How I Taught My Grandmother to Read and other Stories - Sudha Murty 2015-02-06

These are just some of the questions you will find answered in this delightful collection of stories recounting real-life incidents from the life

of Sudha Murty-teacher, social worker and bestselling writer. There is the engaging story about one of her students who frequently played truant from school. The account of how her mother's advice to save money came in handy when she wanted to help her husband start a software company, and the heart-warming tale of the promise she made and fulfilled to her grandfather, to ensure that her little village library would always be well supplied with books. Funny, spirited and inspiring, each of these stories teaches a valuable lesson about the importance of doing what you believe is right and having the courage to realize your dreams.

Learn Thai - Languages World 2019-08

Thai is a fun language to learn, the problem is most learning materials are costly and make language learning too complicated. We've created this book which aims to make language learning simple. We teach you language patterns and grammar structures which can be used to form your own sentences.

Beginner's Hindi - Rupert Snell 2003

Master the Hindi Alphabet, A Handwriting Practice Workbook - Lang Workbooks 2019-08-07

Are you struggling to learn the proper Hindi handwriting technique? Do you struggle to memorize the stroke order of the many Hindi alphabets? Do you need a trustworthy resource to teach your small children to trace the "beautiful script"? If so, let me tell you why this workbook is the perfect companion for your studies: In it, you'll find 69 handpicked alphabets with detailed stroke order instructions. These alphabets include the base vowels and consonants, and common conjunct and

dotted letters. Clear large letters make it easy to recognize even the most detailed of the Hindi characters. Detailed stroke order instructions provide you with a strong foundation to build up your skills. Dedicated "Trace and Learn" sections are designed to imprint proper stroke technique unto your muscle memory. Font variations train your brain to recognize alternative character styles. As a bonus, for each character, you'll find an extra 8.5 x 11 inches page fully dedicated to the handwriting practice of that letter with and without guiding background light-gray letters. Feel free to photocopy these bonus pages as you wish to extend the lifetime value of your workbook. Special information: This workbook is a labor of love. Accordingly, if you are a teacher, a student of Hindi, or homeschooling your children, you can photocopy any part of this workbook for your own, or your students, personal use. Learning to write the beautiful Hindi script by heart has never been easier.
