Ten Powerful Things to Say to Your Kids - Paul Axtell 2018-05
This is the second edition of Paul Axtell's award-winning book that helps parents use the power of conversation to create remarkable relationships with their kids. New sections on technology, self-esteem, and human hardwiring incorporate the latest research with how it impacts families.

The Science of Getting Rich - Wallace D Wattles 2020-04-13
Everyone wants to be rich, but do you know that there is a SCIENCE OF GETTING RICH. This book explains in simple steps how you can first ready yourself to earn more, without hassles or worries. From the simplest question of who all can actually get rich, to the small steps taken - like developing a will power, showing gratitude, getting into the right business - have been explained in detail, in everyday terms. Read on, and find out the secret behind changing your life and the way you earn.

Things Fall Apart - Chinua Achebe 2013-04-25
Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*.

Think and Grow Rich: A Black Choice - Dennis Kimbro 2011-06-29
"An inspiring an powerful success guide." ESSENCE Author and

entrepreneur Dennis Kimbro combines best-selling author Napoleon Hill's law of success with his own vast knowledge of business, contemporary affairs, and the vibrant culture of Black America to teach you the secrets to success used by scores of Black Americans, including: Spike Lee, Jesse Jackson, Dr. Selma Burke, Oprah Winfrey, and many others. The result is inspiring, practical, clearly written, and totally workable. Use it to unlock the treasure you have always dreamed of—the treasure that at last is within your reach.

Think And Grow Rich - Napoleon Hill 2007-12

13 Things Mentally Strong Women Don't Do - Amy Morin 2018-12-31
In the time of the #MeToo and #TimesUp movement, international

best-selling author and leading global expert on mental strength Amy Morin turns her focus to feminism, explaining what it means—and what it takes—to be a mentally strong woman. The emergence of the #MeToo and #TimesUp movements have awakened society and encouraged women to find their voice and claim their power. But to do this, women must learn to improve their own mental strength. Contending with a host of difficult issues—from sexual assault on college campuses, to equal pay and pay gaps, to mastering different negotiation styles—demands psychological toughness. In this crucial book, prominent psychotherapist and licensed clinical social worker Amy Morin gives women the techniques to build mental muscle—and just as important, she teaches them what not to do. What does it mean to be a mentally strong woman? Delving into critical issues like sexism, social media, social comparison, and social pressure, Amy addresses this question and offers thoughtful, intelligent advice, practical tips, and specific strategies and combines them with personal experiences, stories from former patients, and both well-known and untold examples from women from across industries and pop culture. Throughout, she explores the areas women—and society at large—must focus on to become (and remain) mentally strong. Amy reveals that healthy, mentally tough women don't insist on perfection; they don't compare themselves to other people; they don't see vulnerability as a weakness; they don't let self-doubt stop them from reaching their goals. Wise, grounded, and essential, *13 Things Mentally Strong Women Don't Do* can help every woman flourish—and ultimately improve our society as well.

How the Other Half Lives - Jacob August Riis 1914

"Originally published in 2010 in the United States by London House Press. This edition issued based on the hardcover edition published in 2014 in the United States by Simple Truths, an imprint of Sourcebooks"--Title page verso.

The Tap - Frank McKinney 2009-02-13

Discover a profound spiritual practice leading to success in the business of life. The Tap is about accepting the inherent responsibility and gaining the confidence in your ability to handle more, whether it's more wealth, health, happiness, or relationships. This book is for those who don't feel they're succeeding at the level they desire in the business we're all in: the business of life. Whether you're seeking greater financial rewards or some other kind of uplift, this book reveals there's one solution: Learning to feel The Tap and then acting on it. It primes you to start thinking that the rewards of success aren't meant for you alone, regardless of whether those rewards are already in hand or coming soon. But the rewards will come with astonishing speed and size to those who act on the greater responsibility that comes with greater blessings. Inspired by the biblical passage, 'from those to whom much is entrusted, much will be expected,' The Tap promises readers that as they attune themselves to this enduring truth, they'll feel God's tap and experience breakthroughs beyond comprehension. In *The Tap*, renowned real-estate "rock czar" Frank McKinney reveals the most important spiritual principle and practice of his astronomical success. He reveals how God has tapped him (and taps everyone) many times in life, answering prayers and presenting life-changing opportunities. Why, then, haven't you always recognized your own "Tap Moments"? The author explains this common oversight and leads you to find how you, too, have been blessed with the special ability

to succeed at some level, yet the rewards of your success aren't meant for you alone. The author isn't a preacher or man of the cloth; he's a businessman who's discovered that faithful stewardship is a prerequisite to receiving greater resources. This inspiring yet practical guide is for those who want to succeed at a higher level with the business we're all in: the business of life. In *The Tap*, McKinney shows how you, too, can enrich your life beyond what you might ever have imagined for yourself--if you learn how to listen and respond to The Tap. The Tap: Feel it, follow it, and find your highest calling. Sensitize yourself to God's call and be prepared for the times when you're most likely to experience Tap Moments. Have confidence to handle the rapid rate of ascent that usually accompanies The Tap. Realize why you can't really understand or apply such popular ideas as the law of attraction and 'the secret' until you've been tapped. Combine compassionate capitalism and spiritual stewardship for progressive business models and practices.

Simply Rich: Life and Lessons from the Co-founder of Amway - Rich DeVos 2016-03

In this candid autobiography, Amway cofounder Rich DeVos reflects on work, faith, family, and the core values he's held on to, from his humble Christian upbringing through his enormous success running one of the world's largest businesses. Few people embody the American entrepreneurial spirit as plainly as Rich DeVos. A prominent businessman, self-made billionaire, philanthropist, worldwide speaker, bestselling author, family man, and devout Christian, DeVos not only helped create Amway, one of the world's biggest companies, but he did it from the ground up with his deep faith in God guiding the way and keeping his hopes alive. Now after the success of his bestselling books in business, DeVos reveals his personal story. Born to poor Dutch immigrants in rural Michigan during the Depression, DeVos learned about the importance of leadership and partnership. His grandfather, father, and teachers taught him valuable lessons and key principles about faith, optimism, and perseverance that would guide his entire life. In high school, he befriended Jay Van Andel, who later became his business partner. Together, they created a whole new way to sell products and established

one of the largest, most successful companies in the world. DeVos also talks about his marriage and family, his experiences as a motivational speaker, his ownership of the NBA basketball team Orlando Magic, and his philanthropic, religious, and political endeavors. Inspiring, fascinating, and full of heart, *Simply Rich: Life and Lessons from the Cofounder of Amway* is the astonishing rags-to-riches story that few can tell. Through his amazing accomplishments as both a businessman and generous soul, DeVos reveals the true meaning of success and how his deep faith helped him become a true American icon.

Your Money: The Missing Manual - J.D. Roth 2010-03-04

Keeping your financial house in order is more important than ever. But how do you deal with expenses, debt, taxes, and retirement without getting overwhelmed? This book points the way. It's filled with the kind of practical guidance and sound insights that makes J.D. Roth's *GetRichSlowly.org* a critically acclaimed source of personal-finance advice. Even if you have perfect credit and no debt, you'll learn ways to make your rosy financial situation even better. Get the info you need to make sensible decisions on saving, spending, and investing Learn the best ways to set and achieve financial goals Set up a realistic budget framework and learn how to track expenses Discover proven methods to help you eliminate debt Understand how to use credit wisely Win big by making smart decisions on your home and other big-ticket items Learn how to get the most from your investments by avoiding rash decisions Decide how -- and how much -- to save for retirement

It Is Fun Making Money - G. W. King Jr. 2012-02

It Is Fun Making Money is the autobiography and travel memoirs of G.W. King Jr. He and his wife, Edna, have been married for more than 40 years and have been financially independent for three-quarters of their married lives. The pair are motivational speakers who have traveled to more than 50 countries around the world. King's book offers a unique perspective on the topic of making a living--that it can be fun--and shows readers how they can adopt a positive attitude toward achieving their goals, all while

adhering to basic Christian principles. Of course, it takes work to be successful, but with this book, readers will learn that working at what they love and believe in can also be fun Green Light is on. Go for your dream. gwking@gwking.net

The Millionaire Mind - Thomas J. Stanley 2010-12-03

The New York Times bestseller that gives "readers with an entrepreneurial turn of mind . . . road maps on how millionaires found their niches" (USA Today). The author of the blockbuster bestseller *The Millionaire Next Door: The Surprising Secrets of America's Wealthy* shows how self-made millionaires have surmounted shortcomings such as average intelligence by carefully choosing their careers, taking calculated risks, and living balanced lifestyles while maintaining their integrity. Dr. Thomas J. Stanley also builds on his research from *The Millionaire Next Door* and takes us further into the psyche of the American millionaire. Stanley focuses in on the top one percent of households in America and tells us the motor behind the engine; what makes them tick. His findings on how these families reached such financial success are based on in-depth surveys and interviews with more than thirteen hundred millionaires. "A very good book that deserves to be well read." —The Wall Street Journal "Worth every cent . . . It's an inspiration for anyone who has ever been told that he wasn't smart enough or good enough." —Associated Press "A high IQ isn't necessarily an indicator of financial success . . . Stanley tells us that the typical millionaire had an average GPA and frugal spending habits—but good interpersonal skills." —Entertainment Weekly "Ideas bigger than the next buck." —Orlando Sentinel

Simply Rich: Life and Lessons from the Cofounder of Amway - Rich DeVos 2014-04-01

In this candid autobiography, Amway cofounder Rich DeVos reflects on work, faith, family, and the core values he's held on to, from his humble Christian upbringing through his enormous success running one of the world's largest businesses. Few people embody the American entrepreneurial spirit as plainly as Rich DeVos. A prominent businessman, self-made billionaire, philanthropist, worldwide speaker, bestselling author, family man, and devout Christian, DeVos not only helped create

Amway, one of the world's biggest companies, but he did it from the ground up with his deep faith in God guiding the way and keeping his hopes alive. Now after the success of his bestselling books in business, DeVos reveals his personal story. Born to poor Dutch immigrants in rural Michigan during the Depression, DeVos learned about the importance of leadership and partnership. His grandfather, father, and teachers taught him valuable lessons and key principles about faith, optimism, and perseverance that would guide his entire life. In high school, he befriended Jay Van Andel, who later became his business partner. Through his amazing accomplishments as both a businessman and generous soul, DeVos reveals the true meaning of success and how his deep faith helped him become a true American icon.

Communities in Action - National Academies of Sciences, Engineering, and Medicine 2017-04-27

In the United States, some populations suffer from far greater disparities in health than others. Those disparities are caused not only by fundamental differences in health status across segments of the population, but also because of inequities in factors that impact health status, so-called determinants of health. Only part of an individual's health status depends on his or her behavior and choice; community-wide problems like poverty, unemployment, poor education, inadequate housing, poor public transportation, interpersonal violence, and decaying neighborhoods also contribute to health inequities, as well as the historic and ongoing interplay of structures, policies, and norms that shape lives. When these factors are not optimal in a community, it does not mean they are intractable: such inequities can be mitigated by social policies that can shape health in powerful ways. *Communities in Action: Pathways*

to Health Equity seeks to delineate the causes of and the solutions to health inequities in the United States. This report focuses on what communities can do to promote health equity, what actions are needed by the many and varied stakeholders that are part of communities or support them, as well as the root causes and structural barriers that need to be overcome.

The Relational Manager - Michael Schluter 2011-07-15

This inspiring new approach is based on extensive research by an expert on relationships and supported by a wealth of statistics and case studies. Relationships are at the heart of all that we do and achieve, indeed our very identity. When relationships are neglected in a business context, the authors argue, they lead to poor health, ineffective management and low output at work. The authors focus on 5 key components of successful relationships and how these can be achieved: Encounter (personal rather than impersonal contact is best); Storyline (strength of the relationship over time); Knowledge (how deeply is information shared?); Fairness (equal treatment and mutual respect); Alignment (sharing values, objectives and purpose).

Secrets of the Millionaire Mind - T. Harv Eker 2009-10-13

Secrets of the Millionaire Mind reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking *Secrets of the Millionaire Mind*, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The

good news is that now you can actually reset your money blueprint to create natural and automatic success. *Secrets of the Millionaire Mind* is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!

Esperanza Rising (Scholastic Gold) - Pam Muñoz Ryan 2012-10-01
Esperanza Rising joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Esperanza thought she'd always live a privileged life on her family's ranch in Mexico. She'd always have fancy dresses, a beautiful home filled with servants, and Mama, Papa, and Abuelita to care for her. But a sudden tragedy forces Esperanza and Mama to flee to California and settle in a Mexican farm labor camp. Esperanza isn't ready for the hard work, financial struggles brought on by the Great Depression, or lack of acceptance she now faces. When Mama gets sick and a strike for better working conditions threatens to uproot their new life, Esperanza must find a way to rise above her difficult circumstances—because Mama's life, and her own, depend on it.

The Book Thief - Markus Zusak 2007-12-18
#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability

of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

Random Reminiscences of Men and Events - John Davison Rockefeller 1913

Born a Crime - Trevor Noah 2016-11-15
#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A "brilliant" (Lupita Nyong'o, Time), "poignant" (Entertainment Weekly), "soul-nourishing" (USA Today) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten." —Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Times, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of *The Daily Show* began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd

measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

Daodejing - Laozi 2008-09-11

'Of ways you may speak, but not the Perennial Way; By names you may name, but not the Perennial Name.' The best-loved of all the classical books of China and the most universally popular, the Daodejing or Classic of the Way and Life-Force is a work that defies definition. It encapsulates the main tenets of Daoism, and upholds a way of being as well as a philosophy and a religion. The dominant image is of the Way, the mysterious path through the whole cosmos modelled on the great Silver River or Milky Way that traverses the heavens. A life-giving stream, the Way gives rise to all things and holds them in her motherly embrace. It enables the individual, and society as a whole, to harmonize the disparate demands of daily life and achieve a more profound level of understanding. This new translation draws on the latest archaeological finds and brings out the word play and poetry of the original. Simple commentary accompanies the text, and the introduction provides further historical and

interpretative context. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Words That Work - Dr. Frank Luntz 2007-01-02

The nation's premier communications expert shares his wisdom on how the words we choose can change the course of business, of politics, and of life in this country. In *Words That Work*, Luntz offers a behind-the-scenes look at how the tactical use of words and phrases affects what we buy, who we vote for, and even what we believe in. With chapters like "The Ten Rules of Successful Communication" and "The 21 Words and Phrases for the 21st Century," he examines how choosing the right words is essential. Nobody is in a better position to explain than Frank Luntz: He has used his knowledge of words to help more than two dozen Fortune 500 companies grow. He'll tell us why Rupert Murdoch's six-billion-dollar decision to buy DirectTV was smart because satellite was more cutting edge than "digital cable," and why pharmaceutical companies transitioned their message from "treatment" to "prevention" and "wellness." If you ever wanted to learn how to talk your way out of a traffic ticket or talk your way into a raise, this book's for you.

SAKARATMAK LOGON KE LIYE 10 SHAKTISHALI VAKYA (Original English Title: TEN POWERFUL PHRASES FOR POWERFUL PEOPLE) - Devoc 2009

The Alchemist - Paulo Coelho 2015-02-24

A special 25th anniversary edition of the extraordinary international bestseller, including a new Foreword by Paulo Coelho. Combining magic, mysticism, wisdom and wonder into an inspiring tale of self-discovery, *The Alchemist* has become a modern classic, selling millions of copies around the world and transforming the lives of countless readers across generations. Paulo Coelho's masterpiece tells the mystical story of

Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different—and far more satisfying—than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams.

Ten Powerful Phrases for Positive People - Richard M. DeVos

2014-07-03

"Amway cofounder Rich DeVos inspires and motivates business leaders with simple but life-changing practical lessons rooted in his real-life experiences."--Provided by the publisher.

The Positive Perspective - Bob Brumm 2014-03-28

Are you hungry for Positive Change? Do You want to live with encouragement rather than F.E.A.R.? Would you like to create a Positive Life? The time for a Positive Perspective is here. For anyone looking for encouraging, uplifting, positive perspectives to challenge the daily negativity in the world, *The Positive Perspective* book offers an alternative. *The Positive Perspective* offers an encouraging look into many of our daily trials and tribulations to enhance our life and the lives of others. Making a positive impact on our society is a great responsibility we can all share and benefit from. *The Positive Perspective* will unveil these life lessons:

Compassionate Capitalism - Rich DeVos 1994

In this national bestseller, the co-founder of Amway blends his own amazing story with an inspiring, proven plan for establishing businesses that are both highly profitable and compassionate. "A terrific book".--Larry King.

Hope from My Heart - Rich DeVos 2000

The life-changing experience of receiving a heart transplant spawned a new awareness in cofounder of Amway Rich DeVos. In "Hope from My Heart", he imparts the fruit of this awareness in ten motivational lessons for life on such subjects as persistence, confidence, respect, accountability and faith.

Rule #1 - Phil Town 2006-03-21

#1 NEW YORK TIMES BESTSELLER • "The clearest and best book out there to get you on the path to riches. This one's special!"—Jim Cramer, host of CNBC's *Mad Money* "Great tools for anyone wanting to dabble in the stock market."—USA Today Phil Town is a very wealthy man, but he wasn't always. In fact, he was living on a salary of \$4,000 a year when some well-timed advice launched him down a highway of investing self-education that revealed what the true "rules" are and how to make them work in one's favor. Chief among them, of course, is Rule #1: "Don't lose money." In this updated edition to the #1 national bestseller, you'll learn more of Phil's fresh, think-outside-the-box rules, including: • Don't diversify • Only buy a stock when it's on sale • Think long term—but act short term to maximize your return • And most of all, beat the big investors at their own game by using the tools designed for them! As Phil demonstrates in these pages, giant mutual funds can't help but regress to the mean—and as we've all learned in recent years, that mean could be very disappointing indeed. Fortunately, Rule #1 takes readers step-by-step through a do-it-yourself process, equipping even the biggest investing-phobes with the tools they need to make quantum leaps toward financial security—regardless of where the market is headed.

Andrew Carnegie Speaks to the 1% - Andrew Carnegie 2016-04-14

Before the 99% occupied Wall Street... Before the concept of social justice had impinged on the social conscience... Before the social safety net had even been conceived... By the turn of the 20th Century, the era of the robber barons, Andrew Carnegie (1835-1919) had already accumulated a staggeringly large fortune; he was one of the wealthiest people on the globe. He guaranteed his position as one of the wealthiest men ever when he sold his steel business to create the United States Steel Corporation. Following that sale, he spent his last 18 years, he gave away nearly 90% of his fortune to charities, foundations, and universities. His charitable efforts actually started far earlier. At the age of 33, he wrote a memo to himself, noting ..".The amassing of wealth is one of the worse species of idolatry. No idol more debasing than the worship of money." In 1881, he gave a library to his hometown of Dunfermline, Scotland. In 1889, he spelled out his belief that the rich should use their wealth to help enrich

society, in an article called "The Gospel of Wealth" this book. Carnegie writes that the best way of dealing with wealth inequality is for the wealthy to redistribute their surplus means in a responsible and thoughtful manner, arguing that surplus wealth produces the greatest net benefit to society when it is administered carefully by the wealthy. He also argues against extravagance, irresponsible spending, or self-indulgence, instead promoting the administration of capital during one's lifetime toward the cause of reducing the stratification between the rich and poor. Though written more than a century ago, Carnegie's words still ring true today, urging a better, more equitable world through greater social consciousness.

The Influential Leader - John Edmund Haggai 2009-07-01

"I believe in John Edmund Haggai and am thrilled with the tremendous results I've seen in the lives of leaders." --Chuck Colson Bestselling author, founder of Prison Fellowship "The Influential Leader" is a powerful book on leadership from a visionary who has trained more than 60,000 people in 177 countries through the Haggai Institute. While other books on leadership focus on "methods," which unfortunately must keep changing as time goes on, this book focuses on "characteristics" that are at the core of successful leadership and will endure no matter how times change. Haggai's call to strong leadership looks at 12 characteristics for aspiring leaders, including... humility communication vision goalsetting self-control opportunity staying power authority Readers will learn how they can become leaders who influence people, inspire results, and accomplish great things for God.

Beyond these practical but profound phrases, DeVos delivers an inspiring message of building hope that resonates in the heart of every human being. Your decision to live with a positive attitude can change your life, your community, even the world. Start today with one small phrase: You can do it.

China in Ten Words - Yu Hua 2012-08-21

From one of China's most acclaimed writers: a unique, intimate look at the Chinese experience over the last several decades. Framed by ten phrases common in the Chinese vernacular, *China in Ten Words* uses personal stories and astute analysis to reveal as never before the world's most populous yet oft-misunderstood nation. In "Disparity," for example, Yu Hua illustrates the expanding gaps that separate citizens of the country. In "Copycat," he depicts the escalating trend of piracy and imitation as a creative new form of revolutionary action. And in "Bamboozle," he describes the increasingly brazen practices of trickery, fraud, and chicanery that are, he suggests, becoming a way of life at every level of society. Witty, insightful, and courageous, this is a refreshingly candid vision of the "Chinese miracle" and all of its consequences.

The 48 Laws of Power - Robert Greene 2000-09-01

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from

Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

The Power of Positive Thinking - Norman Vincent Peale 2022-07-25
