

# Secret Society

As recognized, adventure as capably as experience not quite lesson, amusement, as skillfully as harmony can be gotten by just checking out a book **Secret Society** along with it is not directly done, you could recognize even more vis--vis this life, vis--vis the world.

We provide you this proper as capably as simple habit to get those all. We meet the expense of Secret Society and numerous ebook collections from fictions to scientific research in any way. among them is this Secret Society that can be your partner.

[A Glimpse of the Great Secret Society](#) - Louis-René de Caradeuc de La Chalotais 1872

**Secret Societies** - Milton William Cooper 2013-09-20

"History is replete with whispers of secret societies. Accounts of elders or priests who guarded the forbidden knowledge of ancient peoples. Prominent men, meeting in secret, who directed the course of civilization are recorded in the writings of all people. The oldest is the Brotherhood of the Snake, also called the Brotherhood of the Dragon, and it still exists under many different names. It is clear that religion has always played a significant role in the course of these organizations. Communication with a higher source, often divine, is a familiar claim in all but a few. The secrets of these groups are thought to be so profound that only a chosen, well-educated few are able to understand and use them. These men use their special knowledge for the benefit of all mankind. At least that is what they claim. How are we to know, since their knowledge and actions have been secret? Fortunately, some of it has become public knowledge. I found it intriguing that in most, if not all, primitive tribal societies all of the adults are members. They are usually separated into male and female groups. The male usually dominates the culture. Surprisingly, this exactly resembles many civilized secret societies. This can only mean that the society is working not against established authority, but for it. In fact, could be said to actually be the established authority. This would tend to remove the validity of any argument that all secret associations are dedicated to the "destruction of properly constituted authority." This can only apply, of course, where the secret society makes up the majority or entirety of any people which it affects. Only a very few fall into this category. Secret societies in fact mirror many facets of ordinary life. There is always an exclusivity of membership, with the resultant importance attached to being or becoming a member. This is found in all human endeavors, even those which are not secret, such as football teams or country clubs. This exclusivity of membership is actually one of the secret societies' most powerful weapons. There is the use of signs, passwords and other tools. These have always performed valuable functions in man's organizations everywhere. The stated reason, almost always different from the real reason, for the societies' existence is important..."

**The Evil Secret Society of Cats Vol. 2** - PANDANIA 2023-01-31

Ever wonder if all the little things cats do to distract, disrupt, and frustrate you in your daily life are actually part of a grand, evil conspiracy? Well, the answer is yes! Feline Commander and the Evil Secret Society of Cats return with more dastardly plots, while Doggoman and his little sister valiantly strive to protect humanity. In this volume you'll also meet Woofbot and Kinkuma, leader of the hamster gang!

**The Secret Society** - Robin Brown 2015-11-01

Cecil John Rhodes made a fortune from diamonds and gold, became prime minister of the Cape, and had a country named after him, but his ambitions were far greater than that. When he was still in his twenties, after a meeting with General Gordon of Khartoum, Rhodes set up a Secret

Society with the aim of establishing a new world order. The society, disciplined on Jesuit-style rules, became Rhodes's lifelong obsession, and after his death it lived on and grew under the leadership of his executor, Lord Alfred Milner. The society played a key role in the governance of Britain during the Great War and the peace terms to end it, and it was linked to appeasement initiatives involving Hitler, the Duke of Windsor and Mrs Simpson before World War II. Echoes of the Secret Society survive in different guises to this day, including the Royal Institute of International Affairs (Chatham House) and the Rhodes Scholarships. In *The Secret Society*, Robin Brown unpacks this astonishing and largely unknown history. He brings Rhodes, his companions and his successors to life by drawing from diaries and letters, and sheds new light on Rhodes's homosexuality. Ranging from the diamond mines of Kimberley to the halls of power in Westminster, and peopled with characters such as General Gordon, Leander Starr Jameson, W.T. Stead, Olive Schreiner, the Princess Radziwill, Joseph Chamberlain and David Lloyd George, this book is a page-turner that will make you see the world, both past and present, in a different light.

[Secret Societies in Detroit](#) - Bill Loomis 2021-01-25

Secret societies have operated in Detroit for most of the city's history. Many started for fun and companionship. Others had more serious ends in mind. The African American Mysteries: The Order of the Men of Oppression helped enslaved people escape the South for freedom in Canada. During the Civil War, so-called black lantern societies like the Knights of the Golden Circle and the Union League waged a covert war in Detroit and across the northern Midwest. In the last century, it wasn't uncommon for a sober suburbanite to catch the train to Detroit and don yellow silk pantaloons, a purple fez and embroidered vest to drink Tarantula juice. Join Bill Loomis in this fascinating look into the secret world of these groups.

[The World's Oldest, Most Powerful Secret Society](#) - Anand Arungundram Mohan 2020-05-13

I lost a friend. I know the feeling. I understand the implications. But, I can't change the situation. I need to accept and move on. It is the case everywhere. No one is given a second chance. At least in fiction, we can imagine what things would be like if given an opportunity. The Golden Opportunity to revive a friend. This story is about friendship between teenagers that takes them on an expedition to unexpected places, unearth a new set of challenges and face their emotions towards one another. The evolution of their relationship among themselves and with their parents made a compelling story to be told. I wish you joy as you embark on a journey in your mind with these characters. I wish you the same pleasure reading this book as I had in writing it. "A fun, fast-paced story filled with magic, mystery, and adventure." -David Aretha, Moonbeam Children's Book Award winner

**The Secret Societies of All Ages and Countries** - Charles William Heckethorn 1875

**The Secret Society of Salzburg** - Renee Ryan 2022-12-27

From the author of *The Widows of Champagne*, and inspired by true events, comes a gripping and heartwrenching story of two very different women united to bring light to the darkest days of World War II. London, 1933 At first glance, Austrian opera singer Elsa Mayer-Braun has little in common with the young English typist she encounters on tour. Yet she and Hattie Featherstone

forge an instant connection—and strike a dangerous alliance. Using their friendship as a cover, they form a secret society with a daring goal: to rescue as many Jews as possible from Nazi persecution. Though the war's outbreak threatens Elsa and Hattie's network, their efforts attract the covert attention of the British government, offering more opportunities to thwart the Germans. But Elsa's growing fame as Hitler's favorite opera singer, coupled with her secret Jewish ancestry, make her both a weapon and a target—until her future, too, hangs in the balance. From the glamorous stages of Covent Garden and Salzburg to the horrors of Bergen-Belsen, two ordinary women swept up by the tide of war discover an extraordinary friendship—and the courage to save countless lives.

*Secret Society* - Dillibe Onyeama 1978

The Bilderberg Conspiracy: - H. Paul Jeffers 2012-03-01

Masters Of The World Hidden behind many of today's major news stories, the Bilderberg Group is an elite clique of the most powerful names in politics, media, business, and finance, who want to impose a one-world government on the rest of us. Led by such iconic members as Henry Kissinger, Bill and Hillary Clinton, Richard Perle, Melinda Gates (wife of Bill Gates), David Rockefeller, Paul Wolfowitz, Donald Rumsfeld, Tony Blair, and Margaret Thatcher, their secret conferences (where press has long been banned) are rumored to have engineered many of today's monumental global events, including: • The September 2008 collapse of worldwide banking. • Bill Clinton's presidency and the passage of NAFTA. • The loss of America's jobs to foreign nations. • The toppling of Margaret Thatcher for trying to keep the U.K. out of the E.U. Featuring interviews with meeting attendees, *The Bilderberg Conspiracy* is essential--and often terrifying--reading for anyone interested in world events. "H. Paul Jeffers reveals stunning insights about the Bilderberg Group. Wars, coups, assassinations; control of banking, finance, the media, and education--any means necessary to fulfill their agenda." --Michael Benson, author of *Inside Secret Societies* H. Paul Jeffers has published more than 50 works of fiction and nonfiction, including *Freemasons: Inside the World's Oldest Secret Society*, biographies of presidents Theodore Roosevelt and Grover Cleveland, New York mayor Fiorello LaGuardia, Diamond Jim Brady, and others. He lives in Manhattan.

**Secret Societies** - Sylvia Browne 2009-11-11

SECRET SOCIETIES... Following in the footsteps of her best-selling *Secrets & Mysteries of the World*, Sylvia Browne now writes about the clandestine realm of secret societies. Sylvia's research, combined with amazing communication with her spirit guide Francine, has revealed the fact that many covert organizations affect the lives of each of us every day. She shares her knowledge of the conspiracies, cover-ups, misinformation, and power manipulations of these groups in both the past and present, as well as how they can affect us now and in the future. From the mysterious medieval Knights Templar to the powerful modern-day organizations that count politicians, celebrities, wealthy businesspeople, and even world leaders (including some U.S. Presidents) as members, Sylvia takes us on an amazing journey to unearth the truth. She discusses the influence of religion in the formation of nations, the agenda of shadowy cabals for a "New World Order," and much more. Sylvia explores it all, and even offers information on a powerful underground group that no one has heard about. She alerts us to those associations that have good intentions, those that do not, and those that we must keep our eyes on. So lock your windows and doors and get ready to learn about these societies and their secrets ... some will really raise the hairs on the back of your neck!

The Secret Societies of the European Revolution, 1776-1876 - Thomas Frost 1876

*Freemasonry* - Mark Stavish 2007

An exploration of Freemasonry and its history, philosophy, symbols and practices.

**The Mystery of the Secret Society** - Harper Paris 2016-03-22

"Twins Ethan and Ella go on an adventure in Greece, where they learn about the mystery-solving

Society of Apollo"--

**Secret Societies of America's Elite** - Steven Sora 2003-02-24

An expose of the dark and critical role secret societies play within the ruling families in America and their influence on American democracy, current events, and world history. • Reveals the enormous influence secret societies still have on contemporary American life. • Shows how the secret Masonic cells that smuggled in the democratic ideals inspiring the American Revolution also enabled the future elite of the new society to build huge fortunes. Elite and secret societies have always been a major force in the history of Western civilization. The alliances formed in secret societies such as the Knights Templar, the Knights of Christ, and the Freemasons transcended patriotism and religious beliefs and had a powerful influence on the establishment of the United States of America. While these secret associations of merchants, smugglers, occultists, gamblers, spies, and slavers succeeded in freeing the United States from foreign domination, the dark side is that the elite used their secret connections to further their own wealth and power. These secret cells did not hesitate to sponsor the assassination of a president and even attempted to break up the union on several occasions when it was deemed expedient. From the Sons of Liberty and the Essex Junto to the Ku Klux Klan, secret societies have played critical roles in building the fortunes of America's elite. Now Steven Sora reveals in alarming detail how secretive societies continue to wield power even today as organizations such as Yale's Skull & Bones unite America's modern ruling families as strongly as Masonic Lodges once connected the Astors, Livingstons, and Roosevelts. Their immense power and wealth allow this elite to control America to an even greater degree than the Templars once dominated Europe.

Secret Society - Miasha 2007-04-24

Enjoying fast-paced lives at the sides of some of society's wealthiest men, Celess and Tina share a dangerous secret that puts their street smarts to the test.

**Secret Societies** - John Lawrence Reynolds 2011-09-01

They generate fear, suspicion, and—above all—fascination. Secret societies thrive among us, yet they remain shrouded in mystery. Their secrecy suggests, to many, sacrilege or crime, and their loyalties are often accused of undermining governments and tipping the scales of justice. The Freemasons, for example, hold more seats of power in the U.S. government than any other organization. No fewer than sixteen presidents have declared their Masonic affiliation, and there may have been more. Secret societies have infiltrated pop culture as well. Celebrity members of Kabbalah include Madonna, Demi Moore, and Elizabeth Taylor, among others. From the Mafia and the Yakuza to the Priory of Sion, Skull and Bones and the Templars, Reynolds offers an illuminating and entertaining exploration of the stories—confirmed and fabricated—that surround these societies, as well as provides detailed information on their origins, initiations, rituals, and secret signs. Dispelling myths and providing gripping revelations—such as a direct historical link between the Assassins of the Middle Ages and today's Al Qaeda—*Secret Societies* gives us a smart, surprising look at the best known and often least understood covert organizations.

**Conspiracy Theories and Secret Societies For Dummies** - Christopher Hodapp 2011-02-04

Entering the world of conspiracy theories and secret societies is like stepping into a distant, parallel universe where the laws of physics have completely changed: black means white, up is down, and if you want to understand what's really going on, you need a good reference book. That's where *Conspiracy Theories & Secret Societies For Dummies* comes in. Whether you're a skeptic or a true believer, this fascinating guide, packed with the latest information, walks you through some of the most infamous conspiracy theories — such as Area 51 and the assassination of JFK — and introduces you to such mysterious organizations as the Freemasons, the Ninjas, the Mafia, and Rosicrucians. This behind-the-curtain guide helps you separate fact from fiction and helps you the global impact of these mysterious events and groups on our modern world. Discover how to: Test a conspiracy theory Spot a sinister secret society Assess the Internet's role in fueling conspiracy theories Explore world domination schemes Evaluate 9/11 conspiracy theories Figure out who "they" are Grasp the model on which conspiracy theories are built Figure

out whether what “everybody knows” is true Distinguish on assassination brotherhood from another Understand why there’s no such thing as a “lone assassin” Why do hot dogs come in packages of ten, while buns come in eight-packs? Everybody knows its a conspiracy, right? Find out in Conspiracy Theories & Secret Societies For Dummies.

The Secret Society - Tierney C. Taylor 2000-05

Outsiders have always thought that Skull & Bones is the most mysterious and exclusive of Yale's secret societies. But they're wrong, dead wrong. It pales in comparison to the Devil's Den. Located in a haunting, windowless building in the middle of campus, the Devil's Den is so secretive that no one has ever been seen either entering or leaving its premises. Rumors abound as to who its members are and what goes on behind its closed doors. The Den's alumni supposedly include some of the country's most powerful businessmen and government leaders. But just how widespread is their influence? And just how far are they willing to go to achieve their goals? Justin Karl, a Yale senior and a columnist for the Yale Daily News, has always considered himself an outsider standing on the sidelines of life—an observer who simply records the activities and lives of other people. But everything dramatically changes for Justin once he becomes ensnared by the Den and its intricate scheme. When he finally discovers the truth, the whole terrible truth, Justin finds himself in a race against the clock to foil the Devil's Den and to prevent the course of American history from being drastically altered.

**The Secret Society (Poptropica Book 3)** - Mitch Krpata 2017-04-11

In this exciting third installment of the Poptropica series, we find Mya, Oliver, and Jorge in the custody of a secret society whose mission is to protect and preserve Poptropica—a mysterious, uncharted island world. These Protectors, as they call themselves, believe that any outside interference with the islands of Poptropica could have catastrophic results on the course of history in the real world. As if things aren't bad enough, Octavian has finally claimed possession of the confounding map, thwarted the society's attempts to capture him, and is determined to alter the time line. The trio must join forces with the Protectors and find Octavian before he can go through with his evil plot, or all of human history might be changed—or worse—destroyed!

The Secret Society of Moses - Flavio Barbiero 2010-01-19

A radical reexamination of Western history that suggests the descendants of Moses were the architects of the rise of the Roman Church and the ancestors of European aristocracy • Answers the inexplicable disappearance of all mention of Moses's descendants from the Bible • Reveals the key role played by Josephus Flavius in shaping early Christianity • Explains the connection of this secret priesthood to modern secret societies like the Freemasons After the book of Exodus, Moses's two sons and numerous descendants all vanish from the Bible. Flavio Barbiero's investigation of this strange absence and his study of the centuries-long power struggle between the priestly families fighting for control of the Temple of Jerusalem starts with the rebellion against Rome--and the emergence of Josephus Flavius, one of Moses's descendants, on the world stage. In AD 70 when the Temple in Jerusalem was destroyed by Titus Flavius and thousands of Jewish priests were exterminated, Josephus, now bearing his sponsor's last name, followed Titus Flavius to Rome with at least 250 relatives and friends. Here they were made Roman citizens but then subsequently disappeared from recorded history. Barbiero's careful study of early Christianity shows, however, that these surviving members of Moses's high-priest lineage succeeded in taking control of the nascent Roman Church and masterminded its extraordinary success. Using a wide range of evidence drawn from fields as disparate as archaeology, heraldry, and genetics, Barbiero shows how these descendants of Moses used the cult of Mithras to eventually seize control of the secular Roman authority as well. He then follows, step by step, the spread of the members of this secret priestly elite into what was to become the aristocracy of medieval Europe and how their influence continues to be felt in modern secret societies like Freemasonry.

**Anya's Secret Society** - Yevgenia Nayberg 2019-03-12

Left-handed Anya draws with great passion . . . but only when she's alone. In Russia, right-

handedness is demanded--it is the right way. This cultural expectation stifles young Anya's creativity and artistic spirit as she draws the world around her in secret. Hiding away from family, teachers, and neighbors, Anya imagines a secret society of famous left-handed artists drawing alongside her. But once her family emigrates from Russia to America, her life becomes less clandestine, and she no longer feels she needs to conceal a piece of her identity.

Members Only - Julie Tibbott 2019-08-01

Throughout human history, people have banded together to pass on traditions, climb the social ladder, and often just have a good time. And sometimes, keeping other people out is part of the fun. (Every hot club needs a velvet rope, after all.) But some of these groups have proved so exclusive and secretive that we on the outside can't resist some speculation. Wouldn't you like to know what they're really up to? No need for secret handshakes or passwords—Members Only is your all-access guide to the secret societies, clandestine cults, and exclusive associations that you've always wondered about.

**A History of Secret Societies** - Arkon Daraul 1962

Almost every social system throughout history has produced its secret societies. Here is a unique study of such societies from earliest recorded times to the present, along with an analysis of their forms, rituals, and beliefs. The author has traveled extensively to gather documentation. The Charcoal Burners of Italy, the Castrators of Russia, the Old Man of the Mountains, and the Gnostics are but a few of the many described.

**Thian Ti Hwui the Hung-League, or Heaven-Earth-League. A secret society with the Chinese in China and India ... With an introduction and numerous cuts and illustrations**

- Gustave SCHLEGEL 1866

**Bourbaki** - Maurice Mashaal 2006

The name Bourbaki is known to every mathematician. This book presents accounts of the origins of Bourbaki, their meetings, their seminars, and the members themselves. It also discusses the lasting influence that Bourbaki has had on mathematics, through both the Elements and the Seminaires.

Fleshing Out Skull & Bones - Kris Millegan 2004-10-01

This chronicle of espionage, drug smuggling, and elitism in Yale University's Skull & Bones society offers rare glimpses into this secret world with previously unpublished documents, photographs, and articles that delve into issues such as racism, financial ties to the Nazi party, and illegal corporate dealings. Contributors include Anthony Sutton, author of America's Secret Establishment; Dr. Ralph Bunch, professor emeritus of political science at Portland State University; Webster Griffin Tarpley and Anton Chaitkin, authors and historians. A complete list of members, including George Bush, George W. Bush, and John F. Kerry, and reprints of rare magazine articles are included.

The Freemasons - Jasper Godwin Ridley 2001

A British historian who is not a Freemason debunks myths about Freemasonry being a threat to civilization as he traces this secret brotherhood's origins in Medieval building guilds, role in the French and American Revolutions, scandals, anti-Mason sentiment, spread worldwide, and modern presence in Britain and the US. This is a reprint of a 1999 book. c. Book News Inc.

Secret Society Girl - Diana Peterfreund 2006-07-18

Fans of Beautiful Disaster will devour Diana Peterfreund's Ivy League novels—Secret Society Girl, Under the Rose, Rites of Spring (Break), and Tap & Gown. At an elite university, Amy Haskel has been initiated into the country's most notorious secret society. But in this power-hungry world where new blood is at the mercy of old money, hooking up with the wrong people could be fatal. Eli University junior Amy Haskel never expected to be tapped into Rose & Grave. She isn't rich, politically connected, or . . . well, male. So when Amy is one of the first female students to receive the distinctive black-lined invitation with the Rose & Grave seal, she's blown away. Could they really mean her? Whisked off into an elaborate initiation rite, Amy awakens the next day to a new

reality and a whole new set of “friends”—from the gorgeous son of a conservative governor to an Afrocentric lesbian activist whose society name is Thorndike. And that’s when Amy starts to discover the truth about getting what you wish for. Because Rose & Grave is quickly taking her away from her familiar world of classes and keggers, fueling a feud and undermining a very promising friendship with benefits. And that’s before Amy finds out that her first duty as a member of Rose & Grave is to take on a conspiracy of money and power that could, quite possibly, ruin her whole life.

**Pajama Stories: Volume 2** - Tanea Hill 2021-04-30

New York’s Secret Society of 31 Platinum Grills takes a turn for the worse after Providence, the top lady DJ, is kidnapped by the jealous twins in the Secret Society. The once superb and exclusive secret society for amateur DJs has now been tainted with death, jealousy and kidnapping. Providence, better known as Lady Lucina, becomes the newest member to the Secret Society of 31 Platinum Grills for amateur DJs. She is excited after receiving a phone call from the founder, DJ Calm, who has just notified her that she is the first female to ever get voted into the secret society. Little does she know that some of the society members are jealous and unenthused by DJ Calm’s decision to vote a female into the organisation, especially since Providence has just received a ten-thousand cheque during her first performance.

*The Secret Society of Success* - Tim Schurrer 2022-05-17

It’s time to redefine success. “The book you’re about to read is an absolute game changer, life changer, and outlook changer. . . . You will never view success the same way again. And that’s a very good thing.” — ERNIE JOHNSON JR., Emmy Award winner and host of TNT’s Inside the NBA There’s a message getting a lot of airtime these days. It says to be successful, you have to step into the spotlight, climb the ladder, become the boss, or chase whatever version of success that’s been dangled in front of you. But what if there’s another way? What if fame, money, and power aren’t all that we should be chasing? In *The Secret Society of Success*, Tim Schurrer invites you to reevaluate your definition of success and learn a new, freer way to go about achieving it. How do you learn this approach? With the Secret Society as your guide—a community of people who know how to make an impact, whether they have the spotlight or not. The Secret Society will teach you to define success for yourself; contribute to your team without minding who gets the credit; make an impact that spans far beyond yourself, regardless of the size of your platform; navigate living in the tension between contentment and striving; go from feeling anxious, overwhelmed, and restless in your job to being confident in the value you bring to the team; and discover meaning and fulfillment in the work that you do. Through powerful stories of people like the CEO of Apple Tim Cook, NBA all-star LeBron James, Fred Rogers of Mister Rogers’ Neighborhood, and people whose names you’ve never heard of, you will discover that the success you’re looking for is within your reach, wherever you are and whatever your role. “The Secret Society of Success is an important book that everyone should read. It is not only insightful; it’s inspirational. This book captures what it really means to be successful. I am for one ready to up my game! Thank you, Tim, for giving me this gift!” — DAVID NOVAK, cofounder and former chairman and CEO of Yum! Brands (KFC, Taco Bell, Pizza Hut)

**Modern Secret Societies** - Charles Albert Blanchard 1903

**Francis Bacon and His Secret Society** - Constance Pott 2011-10

"It is certain that, although much is known about Francis Bacon in some parts or phases of his chequered life, yet there is a great deal more which is obscure, or very inadequately treated by his biographers." "For instance, what was he doing or where was he travelling during certain unchronicled years? Why do we hear so little in modern books of that beloved brother Anthony, who was his 'comfort, ' and his 'second self'? And where was Anthony when he died? Where was he buried? And why are no particulars of his eventful life, his last illness, death, or burial recorded in ordinary books?" Francis Bacon (1561-1626): philosopher, playwright, poet, and conceiver of the scientific method for empirical inquiry. The staggering amount of publications in which he was

involved and his demand for a worldwide reformation of learning, science, and religion have made him one of the most important minds of the Elizabethan era. As much as Bacon's public life influenced the world of science, there is an equal part of his life obscured by his secrecy. This book sets out to delve into these secrets in order to uncover the full extent of Bacon's work. His self-devised secret cipher, his apparent connections to the Rosicrucians and Freemasons, and the frequent gaps in his biography are thoroughly examined, making this a valuable addition to any Baconian collection.

*Lifers - A Secret Society* - Victor A. Cordova 2011-12

Allow yourself to awaken from the slumber of monotony you exist in and there is where you may find the answers which your heart most desires. Under the cloak of control and power you wait anxiously for signs of salvation which you are not capable of seeing. Pull away the layers of theory, religion and politics and face what is real. And although I am only 11 years old, I tell you with full confidence, your beginning is near and soon you too will realize that there is more to what you might have believed about life, death, failure and success. Look around you and open your mind to the possibility that all is not black and white or even right or wrong. We live among you and although you may never sense us, we are here and we are real. Consider me your guide in a world very few are fortunate enough to see. I am like you and I struggle to understand what I am to do with this life I have been given. Yet what is truly important is that you understand that your existence is complex and I shall venture to say that your definition of "The Circle of Life" will change forever. Believe it or not? I dare you...double dare you to turn to the next page.

**The Freemasons** - Jasper Ridley 2011-05-15

What did Mozart and Bach, Oscar Wilde and Anthony Trollope, George Washington and Frederick the Great, Winston Churchill and Franklin D. Roosevelt have in common? They were all Freemasons, a subject of endless fascination. To the layman, they are a mysterious brotherhood of profound if uncertain influence, a secret society purported in some popular histories to have its roots in the fabled order of the Knights Templar, or in the mysteries of the Egyptian pyramids. They evoke fears of world domination by a select few who enjoy privileged access to wealth and the levers of power. The secrecy of their rites suggests the taint of sacrilege, and their hidden loyalties are sometimes accused of undermining the workings of justice and the integrity of nations. Though not a mason himself, Jasper Ridley nonetheless refutes many of the outrageous allegations made against Freemasonry, while at the same time acknowledging the masons’ shortcomings: their clannishness, misogyny, obsession with secrecy, and devotion to arcane ritual. In this much-needed reassessment, he offers a substantial work of history that sifts the truth from the myth as it traces Freemasonry from its origins to the present day.

**The Very Secret Society of Irregular Witches** - Sangu Mandanna 2022-08-23

A warm and uplifting novel about an isolated witch whose opportunity to embrace a quirky new family—and a new love—changes the course of her life. As one of the few witches in Britain, Mika Moon knows she has to hide her magic, keep her head down, and stay away from other witches so their powers don’t mingle and draw attention. And as an orphan who lost her parents at a young age and was raised by strangers, she’s used to being alone and she follows the rules...with one exception: an online account, where she posts videos "pretending" to be a witch. She thinks no one will take it seriously. But someone does. An unexpected message arrives, begging her to travel to the remote and mysterious Nowhere House to teach three young witches how to control their magic. It breaks all of the rules, but Mika goes anyway, and is immediately tangled up in the lives and secrets of not only her three charges, but also an absent archaeologist, a retired actor, two long-suffering caretakers, and...Jamie. The handsome and prickly librarian of Nowhere House would do anything to protect the children, and as far as he’s concerned, a stranger like Mika is a threat. An irritatingly appealing threat. As Mika begins to find her place at Nowhere House, the thought of belonging somewhere begins to feel like a real possibility. But magic isn't the only danger in the world, and when peril comes knocking at their door, Mika will need to decide whether to risk everything to protect a found family she didn’t know she was looking for....

**Conspiracies and Secret Societies** - Brad Steiger 2012-06-01

Startling allegations. Suppressed evidence. Missing witnesses. Assassinations. Cover-ups and threats. Documented connections to even deeper intrigue. Allusions to the New World Order. Coincidences? Too many to be mere coincidence? American history is replete with warnings of hidden plots by the Illuminati, the Freemasons, the Zionists, the Roman Catholics, the Communists, World Bankers, the Secret Government, and Extra-Terrestrial Invaders, to name a few. Separating fact from fiction, this compelling work provides gripping details and presents the information without bias, including hundreds of individuals, organizations, and events where official claims and standard explanations of actions and events remain shrouded in mystery. *Conspiracies and Secret Societies: The Complete Dossier* examines the most common subjects among conspiracy theorists, from historical topics such as the true relationship between Jesus and Mary Magdalene, the Roswell UFO crash, and the assassinations of John F. Kennedy and Martin

Luther King Jr. to more current issues such as the death of Princess Diana, FEMA's response following hurricane Katrina, and the recent earthquake and tsunami in Japan.

**Secret Societies of the Middle Ages** - Thomas Keightley 1837

**Very Secret Society** - Rebecca Scott 2015-10-08

The largest tool used by the bloodlines to implement the New World Order agenda is the global secret society network. Politicians, bankers, businessmen, and media personalities - the biggest names in history and world affairs form a huge secret society matrix. This hierarchical pyramid-structured network is constantly recruiting and placing members in key influential positions. In order to orchestrate global events and policy decisions from behind the scenes, many niche secret societies groom and position politicians, media personalities, and other "yes-men" so they may best aid the Great Work.
