**Revelations** - Elaine Pagels 2012-03-06

A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of *Beyond Belief*. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds-Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, Revelations explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of

this extraordinary text.

### **The Ultimate Revelation Of God** - Joye

Christian 2021-07-09

Darkness, fear, and muffled cries. Reflections of our secret worry haunt the shadows beyond our door. The unknown. The known. The regrets. The future pain. Death mocks us: he laughs at our masks, our safeguards, and our calls to action. There is much to fear in our day and age. So we think it is a safe and comforting thing to turn to the Bible in this time of anxiety, sadness, and uncertainty. Until that is, we get to the end of the book. The Revelation of Jesus Christ stands at the last with images of dragons and horsemen and angels and death. With terrible riders bursting forth to conquer, subdue, and enslave. How can we find comfort here? The Book of Revelation reveals its true purpose of drawing people into worshiping Jesus and discovering blessings when struggling in a dark and painful society. "From the beginning to the end of the Revelation: Jesus is Victor!" says A. W. Tozer and he is correct. Revelation emphasizes the worship of Jesus Christ and encourages the Christian during times of suffering and persecution, therefore when we live in dark and chaotic times, the picture of Jesus and specific beatitudes in Revelation must move us to worship and encouragement. Look for worship. Feel comfort by the truth that God is in charge and God wins even after the darkest possible night. Worship Jesus and be uplifted from the process - this is John's Revelation.
