Crazy Busy - Kevin DeYoung
2013-09-23
Winner of the 2014 Christian Book of the Year Award "I'M TOO BUSY!" We've all heard it. We've all said it. All too often, busyness gets the best of us. Just one look at our jam-packed schedules tells us how hard it can be to strike a well-reasoned balance between doing nothing and doing it all. That's why award-winning author and pastor Kevin DeYoung addresses the busyness problem head on in his newest book, *Crazy Busy* — and not with the typical arsenal of time

management tips, but rather with the biblical tools we need to get to the source of the issue and pull the problem out by the roots. Highly practical and super short, *Crazy Busy* will help you put an end to "busyness as usual."

[The Doctrines of Grace](#) - James Montgomery Boice 2009-04-01

There is no question that we live in an age of weak theology and casual Christianity. We have substituted intuition for truth, feeling for belief and immediate gratification for enduring hope. Evangelicalism desperately needs to return to

the doctrines that once before reformed the world: radical depravity, unconditional election, particular redemption, efficacious grace and persevering grace. James Boice and Philip Ryken not only provide a compelling exposition on these doctrines of grace, but also look briefly at their historical impact. The authors leave no doubt that the church suffers when these foundational truths are neglected and that she must return to a Christianity that is practical-minded, kind-hearted, and most importantly, biblically based.

[Where is God in a Coronavirus World?](#) - John Lennox

2020-04-06

How belief in a loving and sovereign God helps us to make sense of and cope with the coronavirus outbreak. We are living through a unique, era-defining period. Many of our old certainties have gone, whatever our view of the world and whatever our beliefs. The coronavirus pandemic and its effects are perplexing and unsettling for all of us. How do we begin to think it through and

cope with it? In this short yet profound book, Oxford mathematics professor John Lennox examines the coronavirus in light of various belief systems and shows how the Christian worldview not only helps us to make sense of it, but also offers us a sure and certain hope to cling to.

With Calvin in the Theater of God - John Piper 2010

Stemming from the Desiring God 2009 National Conference, Julius Kim, Douglas Wilson, Marvin Olasky, Mark Talbot, Sam Storms, and John Piper invite us to sit with Calvin in the theater of God, marveling at his glory.

I Don't Have Enough Faith to Be an Atheist - Norman L.

Geisler 2021-05-17

To some, the concept of having faith in a higher power or a set of religious beliefs is nonsensical. Indeed, many view religion in general, and Christianity in particular, as unfounded and unreasonable. Norman Geisler and Frank Turek argue, however, that Christianity is not only more reasonable than all other belief

systems, but is indeed more rational than unbelief itself. With conviction and clear thinking, Geisler and Turek guide readers through some of the traditional, tested arguments for the existence of a creator God. They move into an examination of the source of morality and the reliability of the New Testament accounts concerning Jesus. The final section of the book deals with a detailed investigation of the claims of Christ. This volume will be an interesting read for those skeptical about Christianity, as well as a helpful resource for Christians seeking to articulate a more sophisticated defense of their faith.

Is There Not a Cause? -

Andrew Steers Ph.D.

2021-12-15

Is There Not a Cause? is not a book for the casual reader. It is instead a book to be read by the individual who truly has the desire to know and understand how God has preserved His precious Word throughout the course of time. Whether you were blessed to grow up in a

home where it was never questioned that the Authorized or King James Bible was the preserved Words of God, whether you grew up in a home or went to a church where any Bible was considered the preserved Words of God, or whether you are a new Christian confused by all the different "Bibles" available today, if you truly want to know how God preserved His Words, then this book is for you. This is a book that has been years in the making. Dr. Andrew Steers is an obvious student of the Bible, and he has spent years in the preparation and study needed to qualify him to write this book. This is a book that is desperately needed in this era and should be read and studied by every Christian, but especially by those planning to serve God in full-time service. *Systematic Theology, Second Edition* - Wayne A. Grudem
2020-12-08

This new edition of Systematic Theology by Wayne Grudem is one of the most important resources for helping you understand Scripture and grow

as a Christian. The most widely used resource of the last 25 years in its area, Systematic Theology has been thoroughly revised and expanded for the first time while retaining the features that have made it the standard in its field: clear explanations, an emphasis on each doctrine's scriptural basis, and practical applications to daily life. With nearly 250 pages of new content and revisions, this new edition now includes the following distinctive features: Updated analysis of recent controversies within evangelical theology, including the eternal relationship between the Father and the Son in the Trinity, the role of women in the church, miraculous gifts of the Holy Spirit, and contemporary worship music. New discussion and critiques of recent theological controversies situated outside of traditional evangelical theology, such as open theism, the "new perspective on Paul," Molinism (or "middle knowledge"), "Free Grace" theology, and the preterist view of Christ's second

coming. Completely revised chapter on the clarity of Scripture. Completely revised chapter on creation and evolution, including a longer critique of theistic evolution and an extensive discussion on the age of the earth. New discussion of how biblical inerrancy applies to some specific "problem verses" in the Gospels. Additional material explaining evangelical Protestant differences with Roman Catholicism, Protestant liberalism, and Mormonism. Completely updated bibliographies. All Scripture quotations updated from RSV to ESV. Updated section on contemporary worship music. Numerous other updates and corrections. Part of the brilliance of Systematic Theology has been its simplicity and ease of use. Each chapter follows the same structure: discussion of the doctrine being considered, an explanation of that doctrine's biblical support and possible objections, followed by personal application and key terms to know for personal growth.

Chapters also include a Scripture memory passage, references to other literature on the topic, and suggested hymns and worship songs. If you think theology is hard to understand or boring, then this new edition of Systematic Theology will change your mind.

What We Talk About When We Talk About Love - Raymond Carver 2015-05-25

In his second collection, including the iconic and much-referenced title story featured in the Academy Award-winning film *Birdman*, Carver establishes his reputation as one of the most celebrated short-story writers in American literature—a haunting meditation on love, loss, and companionship, and finding one’s way through the dark.

Thriving at College - Alex Chediak 2011

Filled with wisdom and practical advice from a seasoned college professor and student mentor, this text covers the 10 most-common mistakes that college students make and how to avoid them.

Awe - Paul David Tripp

2015-10-14

Humans are hardwired for awe. Our hearts are always captured by something—that’s how God made us. But sin threatens to distract us from the glory of our Creator. All too often, we stand in awe of everything but God. Uncovering the lies we believe about all the earthly things that promise us peace, life, and contentment, Paul Tripp redirects our gaze to God’s awe-inducing glory—showing how such a vision has the potential to impact our every thought, word, and deed.

The Catholicism Answer Book - Kenneth Kenneth Brighenti 2007-01-01

As religion continues to dominate the news, politics and society in general, more and more laypeople are looking for a reliable guide to understanding the beliefs and practices of each faith. The Roman Catholic Church—the largest branch of Christianity—claims a total of over 1 billion baptized members around the globe and has been revered by billions of followers for thousands of years. Why? The

Catholicism Answer Book answers 300 pivotal questions about one of the world's oldest religions. From the basic tenets of Christianity and the nature of God and salvation to the differences between a Catholic Bible and a Protestant Bible, readers can round out their knowledge on such inquiries as: What are the "lost" or "missing" books of the Bible? And why are the books we have canonical? Why does it seem like Catholics worship Mary? What are the Last Things? Why confess to a priest when I can go directly to God?

Seven Stages of Spiritual Growth - 2000-01-01

Can you imagine what a difference it would make if you knew what the road ahead looked like? You'd grow a lot faster, and progress a lot farther, towards becoming the mature, seasoned Christian you've always wanted to be. That's why the 7 Stages of Spiritual Growth is such a groundbreaking new video series. In it, Dr. Bruce Wilkinson has studied the stages of a Christian's spiritual journey as

they are presented in God's Word and discovered that they come in seven precise and predictable stages that are the same for everyone.

What Did Jesus Really Mean When He Said Follow Me? -

David Platt 2013-10-25

You may think you are a Christian—but are you sure? Jesus' call to follow him is more than an invitation to pray a prayer. It is a summons to lose your life and find new life and ultimate joy in him. In David Platt's book *Follow Me: A Call to Die. A Call to Live* he asks the question, "What did Jesus really mean when he said, 'Follow me'?" What if we really listened to Jesus' words and heard what he is saying? When people truly engage with Jesus' personal invitation to follow him, everything changes, for he is worthy of all our trust and affections. *What Did Jesus Really Mean When He Said Follow Me?* builds on the message of *Follow Me* to motivate readers to experience our grand purpose: to exalt the glory of God by spreading Christ's gospel—to make

disciples who are making disciples. This booklet is a great resource to share with others to discuss crucial faith questions in a personal and grace-filled manner and engage others to be disciple-makers in obedience to Jesus. Ideal for small groups or personal and mass evangelism.

Everything Is Spiritual - Rob Bell
2020-09-15

"An exciting vision of the future" --Michael Eric Dyson
Everything Is Spiritual is an unexpected and compelling invitation to see your life in a whole new way. We have the great moments of our lives, the highs, those times when we soar, when it all makes sense, when it feels like it all has purpose and meaning. And then there are all those other moments—the lows and aches and failures and struggles and experiences that leave us wondering what the point of it all is. Are our lives ultimately bits and pieces and fragments—you try to find a little peace and hope and then it's over? Or is there more going on here? In our

increasingly polarized and disoriented world, *Everything Is Spiritual* gives us a radical new take on how it all fits together, how it works, how it's all connected. Part memoir, part extended riff on the quantum nature of reality, part history of the universe, Rob Bell takes us back through the twists and turns and struggles of his story in order to help us see the larger story so that we can reconnect with our story.

Not a Day Care - Everett Piper
2017-08-07

"You must read this book. Everett Piper is a man of courage and conviction. He stands nearly alone as an academic leader confronting the ideological fascism of the snowflake rebellion. His call for intellectual freedom must be heard."—GLENN BECK
What has happened to the American spirit? We've gone from "Give me liberty, or give me death!" to "Take care of me, please." Our colleges were once bastions of free speech; now they're bastions of speech codes. Our culture once rewarded independence; now it

rewards victimhood. Parents once taught their kids how to fend for themselves; now, any parent who tries may get a visit from the police. In *Not a Day Care*, Dr. Everett Piper, president of Oklahoma Wesleyan University and author of the viral essay, "This Is Not a Day Care. It's a University!," takes a hard look at what's happening around the country--including the demand for "safe spaces" and trigger warnings at universities like Yale, Brandeis, and Oberlin--and digs in his heels against the sad and dangerous infantilization of the American spirit.

What Do You Think of Me?

Why Do I Care? - Edward T.

Welch 2011-10-01

Tired of trying to win approval and escape rejection? Peer pressure, codependency, shame, low self-esteem; these are just some of the words used to identify how people are controlled by others' opinions. Why is it so important to be liked? Why is rejection so traumatic? Edward T. Welch's insightful, biblical answers to these questions show that freedom from others' opinions and genuine, loving relationships grow as we learn about ourselves, others, and God. This interactive book includes questions for individual or group study and is suitable for teenagers and young adults.

Fotofeis - Shirley Read 1993
Panchayat was co-founded by Shaheen Merali and Allan de Souza in 1988, after consultation with artists Bhajan Hunjan, Symrath Patti, and Shanti Thomas. The Panchayat Collection consists of documentation and reference library material relating to the cultural activities and activism predominantly in Britain, mainland Europe, North

America and SE Asia between the 1980s and 2003. The Panchayat Archive's collecting strategy focused on the growing interactions within a globalising art world of Black and Asian artists, as well as documenting their commitment to the intersection between race, class, gender, policed sexualities, and (dis)ability. Dr Janice Cheddie and Shaheen Merali were keepers of the Panchayat Archive at the University of Westminster 2002-2015. In May 2015 the contents of the collection were donated to the Tate Library as part of Tate Library Special Collections.

In the Pit with Piper - Roddy Piper 2002

In an eye-opening glimpse into the world of professional wrestling, the legendary wrestler describes his own personal life and career, from his youth as a teenage runaway to his rise to success with the World Wrestling Federation. Original.

A Flexible Faith - Bonnie Kristian 2018-05-15

BONNIE KRISTIAN shows that a

vibrant diversity within Christian orthodoxy-which is simply to say a range of different ways to faithfully follow Jesus-is a strength of our faith, not a weakness. It is all too easy to fail to grasp the diversity of the Christian faith-especially for those who have grown up in one branch of the church and never explored another. We fail to realize how many ways there are to follow Jesus, convinced that our own tradition is the one Christian alternative to nonbelief. A FLEXIBLE FAITH is written for the convinced and confused believer alike. It is a readable exploration of the lively theological diversity that stretches back through church history and across the spectrum of Christianity today. It is an easy introduction to how Christians have historically answered key questions about what it means to follow Jesus. Chapters will include 17 big theological questions and answers; profiles of relevant figures in church history; discussion questions; single-page Q&As-profiles of more

unusual types of Christians (e.g., a Catholic nun or a member of an Amish community); and a guide to major Christian denominations today. As Bonnie shares her wrestlings with core issues-such as who Jesus is, what place the Church has in our lives, how to disagree yet remain within a community, and how to love the Bible for what it actually is-she teaches us how to walk courageously through our own tough questions. Following Jesus is big and it is something that individual believers, movements, and denominations have expressed in uncountably different ways over the centuries. In the process of helping us sort things out, Bonnie shows us how to be comfortable with diversity in the Body. And as we learn to hold questions in one hand and answers in the other, we will discover new depths of faith that will remain secure even through the storms of life.

The Amazing Maurice and His Educated Rodents - Terry Pratchett 2009-10-06
Carnegie Medal Winner * New

York Public Library Books for the Teen Age * VOYA Best Science Fiction, Fantasy, and Horror * ALA Best Fiction for Young Adults * Book Sense Pick

The Amazing Maurice runs the perfect Pied Piper scam. This streetwise alley cat knows the value of cold, hard cash and can talk his way into and out of anything. But when Maurice and his cohorts decide to con the town of Bad Blinitz, it will take more than fast talking to survive the danger that awaits. For this is a town where food is scarce and rats are hated, where cellars are lined with deadly traps, and where a terrifying evil lurks beneath the hunger-stricken streets.... Set in Terry Pratchett's beloved Discworld, this masterfully crafted, gripping read is both compelling and funny. When one of the world's most acclaimed fantasy writers turns a classic fairy tale on its head, no one will ever look at the Pied Piper—or rats—the same way again!

New Birth or Rebirth? - Ravi Zacharias 2010-03-31
Ultimate truth. The destiny of

souls. The individual heart. Can Krishna and Jesus agree on anything? This is what Subramaniam, a real-life Hindu of the twentieth century, wonders as he enters a fictitious conversation between two religious figures who have changed the lives of millions. As Jesus and Krishna respond to each other's view of life and the afterlife, they speak words straight from the texts of Christianity and Hinduism and straight into the soul.

Subramaniam asks Jesus and Krishna hard questions about faith. Meanwhile, a fictional character, Richard, eavesdrops, asking himself the most important question of all: Does it really matter what I believe? [Finish the Mission](#) - John Piper 2012-09-30

This is no ordinary missions book. The theme isn't new, but the approach is refreshing and compelling, as contributors David Platt, Louie Giglio, Michael Ramsden, Ed Stetzer, Michael Oh, David Mathis, and John Piper take up the mantle of the Great Commission and its Spirit-powered completion.

From astronomy to exegesis, from apologetics to the Global South, from being missional at home to employing our resources in the global cause, *Finish the Mission* aims to breathe fresh missionary fire into a new generation, as together we seek to reach the unreached and engage the unengaged.

[Not Yet Married](#) - Marshall Segal
2017-06-20

Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. *Not Yet Married* is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but

that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

Unashamed - Lecrae Moore
2016-05-03

If you live for people's acceptance, you'll die from their rejection. Two-time Grammy winning rap artist, Lecrae, learned this lesson through more than his share of adversity—childhood abuse, drugs and alcoholism, a stint in rehab, an abortion, and an unsuccessful suicide attempt. Along the way, Lecrae attained an unwavering faith in Jesus and began looking to God for affirmation. Now as a chart-topping industry anomaly, he has learned to ignore the haters and make peace with his craft. The rap artist holds nothing back as he divulges the most sensitive details of his life, answers his critics, shares intimate handwritten journal entries, and powerfully models how to be a Christian in a secular age. This is the story of one man's journey to faith and

freedom. *Cover/Interior design by Alex Medina, photography by Mary Caroline Mann
Ten Things I Wish Jesus Never Said - Victor Kuligin 2006-04-17
Only when we have a healthy realization of our spiritual needs can we understand how surrender brings peace and freedom. With honesty and humility, Kuligin examines ten of Christ's difficult sayings and offers practical advice for following Christ. Blended into each chapter are personal anecdotes, a healthy quantity of biblical support, and reflections from historical figures.

God Is the Gospel - John Piper 2005-09-08

God, who said, "Let light shine out of darkness," has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ. 2 Corinthians 4:6 This book is a cry from the heart of John Piper. He is pleading that God himself, as revealed in Christ's death and resurrection, is the ultimate and greatest gift of the gospel. None of Christ's gospel deeds and none of our gospel

blessings are good news except as means of seeing and savoring the glory of Christ. Forgiveness is good news because it opens the way to the enjoyment of God himself. Justification is good news because it wins access to the presence and pleasures of God himself. Eternal life is good news because it becomes the everlasting enjoyment of Christ. All God's gifts are loving only to the degree that they lead us to God himself. That is what God's love is: his commitment to do everything necessary (most painfully the death of his only Son) to enthrall us with what is most deeply and durably satisfying-namely, himself. Saturated with Scripture, centered on the cross, and seriously joyful, this book leads us to satisfaction for the deep hungers of the soul. It touches us at the root of life where practical transformation gets its daily power. It awakens our longing for Christ and opens our eyes to his beauty. Piper writes for the soul-thirsty who have turned away empty and in desperation from the mirage of

methodology. He invites us to slow down and drink from a deeper spring. "This is eternal life," Jesus said, "that they know you the only true God, and Jesus Christ whom you have sent." This is what makes the gospel—and this book—good news.

A Companion to Feminist Art -

Hilary Robinson 2019-10-22

Original essays offering fresh ideas and global perspectives on contemporary feminist art. The term 'feminist art' is often misused when viewed as a codification within the discipline of Art History—a codification that includes restrictive definitions of geography, chronology, style, materials, influence, and other definitions inherent to Art Historical and museological classifications. Employing a different approach, *A Companion to Feminist Art* defines 'art' as a dynamic set of material and theoretical practices in the realm of culture, and 'feminism' as an equally dynamic set of activist and theoretical practices in the realm of politics. Feminist art, therefore, is not a simple

classification of a type of art, but rather the space where feminist politics and the domain of art-making intersect. The Companion provides readers with an overview of the developments, concepts, trends, influences, and activities within the space of contemporary feminist art—in different locations, ways of making, and ways of thinking. Newly-commissioned essays focus on the recent history of and current discussions within feminist art. Diverse in scope and style, these contributions range from essays on the questions and challenges of large sectors of artists, such as configurations of feminism and gender in post-Cold War Europe, to more focused conversations with women artists on Afropean decoloniality. Ranging from discussions of essentialism and feminist aesthetics to examinations of political activism and curatorial practice, the Companion informs and questions readers, introduces new concepts and fresh perspectives, and

illustrates just how much more there is to discover within the realm of feminist art. Addresses the intersection between feminist thinking and major theories that have influenced art theory Incorporates diverse voices from around the world to offer viewpoints on global feminisms from scholars who live and work in the regions about which they write Examines how feminist art intersects with considerations of collectivity, war, maternal relationships, desire, men, and relational aesthetics Explores the myriad ways in which the experience of inhabiting and perceiving aged, raced, and gendered bodies relates to feminist politics in the art world Discusses a range practices in feminism such as activism, language, education, and different ways of making art The intersection of feminist art-making and feminist politics are not merely components of a unified whole, they sometimes diverge and divide. A Companion to Feminist Art is an indispensable resource for artists, critics, scholars,

curators, and anyone seeking greater strength on the subject through informed critique and debate.

Rethinking Retirement - John Piper 2009-03-27

John Piper challenges fellow baby boomers to forego the American dream of retirement and live out their golden years with a far greater purpose in mind. They say it's a person's reward for all those years of labor. "Turn in your time card and trade in your IRAs. Let travel plans and golf-course leisure lead the way." But is retirement really the ideal? Or is it a series of poor options that ignore a greater purpose and will kill a person more quickly than old age? John Piper responds: "Lord, spare me this curse!" And his resounding message is for anyone who believes there's far more to the golden years than accumulating comforts. It's for readers who long to finish better than they started, persevere for the right reasons (and without fear), experience true security, value what lies beyond their cravings, and live dangerously for the

One who gave his life in his prime. With this brief book, Piper is sure to spur fellow baby boomers in their resolve to invest themselves in the sacrifices of love-and to grow old with godly zeal.

Jesus, the Only Way to God -

John Piper 2010-08-01

If the evangelical church at large was ever too confrontational in its evangelism, those days are gone. In our shrinking, pluralistic world, the belief that Jesus is the only way of salvation is increasingly called arrogant and even hateful. In the face of this criticism, many shrink back from affirming the global necessity of knowing and believing in Jesus. In *Jesus, the Only Way to God*, John Piper offers a timely plea for the evangelical church to consider what is at stake in surrendering the unique, universal place of Jesus in salvation.

True Worshipers - Bob Kauflin

2015-09-01

Everyone worships. But Jesus tells us that God is seeking a particular kind of worshiper. In *True Worshipers*, a seasoned

pastor and musician guides readers toward a more engaging, transformative, and biblically faithful understanding of the worship God is seeking. True worship is an activity rooted in the grace of the gospel that affects every area of our lives. And while worship is more than just singing, God's people gathering in his presence to lift their voices in song is an activity that is biblically based, historically rooted, and potentially life-changing. Thoroughly based in Scripture and filled with practical guidance, this book connects Sunday worship to the rest of our lives—helping us live as true worshipers each and every day.

For Your Joy - John Piper 2005

Evangelistic booklet that presents the Gospel of Christ by showing that God is most glorified in us when we are most satisfied in him.

When Wright is Wrong -

Phillip D. R. Griffiths 2019-01-14

In today's world the Christian is constantly being challenged with new teachings. Some of these are particularly

dangerous because they are put forward by those with evangelical credentials. Tom Nicholas Wright is one of the leading proponents of the New Perspective on Paul. Wright sees himself as the new Luther, a discoverer of the true biblical understanding of key doctrines like that of justification by faith. According to him, the Reformation misunderstood the nature of justification by faith alone and the role of the law in the Old Testament. Wright maintains that this has continued to be the case for those of the Reformed Faith. He tells us that we are guilty of anachronism, whereby we interpret first-century Judaism in the light of medieval Roman Catholicism. In this work the writer not only defends the Reformed understanding of this vital doctrine but also seeks to show how Wright has misunderstood the nature of the new covenant and the place of ethnic Israel.

[A Hunger for God](#) - John Piper
2013-04-23

There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the

world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.

A Girl's Guide to Missiles - Karen Piper 2018-08-14

A surreal and poignant coming of age on a secretive missile facility, and "an incredible view of...life in a town built for war." -Booklist The China Lake missile range is located in a huge stretch of the Mojave Desert, about the size of the state of Delaware. It was created during the Second World War, and has always been shrouded in secrecy. But people who make missiles and other weapons are regular working people, with

domestic routines and everyday dilemmas, and four of them were Karen Piper's parents, her sister, and--when she needed summer jobs--herself. Her dad designed the Sidewinder, which was ultimately used catastrophically in Vietnam. When her mom got tired of being a stay-at-home mom, she went to work on the Tomahawk. Once, when a missile nose needed to be taken offsite for final testing, her mother loaded it into the trunk of the family car, and set off down a Los Angeles freeway. Traffic was heavy, and so she stopped off at the mall, leaving the missile in the parking lot. Piper sketches in the belief systems--from Amway's get-rich schemes to propaganda in The Rocketeer to evangelism, along with fears of a Lemurian takeover and Charles Manson--that governed their lives. Her memoir is also a search for the truth of the past and what really brought her parents to China Lake with two young daughters, a story that reaches back to her father's World War II flights with contraband across Europe.

Finally, it recounts the crossroads moment in a young woman's life when she finally found a way out of a culture of secrets and fear, and out of the desert.

The Rats of Hamelin - Adam McCune 2005-08-01

"In that scented, touch-filled Pipeworld, where notes speak clear as words, where connections are thick and countless, I felt the chaining up and circling together of other traces in my head. And as the Pipe amplified all sounds and souls, including mine, I heard my mind echoing: the mission is dead- No rat-kill, no reward, no liberation. No home, no Hofmanns, no Klara- It was all an illusion." The Rats of Hamelin blends history and fantasy to reshape the hazy legend of the pied piper. After six years as a piper's apprentice, Hannes sets out on the mission that will make him a master in the guild. His orders seem simple enough: rid Hamelin of a plague of rats and use the reward money for a charitable cause. Simple indeed, until he discovers that

the real rats of Hamelin aren't the ones scurrying underfoot. Unsure who to count among his friends- the mayor's beautiful daughter, generous businessman, a precocious little girl? Hannes struggles against deadly enemies and thoughtless allies. Every step he takes comes down to a deceptively simple choice: when to show mercy and when to bring justice. Readers will be thrilled with this first novel by Adam and Keith McCune. This father-son team bring a wealth of linguistic and literary knowledge to bear on their retelling of the famous Pied Piper fairy tale. The story naturally lends itself to reflection on the themes of law and mercy, as well as the sometimes-complex nature of the relationship between fathers and sons.

Providence - John Piper 2021-02-09

New from Best-Selling Author John Piper From Genesis to Revelation, the providence of God directs the entire course of redemptive history. Providence is "God's purposeful

sovereignty.” Its extent reaches down to the flight of electrons, up to the movements of galaxies, and into the heart of man. Its nature is wise and just and good. And its goal is the Christ-exalting glorification of God through the gladness of a redeemed people in a new world. Drawing on a lifetime of theological reflection, biblical study, and practical ministry, pastor and author John Piper leads us on a stunning tour of the sightings of God’s providence—from Genesis to Revelation—to discover the all-encompassing reality of God’s purposeful sovereignty over all of creation and all of

history. Piper invites us to experience the profound effects of knowing the God of all-pervasive providence: the intensifying of true worship, the solidifying of wavering conviction, the strengthening of embattled faith, the toughening of joyful courage, and the advance of God’s mission in this world.
