Applied Public Relations - Kathy Brittain
McKee 2010-03-17

Applied Public Relations provides readers with the opportunity to observe and analyze how contemporary businesses and organizations interact with key groups and influences. Through the presentation of cases covering a wide variety of industries, locations, and settings, authors Kathy Brittain McKee and Larry F. Lamb examine how real organizations develop and maintain their relationships, offering valuable insights into contemporary business and organizational management practices. McKee and Lamb place special emphasis on public relations as a strategic management function that must coordinate its planning and activities with key organizational units - human resources, marketing, legal counsel, finance, and operations, among others. A commitment to the ethical practice of public relations underlies the book, and students are challenged not only to assess the effectiveness of the practices outlined, but also to understand the ethical implications of those choices. This second edition includes the following key features: New and updated cases Additional Professional Insight commentaries Expanded use of charts and photos An appendix with the PRSA Member Code of Ethics and the IABC Code of Ethics for

Professional Communicators A companion website with resources for the student and the instructor. With its practical orientation and scope, Applied Public Relations is a useful text for courses on public relations management, public relations cases and campaigns, and integrated communication management.

Excellent Public Relations and Effective Organizations - James E. Grunig 2003-01-30
This book is the final product of the "excellence project"--a comprehensive research effort commissioned by the International Association of Business Communicators (IABC) Research Foundation. Going well beyond any of the previously published reports on the Excellence study, this book contains many new statistical analyses of the survey data and more details from the case studies. Discussing theory and data related to several ongoing discussions in the communication profession, this book answers the following questions: *How can we show the value of public relations? *What is the value of relationships? *How do relationships affect reputation? *What does it mean to practice communication strategically? *How can we measure and evaluate the effects of public relations programs? *Should communication programs be integrated? *How does the new female majority in the profession affect

communication Excellence? This book, as well as the research it reports, is the product of symmetrical communication and collaboration. As such, it is intended for scholars, applied researchers, students, and informed professionals who understand the value of research in developing a profession, such as public relations. Knowledge of quantitative and qualitative research methods will make it easier to understand the book; however, the results are interpreted in a way that makes the analyses understandable even to those with little or no knowledge of statistics and research methods.

Deconstructing Public Relations - Thomas J. Mickey 2003-01-30

This volume provides a critical look at public relations practice, utilizing case studies from public relations, advertising, and marketing to illustrate the deconstruction and analysis of public relations campaigns. Author Thomas J. Mickey uses a cultural studies approach and demonstrates how it can be used as a critical theory for public relations practice, offering real-world examples to support his argument. Through the interpretive act of deconstruction, this book serves to challenge the myth of public relations as an objective "science," allowing the social importance of public relations to be redefined and encouraging public relations to take a fuller place in the interdisciplinary study of text and knowledge. Intended for public relations scholars and students in public relations cases/campaigns, public relations criticism, and media studies courses, *Deconstructing Public Relations: Public Relations Criticism* demystifies the act of deconstruction and shows how it can give insight into the theory and practice of public relations.

Public Relations, Activism, and Social Change - Kristin Demetrious 2013

This book draws significant new meaning to the inter-relationships of public relations and social change through a number of international case studies, and rebuilds knowledge around alternative communicative practices that are ethical, sustainable, and effective. Demetrious offers a critical description of the dominant model of public relations used in the twentieth century, showing that 'PR' was characterized as arrogant, unethical, and politically offensive in ways that have weakened its professional

credibility. She offers a principled approach that avoids the contradictions and flawed coherences of essentialist public relations and, instead, represents an important ethical reorientation in the communicative fields.

Public Relations Cases - Jerry A. Hendrix 2012-01-01

Primarily using PUBLIC RELATIONS Society of America award-winning cases, PUBLIC RELATIONS CASES, Ninth Edition, presents a clear theoretical grounding in the major areas of public relations. Using the ROPE process model (Research, Objectives, Programming, and Evaluation), the authors keep students focused on the strategic elements of exemplary communications campaigns. The case studies provide glimpses into best practices for public relations campaigns as recognized by professionals in the field. The cases all use a strategic communications model, where clearly defined objectives are based on sound research and good audience analysis, followed by creative tactics that are evaluated for their effectiveness. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Public Relations Case Studies from Around the World - Judy VanSlyke Turk 2014

The case studies in this book, many of which have won national or international awards, represent an impressive scope of public relations practice - from public diplomacy to corporate social responsibility to community relations to tourism to fundraising. They include best practices of multinational corporations, non-governmental organizations and governmental agencies around the world.

Public Relations Inquiry as Rhetorical Criticism - William N. Elwood 1995-06-30

Whether politically, socially, economically, or psychologically, postmodern institutions attempt to influence their environments through the use of rhetoric in their public relations campaigns. As corporations increasingly dominate the public discourse we experience daily, it becomes increasingly important to understand how that discourse operates, and to become more informed creators and consumers of institutional rhetoric. This volume examines the theoretical bases and practical effects of a variety of public relations campaigns. The contributors

demonstrate that rhetorical inquiry is a viable and underrated approach to explaining the influence of public relations campaigns. Cases analyzed in the book range from those of national scope (e.g., Mobil Oil's Observations campaign of the 1970s and 1980s), to studies of targeted influence (e.g., corporate recruitment videos), to cases of internal relations (e.g., issues management during corporate mergers), to studies of local situations (e.g., the anatomy of a local ballot issue campaign). While the various contributors employ a broad range of rhetorical methods and analysis, the discussions remain approachable and understandable for students and professionals alike.

Public Relations Campaigns - Regina M. Luttrell 2018-02-05

Public Relations Campaigns: An Integrated Approach introduces you to the process of creating public relations campaigns using a hands-on approach that emphasizes the tools you will need when working in the industry. Authors Regina M. Luttrell and Luke W. Capizzo present real examples and current case studies to help you develop practical skills for creating more effective PR campaigns. You are given multiple opportunities to practice and build your skills throughout the book by learning how to incorporate the PESO model—Paid media, Earned media, Social media, and Owned media. The PESO model helps students understand the importance of creating integrated campaigns that coordinate PR efforts with both advertising and marketing. Key Features The book offers a timely focus on the PESO model and its use in integrated campaigns, providing students with an understanding of today's best practices in PR. Numerous case studies and exercises throughout the book aid in a deeper understanding of how research, perspective, and insights can be leveraged in public relations campaigns. Real-world information including sample PR plans with budgets prepare students for success in their future careers.

Public Relations Case Studies from Around the World (2nd Edition) - Judy VanSlyke Turk 2017

The case studies in this book, many of which have won national or international awards, represent an impressive scope of public relations practice - from public diplomacy to corporate

social responsibility to community relations to tourism to fundraising. They include «best practices» of multinational corporations, non-governmental organizations and governmental agencies around the world.

Big Ideas in Public Relations Research and Practice - Finn Frandsen 2019-10-03

Drawing on contributions from the 2018 congress of the European Public Relations Education and Research Association (EUPRERA), this volume explores and analyses challenges around communication, management and big ideas to present findings from current research in corporate communication.

Cases in Public Relations Management - Patricia Swann 2019-08-07

Now in its third edition, *Cases in Public Relations Management* uses recent cases in strategic communication designed to encourage discussion, debate, and exploration of the options available to today's strategic public relations manager, with the help of extensive supplemental materials. Key features of this text include coverage of the latest controversies in current events, discussion of the ethical issues that have made headlines in recent years, and strategies used by public relations practitioners. The problem-based case study approach encourages readers to assess what they know about communication theory, the public relations process, and management practices. New to the third edition: Eighteen new cases including Snap, Wells Fargo, SeaWorld, United Airlines, and Starbucks. Additional emphasis on social media and social responsibility for communication management today. End-of-chapter activities that reinforce concepts. Developed for advanced students in strategic communication and public relations, this book prepares them for their future careers as communication and public relations professionals. The new edition features a fully enhanced companion website that includes resources for both instructors and students. Instructors will find PowerPoint Lecture Slides, Case Supplements, Instructor Guides, and Answer Keys for Quizzes and End-of-Chapter Activities. Students will benefit from Quizzes, a Glossary, and Case Supplements.

Social Media Campaigns - Carolyn Mae Kim 2016-05-26

Social media has ushered in a new era of

communication between organizations and key stakeholders. This text guides readers through a four-step process of developing a robust social media campaign. Covering the latest industry standards and best practices to engage digital audiences through social listening, strategic design, creative engagement and evaluation, each chapter also includes expert insights from social media professionals. Focusing on principles rather than a specific platform, this is a text dedicated to developing social media competency that can adapt to any organization or environment.

Introduction to Strategic Public Relations - Janis Teruggi Page 2017-11-30

Winner of the 2019 Textbook & Academic Authors Association's The Most Promising New Textbook Award How can public relations play a more active role in the betterment of society? *Introduction to Strategic Public Relations: Digital, Global, and Socially Responsible Communication* prepares you for success in today's fast-changing PR environment. Recognizing that developments in technology, business, and culture require a fresh approach, Janis T. Page and Lawrence Parnell have written a practical introductory text that aligns these shifts with the body of knowledge from which the discipline of public relations was built. Because the practice of public relations is rooted in credibility, the authors believe that you must become ethical and socially responsible communicators more concerned with building trust and respect with diverse communities than with creating throwaway content. The authors balance this approach with a focus on communication theory, history, process, and practice and on understanding how these apply to strategic public relations planning, as well as on learning how to create a believable and persuasive message. Key Features Chapter-opening Scenarios capture your attention by discussing current PR challenges—such as the Wells Fargo cross-selling, VW emissions cover-up, and P&G's "Like a Girl" campaign—and thus frame the chapter content and encourage active reading. At the end of the chapter, you explore various aspects of socially responsible communication to "solve" the PR challenge. Socially Responsible Case Studies in each chapter illustrate the key responsibilities of a modern public relations

professional such as media relations, crisis communications, employee communications, applied communications research, and corporate and government-specific communications. Each case features problem-solving questions to encourage critical thinking. Social Responsibility in Action boxes feature short, specific social responsibility cases—such as Universals' #NoFoodWasted, Nespresso in South Sudan, and Merck's collaboration with AIDS activists—to highlight best practices and effective tactics, showing the link between sound public relations strategy and meaningful social responsibility programs. Insight boxes spark classroom discussion on particularly important or unique topics in each chapter. Personality Profile boxes will inspire you with stories from PR veterans and rising stars such as the U.S. CEO of Burson-Marsteller, the Chief Communication Officer of the United Nations Foundation, and the Executive VP at HavasPR.

Public Relations Cases - Danny Moss 2022-11-09

This unique collection of contemporary international public relations (PR) case studies gives the reader in-depth insight into effective PR practice in a range of organizational contexts. The global cases demonstrate the breadth and sophistication of the public relations function, both in public and private sector organizations. This fully updated third edition of *Public Relations Cases* offers fresh perspectives on the changing face of contemporary public relations and the development of PR and communication strategies. Addressing the gap in PR literature, it examines political systems, climate, media ownership and structures, as well as the social values and economic conditions which shape the role and work of PR practitioners. The book follows a four-part analytical model CDAO (Context, Decisions, Actions and Outcomes) to successfully identify the key points of comparison between cases to uncover how and why particular events occur and, critically, identifies what key factors and actions we can learn from in future decision-making. Featuring updated cases from across industries and around the world, including South East Asia, Latin America, the UK and the US, this book is an invaluable resource for researchers, postgraduate and executive education students studying public relations, corporate communication and public

affairs.

Public Relations Cases - Danny Moss 2010-07-16

This unique collection of contemporary international public relations case studies gives the reader in-depth insight into effective public relations practice in a range of organizational contexts. The cases demonstrate the breadth of modern public relations practice and the increasing importance and sophistication of this function both in public and private sector organizations. This second edition of *Public Relations Cases* builds on the success of the previous edition to offer new insights into the changing face of contemporary public relations and the development of PR and communication strategies. The book also examines: The use of social media and blogging as a communications medium The growing importance of corporate social responsibility programmes Local authority identity change High profile international charitable fundraising Sports sponsorship Property sector PR. Featuring cases from around the world, including the UK, India, Korea, Denmark, Croatia and the US, this book is an invaluable resource for teachers, researchers and students working in public relations, corporate communication and public affairs.

Public Relations - Ellen Gunning 2018-09-26

Now in its third edition, this core textbook provides students with a highly engaging and accessible introduction to the world of PR, covering diverse topics such as event planning, press releases, crisis management, ethics, managing your own PR agency and how to use social media effectively. The author draws on over 25 years of hands-on experience as a PR practitioner and lecturer to provide cutting-edge and insightful examples and debates relating to key contemporary issues, from Twitter-storms and whistleblowing, to the Ebola crisis and media relations in the White House. With information drawn from a wide range of international experts, the book offers case studies that cross continents and cover small, local and large multinational organisations, resulting in a truly global perspective. This new third edition has been comprehensively revised and updated throughout, equipping readers with the practical skills they need to succeed as a PR professional in the 21st century. *Public Relations: A Practical Guide* is a must-have companion for all those

studying practitioner courses on public relations taught and accredited by PR professional organisations. It will be also be an essential textbook for undergraduate and postgraduate students studying introductory public relations modules at universities. New to this Edition: - A more international perspective, illustrated by up-to-date examples and case studies covering companies such as Pepsi, Samsung, Shell and United Airlines, and countries including Germany, the UK, the USA, Australia, China, India, Nigeria, Greece and Ireland - A new and enhanced pedagogical framework, offering chapter introductions, practical case studies and 'What You've Learned' sections at the end of each chapter - Extensively updated from the second edition to include increased coverage of social media and the latest PR practices Accompanying online resources for this title can be found at bloomsburyonlineresources.com/public-relations. These resources are designed to support teaching and learning when using this textbook and are available at no extra cost.

Applied Public Relations - Kathy Brittain Richardson 2015-03-27

With its practical orientation and scope, *Applied Public Relations* is the ideal text for any public relations case studies or public relations management course that places an emphasis on stakeholder groups. Through the presentation of current cases covering a wide variety of industries, locations, and settings, Kathy Richardson and Marcie Hinton examine how real organizations develop and maintain their relationships, offering valuable insights into business and organizational management practices. The book's organization of case studies allows instructors to use the text in several ways: instructors can focus on specific stakeholders by using the chapters presented; they can focus on particular issues, such as labor relations or crisis management by selecting cases from within several chapters; or they can select cases that contrast campaigns with ongoing programs or managerial behaviors. A focus on ethics and social responsibility underlies the book, and students are challenged to assess the effectiveness of the practices outlined and understand the ethical implications of those choices. This Third Edition features: 25 new and current domestic and international case studies

specifically chosen for their relevancy and relatability to students New "Professional Insights" commentaries where practitioners respond to a set of questions relating to their work Increased emphasis on ethics and social responsibility Fully enhanced companion website that is connected with the text, including a test bank and PowerPoint presentations for instructors, and chapter-specific discussion questions and additional readings for students

Public Relations Cases - Jerry A. Hendrix 1998
This text begins with an overview of the public relations process and introduces the interactive ROPE model (Research, Objectives, Programming, Evaluation) to organize PR programs. Part Two is organized around audience-centered forms of PR, while Part Three deals with emergency public relations. Chapters in Parts Two and Three begin with an overview and then exhibit Silver Anvil Award cases from planning through execution and evaluation, as well as some examples of failed PR campaigns. The appendices consist of exercises and case problems for each of the PR forms presented and contain the PRSA Code of Professional Standards.
Fifteen Case Studies in International Public Relations - University of Florida. Institute for Public Relations 1999

Public Relations: The Basics - Ron Smith
2013-08-15

Public Relations: The Basics is a highly readable introduction to one of the most exciting and fast-paced media industries. Both the practice and profession of public relations are explored and the focus is on those issues which will be most relevant to those new to the field: The four key phases of public relations campaigns: research, strategy, tactics and evaluation. History and evolution of public relations. Basic concepts of the profession: ethics, professionalism and theoretical underpinnings. Contemporary international case studies are woven throughout the text ensuring that the book is relevant to a global audience. It also features a glossary and an appendix on first steps towards a career in public relations making this the book the ideal starting point for anyone new to the study of public relations.

Fundamentals of Public Relations and Marketing Communications in Canada -

William Wray Carney 2015-08-05
Experts in public relations, marketing, and communications have created the most comprehensive textbook specifically for Canadian students and instructors. Logically organized to lead students from principles to their application—and generously supplemented with examples and case studies—the book features chapters on theory, history, law, ethics, research methods, planning, writing, marketing, advertising, media, and government relations, as well as digital, internal, and crisis communications. Chapters open with learning objectives and conclude with lists of key terms, review and discussion questions, activities, and recommended resources. Fundamentals of Public Relations and Marketing Communications in Canada will be essential in post-secondary classes and will serve as a valuable reference for established professionals and international communicators working in Canada. Contributors: Colin Babiuk, Sandra L. Braun, Wendy Campbell, John E.C. Cooper, Marsha D'Angelo, Ange Frymire Fleming, Mark Hunter LaVigne, Danielle Lemon, Allison G. MacKenzie, Sheridan McVean, Charles Pitts, David Scholz, Jeff Scott, Charmane Sing, Amy Thurlow, Carolyne Van Der Meer, Ashleigh VanHouten, Cynthia Wrate, and Anthony R. Yue. Sponsor: Hill + Knowlton Strategies

Adventures in Public Relations - David W. Guth 2005

Adventures in Public Relations engages students in the practice of public relations with exciting, timely, representative cases combined with a strong focus on critical thinking and problem solving. This text conveys the excitement and challenge of public relations by presenting students with a real-world portrait of the profession. Students will learn from the successes and failures of the public relations campaigns examined in the text. The book's focus on critical thinking helps students develop the problem-solving skills essential to success in public relations. As with the authors' successful introductory text, Public Relations: A Values-Driven Approach, this text also encourages readers to identify, refine, and test their own values systems.

Crisis Communications - Kathleen Fearn-Banks
2016-08-05

Crisis Communications: A Casebook Approach

presents case studies of organizational, corporate, and individual crises, and analyzes the communication responses to these situations. Demonstrating how professionals prepare for and respond to crises, as well as how they develop communications plans, this essential text explores crucial issues concerning communication with the news media, employees, and consumers in times of crisis. Author Kathleen Fearn-Banks addresses how to choose the best possible words to convey a message, the best method for delivering the message, and the precise and most appropriate audience, in addition to illustrating how to avoid potential mismanagement. The fifth edition of *Crisis Communications* includes updated cases that provide wider coverage of international crises and media technologies. It includes a new section on social media in crisis communication scenarios and includes additional comments from social media experts throughout various chapters. New case studies include "Police Departments and Community Trust," "The Oso Mudslide in Washington," "School Shootings: Communications To and For Children," and two additional international case studies - "Ebola Strikes Liberia: Firestone Strikes Ebola" and "Nut Rage and Korean Airlines." Previous case studies no longer in this edition can be found on the book's companion website, which also includes the Instructor's Manual with exercises in crisis responses, guidelines for crisis manual preparation, and other teaching tools: www.routledge.com/cw/fearn-banks. Looking at both classic and modern cases in real-world situations, *Crisis Communications* provides students with real-world perspectives and insights for professional responses to crises. It is intended for use in crisis communications, crisis management, and PR case studies courses. Also available for use with this text is the Student Workbook to Accompany *Crisis Communications*, providing additional discussion questions, activities, key terms, case exercises, and further content for each chapter.

Case Studies in Crisis Communication - Amiso M. George 1997-08-13

Case Studies in Crisis Communication: International Perspectives on Hits and Misses was created to fill the gap for a much-needed textbook in case studies in crisis communication

from international perspectives. The events of September 11, 2001, other major world crises, and the ongoing macroeconomic challenges of financial institutions, justify the need for this book. While existing textbooks on the subject focus on U.S. corporate cases, they may not appeal equally to students and practitioners in other countries, hence the need to analyze cases from the United States and from other world regions. The variety and the international focus of the cases, be they environmental, health or management successes or failures, makes this book more appealing to a wider audience. These cases examine socio-cultural issues associated with responding to a variety of crises.

International Public Relations - Patricia A. Curtin 2007-01-18

International Public Relations: Negotiating Culture, Identity, and Power offers the first critical-cultural approach to international public relations theory and practice. Authors Patricia A. Curtin and T. Kenn Gaither introduce students to a cultural-economic model and accompanying practice matrix that explain public relations techniques and practices in a variety of regulatory, political, and cultural climates. offers the first critical-cultural approach to international public relations theory and practice. Authors Patricia A. Curtin and T. Kenn Gaither introduce students to a cultural-economic model and accompanying practice matrix that explain public relations techniques and practices in a variety of regulatory, political, and cultural climates.

Handbook of Financial Public Relations - Pat Bowman 2014-05-20

Handbook of Financial Public Relations provides a guide in the various aspects of financial public relations. The book is comprised of 13 chapters that cover different concerns in public relations. The coverage of the text includes topics such as media and investor relations; internal communications; and regulation of the financial services industry. The book also discusses the ethics involved; international dimensions; and the role of corporate identity in managing change. Four case studies are also presented. The text will be of great use to public relations practitioner in the finance industry.

Cases in Public Relations Management - Patricia Swann 2010

Developed for advanced students in public

relations, Cases in Public Relations Management uses recent cases in public relations that had outcomes varying from expected to unsuccessful. The text challenges students to think analytically, strategically, and practically. Each case is based on real events, and is designed to encourage discussion, debate, and exploration of the options available to today's strategic public relations manager. Key features of this text include coverage of the latest controversies in current events, discussion of the ethical issues that have made headlines in recent years, and strategies used by public relations practitioners. Most cases end with an open scenario, allowing students to discover different opinions and participate in creative discussions. The case study approach encourages readers to assess what they know about communication theory, the public relations process, and management practices, and prepares them for their future careers as PR practitioners. A companion website (www.routledge.com/textbooks/9780415878937) provides additional resources for instructors to use with their students.

Cases in Public Relations Management - Patricia Swann 2014-02-18

Developed for advanced students in public relations, Cases in Public Relations Management uses recent cases in public relations that had outcomes varying from expected to unsuccessful. The text challenges students to think analytically, strategically, and practically. Each case is based on real events, and is designed to encourage discussion, debate, and exploration of the options available to today's strategic public relations manager. Key features of this text include coverage of the latest controversies in current events, discussion of the ethical issues that have made headlines in recent years, and strategies used by public relations practitioners. Each case has extensive supplemental materials taken directly from the case for students' further investigation and discussion. The case study approach encourages readers to assess what they know about communication theory, the public relations process, and management practices, and prepares them for their future careers as PR practitioners. New to the second edition are: 27 new case studies, including coverage of social media and social responsibility elements New chapters on corporate social

responsibility (CSR) and activism End-of-chapter exercises Embedded hyperlinks in eBook Fully enhanced companion website that includes: Instructor resources: PowerPoint presentations, Case Supplements, Instructor Guides Student resources: Quizzes, Glossary, Case Supplements

School Public Relations for Student Success - Edward H. Moore 2009-07-15

From components of successful PR programs to evaluation guidelines, this valuable resource gives educational leaders the public relations support needed to meet tough communication demands and ensure student success.

Cases in Public Relations Management - Raymond Simon 1994

The Public Relations Handbook - Alison Theaker 2004-08-02

In this updated edition of the successful Public Relations Handbook, a detailed introduction to the theories and practices of the public relations industry is given. Broad in scope, it traces the history and development of public relations, explores ethical issues which affect the industry, examines its relationships with politics, lobbying organisations and journalism, assesses its professionalism and regulation, and advises on training and entry into the profession. It includes: interviews with press officers and PR agents about their working practices case studies, examples, press releases and illustrations from a range of campaigns including Railtrack, Marks and Spencer, Guinness and the Metropolitan Police specialist chapters on financial public relations, global PR, business ethics, on-line promotion and the challenges of new technology over twenty illustrations from recent PR campaigns. In this revised and updated practical text, Alison Theaker successfully combines theoretical and organisational frameworks for studying public relations with examples of how the industry works in practice.

Public Relations Case Studies from Around the World - Judy VanSlyke Turk 2014

International and Intercultural Public Relations - Michael G. Parkinson 2006

This text provides a format for analyzing public relations campaigns and then applies it in 19 case studies written by public relations scholars. International and Intercultural Public Relations: A

Campaign Case Approach uses both the case method and an analysis of public relations campaigns to help students learn to apply concepts of planning, research, and international or intercultural communication to the field of public relations. It is appropriate for general public relations campaigns courses, as well as those specifically focused on intercultural or international public relations.

PR News Casebook - David P. Bianco 1993
From the pages of PR News - the world's most widely-read public relations weekly - comes this collection of 1000 case studies covering major PR campaigns and events from the publication's nearly 50-year history. Based on personal interviews conducted by PR News founder and former publisher Denny Griswold, each case study analyzes how the most important businesses, government agencies and other organizations from around the world have handled such diverse issues as anniversaries, boycotts, downsizing, industrial achievements, minority relations, new product introductions, plant closings, product tampering, stockholder relations, and many others.

Planning and Managing Public Relations Campaigns - Anne Gregory 2010-06-03
Getting a public relations campaign or programme off the ground can seem an overwhelming task. But, as with any project, the secret of success lies in good planning and effective management. This fully updated second edition of *Planning and Managing Public Relations Campaigns* provides a blueprint for all practitioners. It describes how to initiate and manage the ongoing development of a programme in a structured way to benefit both the organization and its clients. Practical and easy to read, the book takes the form of a step-by-step guide, covering many vital areas including: the public relations function; starting the planning process; research and analysis; setting objectives; strategy and tactics; timescales and resources; evaluation and review. Packed with numerous case studies, the book demonstrates a 10-point plan for ensuring successful campaigns and programmes. By using the techniques presented here, public relations practitioners will be able to drive events instead of being driven by them. Endorsed by the Institute of Public Relations, Planning and

Managing Public Relations Campaigns is vital reading for students, practitioners or managers who want a definitive guide to the planning and management process.

Cases in Public Relations Strategy - Burton St. John III 2018-08-02

Cases in Public Relations Strategy draws on original, real-world case studies to provide students with a strategic approach to meeting the needs of a client before, during, and beyond a campaign. Using the RACE (Research, Action Planning, Communication, and Evaluation) model, students explore successful contemporary campaigns and evaluate best practices in all major areas of public relations activity. This practical, client-oriented text shows students how to systematically evaluate and adapt to the needs of a particular client—whether big or small, global or local, for-profit or nonprofit—in order to launch the most effective campaign. Each case includes a brief introduction focused on fundamentals and core competencies, and all cases have been carefully selected to present a wide range of client types. In addition to the lessons from professionals in the case studies, a section on PR consulting and an appendix on advancing your PR career give students the knowledge and skills they need for success in the field. Give your students the SAGE edge! SAGE edge offers a robust online environment featuring an impressive array of free tools and resources for review, study, and further exploration, keeping both instructors and students on the cutting edge of teaching and learning. Learn more at edge.sagepub.com/stjohn.

Social, Political, and Economic Contexts in Public Relations - Hugh M. Culbertson 2012-10-12

Two commissions within the Public Relations Society of America have recently defined courses in case-study analysis, research methods, and behavioral-science theory as central to an acceptable public relations curriculum. To date, these three "streams" within PR education have run independently of each other. The authors produced this volume because they believe that there is a growing demand for an integrative "applied theory" approach to the study of public relations cases. The need for PR professionals to study the social, political, and economic contexts of public relations carefully had been apparent

for some time as issues management and environment scanning emerged as focal points of modern public relations. Yet there was no systematic framework for such study. This volume, however, with its strong foundation in theory, provides just that framework and is highly suitable for graduate-level courses in public relations.

Public Relations Case Studies from Around the World (2nd Edition) - Judy VanSlyke Turk 2017

The case studies in this book, many of which

have won national or international awards, represent an impressive scope of public relations practice - from public diplomacy to corporate social responsibility to community relations to tourism to fundraising. They include «best practices» of multinational corporations, non-governmental organizations and governmental agencies around the world.

Public Relations Practices - Allen H. Center 1985

Public Relations Practices - Allen H. Center 1981
