The Curse of the Goddess - Satyajit Ray

2016-04-18

An incident near the desolate Chhinnamasta temple on the rocky riverbank of Rajrappa leads to the death of Mahesh Chowdhury, the head of a Hazaribagh family. Adding to the mystery are a set of coded diaries, a valuable stamp collection that is missing and a tiger that is roaming the streets of Hazaribagh. One of Feluda's most intriguing adventures, this shows the master sleuth at his best.

The Virgins - Pamela Erens 2013-08-06

It's 1979, and Aviva Rossner and Seung Jung are notorious at Auburn Academy. They're an unlikely pair at an elite East Coast boarding school (she's Jewish; he's Korean American) and hardly shy when it comes to their sexuality. Aviva is a formerly bookish girl looking for liberation from an unhappy childhood; Seung is an enthusiastic dabbler in drugs and a covert rebel against his demanding immigrant parents. In the minds of their titillated classmates—particularly

that of Bruce Bennett-Jones—the couple lives in a realm of pure, indulgent pleasure. But, as is often the case, their fabled relationship is more complicated than it seems: despite their lust and urgency, their virginity remains intact, and as they struggle to understand each other, the relationship spirals into disaster. *The Virgins* is the story of Aviva and Seung’s descent into confusion and shame, as re-imagined in richly detailed episodes by their classmate Bruce, a once-embittered voyeur turned repentant narrator. With unflinching honesty and breathtaking prose, Pamela Erens brings a fresh voice to the tradition

of the great boarding school novel.

Night of the Cooters - Howard Waldrop
1993-07-01

The new short story collection from Nebula Award-winner Howard Waldrop. This collection of bizarre journeys of the imagination includes stops in Texas, where invading Martians find an Alamo of their very own; and New Jersey, where Herbert Hoover loses the election, takes to the airwaves, and changes the course of history.

With Ash on Their Faces - Cathy Otten
2022-07-05

ISIS’s genocidal attack on the Yezidi population in

northern Iraq in 2014 brought the world's attention to the small faith that numbers less than one million worldwide. That summer ISIS massacred Yezidi men and enslaved women and children. More than one hundred thousand Yezidis were besieged on Sinjar Mountain. The US began airstrikes to roll back ISIS, citing a duty to save the Yezidis, but the genocide is still ongoing. The headlines have moved on but thousands of Yezidi women and children remain in captivity, and many more are still displaced. Sinjar is now free from ISIS but the Yezidi homeland is at the centre of growing tensions amongst the city's

liberators, making returning home for the Yezidis almost impossible. The mass abduction of Yezidi women and children is here conveyed with extraordinary intensity in the first-hand reporting of a young journalist who has been based in Iraqi Kurdistan for the past four years, covering the war with ISIS and its impact on the people of the country. Otten tells the story of the ISIS attacks, the mass enslavements of Yezidi women and the fallout from the disaster. She challenges common perceptions of Yezidi female victimhood by focusing on stories of resistance passed down by generations. Yezidi women describe how, in the

recent conflict, they followed the tradition of their ancestors who, a century ago during persecutions at the fall of the Ottoman empire, put ash on their faces to make themselves unattractive and try to avoid being raped. Today, over 3,000 Yezidi women and girls remain in the Caliphate where they are bought and sold, and passed between fighters as chattel. But many others have escaped or been released. Otten bases her book on interviews with these survivors, as well as those who smuggled them to safety, painstakingly piecing together their accounts of enslavement. Their deeply moving personal narratives bring

alive a human tragedy.

Unsuitable Boy - Karan Johar 2018-01-09

Awakening the Rainmaker - Nishtha Anand
2021-12-18

As per the Global Gender Gap Report 2021, it will take 267.6 years to close the gender gap in economic participation and opportunity. In 2021, India slipped 28 places and ranked 140th among

156 nations in The Global Gender Gap Index. Our female labour force participation rate stands distressingly low at 22.3 per cent. Only 31 per cent of women occupy the Chief Human Resources Officer's role in India, a role which is over-represented by women in other countries, such as the US and South Africa. Less than 3 per cent of Chief Executive Officers in India are women. Like many women in the middle of their career, author Nishtha Anand too was overwhelmed when she first became pregnant with her child-would she also fall off her career trajectory like countless others? She hoped to

nudge women, their families and organisations with practical hacks for awakening the rainmaker in them and those around them. Thus was born *Awakening the Rainmaker* that will motivate women to pursue their dreams and ambitions-with free choices and no guilt. Nishtha captures the gaps and potential solutions across the life cycle of a woman. She includes her learnings and interactions with women from different fields-some of India's most powerful women in business, CEOs, entrepreneurs, award-winning scientists, leading sports personalities and digital influencers. These women had their own

mountains to conquer which they did with determination, planning and the right support. Further, she focuses on requisites for upbringing, demeanour and corporate policies and defines a framework for organisations to ensure a gender-neutral ecosystem. *Awakening the Rainmaker* will inspire during the crossroads of life and lead the way for women to pursue their ambitions.

Lessons - Ian McEwan 2022-09-13

NEW YORK TIMES BEST SELLER • A NEW YORKER ESSENTIAL READ • From the best-selling author of *Atonement* and *Saturday* comes the epic and intimate story of one man's life across generations and historical upheavals.

From the Suez Crisis to the Cuban Missile Crisis, the fall of the Berlin Wall to the current pandemic, Roland Baines sometimes rides with the tide of history, but more often struggles against it. A BEST BOOK OF THE YEAR: *Vogue* • The New Yorker “Masterful.... McEwan is a storyteller at

the peak of his powers.... One of the joys of the novel is the way it weaves history into Roland’s biography.... The pleasure in reading this novel is letting it wash over you.” –Associated Press
When the world is still counting the cost of the Second World War and the Iron Curtain has closed, eleven-year-old Roland Baines's life is turned upside down. Two thousand miles from his mother's protective love, stranded at an unusual boarding school, his vulnerability attracts piano teacher Miss Miriam Cornell, leaving scars as well as a memory of love that will never fade. Now, when his wife vanishes, leaving him alone with

his tiny son, Roland is forced to confront the reality of his restless existence. As the radiation from Chernobyl spreads across Europe, he begins a search for answers that looks deep into his family history and will last for the rest of his life. Haunted by lost opportunities, Roland seeks solace through every possible means—music, literature, friends, sex, politics, and, finally, love cut tragically short, then love ultimately redeemed. His journey raises important questions for us all. Can we take full charge of the course of our lives without causing damage to others? How do global events beyond our control shape

our lives and our memories? And what can we really learn from the traumas of the past? Epic, mesmerizing, and deeply humane, *Lessons* is a chronicle for our times—a powerful meditation on history and humanity through the prism of one man's lifetime.

The Indian Media Business - Vanita Kohli-Khandekar 2021-08-30

Are Google and Facebook news or entertainment companies? Is Netflix a studio or an aggregator? As media, technology and telecom merge into one simple search for audiences, what really is a media company? How has on-demand viewing

changed the way we watch, listen or read? Can Indian cinema survive the devastation that the pandemic has wrought? The fifth edition of *The Indian Media Business: Pandemic and After* delves into each of these questions as it cuts across print, TV, film, music, radio and digital media. In the process, the book takes you through the current trends, history, business dynamics and regulation in media, and provides a glimpse into the future of each of these segments.

Sahaja Yoga - Shri Mataji Nirmala Devi

2019-06-01

Shri Mataji writes that “India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it.” This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. “The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is

done by some great subtle organization, which is in the great divine form.”

No Outlaws in the Gender Galaxy - Chayanika Shah 2015-11-06

The constructed “naturalness” of a world made up of two sexes, two genders, and heterosexual desire as the only legitimate desire has been continuously questioned and challenged by those marginalised by these norms. This forces us to ask some important questions: How is gender really understood and constructed in the world that we inhabit? How does it operate through the various socio-political-cultural structures around

us? And, most crucially, how is it lived? No Outlaws in the Gender Galaxy answers these questions with a research study that attempts to understand gender through the lives of queer persons assigned gender female at birth. The lived realities of the respondents, echoing in the book through their voices, help to interrogate gender as well as provide clues to how it can be envisioned or revisioned to be egalitarian. This book explores how gender plays out in public and private institutions like the family, educational institutions, work and public spaces. Looking at each of these independently, it elaborates the

specific ways in which binary gender norms are woven into each arena and it also explores the multiple ways in which interlocking systems of heteronormativity, casteism, class and ableism are enmeshed within patriarchy to create exclusion, marginalisation, pathologisation and violence. This book illustrates the multiplicity of ways in which people live gender and testifies that even if there are gender laws, in a just world there can be no gender outlaws. Published by Zubaan.

Many Lives, Many Masters - Brian L. Weiss

1988-07-15

As a traditional psychotherapist, Dr. Brian Weiss was astonished and skeptical when one of his patients began recalling past-life traumas that seemed to hold the key to her recurring nightmares and anxiety attacks. His skepticism was eroded, however, when she began to channel messages from the "space between lives," which contained remarkable revelations about Dr. Weiss' family and his dead son. Using past-life therapy, he was able to cure the patient and embark on a new, more meaningful phase of his own career.

Remote Control - Shoma Munshi 2012-12-15

What do the TV shows we're watching tell us about ourselves? Television is the single most powerful and dynamic agent of change in India today. It is also the country's most popular and accessible form of entertainment. Remote Control examines three kinds of programming—24x7 news, soap operas and reality shows—that have changed Indian television forever, and analyzes how these three genres, while drawing on different sources, are hybridized, indigenized and manage to ultimately project a distinctively Indian identity. Shoma Munshi's book shows us how everyday reality in India in the twenty-first century

shapes television; and how television, in turn, shapes us.

It Has No Name - 2021

Too Much - Rachel Vorona Cote 2020-02-25

Lacing cultural criticism, Victorian literature, and storytelling together, "TOO MUCH spills over: with intellect, with sparkling prose, and with the brainy arguments of Vorona Cote, who posits that women are all, in some way or another, still susceptible to being called too much." (Esmé Weijun Wang) A weeping woman is a monster.

So too is a fat woman, a horny woman, a woman

shrieking with laughter. Women who are one or more of these things have heard, or perhaps simply intuited, that we are repugnantly excessive, that we have taken illicit liberties to feel or fuck or eat with abandon. After bellowing like a barn animal in orgasm, hoovering a plate of mashed potatoes, or spraying out spit in the heat of expostulation, we've flinched-ugh, that was so gross. I am so gross. On rare occasions, we might revel in our excess--belting out anthems with our friends over karaoke, perhaps--but in the company of less sympathetic souls, our uncertainty always returns. A woman who is Too

Much is a woman who reacts to the world with ardent intensity is a woman familiar to lashes of shame and disapproval, from within as well as without. Written in the tradition of Shriill, Dead Girls, Sex Object and other frank books about the female gaze, TOO MUCH encourages women to reconsider the beauty of their excesses--emotional, physical, and spiritual. Rachel Vorona Cote braids cultural criticism, theory, and storytelling together in her exploration of how culture grinds away our bodies, souls, and sexualities, forcing us into smaller lives than we desire. An erstwhile Victorian scholar, she sees

many parallels between that era's fixation on women's "hysterical" behavior and our modern policing of the same; in the space of her writing, you're as likely to encounter Jane Eyre and Lizzie Bennet as you are Britney Spears and Lana Del Rey. This book will tell the story of how women, from then and now, have learned to draw power from their reservoirs of feeling, all that makes us "Too Much."

Same-Sex Love in India - R. Vanita 2000-09-11

Same-Sex Love in India presents a stunning array of writings on same-sex love from over 2000 years of Indian literature. Translated from

more than a dozen languages and drawn from Hindu, Buddhist, Muslim, and modern fictional traditions, these writings testify to the presence of same-sex love in various forms since ancient times, without overt persecution. This collection defies both stereotypes of Indian culture and Foucault's definition of homosexuality as a nineteenth-century invention, uncovering instead complex discourses of Indian homosexuality, rich metaphorical traditions to represent it, and the use of names and terms as early as medieval times to distinguish same-sex from cross-sex love. An eminent group of scholars have

translated these writings for the first time or have re-translated well-known texts to correctly make evident previously underplayed homoerotic content. Selections range from religious books, legal and erotic treatises, story cycles, medieval histories and biographies, modern novels, short stories, letters, memoirs, plays and poems. From the Rigveda to Vikram Seth, this anthology will become a staple in courses on gender and queer studies, Asian studies, and world literature.

Inside Madeleine - Paula Bomer 2014-05-13

"With surgical insight, Inside Madeline delves into the most complex female territory imaginable and

dissects until every honest bone is revealed.

Bomer's prose doesn't flinch, doesn't filter—the bravery of these stories left me breathless."

—Alissa Nutting, author of *Tampa* From the author of *Nine Months and Baby* comes a daring new collection that seethes with alienation, lust and rage. Bomer takes us from hospitals, halfway houses, and alleyways, to boarding schools and Park Avenue penthouses, exploring the complex relationships girls have with their bodies, with other girls, and with boys. The title novella tracks the ins and outs of an outsider's life: her childhood obesity and kinky sex life, her toxic

relationships, whether familial or erotic, and her various disappearing acts, of body and mind.

The Face of Silence - Dhan Gopal Mukerji 1926

Forbidden Sex, Forbidden Texts - Hoshang Merchant 2020-11-29

The book argues that there is no monolithic

homosexuality; there are only homosexualities, that is, there are as many reasons for being gay as there are gays. Some people are born gay, some have gayness thrust upon them, and some do, indeed, achieve to great gayness.

Representation of homosexuality/homoeroticism, as it is understood today, is thus a western import. The act and public/social discourses on same-sex love are still illegal; it is, according to many, against the Indian 'tradition'; and a sense of 'history' is seriously problematic when we dig out for a past tradition of homoerotic love and desire. Hoshang Merchant, through an

examination of texts, films, poetry, attempts to analyse and crack the codes of sexual (mis)conduct in contemporary India, giving short histories of the fate of several gay writers and explaining the difficulties of ‘coming out’.

Screenscapes of e-Religiosity in India - Shekh Moinuddin 2023-04-01

This book deals with three different subjects: geography, social media and religion equally to discuss e-religiosity in terms of screenscapes that shaped digital socialization processes wherein the role of digital devices in general and smartphones in particular are considered crucial and critical.

The spatial dimension is the primary foundation of the book wherein both space and place are discussed in digital manifestations in spatial sense. Religiosity is discussed variably in a sense of spirituality, social theories, religions and images. The book uses some illustrations to understand image politics. Image politics is quintessential in the age of digital technologies when production and reproduction of images are not restricted to business only; rather it attracts politics too and politicians often use the same to make political scores against opponents. The book covers contemporary digital discourses of e-religiosity in a sense of screenscapes that often found pivot in daily discussions across social media platforms. Screenscapes are considered as mediated technologies when contents can be accessed from different social media apps to construct or deconstruct their views, narratives, discourses, ideas, emotions, and perceptions around religious images in day-to-day activities, practices, rituals, customs, traditions, faiths and beliefs. The used illustrations exclusively map Indian religious gestures, identities, values, and rituals in digital-spatial contexts. The book discusses seven major questions and argues the

same across the chapters in varied representations and interpretations: How and to what extent has the meaning of religiosity changed in the digital age? What are the dimensions of e-religiosity in India? How are digital devices (re)shaping religiosity in terms of e-religiosity? How and to what extent digital devices are negotiating with social and cultural lives? What is digital spatiality? How and to what extent does social media influence religiosity?

Dirty - Megan Hart 2012-09-01

I met him at the candy store. He turned and smiled at me and I was surprised enough to smile

back. This was not a children's candy store, mind you—this was the kind of place you went to buy expensive imported chocolate truffles for your boss's wife because you felt guilty for having sex with him when you were both at a conference in Milwaukee. Hypothetically speaking, of course. I've been hit on plenty of times, mostly by men with little finesse who thought what was between their legs made up for what they lacked between their ears. Sometimes I went home with them anyway, just because it felt good to want and be wanted, even if it was mostly fake. The problem with wanting is that it's like pouring water into a

vase full of stones. It fills you up before you know it, leaving no room for anything else. I don't apologize for who I am or what I've done in—or out—of bed. I have my job, my house and my life, and for a long time I haven't wanted anything else. Until Dan. Until now.

The Story of My Assassins - Tarun J. Tejpal
2012-09-25

“Spine chilling ... written with flair and clear-eyed acidity.” – The New Yorker Based on actual events, *The Story of My Assassins* tells the story

of a journalist who learns that the police have captured five hitmen on their way to kill him. Landing like a bombshell on his comfortable life, just as he's started a steamy affair with a brilliant woman, the news prompts him to launch an urgent investigation into the lives of his aspiring murderers—a ragtag group of street thugs and village waifs—and their mastermind. Who wanted him dead, and why? But the investigation forces him to reexamine his own life, too—to confront his own notion of himself, his job, and his treatment of the women in his life, as well as his own complex feelings about the country that crafted

his would-be killers. Part thriller and part erotic romance, full of dark humor and knife-edged suspense, *The Story of My Assassins* is a piercing literary novel that takes us from the lavish, hedonistic palaces of India's elite to its seediest slums. It is a novel of corruption, passion, power, and ambition; of extreme poverty and obscene wealth. It is an awesome adventure into the heart of today's India.

[Kartikeya](#) - Anuja Chandramouli 2017

Unravel the puzzle that is the mysterious and misunderstood son of Mahadeva-KARTIKEYA. Kartikeya was born from the flames of a

desperate need, an ardent desire, and an utmost devastation. In him was distilled the terrible powers of Mahadev, at its fiercest and most deadly. Although he fought many wars and slew many tyrants, yet his gifts to humanity have always been those of mercy, compassion and love. What makes this possible? For Kartikeya, there have always been more questions than answers. Did he really walk away from his family over a piece of fruit? What about the women in his life-was he the ravisher he is at times accused of being, or the protector of women? Was he the violent warrior who revelled in bloodlust, or a

gentle family man? What was his relationship with his more popular sibling, Ganesha? Anuja Chandramouli weaves together myth, imagination and folklore while looking to answer these questions, and recreates for modern readers the story of one of the most enigmatic gods- Kartikeya.

Naked Voices: Stories & Sketches - Sadat Hasan Manto 2008-08-01

Naked Voices, Stories & Sketches is one of the most authentic collection showcasing the best of Saadat Hasan Manto as a great storyteller and an honest commentator of all times. In this collection

of sixteen stories and three sketches, Manto brazenly celebrates the warts of a seemingly decent society, as well as its dark underbelly - tired and overworked prostitutes in *The Candle's Tears* or *Loser All the Way*; ruthless as also humane pimps in *The Hundred Candle Watt Bulb* and *Sahay*; the utter helplessness of men in the face of a sexual encounter in *Naked Voices* and *Coward*; and the madness perpetrated by the Partition as witnessed in *By God!* and *Yazid*. In one of the three sketches, which form part of this collection, the author brilliantly reveals himself to the world in a schizophrenic piece titled *Saadat*

Hasan, calling Manto the Writer a liar, a thief and a failure! And in another titled *In a Letter to Uncle Sam*, Manto superbly couches his anti-imperialistic views in an innocent letter from a poor nephew to a capitalist and prosperous uncle in America.

Seeing Like a Feminist - Nivedita Menon

2012-12-01

THE WORLD THROUGH A FEMINIST LENS For Nivedita Menon, feminism is not about a moment of final triumph over patriarchy but about the gradual transformation of the social field so decisively that old markers shift forever. From

sexual harassment charges against international figures to the challenge that caste politics poses to feminism, from the ban on the veil in France to the attempt to impose skirts on international women badminton players, from queer politics to domestic servants' unions to the Pink Chaddi campaign, Menon deftly illustrates how feminism complicates the field irrevocably. Incisive, eclectic and politically engaged, *Seeing like a Feminist* is a bold and wide-ranging book that reorders contemporary society.

[The Mothers of Manipur](#) - Teresa Rehman 2017
July 15, 2004: An amazing scene unfolds in front

of the Kangla Fort in Manipur, the headquarters of the Assam Rifles, a unit of the Indian army. Soldiers and officers watch aghast as twelve women, all in their sixties and seventies, position themselves in front of the gates and then, one by one, strip themselves naked. The imas, the mothers of Manipur, are in a cold fury, protesting the custodial rape and murder of Thangjam Manorama, a 32-year-old woman, alleged by the army to be a militant. The women hold aloft banners that shout, 'Indian Army Rape Us', 'Take Our Flesh'. Never has this happened before: the army is appalled. Hundreds of thousands of

people around the country, watching the drama unfold, are shocked. Can this be possible? A naked protest in India? By mothers? The imams of Manipur are known to be strong, self-sufficient. It is they who by and large run the economy of the state; here, though, they are doing something different. Manorama's death is the trigger for their renewed protest against the Draconian Armed Forces Special Powers Act 1958, which is used with impunity in the state and excuses all sorts of army excesses. Manipur has witnessed several decades of low-intensity war with more than twenty militant outfits operating in the state. In

this unusual book, journalist Teresa Rehman, tells the story of the twelve women, of how they took the momentous decision - in some cases unknown to their families - and how they carried it out with precision and care. The story of the mothers of Manipur reflects the larger history of the conflict-torn state and of the courage and resistance of the people in the face of overwhelming odds.

A Game of Thrones - George R. R. Martin

2003-01-01

NOW THE ACCLAIMED HBO SERIES GAME OF THRONES—THE MASTERPIECE THAT BECAME A CULTURAL PHENOMENON Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow.

Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen’s brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal,

the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys.
