**250 Thai Girls By Age 25** - John Harvey

2018-03-04

250 Thai Girls by Age 25, A True Story from South East Asia is a true-to-life adventure that can be relived from beginning to end. The story begins with the allure of travel and the need for new experiences. Sex, drugs, alcohol and debauchery are the name of the game, and the impetus behind this historic modern day journey. Bangkok, Chiang Mai, Udon Thani, Cambodia, Laos, and the pristine Andaman beaches of Kho Lipe are featured in this bold and daring travel adventure. The author narrowly escapes death at the hands of a knife wielding Cambodian mugger. He is violently robbed by a taxi driver in Bangkok. Held up by the Laos Police for running at a late night roadblock with a teen prostitute. And narrowly escapes a King Cobra in the jungles of Northern Thailand. This non-fiction story is as up to date, authentic, and original as anything in its genre. The names,

places, and people from this wild South East Asian sexcapade have not been altered in any way. This book has the potential to spark a new generation of hedonistic travelers looking to better understand themselves, and where to go to make that possible. Once you go Asian, you will never go Caucasian. Join the author on his solo travels while he searches out every nook and cranny during his first year in South East Asia.

[Sexy Thai Bar Girls and Me](#) - Jonathan Finch  
2016-12-31

Sexy Thai Bar Girls / Sex Adventures / Hookers / Ladyboys / Bars / A Go Gos / Pattaya Freelancers / Walking Street / L. K. Metro / Massage Parlours / Discos / And More (From An Author Who Has Been Living In Pattaya For Ten Years And Still Thinks He's Compos Mentis!) Reviewers have claimed that Finch writes with "apparent lightness and liquidity" and that he is "a true

navigator", gifting his readers with a "very well written memoir / travel book". "Sexy Thai Bar Girls And Me / Sex Adventures In Asia", an updated version of "Collected Selected Words", includes everything from before and a bit more from after. Ladyboys fly in, bedevilled punters appear to lament hoodwinkery, James Bond takes that flight back to England on a stretcher, and the opening and closing fiascos are narrated by a soak (in a far worse state than the first) who gives lots of inside information about Pattaya bars, a go gos, ladyboys and more. There is also a Lonely Planet Guide of sorts which chronicles all the best hot night-spots in Pattaya. Beautiful Thai ladies jump out at you and if you survive the first, few pages you will be hooked. Like the Pattaya punter who "loses" his air-ticket home, like the long-stay expat who extends his retirement-visa beyond his death-certificate, you won't be going back in a hurry, and when you've

finished the "roller-coaster ride" (aka this book), you'll knock back a couple of Red Bulls and hit the town!

*The Bridge on the River Kwai* - Pierre Boulle 2002

One of the finest war novels ever written, *Bridge on the River Kwai* tells the story of three POWs who endure the hell of the Japanese camps on the Burma-Siam railway - Colonel Nicholson, a man prepared to sacrifice his life but not his dignity; Major Warden, a modest hero, saboteur and deadly killer; Commander Shears, who escaped from hell but was ordered back. Ordered by the Japanese to build a bridge, the Colonel refuses, as it is against regulations for officers to work with other ranks. *Greenstreet and Back* - Francis Abel 2017-02-20

*Greenstreet and Back* is an amazing, humorous autobiography that follows a journey from, a near death experience, to an incredible passage of self acceptance and realisation. The true story of painful rehabilitation dips into the black humour of facing your own mortality and the acceptance that the life once known was now a thing of the past. The book is a chronicle of courage and fortitude that shows with determination any obstacle can be overcome. Francis begins a pilgrimage to

learn about his new life that eventually takes him to the other side of the world to exotic South East Asia. His hilarious encounters along the way happen mostly by chance and very unexpectedly. From a near molestation by a dancing Ladyboy in Northern Thailand to a "run in" with gun toting bandits in Cambodia, the quest gets ever more bizarre and farcical. Eventually Francis experiences an epiphany but fate has one more harsh and cruel card to play towards the end of his odyssey.

*Thy Neighbor's Wife* - Gay Talese 2009-06-16

The provocative classic work newly updated An intimate personal odyssey across America's changing sexual landscape When first published, Gay Talese's 1981 groundbreaking work, *Thy Neighbor's Wife*, shocked a nation with its powerful, eye-opening revelations about the sexual activities and proclivities of the American

public in the era before AIDS. A marvel of journalistic courage and craft, the book opened a window into a new world built on a new moral foundation, carrying the reader on a remarkable journey from the Playboy Mansion to the Supreme Court, to the backyards and bedrooms of suburbia—through the development of the porn industry, the rise of the "swinger" culture, the legal fight to define obscenity, and the daily sex lives of "ordinary" people. It is the book that forever changed the way Americans look at themselves and one another.

**Saint Jack** - Paul Theroux 2011-08-04  
Jack Flowers, saint or sinner, caught a passing bumboat into Singapore and got a job as a water-clerk to a Chinese ship chandler. Now, on the side, he offers girls (indeed 'anything, anything at all') to tourists, sailors, residents and expatriates, but he is haunted by his lack of worldly

success and his fifty-three years weigh heavily on him. So when he agrees to act as blackmailer for the faintly sinister American, Edwin Shuck, in a plot against a general from Vietnam, he has high, not to mention wild, hopes of triumph. These are the outrageous confessions of an ingenious con man in the seedy and unforgettable world of expatriates amidst imperial ruins.

**Private Dancer** - Stephen Leather 2005-08  
Pete wanders into a Bangkok go-go bar and meets the love of his life. Joy is young, stunning, and a pole dancer. In a roller-coaster ride of sex, drugs, and deception, Pete discovers that his own very private dancer is not all she claims to be. Far from being the love of his life, Joy is his own personal nightmare!

*Sunset Vertigo* - Bart Walters 2021-05-26  
This book is for anyone who has ever fantasized about hitting the "reset" button on life and starting over as someone else,

living somewhere else. *Sunset Vertigo* is a collection of short stories told by Orlando Braxton, an American expatriate, living in Thailand for more than twenty years. Through mystery, mischief, heartbreak, and endless adventures, Orlando has lived his best second life on the other side of the planet. His stories vividly illustrate that expat life can be extraordinary yet humdrum; surprising yet predictable; exciting yet boring as hell. Orlando is a self-proclaimed "world-class people watcher", and his insight into some of the most unusual people immersed in some of the most bizarre circumstances make his stories come alive. Open this book and escape with Orlando Braxton to a world where everyone is someone other than the person they were back home. And be careful. *Sunset Vertigo* is contagious.

[Sex Excursionist](#) - Nathan Renly 2017-12-21  
First person account of a self-proclaimed

*Sex Excursionist* on his journey to satisfy his sexual desires in the red-light district of Fields Avenue in Angeles City, Philippines. The story follows a lonely middle-aged American man as he copes with his confusing urges and deviant cravings, explores the emotions and motivations of the sex workers he employs, and examines the diversity of character in other Sex Tourists he encounters. This is an erotic telling of debauchery and romance which finds the story teller delving deeper into his own unconscious sexual predatory instincts while conflicting with his conscious attraction towards the women half his age who he shares his bed with, including a shy girl in over her head, a motivated husband-seeker, and an aging career prostitute who enjoys her sexual escapades as much as the man who employs her. This book is intended for mature audiences. Excerpt from Chapter 11: The Corruption of Marilyn "I could detect

nothing from Marilyn that would indicate she was going to grow cold later. In fact, it was the opposite. I sensed she was excited not only to be barfined but by the sexual encounter she was bound to have. Excitement was building in me as well. It was a new feeling that I was having, a predatory instinct. I wanted to corrupt this girl. I wanted to push whatever boundaries she may have. She was becoming merely an object in my mind, a toy to be played with and thrown away. Lynn and I both stood up to meet her so we could take our leave of the bar. As I saw Marilyn standing beside Lynn, the age differences really struck me. Marilyn was ten years younger than Lynn and while that isn't much between a man and his sex worker, it is an eternity among the sex workers themselves. Marilyn wasn't even in her prime yet, she was still in the nervous inexperienced domain when she will be chosen purely off her youth. Lynn

was past her prime, she was now in the domain where she had to hustle for money by convincing her customers she was worth every penny. I didn't figure Marilyn would ever get to Lynn's domain, but I might change my mind after tonight."

Miss Bangkok - Bua Boonmee 2007

Bua speaks of the loneliness and desperation that results from working in the loveless sex industry, finally dispelling misconceptions held by many, and divulging secrets, tricks of her trade and everything else that goes on behind closed doors. An honest and authentic depiction of the life of one of Patpong's bar girls.

An ancient Taoist system for detoxifying and rejuvenating the internal organs • Presents techniques to clear blockages in the body's energy flow • Includes illustrated exercises to relieve common ailments, revitalize the organs, and enable readers to take charge of their own health and well-being • Focuses on the navel center, where negative emotions, stress, and illness accumulate

The techniques of Chi Nei Tsang evolved in Asia during an era when few physicians were available and people had to know how to heal themselves. Many people today have symptoms that modern medicine is not able to cure because a physical source for the problem is not easily found. The energies of negative emotions, stress, and tension--all common in modern life--and the weight of past illness accumulate in the abdominal center, causing energy blockages and congestion. When this occurs, all vital functions stagnate and myriad problems

arise. By practicing the techniques of Chi Nei Tsang, this stagnation is removed and the vital organs surrounding the navel center are detoxified and rejuvenated. Master Chia teaches readers how to avoid absorbing negative energies from others and take full charge of their health through the self-healing techniques of Chi Nei Tsang. He offers fully illustrated exercises that show how to detoxify the internal organs and clear the energy (chi) channels throughout the body. He also presents methods for balancing emotions, managing stress, and observing the body in order to recognize, ameliorate, and prevent maladies before they become a problem.
