as power and Toni Cade Bambara's exhortation that we make the revolution irresistible, the contributors to this volume take up the challenge to rethink the ground rules of activism. Writers including Cara Page of the Astraea Lesbian Foundation For Justice, Sonya Renee Taylor, founder of *This Body Is Not an Apology*, and author Alexis Pauline Gumbs cover a wide array of subjects—from sex work to climate change, from race and gender to sex and drugs—they create new narratives about how politics can feel good and how what feels good always has a complex politics of its own. Building on the success of her popular *Emergent Strategy*, brown launches a new series of the

same name with this volume, bringing readers books that explore experimental, expansive, and innovative ways to meet the challenges that face our world today. Books that find the opportunity in every crisis!

Pleasure Extraordinaire - Complete Collection - Liv Bennett 2015-06-01

You'll also get to see a little of his "staycations" and life at home between travels. Jet-setting is what dachshunds do best. From Switzerland's Alps and Mexico's Mayan temples to Italy's seaside villages and France's Eiffel Tower—as well as various locales throughout the U.S. and Canada—Crusoe shares his wit and wisdom on appreciating culture, fine wine, and haute cuisine, always dressing for the occasion, and maybe learning a thing or two about what really matters most in life along the way. In hundreds of brilliant color photographs, see the charming and charismatic mini-doxie embark on such thrilling adventures as... * Hitting the streets of New York City as The Wiener of Wall Street * Stalking evildoers as Batdog * Strolling Hollywood's Walk of Fame (with his own star) * Going out on a dinner and movie date with the lovely Paisley * Digging for fossils at Dinosaur Provincial Park * Playing doctor and dentist to his sidekick brother, Oakley * Drinking at the notorious Bar Vitelli, shooting location of The Godfather * Recovering from back surgery with lots of love and rehabilitating in style * Tasting a beignet at New Orleans's famous Café du Monde * Exploring his German heritage as a "badger dog"—and discovering what wiener schnitzel actually is... And so much more!

A Worthy Pursuit - Karen Witemeyer 2015-05-26

A teacher on the run. A bounty hunter in pursuit. Can two enemies learn to trust each other before they both lose what they hold most dear? Stone Hammond is the best tracker in Texas. He never comes home empty-handed. So when a wealthy

railroad investor hires him to find his abducted granddaughter, Stone eagerly accepts. Charlotte Atherton, former headmistress of Sullivan's Academy for Exceptional Youths, will do anything to keep her charges safe, especially the orphaned girl entrusted to her care. Charlotte promised Lily's mother she'd keep the girl away from her unscrupulous grandfather, and nothing will stop Charlotte from fulfilling that pledge. Not even the handsome bounty hunter with surprisingly honest eyes who comes looking for them. When Miss Atherton produces documentation that shows her to be Lily's legal guardian, Stone must reevaluate everything he's been led to believe. Is she villain or victim? Then a new danger forces Charlotte to trust the man sent to destroy her. Stone vows to protect what he once sought to tear apart. Besides, he's ready to start a new pursuit: winning Charlotte's heart.

Back to Blood - Tom Wolfe 2012-10-23

A big, panoramic story of the new America, as told by our master chronicler of the way we live now. As a police launch speeds across Miami's Biscayne Bay-with officer Nestor Camacho on board-Tom Wolfe is off and running. Into the feverous landscape of the city, he introduces the Cuban mayor, the black police chief, a wanna-go-muckraking young journalist and his Yale-marinated editor; an Anglo sex-addiction psychiatrist and his Latina nurse by day, loin lock by night-until lately, the love of Nestor's life; a refined, and oh-so-light-skinned young woman from Haiti and her Creole-spouting, black-gang-banger-stylin' little brother; a billionaire porn addict, crack dealers in the 'hoods, "de-skilled" conceptual artists at the Miami Art Basel Fair, "spectators" at the annual Biscayne Bay regatta looking only for that night's orgy, yenta-heavy ex-New Yorkers at an "Active Adult" condo, and a nest of shady Russians. Based on the same sort of detailed, on-scene, high-energy reporting that powered Tom Wolfe's previous bestselling novels, **BACK TO BLOOD** is another brilliant, spot-on,

scrupulous, and often hilarious reckoning with our times.

Untangle Me - Chelle Bliss 2017-05-12

****This is a re-release of Untangle Me****Kayden is a bad boy that never played by the rules. Sophia has always been the quintessential good girl, living a life filled with disappointment. Everything changes when their lives become intertwined through a chance encounter online. Hundreds of miles separate them, but the connection that draws them together is too much to be denied. As the layers of their lives peel back, Kayden keeps the dangerous parts of his past hidden to protect the woman who is becoming more important to him than he should allow. What starts as a pursuit of carnal pleasure turns into a complicated love story. His past is a tangled web filled with addiction, an obsessed ex-girlfriend, and problems with the law. One mistake he thought he had left behind may end up ruining it all.

The Voyage of the Parzival - Terry Mort
2010-01-14

"It's not my fight," said Ethan Grey. It didn't matter. Mexico was at war, and he was in it. He'd wanted a cruise in warm waters, a chance to forget the war he'd just fought, the War Between the States. But the ship he chose so casually had another mission, and like it or not Ethan Grey was on board. The storms at sea, the battles with enemy ships, the long trip overland through hostile territory, the flight from French mercenaries; it became his war, too. But this time, at least it was simpler. It was just a fight for his friends. And for Maria. The Voyage of the Parzival is based on an earlier book by Terry Mort entitled, *Shipment to Mexico*. "Mort makes a fascinating read out of every subject he takes up." - The Associated Press "Terry Mort is an author extraordinaire." - Ann LaFarge - The Hudson Valley News
