**When You're Mine** - Layla Hagen 2021-06-06  
Take New York by storm and steer clear of serious relationships. That's the plan. That's the goal. It's easy too, now that my software company is making headlines. Nothing is getting in the way of that--not even my sexy personal trainer. I don't care how beautiful and intriguing she is. Mel Dawson keeps talking me into doing things, like watching the sunset and slowing down to enjoy life. When she trains me, and I watch her body, I'm constantly fantasizing about exploring every inch of it all night long, claiming her mouth every time she gives me a sassy reply. I don't even know who I am when I'm with her. I'm suddenly a completely different man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used to taking chances in the boardroom, just not in my personal life. How much am I willing to risk for a chance to make her mine?

**DNS FIT KID Exercise Journal** - Eliška Urbářová 2020-03-25

DNS Exercise Journal - A brochure for kids This journal or DNS Fit Kid App is intended for coaches and therapists who use DNS FIT KID in their practice, particularly those working with young children and their parents. The application consists of twenty exercises based on five developmental positions and serves as a home exercise program for children aimed at both the treatment and prevention of musculoskeletal pain. More generally, these

exercises can also be used as a fundamental, dynamic warm-up for not only common recreational play, but also youth athletic training. The DNS exercise app explains the developmental exercise positions to children in a fun, relatable manner, comparing them with the way animals characteristically move and pose. The concise text and colorful illustrations help to explain not only how the child ought to move, but also what they should feel during each movement or position. Of course, these also describe how to detect and correct errors and movement faults typically found with each exercise. Furthermore, in order to help train exercise transitions, movement memory, mimicry, and team exercise (while also incorporating speech development), the DNS app has included a variety of rhythmic songs that are meant to be sung along with every global movement routine. By incorporating both animal imagery and catchy songs into each routine, the DNS Fit Kid App motivates children to exercise regularly in a pleasurable, playful way, while also emphasizing DNS principles like optimal posture and ideal movement coordination.

**My Mom's Ex-Husband** - Cassandra Dee Faith: I'm a waitress in a small town, so when a handsome stranger leaves me a hundred-dollar tip and asks me to meet him at his place, I throw caution to the wind. Sure, I might be abducted or even worse, but what Hunter and I ended up

doing in private made it *\*totally\** worth it. Hunter: The minute I saw Faith in that flirty waitress outfit, I lost it. Was I pushy and possessive? Yes. Did I help myself to those curves the minute she stepped through the door? Yes. But there's something strange about Faith because she looks eerily like a woman I used to know. To my horror, she is my ex-wife's daughter ... but that's not going to stop me from putting a baby in her belly! Hey Readers - Hunter's a pro athlete who had a 6-second marriage back in the day, but it comes back to haunt him when he meets the woman of his dreams. After all, Faith is everything that he wants, but what happens when she shares the DNA of his ex-wife? There is *\*nothing\** realistic about this story, but I promise you'll love it because this is forbidden romance at its best! This book is a follow-up to *Hot Single Daddy*, but all of my books may be read as standalones. No cheating, no cliffhangers, and always a HEA for my readers. Enjoy! Xoxo, Cassie

*Nothing But a Rakehell* - Deb Marlowe  
2022-05-21

Lady Glory Brightley was dreading her sister's house party-until she discovers an early guest mired in a bog. She pulls the Earl of Keswick free-and then goes to great lengths to hide her limp from him. Is it too much to ask, just once, to be seen and treated as everyone else? Keswick has come to Gloucestershire to hide-from an

overzealous debutante, from his father, perhaps even from himself. He bonds with Lady Glory as a fellow misfit-her limp is nothing compared to the wounds he hides. They pledge to see each other through the choppy waters of the party, but he never expected to be caught up by this sprite of a girl-with her quick wit, stunningly fine seat on a horse and giving heart. Not that he could ever pursue such inclinations. For no true lady could want a man with his reputation and entanglements. Who could love a man who is nothing but a rakehell? He's about to find out.

Until now the actual time line has never been connected to the people involved. Fire in Montana connects the lives of young smokejumpers who lived with a joy of life and expectations of shining futures, the forest rangers and volunteers who fought valiantly to rescue them, and their families, lovers, and friends who were forced to wait and pray, then face the devastating and heart wrenching loss.

*Not So Goode* - Jasinda Wilder 2020-03-27

I've done everything right, my whole life. I never snuck out, never partied, never drank, never even had a high school boyfriend. Got all the best grades, got into all the best schools. I received not one, but TWO Ivy League University degrees. Had the paper-perfect fianc , the paper-perfect life. And then it all fell apart. My fianc cheated on me with my boss. I quit my job, left my fancy, upper-crust Boston condo, dumped my cheating fianc ...quit my entire life, basically. Took to day-drinking and bingeing Netflix. And then my younger sister Lexie calls me in a panic. She needs me to come rescue her, but won't say from what, just that I need to come get her...at her university...in New York. Which leads Lexie and I on road trip across the country. We form the no-bra man-hating day-drinkers roadtrip club...membership two. And then I...ummm...overindulge just a little bit, at a country music festival. Get harassed by assholes. Have to be saved by tall, dark, and handsome man named Crow. Crow turns my whole world upside down. He shows me what real pleasure is. Shows me what I've been missing my whole life...what a man can and should do to make a woman feel really, really good. He's bad.

Dangerous. Wild. He has a bad mouth, hard fists, and a dark, mysterious past. And a talented tongue. And hands I find myself wanting all over me, in a desperate way I thought was only real in the romances I read. And now, suddenly, I find myself wanting a wild mustang of a man, an untamable force of nature...and wondering if there's room in my safe, orderly, good girl world for him. Or if maybe I can learn how to be...not so good.\* \* \*She's everything good and sweet and innocent in the world, and I'm a hard-fisted brawler, an outlaw with a bloodstained past. I'm the exact, polar opposite to everything Charlie Goode is. I want her-I want her quick mind and her soft skin, her sexy curves and her sharp tongue. I want her body, and I want her soul. But I can't have her. When she finds out about the bloody, violent truth of my past, she won't want anything to do with me. She'll run away as fast and as far as she can, because I'm not meant for a sweet, innocent thing like her. Until then, though, I plan on getting her a little dirty. Showing her some of the wild side where I live my life. Take what I can get, and enjoy the ride, and worry about the state of my heart later. You know what they say about the best laid plans, though.
