**The Freedom Writers Diary (20th Anniversary Edition)** - The Freedom Writers 2007-04-24

#1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell Now a public television documentary, Freedom Writers: Stories from the Heart In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of "unteachable, at-risk" students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank's diary as her guide to combat intolerance and misunderstanding. Her students began recording their

thoughts and feelings in their own diaries, eventually dubbing themselves the "Freedom Writers."

Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, The Freedom Writers Diary is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture Freedom Writers. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the Freedom Writers, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. The Freedom Writers Diary remains a vital read for anyone who believes in second chances.

A must-read for parents, new teachers, and classroom veterans, Educating Esmé is the exuberant diary of Esmé Raji Codell's first year teaching in a Chicago public school. Fresh-mouthed and free-spirited, the irrepressible Madame Esmé—as she prefers to be called—does the cha-cha during multiplication tables, roller-skates down the hallways, and puts on rousing performances with at-risk students in the library. While battling bureaucrats, gang members, abusive parents, and her own insecurities, this gifted young woman reveals what it takes to

be an exceptional teacher. Heroine to thousands of parents and educators, Esmé now shares more of her ingenious and yet down-to-earth approaches to the classroom in a supplementary guide to help new teachers hit the ground running. As relevant and iconoclastic as when it was first published, *Educating Esmé* is a classic, as is Madame Esmé herself.

**Class War** - Anonymous 2021-06-15

Ever wondered what life is really like for today's teachers? Reasoning that it's either laugh or cry, this author does both while intoning a mantra of 'July, July, July' and praying for a minor heart attack in return for a foot in the door to early retirement. From fending off inspectors to dealing with the alarming rise in mental health issues and increasing alienation of young people, it's fair to say the job has never been more difficult. Written by an anonymous author working in a state secondary school, this uproariously funny, desperately necessary book takes us inside the classroom to see morale at rock-bottom and a system on its knees. Hilarious, heartbreaking and impassioned, *Class War* is about the importance of good schools and talented teachers at a time when they have never been more essential. Painting a heartfelt portrait of the profession and an education system where no one should be left behind but too many are, this book reveals there is laughter to be found even as a river of effluent is sluicing down the pipe.

*Native and Non-Native English Speaking Teachers in China* - Zheng Huang 2017-07-02

This book explores the responses of Chinese English teachers (CETs) and learners to the Native English-Speaking Teacher/Non-Native English-Speaking Teacher (NEST/NNEST) issue by examining the self-perceptions of Chinese English teachers, the perceptions of Chinese learners, and the real practices of the two groups of teachers in the classroom. It reveals how Chinese students' and teachers' perceptions are influenced by the combined forces of Chinese traditional culture and globalization, how Chinese English teachers' classroom practices reflect their perceptions, and how Chinese English teachers struggle to (re)construct their professional identity as English teachers in the dominant ideology and disempowering discourse of native-speakerism. The findings also shed light on the impacts of globalization on Chinese English teachers' professional identity and provide ways to empower them as English language teaching professionals. This book will appeal to a broad readership, including foreign-language teachers - especially NNESTs - around the world, graduate students majoring in sociolinguistics, and scholars of globalization.

The Teacher Diaries - Callie Feyen 2018-02-12

What \*do\* teachers feel when facing William Shakespeare, tales of family feud, breathless kissing scenes-all in front of a class of teens who are keeping their heads down (and threatening to fall asleep or plot their next prank in the process)? We may never know what our own 8th or 9th grade teachers felt. But, on this count, educator Callie Feyen has done us a favor. She has written a poignant memoir-'The Teacher Diaries: Romeo & Juliet.' It begins with a kiss. Then, page by page, it reveals her generous, hopeful, and humorous heart. For teachers everywhere, this is a beautiful book to help them remember why they teach. For those of us who just love to get the juicy details of what someone in a challenging position \*really\* thinks, this book will satisfy (and sometimes make us laugh, or cry). \*\*\*Bonus classroom activities included.

**DIARY OF A TEACHER** - Lita T. Cruz 2016-09-13

Behind students who are confused, are teachers who fail to reach out. Lita T. Cruz, author of The Diary of a Teacher, recognizes the depth and complexity of educators as guardians entrusted with children's education and as tutors equipped with diverse degree of comprehension. Lita believes that it is the educator's responsibility to reach out, not only to brilliant students but also to apply all possible options to save slow learners from imminent failure. In The Diary of a Teacher, Lita featured a woman's struggle to life as a wife who mourns and yearns for his missing husband, as a mother who responsibly mentors her teenage children to adolescence, and as a teacher who rallies for intervention among students, teachers, and parents to enhance children's educational process.
