The Encyclopedia of the Ted Bundy Murders - Kevin Sullivan 2020-01-07

The Bundy expert's authoritative A-to-Z guide to the people and locations involved in the case against America's most infamous serial killer. True crime author of *The Bundy Murders* Kevin M. Sullivan provides a comprehensive guide to the notorious murderer's life and crimes. This alphabetized volume lists hundreds of people involved in the case as well as dozens of locations where significant events occurred. This veritable "Who's Who" of the Bundy murders is an essential reference for researchers and students of the subject. "Sullivan's A-to-Z coverage of Ted Bundy provides a solid guide to the people and places that define the man and the monster, including some not present in other Bundy narratives. It nicely rounds out his Bundy oeuvre and gives readers an extensive reference tool on one of the world's most infamous serial killers."—Katherine Ramsland, author of *Confession of a Serial Killer*

The Trail of Ted Bundy - Kevin Sullivan 2016-03-22

The untold true crime story behind the notorious serial killer who preyed on women across the United States from the author of *The Bundy Murders*. Journey back in time to when Ted Bundy was killing young women and girls in the Pacific Northwest and beyond. Within these pages, you'll find revealing stories from Bundy's friends as well as his friends of his victims—some being published for the very first time. Discover what it was like to know him while he was actively involved in murder. Learn information and anecdotes about the victims that were not previously shared with the investigators. You'll also hear from the two former detectives who worked with the author on his book, *The Bundy Murders*, as they dispel commonly held myths about Bundy and offer insight into his deadly career and its impact on those who came into contact with him. *The Trial of Ted Bundy* is the story of those who hunted Bundy, those who guarded him, and those who were otherwise part of this strange case in one way or another. "Bundy expert Kevin Sullivan has done the painstaking work of filling [in the holes in Bundy's story] and offering credible notions for those for which information might always be elusive. An important addition to true crime studies."—Katherine Ramsland, bestselling author of *Confession of a Serial Killer: The Untold Story of Dennis Rader, the BTK Killer*

Ted Bundy Conversations with a Killer - Stephen C. Michaud 1989

The Last Murder - George R. Dekle 2011-06-30

Looking at the Ted Bundy case, offers information on how a serial killer case is investigated and how a prosecution team collects and presents evidence at trial.

Ted Bundy: The Only Living Witness - Stephen G. Michaud 2020-02-06

Ted Bundy was America's first celebrity serial killer, and one of the most chilling enigmas in criminal history. Handsome, boyish and well spoken, a law student with bright political prospects, Bundy was also a predator and sexual deviant who murdered and mutilated at least thirty young women and girls, many of them college coeds, but at least two as young as twelve. Penned by two journalists in close contact with Bundy's friends and relatives, as well as spending 150 hours

interviewing him on Death Row, *Ted Bundy: The Only Living Witness* is the definitive account of America's most notorious criminal, as told by the people who knew him best.

Devil's Defender - John Browne 2016-08-01

In the tradition of bestselling legal memoirs from Johnnie Cochran, F. Lee Bailey, Gerry Spence, and Alan Dershowitz, John Henry Browne's memoir, *The Devil's Defender*, recounts his tortuous education in what it means to be an advocate—and a human being. For the last four decades, Browne has defended the indefensible. From Facebook folk hero "the Barefoot Bandit" Colton Moore, to Benjamin Ng of the Wah Mee massacre, to Kandahar massacre culprit Sgt. Robert Bales, Browne's unceasing advocacy and the daring to take on some of the most unwinnable cases—and nearly win them all—has led 48 Hours' Peter Van Sant to call him "the most famous lawyer in America." But although the Browne that America has come to know cuts a dashing and confident figure, he has forever been haunted by his job as counsel to Ted Bundy, the most famous serial killer in American history. A drug- and alcohol-addicted (yet wildly successful) defense attorney who could never let go of the case that started it all, Browne here asks of himself the question others have asked him all along: does defending evil make you evil, too?

Defending the Devil - Polly Nelson 2019-02-04

Charged with defending the convicted and unrepentant mass murderer Ted Bundy during the last three years of his life, newly-minted Washington, D. C. attorney Polly Nelson fought to keep him out of the electric chair. In the now-classic *Defending the Devil*, she recounts with powerful honesty her own challenging role in the drama. Viewing herself as a compassionate humanitarian first, Nelson reveals her struggle to uphold her professional vow to represent her client (and try to save his life) while simultaneously being deeply mortified by the magnitude of his heinous crimes. Bundy's legal proceedings are meticulously recounted here, offering an eye-opening glimpse into the complex judicial appeals system. In addition to her fascinating behind-the-scenes look at the court proceedings, Nelson offers her unique insight into the mind of the killer. She paints a portrait of him as something less-than the diabolical evil genius suggested by his notoriety. While making no excuses for his despicable actions and acknowledging his "absolute misogyny," Nelson explores psychological angles to the case that many previously ignored. Showing a decidedly humanist slant, she brings Bundy's overt mental illness to the fore and makes a compelling case against the use of capital punishment. While ultimately unable to stay Bundy's execution, Nelson found a true calling in the fight to appeal the sentence. With candor and wit, she shares her own personal journey of emotional and intellectual transformation as a lawyer. "I was born to represent Ted Bundy," she writes.

The Stranger Beside Me - Ann Rule 2012-11-28

"If You Love Me, You Will Do My Will": The Stranger-Than-Fiction Saga of a Trappist Monk, a Texas Widow, and Her Half-Billion-Dollar Fortune - Stephen G. Michaud 1990-03-01
Some images in this ebook are not displayed owing to permissions issues.

Talking with Serial Killers - Christopher Berry-Dee 2013-05-23

An investigative criminologist, Christopher Berry-Dee is a man who talks to serial killers. Their pursuit of horror and violence is described in their own words, transcribed from audio and videotape interviews conducted deep inside some of the toughest prisons in the world. Berry-Dee describes the circumstances of his meetings with some of the world's most evil men and reproduces, verbatim, their very words as they describe their crimes and discuss their remorse -- or lack of it. This work offers a penetrating insight into the workings of the criminal mind.

Whisper of Fear - Rhonda B. Saunders 2008

A California prosecutor and leading authority on the crime of stalking draws on key experiences from her own career to provide a revealing look at the nature of the crime, the underappreciated dangers of stalking, the behavior and characteristics of stalkers, and the legal weapons she has developed to battle stalking and protect victims.

Ted Bundy - Ryan Becker 2018-03-22

The most fearsome Serial Killer in U.S. history. A murderer's tale is not always shrouded in darkness, trauma, and failure to perform as a normal person. Some killers are just as successful in life as those around them or even more so. They are able to function as any regular human being and charm their communities and victims into believing that they are of a good, pure nature. Ted Bundy was a handsome, charming and ambitious man who carried his hatred deeper and more hidden than any other murderers do. He was able to lead a life that included normal friendships and relationships, and he even got far as both a student and a politician. But the hatred was there...it was always there... Bundy ended the lives of over thirty young women, ensuring that their final moments were ugly and violent. His torture methods were cruel, and there was no mercy shown to each female as he bludgeoned, strangled or cut them. Ted Bundy - The Campus Killer - a name of nightmares. This is his story.

Ted Bundy - Savannah Crawford 2021-03-07

Not all monsters lurk in shadow, and sometimes the truest evils hide in plain sight. The story of the most popular serial killer to ever ravage the United States tells of such a case: when the world was forced to see the creature behind the charm. For history remembers Ted Bundy for two things: his grisly murders, and the circus surrounding his trial. During the seventies Ted Bundy terrorized, raped, assaulted, and murdered dozens of young women across seven states before he was finally caught and executed. But the story of Ted Bundy is much bigger than the scope of his crimes or the depth of his depravity, as it lies in the stories and memories of his victims, and the lasting effect this malicious monster had on the collective psyche of a nation. The life and crimes of Ted Bundy are reexamined in *Ted Bundy: A Serial Killer Among Us*, a new and comprehensive biography of the captivating killer who terrorized a nation. Giving close consideration to the effects of his trial and the media surrounding it, this book offers up new ways to consider and condemn the man inside the monster.

The Bundy Murders - Kevin M. Sullivan 2020-04-09

In this revised, updated and expanded edition, the author explores the life of Theodore Bundy, one of the more infamous--and flamboyant--American serial killers on record. Bundy's story is a complex mix of psychopathology, criminal investigation, and the U.S. legal system. This in-depth examination of Bundy's life and his killing spree that totaled dozens of victims is drawn from legal transcripts, correspondence and interviews with detectives and prosecutors. Using these sources, new information about several murders is unveiled. The biography follows Bundy from his broken family background to his execution in the electric chair.

Ed Kemper: Conversations with a Killer - Dary Matera 2021-07-20

The third title in our *Conversations with a Killer* series focuses on one of the most notorious serial killers of the 1970s, Ed Kemper, a key character in the hit Netflix series *Mindhunter*. If there ever was a human monster that walked this earth, it was the highly intelligent, psychotic, 6'9" killer Edward "Big Ed" Kemper. As a troubled 15-year-old, Kemper shot and killed his grandparents. Eight years later, he went on an 11-month reign of terror slaughtering and dismembering six

college co-eds in California, brutally killing his mother with a hammer, and breaking her best friend's neck. Kemper, 71, remains alive at the California Medical Facility in Vacaville, more intimidating now than ever. Masterful crime writer Dary Matera tells Kemper's full, shocking story, interweaving insights from the killer himself.

Charles Manson: Conversations with a Killer - Edward George 2020

This is the story of the real Charles Manson and who he was during his life behind bars, as told by his prison counselor. Charles Manson died in prison in 2017 at the age of 83, his reputation as an unhinged cult leader largely intact. But to those who studied and "knew" Manson, there were always two sides to him: the wild-eyed leader of his eponymous "Family" who was convicted of directing a series of brutal and shocking murders, and the more controlled and rational person he became when no one was recording him. In *Charles Manson: Conversations with a Killer*, Edward George, Manson's longtime prison counselor, recounts his many behind-the-scenes conversations with Manson throughout his years at both San Quentin State Prison and the California Medical Facility. Originally published in 1998 under the title *Taming the Beast: Charles Manson's Life Behind Bars*, this revised edition includes a new foreword by the original authors that details all that has transpired--including Manson's death--since the initial publication of the book.

I'm Not Guilty! - Al Carlisle 2020

Dark Dreams - Roy Hazelwood 2010-04-01

The *Evil That Men Do* introduced readers to the lifework and the techniques of FBI profiler Roy Hazelwood. Now, in *Dark Dreams*, Hazelwood-- writing with bestselling author Stephen G. Michaud-- will take then deep into the minds of his prey, the world's most dangerous sexual criminals, and reveal the extent to which these individuals permeate our society. Profiler Roy Hazelwood is one of the world's leading experts on the strangest and most dangerous of all aberrant offenders-- the sexual criminal. In *Dark Dreams* he reveals the twisted motive and thinking that go into the most reprehensible crimes. He also catalogs the innovative and remarkably effective techniques-- investigative approaches that he helped pioneer at the FBI's Behavioral Science Unit-- that allow law enforcement agents to construct psychological profiles of the offenders who commit these crimes. Hazelwood has helped track down some of the most violent and well-known criminals in modern history; in *Dark Dreams* he takes readers into his world-- a sinister world inhabited by scores of dangerous offenders for every Roy Hazelwood who would put them behind bars: * A young woman disappears from the convenience store where she works. Her skeletonized remains are found in a field, near a torture device. Who committed this heinous crime? And why? * A teenager's body is found hanging in a storm sewer. His clothes are neatly folded by the entrance and a stopwatch is found in his mouth. Is he the victim of a bizarre, ritualistic murder...or an elaborate masturbatory fantasy gone awry? * A married couple, driving with their toddler in the backseat, pick up a female hitchhiker. They kidnap her and for seven years keep her as a sexual slave. The wife agreed to this inhuman arrangement in exchange for having a second child. Who was to blame? As gruesome as the crimes are and as unsettling as the odds seem, Hazelwood proves that the right amount of determination and logic can bring even the most cunning and devious criminals to justice. *Dark Dreams* is a 2002 Edgar Award Nominee for Best Fact Crime.

The Devil's Right-Hand Man - Stephen G. Michaud 2007-10-02

The case of Robert Charles Browne, who may be one of America's most prolific serial killers, was supposed to be a cold one. But that was before three retired buddies took it on. "The score is you one, the other team 48," wrote Robert Charles Browne in March 2000, from his prison cell in Colorado, where he was serving a life sentence for a girl's murder. "Seven sacred virgins entombed side by side, those less worthy are scattered wide." No one in local law enforcement knew what to make of this message. Then three friends, volunteer members of the El Paso Sheriff's Department cold case squad, decided to write back to Browne. Browne boasted about having killed as many as forty-eight people in a cross-country murder spree spanning twenty-five

years. As the old friends parsed the riddles, investigators followed clues leading to a confession and the closure of another heartbreaking case. This is their story. Includes photographs

[Ted Bundy](#) - Stephen G. Michaud 2000

Drawn from more than 150 hours of exclusive tape-recorded interviews with Bundy, this collection provides shocking insights into the killer's 11th-hour confessions before his death in a Florida electric chair. A unique, horrifying self portrait of one of the most savage sex killers in history.

Robert's Story - Stephen G. Michaud 2022-09-13

Tired, disoriented, and confused, Robert East was no match for the wolves when they arrived. Robert East loved his older brother, Tom, but always resented Tom's favored role in the family cattle business based at their San Antonio Viejo ranch near Hebbronville, Texas, just north of the Rio Grande. Tom was a figure to be reckoned with, a cattleman with ambitions to supplant their Uncle Bob Kleberg, head of the enormous King Ranch, as the leading cattle raiser in Texas. Robert, by contrast, was a cowboy who cared little for what occurred beyond the San Antonio Viejo's main gate. Handsome and ornery, with no head for business, he nevertheless chafed in his brother's shadow until 1984, when Tom died young of a heart attack, just as their father, Tom East, Sr., had 40 years earlier. Suddenly Robert was the new and untested patrón of 250,000 acres of East Family ranchland--and the majority owner of the ocean of natural gas pooled beneath East rangeland. It was his turn to issue the orders. Robert's contentious nature drove the Easts into bitter intra-family legal hostilities that persisted for a decade. He lost his beloved sister, Lica, to cancer, and as old age advanced, he found himself alone and isolated on a remote ranch with only an unreliable foreman and a scattering of vaqueros and other workers for company. The physical wear and tear from decades of working cattle on horseback began to show. Robert's knees gave out, and he developed serious cardiovascular problems. His doctors prescribed pain pills, sedatives, and medications for his chronic depression. In 2000, drillers hit the most productive gas well in the U.S, if not the world, on East property, making the rich old man suddenly and spectacularly wealthy beyond his comprehension. Soon enough the wolves began to circle, and Robert's grotesque final days were at hand.

Ted and Ann - Rebecca Morris 2011-09-01

"While Ted Bundy might be the greatest evil enigma ever, author Rebecca Morris strips away the layers of the greatest mystery of his life--what was his connection to the disappearance of Ann Marie Burr?"--Publisher.

The Evil That Men Do - Stephen G. Michaud 2010-04-01

Twenty-two years in the FBI, sixteen of them as a member of the Bureau's Behavioral Science Unit. Thousands of homicides, rapes, suicides, and other gruesome crimes. Roy Hazelwood, like many investigators, has seen it all. But unlike most, he's gone further -- into the dark and twisted psyches of serial killers and sadistic sexual offenders -- and has emerged as one of the world's foremost experts on the sexual criminal. Now, acclaimed true-crime writer Stephen G. Michaud takes you into the heart of Hazelwood's work through dozens of startling cases, including those of the Lonely Heart Killer, the "Ken and Barbie" killings, the Atlanta Child Murders, and many more. Here Michaud and Hazelwood go beyond the lurid details, to a deeper understanding of the depraved minds behind the grisly crimes, in a stark, startling, and fascinating work you will not soon forget.

[Ted Bundy](#) - James Richmond 2021-03-25

Discover The Terrifying True Crime Story of America's Most Notorious Serial Killer - Ted Bundy Delve into a chilling darkness of the serial killer world and explore it through the eyes of victims, detectives, witnesses, and other people who were involved and experience the whole new dimension of true-crime storytelling. Described as "a sadistic sociopath who took pleasure from another human's pain and the control he had over his victims, to the point of death, and even after," Ted Bundy was a nightmare in disguise. [The 1976 Psychological Assessment of Ted Bundy](#) - Al Carlisle 2020

"Do you think I killed those girls?" Ted Bundy asked me this question after we had completed the final interview. We were standing in the corridor outside my office and Ted was about to return to his cell. It was an unusual question to ask... I was caught off guard by the question." "With this question, Ted had put me in a lose-lose situation. My best option might have been to tell him that I couldn't, or wouldn't, answer his question. However, I said to him, "I don't know, but if you did, I believe you will do it again." I'm sure it wasn't what he wanted to hear. He didn't say anything. He turned and walked back to his cell. In future conversations we had together he never again asked that question." "Putting all the information I had gleaned from the test data as well as the phone conversations and the personal interviews with Ted? I concluded that it was my opinion that Ted's personality fit the crime for which he was found guilty. I submitted my report to the court. Then all hell broke loose." - from The 1976 Psychological Assessment of Ted Bundy Dr. Carlisle was part of the 90-Day Diagnostic team at the Utah State Prison tasked by the judge to determine to the best of his ability, without being biased by any of the reports previously done, whether Ted Bundy had a violent personality. Many books have been written about Bundy, but rarely have we had the opportunity to understand the inner workings of his mind. Now, Dr. Carlisle shares the step-by-step psychological assessment process regarding how he determined that Bundy was indeed a violent person and would likely continue to kill if he was set free. This book contains never-before-seen interviews with Ted and those who knew him, along with some of Bundy's assessments, and a letter he wrote to Dr. Carlisle. Book four in the Development of the Violent Mind series.

Ted Bundy - Steven Winn 1979

Why We Love Serial Killers - Scott Bonn 2014-10-28

For decades now, serial killers have taken center stage in the news and entertainment media. The coverage of real-life murderers such as Ted Bundy and Jeffrey Dahmer has transformed them into ghoulish celebrities. Similarly, the popularity of fictional characters such as Hannibal "The Cannibal" Lecter or Dexter demonstrates just how eager the public is to be frightened by these human predators. But why is this so? Could it be that some of us have a gruesome fascination with serial killers for the same reasons we might morbidly stare at a catastrophic automobile accident? Or it is something more? In *Why We Love Serial Killers*, criminology professor Dr. Scott Bonn explores our powerful appetite for the macabre, while also providing new and unique insights into the world of the serial killer, including those he has gained from his correspondence with two of the world's most notorious examples, David Berkowitz ("Son of Sam") and Dennis Rader ("Bind, Torture, Kill"). In addition, Bonn examines the criminal profiling techniques used by law enforcement professionals to identify and apprehend serial predators, he discusses the various behaviors—such as the charisma of the sociopath—that manifest themselves in serial killers, and he explains how and why these killers often become popular cultural figures. Groundbreaking in its approach, *Why We Love Serial Killers* is a compelling look at how the media, law enforcement agencies, and public perception itself shapes and feeds the "monsters" in our midst.

Confession of a Serial Killer - Katherine Ramsland, PhD 2016-09-06

In 1974, Dennis Lynn Rader stalked and murdered a family of four in Wichita, Kansas. Since adolescence, he had read about serial killers and imagined becoming one. Soon after killing the family, he murdered a young woman and then another, until he had ten victims. He named himself "B.T.K." (bind, torture, kill) and wrote notes that terrorized the city. He remained on the

loose for thirty years. No one who knew him guessed his dark secret. He nearly got away with his crimes, but in 2004, he began to play risky games with the police. He made a mistake. When he was arrested, Rader's family, friends, and coworkers were shocked to discover that B.T.K. had been among them, going to work, raising his children, and acting normal. This case stands out both for the brutal treatment of victims and for the ordinary public face that Rader, a church council president, had shown to the outside world. Through jailhouse visits, telephone calls, and written correspondence, Katherine Ramsland worked with Rader himself to analyze the layers of his psyche. Using his drawings, letters, interviews, and Rader's unique codes, she presents in meticulous detail the childhood roots and development of one man's motivation to stalk, torture, and kill. She reveals aspects of the dark motivations of this most famous of living serial killers that have never before been revealed. In this book Katherine Ramsland presents an intelligent, original, and rare glimpse into the making of a serial killer and the potential darkness that lives next door.

Left for Dead (Movie Tie-in Edition) - Beck Weathers 2015-09-15

With a new preface by the author • As featured in the upcoming motion picture Everest, starring Jason Clarke, Josh Brolin, John Hawkes, Robin Wright, Emily Watson, Keira Knightley, Sam Worthington, and Jake Gyllenhaal "I can tell you that some force within me rejected death at the last moment and then guided me, blind and stumbling—quite literally a dead man walking—into camp and the shaky start of my return to life." In 1996 Beck Weathers and a climbing team pushed toward the summit of Mount Everest. Then a storm exploded on the mountain, ripping the team to shreds, forcing brave men to scratch and crawl for their lives. Rescuers who reached Weathers saw that he was dying, and left him. Twelve hours later, the inexplicable occurred. Weathers appeared, blinded, gloveless, and caked with ice—walking down the mountain. In this powerful memoir, now featuring a new Preface, Weathers describes not only his escape from hypothermia and the murderous storm that killed eight climbers, but the journey of his life. This is the story of a man's route to a dangerous sport and a fateful expedition, as well as the road of recovery he has traveled since; of survival in the face of certain death, the reclaiming of a family and a life; and of the most extraordinary adventure of all: finding the courage to say yes when life offers us a second chance. Praise for Left for Dead "Riveting . . . [a] remarkable survival story . . . Left for Dead takes a long, critical look at climbing: Weathers is particularly candid about how the demanding sport altered and strained his relationships."—USA Today "Ultimately, this engrossing tale depicts the difficulty of a man's struggle to reform his life."—Publishers Weekly

Violent Mind - Al Carlisle 2017-09

In 1976, no one really knew how violent Ted Bundy really was. Follow step by step through this previously unpublished psychological assessment of Ted Bundy to see how the picture of Bundy's violent mind was discovered for the first time.

Ted Bundy: Conversations with a Killer - Stephen G. Michaud 2019-07-02

In a series of death row interviews done shortly before his execution, infamous serial killer Ted Bundy gave a third-person "confession" of his many murders. This definitive book on Bundy was recently made into a Netflix documentary. What goes on in the mind of a serial killer? Drawn from more than 150 hours of exclusive tape-recorded interviews with the handsome, charismatic Bundy, whose grisly killing spree left at least 30 young women dead across seven states between 1974 and 1978, this chilling exposé provides a shocking self-portrait of one of the most savage sex murderers in history. Speaking eerily in the third person, Bundy reveals appalling details about his crimes, discloses how he attracted his victims, explains how he methodically disguised his acts, and recounts his two daring jailbreaks. Bundy also offers his thoughts on other infamous serial killers, including John Wayne Gacy and Son of Sam.

The Riverman - Robert Keppel 2010-06-15

After a search of over twenty years, one of America's most elusive serial killers was finally apprehended. Now, read the true story of one man's attempt to get inside the mind of the Green River Killer July 15, 1982: 3 woman's strangled body was filed, caught on the pilings of

Washington state's Green River. Before long, the "Green River Killer" would be suspected in at least forty-nine more homicides, with no end in sight. Then the authorities received an unbelievable letter from the infamous serial killer Ted Bundy -- then on Florida's death row -- offering to help catch the Green River Killer. But he would only talk to one man: Robert Keppel, the former homicide detective who had helped track Bundy's cross-county killing spree. Now these conversations are revealed, in which Bundy speculates about the motive and methods of the Green River Killer -- and reveals his own twisted secrets as well. Now, as never before, we look into the face of evil...and into the heart of a killer.

The Only Living Witness - Stephen G. Michaud 1999-07-19

"The Only Living Witness" towers over the rest of the Ted Bundy bookshelf . . . (as) a monument to book-length journalism" (Jack Olsen, author of "The Misbegotten Son"). "A shining example of excellent reporting, fine writing, and a story of enduring value."--Carlton Stowers, author of "Careless Whispers."

The Autobiography of Jack the Ripper - James Carnac 2013-09-03

"It's either a genuine confession by Jack the Ripper, or it's an extraordinary novel...Only you can decide."—Paul Begg, author of Jack the Ripper: The Definitive History In the Whitechapel neighborhood of London in 1888, five women were horribly mutilated and murdered by the infamous killer, Jack the Ripper. Though there were many suspects, the monster was never caught. This recently discovered memoir from the 1920s introduces a new suspect: James Willoughby Carnac, a little-known figure who claims to have been the Ripper. Carnac describes the events and geography of Whitechapel in 1888 with chilling accuracy, including details of the murders that appear to have been unavailable to the public at the time. He presents a credible motive for becoming Jack, and, for the first time ever, a reason for ending the killing spree. Ultimately, you, the reader, must decide if this is simply one of the earliest imaginings of the case—and a groundbreaking literary addition to the Ripper canon—or if it is the genuine autobiography of Jack the Ripper himself. "A text that will no doubt be debated for years to come."—Alan Hicken, Montacute Museum, Somerset, England "Intricate and creepy."—The Daily Express (UK) "Easily read and worth it for the ending."—Kirkus

The Night Stalker - Philip Carlo 2013-04-02

"We've all got the power in our hands to kill, but most people are afraid to use it. The ones who aren't afraid control life itself."--Richard Ramirez Ten years after the murder spree that left thirteen people dead and paralyzed the city of Los Angeles with fear, his name is synonymous with Satanism, torture and sadistic murder. Yet despite the sensational nature of his crimes, no one has ever been able to tell the complex story of the killer whose seductive, brooding looks still draw women like moths to a flame--a man millions call the devil himself. Until Now. . . Painstakingly researched over three years, based on nearly one hundred hours of exclusive interviews with Richard Ramirez on California's Death Row, The Night Stalker is the definitive account of America's most feared serial murderer. From Ramirez's earliest brushes with the law to his deadliest stalking expeditions to the unprecedented police and civilian manhunt that resulted in one of the most sensational trails in California history, The Night Stalker is an eerie and spellbinding descent into the very heart of human evil. It is more than epic nonfiction at its brutally real-it is a true crime masterpiece.

Murderers Among Us - Stephen G. Michaud 1991

A chilling roundup of bizarre and brutal unsolved murders and mysterious deaths offers valuable information on some of the most dangerous killers still at large in the United States

Honeytrap - Kanika Batra 2020-11-30

What should have been a casual summer day at Lake Sammamish State Park soon became a nationwide manhunt, inducing mass hysteria. It's the year of 1974 in Seattle, Washington. Young women are vanishing in the city and its surrounds at an alarming rate, and they all bear a striking resemblance to one another. Panic seeps into the community and women fear leaving their homes alone. Pretty coeds are being snatched, but it's seemingly impossible to understand why

and how. It's assumed that only one killer is at work until the bodies of young decapitated males start appearing in ravines and wild bushland, with their hands and feet dismembered. A reign of terror has seized the Pacific Northwest, but those responsible for the gruesome crimes are the least likely suspects - nobody is on their trail. It's hard to fathom that two killers are hunting on the same grounds, and almost inconceivable that they're soon to strike up a relationship. Maris Caldwell is a vivacious 23-year-old woman, an heiress to the Caldwell Hotels dynasty, with the world at her fingertips. An exquisite beauty with intelligence and magnetism, on the surface Maris is the perfect daughter with a bright future as a doctor. She ought to fear for her life, but the violence seems so far away from her manse in Bellevue. Her world rapidly begins to unravel when her closest friend Carol disappears, along with another pretty, young blonde, leaving behind her car and a plethora of unanswered questions. All the police have to go on is a physical description that could mirror half of Seattle's population, and a name: Ted.

Ted Bundy - Stephen G. Michaud 2019

"A chilling exposé is drawn from more than 150 hours of exclusive tape-recorded interviews with Ted Bundy...It is a shocking self-portrait of the self-described, 'most cold-blooded son of a bitch you'll ever meet' that was also recently made into a Netflix documentary."--Page [4] of cover.

The Phantom Prince - Elizabeth Kendall 2020-01-07

The inspiration for the five-part Amazon Original docuseries *Ted Bundy: Falling for a Killer* This updated, expanded edition of *The Phantom Prince*, Elizabeth Kendall's 1981 memoir detailing her six-year relationship with serial killer Ted Bundy, includes a new introduction and a new afterword by the author, never-before-seen photos, and a startling new chapter from the author's daughter, Molly, who has not previously shared her story. Bundy is one of the most notorious serial killers in American history and one of the most publicized to this day. However, very rarely do we hear from the women he left behind—the ones forgotten as mere footnotes in this tragedy. The

Phantom Prince chronicles Elizabeth Kendall's intimate relationship with Ted Bundy and its eventual unraveling. As much as has been written about Bundy, it's remarkable to hear the perspective of people who shared their daily lives with him for years. This gripping account presents a remarkable examination of a charismatic personality that masked unimaginable darkness.

Face to Face with Evil - David Shaw obo Dr Chris Cowley 2011-01-04

ON 15 MAY 2017, IAN BRADY DIED IN HOSPITAL, ENTIRELY UNREPENTANT OF HIS EVIL CRIMES. WITH HIM ALMOST CERTAINLY DIED THE SECRET OF WHERE THE BODY OF TWELVE-YEAR-OLD KEITH BENNETT, THE LAST OF HIS AND MYRA HINDLEY'S YOUNG VICTIMS, LIES. Ian Brady was one of the most notorious and reviled serial killers in Britain. With his co-conspirator, Myra Hindley, he committed what became known as 'the Moors Murders' in which five children were abducted, assaulted and murdered. Dr Chris Cowley has a PhD in Cognitive Psychology and lectures in Forensic Criminology. He is in the unique position of having had exclusive access to Brady and, for six years, conducted groundbreaking research by corresponding with Brady and visiting him in prison. By gaining his trust, Cowley was able to take an unrivalled look inside the mind of a serial killer. This in-depth and revealing book reproduces letters and transcripts of conversations with Brady which, until the first edition came out, had never been published before. Using this fresh perspective and original material, Dr Cowley sheds new light on what went wrong in Brady's formative years to set him on a path of crime, and how Hindley became the lethal factor that started Brady's murder cycle. It also reveals Brady's unflinching account of being caught and convicted of serial murder, and his thoughts and emotions concerning Hindley, recorded as he moved into his second decade on hunger strike. This important study provides information that is essential to our understanding of the psychology of serial killers. By broadening our knowledge of these complex issues, we can increase the likelihood of catching murderers, and perhaps even prevent their terrible crimes from taking place.
