Marcus Aurelius Antoninus to Himself - Marcus Aurelius (Emperor of Rome) 1902

Stoicism - Understanding and Practicing the Philosophy of the Stoics - Kyle Faber 2019-03-25

"It is the power of the mind to be unconquerable." - Seneca, *The Stoic Philosophy of Seneca: Essays and Letters* What does it mean to be "unconquerable?" Becoming unconquerable has nothing to do with forming an army or building muscles. It's about changing how you view the world and your part in it.

The Daily Stoic Journal - Ryan Holiday 2017-11-02

Ryan Holiday has led the popular revival of stoicism since 2014, with his acclaimed bestsellers *The Obstacle is the Way*, *Ego is the Enemy*, and - in partnership with Stephen Hanselman - *The Daily Stoic*. This latter offered powerful quotations, fresh anecdotes, and insightful commentary on the wisdom of Epictetus, Seneca, and Marcus Aurelius. Now Holiday and Hanselman are back with *The Daily Stoic Journal*, an interactive guide to integrating this ancient philosophy into our 21st century lives. Readers will find weekly explanations and quotations to inspire deeper reflection on Stoic practices, as well as daily prompts and a helpful introduction explaining the various Stoic tools of self-management. The beautifully designed hardback features space for morning and evening notes, along with advice to encourage ongoing writing and insights, day by day through the year. As a companion volume for those who already love *The Daily Stoic*, or as a stylish stand-alone journal, this is perfect for anyone seeking inner peace and clarity in our volatile world.

The Daily Stoic Journal - Ryan Holiday 2017-11-14

A beautiful daily journal to lead your journey in the art of living--and an instant WSJ bestseller! For more than two thousand years, Stoic philosophy has been the secret operating system of wise leaders, artists, athletes, brilliant thinkers, and ordinary citizens. With the acclaimed, bestselling books *The Obstacle is the Way*, *Ego is the Enemy* and *The Daily Stoic*, Ryan Holiday and Stephen Hanselman have helped to bring the Stoicism of Marcus Aurelius, Seneca, and Epictetus to hundreds of thousands of new readers all over the world. Now Holiday and Hanselman are back with *The Daily Stoic Journal*, a beautifully designed hardcover journal that features space for morning and evening notes, along with advice for integrating this ancient philosophy into our 21st century lives. Each week readers will discover a specific powerful Stoic practice, explained and presented with related quotations to inspire deeper reflection and application, and each day they will answer a powerful question to help gauge their progress. Created with a durable, Smyth-sewn binding and featuring a helpful introduction explaining the various Stoic tools of self-management, as well as resources for further reading, this is a lasting companion volume for people who already love *The Daily Stoic* and its popular daily emails and social media accounts. It can also be used as a stand-alone journal, even if you haven't read the previous books. For anyone seeking inner peace, clarity, and effectiveness in our crazy world, this book will help them immensely for the next year—and for the rest of their lives.

De ira - Lucius Annaeus Seneca 2019-02-19

Timeless wisdom on controlling anger in personal life and politics from the Roman Stoic philosopher and statesman Seneca In his essay "On Anger" (*De Ira*), the Roman Stoic thinker Seneca (c. 4 BC–65 AD) argues that anger is the most destructive passion: "No plague has cost the human race more dear." This was proved by his own life, which he barely

preserved under one wrathful emperor, Caligula, and lost under a second, Nero. This splendid new translation of essential selections from "On Anger," presented with an enlightening introduction and the original Latin on facing pages, offers readers a timeless guide to avoiding and managing anger. It vividly illustrates why the emotion is so dangerous and why controlling it would bring vast benefits to individuals and society. Drawing on his great arsenal of rhetoric, including historical examples (especially from Caligula's horrific reign), anecdotes, quips, and soaring flights of eloquence, Seneca builds his case against anger with mounting intensity. Like a fire-and-brimstone preacher, he paints a grim picture of the moral perils to which anger exposes us, tracing nearly all the world's evils to this one toxic source. But he then uplifts us with a beatific vision of the alternate path, a path of forgiveness and compassion that resonates with Christian and Buddhist ethics. Seneca's thoughts on anger have never been more relevant than today, when uncivil discourse has increasingly infected public debate. Whether seeking personal growth or political renewal, readers will find, in Seneca's wisdom, a valuable antidote to the ills of an angry age.

The Daily Stoic - Ryan Holiday 2016-10-18

From the team that brought you *The Obstacle Is the Way* and *Ego Is the Enemy*, a beautiful daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. *The Daily Stoic* offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.

Stillness Is the Key - Ryan Holiday 2019-10-01

Instant #1 New York Times Bestseller & Wall Street Journal Bestseller In *The Obstacle Is the Way* and *Ego Is the Enemy*, bestselling author Ryan Holiday made ancient wisdom wildly popular with a new generation of leaders in sports, politics, and technology. In his new book, *Stillness Is the Key*, Holiday draws on timeless Stoic and Buddhist philosophy to show why slowing down is the secret weapon for those charging ahead. All great leaders, thinkers, artists, athletes, and visionaries share one indelible quality. It enables them to conquer their tempers. To avoid distraction and discover great insights. To achieve happiness and do the right thing. Ryan Holiday calls it stillness—to be steady while the world spins around you. In this book, he outlines a path for achieving this ancient, but urgently necessary way of living. Drawing on a wide range of history's greatest thinkers, from Confucius to Seneca, Marcus Aurelius to Thich Nhat Hanh, John Stuart Mill to Nietzsche, he argues that stillness is not mere inactivity, but the doorway to self-mastery, discipline, and focus. Holiday also examines figures who exemplified the power of stillness: baseball player Sadaharu Oh, whose study of Zen made him the greatest home run hitter of all time; Winston Churchill, who in balancing his busy public life with time spent laying bricks and

painting at his Chartwell estate managed to save the world from annihilation in the process; Fred Rogers, who taught generations of children to see what was invisible to the eye; Anne Frank, whose journaling and love of nature guided her through unimaginable adversity. More than ever, people are overwhelmed. They face obstacles and egos and competition. *Stillness Is the Key* offers a simple but inspiring antidote to the stress of 24/7 news and social media. The stillness that we all seek is the path to meaning, contentment, and excellence in a world that needs more of it than ever.

Lessons in Stoicism - John Sellars 2019-09-05

How can Stoicism inspire us to lead more enjoyable lives? In the past few years, Stoicism has been making a comeback. But what exactly did the Stoics believe? In *Lessons in Stoicism*, philosopher John Sellars weaves together the key ideas of the three great Roman Stoics -- Seneca, Epictetus and Marcus Aurelius -- with snapshots of their fascinating lives, to show us how their ideas can help us today. In vivid prose, Sellars shows how the works of these three Stoics have inspired readers ever since, speaking as they do to some of the perennial issues that face anyone trying to navigate their way through life. Their works, fundamentally, are about how to live -- how to understand one's place in the world, how to cope when things don't go well, how to manage one's emotions and how to behave towards others. *Lessons in Stoicism* is a deeply thoughtful guide to the philosophy of a good life.

The Daily Drucker - Peter Drucker 2018-03-09

A powerful new learning tool for the ambitious, self-directed manager, entrepreneur, or business person today, *The Daily Drucker* distills the essence of management guru Peter F. Drucker's teachings in an easy-to-access, daily calendar format. It presents in organized form: a key statement of Drucker's, followed by a few lines of comment and explanation, with topics ranging across a great many fields of his work: management, business and the world economy; a changing society; innovation and entrepreneurship; decision-making; the changing workforce and the non-profit and their management. However, the most important part of this book are the blank halves of its pages. They are what the readers will contribute, their actions, decisions and the results of these decisions. There are 366 readings, each addressing a major topic, one for every day of the year. Each reading starts with a topic and a "Drucker Proverb" such as "Know Thy Time", capturing the essence of the topic. Then there is a teaching taken directly from the works of Peter Drucker. Next comes the action step, where you are asked to "Think on" the teaching and apply it to yourself and your organization.

Courage Is Calling - Ryan Holiday 2021-09-28

The instant New York Times, Wall Street Journal, and USA Today Bestseller! Ryan Holiday's bestselling trilogy—*The Obstacle Is the Way*, *Ego is the Enemy*, and *Stillness is the Key*—captivated professional athletes, CEOs, politicians, and entrepreneurs and helped bring Stoicism to millions of readers. Now, in the first book of an exciting new series on the cardinal virtues of ancient philosophy, Holiday explores the most foundational virtue of all: Courage. Almost every religion, spiritual practice, philosophy and person grapples with fear. The most repeated phrase in the Bible is "Be not afraid." The ancient Greeks spoke of phobos, panic and terror. It is natural to feel fear, the Stoics believed, but it cannot rule you. Courage, then, is the ability to rise above fear, to do what's right, to do what's needed, to do what is true. And so it rests at the heart of the works of Marcus Aurelius, Aristotle, and CS Lewis, alongside temperance, justice, and wisdom. In *Courage Is Calling*, Ryan Holiday breaks down the elements of fear, an expression of cowardice, the elements of courage, an expression of bravery, and lastly, the elements of heroism, an expression of valor. Through engaging stories about historic and contemporary leaders, including Charles De Gaulle, Florence Nightingale, and Dr. Martin Luther King Jr., Holiday shows you how to conquer fear and practice courage in your daily life. You'll also delve deep into the moral dilemmas and courageous acts of lesser-known, but equally as important, figures from ancient and modern history, such as Helvidius Priscus, a Roman Senator who stood his ground against emperor Vespasian, even in the face of death; Frank Serpico, a former New York City Police Department Detective who exposed police corruption; and Frederick Douglass and a slave named Nelly, whose fierce resistance against her captors inspired his own crusade to end slavery. In a world in which fear runs rampant—when people would rather stand on the sidelines than speak out against injustice, go along with convention than bet on themselves, and turn a blind eye to the ugly realities of modern life—we need courage more than ever. We need the courage of whistleblowers and risk takers. We need

the courage of activists and adventurers. We need the courage of writers who speak the truth—and the courage of leaders to listen. We need you to step into the arena and fight.

Stoicism Collection - Marcus Aurelius 2018-02-05

This Stoicism Collection contains three of the most notable Stoic pieces, *The Meditations of Marcus Aurelius*, *Seneca's Letters from a Stoic*, and *The Discourses of Epictetus*. These three pieces are the foundations of Stoicism.

The Power of Daily Practice - Eric Maisel 2020-09-08

Learn the #1 Secret of the Most Successful Pros: Daily Practice Eric Maisel knows from experience and observation that the single most crucial element of success for any endeavor is a regular, daily practice. Dr. Maisel, a preeminent creativity coach, therapist, and acclaimed author, shows how and why to implement a daily practice and addresses common challenges. His experience working with bestselling writers, entrepreneurs, musicians, actors, visual artists, recovering addicts, and rehabilitation patients shows as he outlines various ways to approach a daily practice and goes on to help you build a version of this important discipline that suits your life and goals. Real-world stories and practical examples will help you make measurable progress and build satisfaction in your most cherished pursuits.

Stoic Warriors - Nancy Sherman 2007-03-19

Stoic Warriors explores the relationship between soldiers and Stoic philosophy, exploring what Stoicism actually is, the role it plays in the character of the military (both ancient and modern), and its powerful value as a philosophy of life. Marshalling anecdotes from military history--ranging from ancient Greek wars to World War II, Vietnam, and Iraq--Sherman illuminates the military mind and uses it as a window on the virtues of the Stoic philosophy. Indeed this is a perceptive investigation of what makes Stoicism so compelling not only as a guiding principle for the military, but as a philosophy for anyone facing the hardships of life.

Daily Stoic: A Daily Journal On Meditation, Stoicism, Wisdom and Philosophy to Improve Your Life - George Tanner

This book is a collection of Stoic sayings organized to allow daily reference and inspiration. Including quotes from: Marcus Aurelius Seneca Epictetus And much more... The Stoic advice covered in this volume runs the gambit from personal problems, to interpersonal relationships, to advice on work and productivity, to dealing with the hand of fate. Meditations in this book are split up by seasons. There are meditations for each season, covering the four seasons. Face the world with a new light with the help of these immortal thinkers and learn both to conquer yourself and to come to terms with those things which you cannot control.

The Little Book of Stoicism - Jonas Salzgeber 2019-01-28

This compelling, highly actionable guide shows you how to deal more effectively with whatever life throws at you and live up to your best self. A mix of timeless wisdom and empowering advice, *The Little Book of Stoicism* will point the way to anyone seeking a calm and wise life in a chaotic world.

Stoic Wisdom - Nancy Sherman 2021

A deeply informed exploration of what Stoic ideas have to offer us today Stoicism is the ideal philosophy of life for those seeking calm in times of stress and uncertainty. For many, it has become the new Zen, with meditation techniques that help us face whatever life throws our way. Indeed, the Stoics address a key question of our time: how can we be masters of our fate when the outside world threatens to unmoor our well-being? In *Stoic Wisdom*, Georgetown philosophy professor Nancy Sherman, an expert in ancient and modern ethics, shows what a practical modern Stoicism really looks like. Drawing on the wisdom of Stoic thinkers Epictetus, Marcus Aurelius, Seneca and others, Sherman paints a portrait that uncovers the true subtlety and power of Stoic ideas. That portrait reveals a truth often ignored: that the Stoics never thought self-sufficiency was only about rugged self-reliance and mental discipline. We are at home in the world, they taught, when we are connected to each other in cooperative efforts. While mastery of one's self is essential, we also must draw on our deepest relationships for true strength and resilience. Bringing these ancient ideas to bear on 21st century environments—from Silicon Valley to first responders in a pandemic, to soldiers on the battlefield—Sherman shows how Stoicism can both prepare us for an uncertain future and help us cope with traumatic events. *Stoic Wisdom* will appeal to anyone feeling helpless or looking for deeper, meaningful strength and goodness in addressing life's biggest and smallest challenges.

Practicing Stoicism - Jason Hemlock 2021-03-19

Marcus Aurelius, famous Stoic and Roman emperor, made a point of

sitting down every day to journal his thoughts and reflections on life. These thoughts have survived in the form of his 'Meditations,' inspirational notes on his Stoic approach. He found journaling to be invaluable when it came to coping with ruling an Empire. Today, many people are turning to this ancient philosophy to help them deal with the stresses and strains of modern living. With life becoming ever more frenetic and fast paced, it can be difficult to find inner peace and equilibrium. This is where Stoicism can help. It is a philosophy that encourages adherents to focus on what they can control and not worry about what they cannot. In turning your attention to your inner state and observing your emotions and reactions, you can develop greater emotional harmony and the ability to cope with everything life throws at you. Created by Jason Hemlock, author of *Stoicism: How to Use Stoic Philosophy to Find Inner Peace and Happiness*, this journal has been designed to make it easier for you to bring Stoicism into your daily life. It can be difficult to remember to be Stoic when times get tough. This journal will help you be more Stoic and support you on your Stoic journey. Over the course of 60 days, you'll discover: Inspirational quotes by Marcus Aurelius to start your day Morning journaling prompts to support you in developing a Stoic attitude Daily exercises to bring Stoic practices to life Evening journaling prompts to track the difference Stoicism is making to your life Developing new habits take time and it can be easy to get discouraged if you think you're not making any progress. Journaling helps you see the improvements you've made, giving you the encouragement you need to keep going. With 60 days' worth of journaling, this journal is an essential part of the process of becoming truly Stoic. Discover the Secrets to Stoicism Today by Scrolling Up and Clicking the "Add to Cart" Button at the Top of the Page.

The Stoic Challenge: A Philosopher's Guide to Becoming Tougher, Calmer, and More Resilient - William B. Irvine 2019-09-03

A practical, refreshingly optimistic guide that uses centuries-old wisdom to help us better cope with the stresses of modern living. Some people bounce back in response to setbacks; others break. We often think that these responses are hardwired, but fortunately this is not the case. Stoicism offers us an alternative approach. Plumbing the wisdom of one of the most popular and successful schools of thought from ancient Rome, philosopher William B. Irvine teaches us to turn any challenge on its head. The Stoic Challenge, then, is the ultimate guide to improving your quality of life through tactics developed by ancient Stoics, from Marcus Aurelius and Seneca to Epictetus. This book uniquely combines ancient Stoic insights with techniques discovered by contemporary psychological research, such as anchoring and framing. The result is a surprisingly simple strategy for dealing with life's unpleasant and unexpected challenges—from minor setbacks like being caught in a traffic jam or having a flight cancelled to major setbacks like those experienced by physicist Stephen Hawking, who slowly lost the ability to move, and writer Jean-Dominique Bauby, who suffered from locked-in syndrome. The Stoics discovered that thinking of challenges as tests of character can dramatically alter our emotional response to them. Irvine's updated "Stoic test strategy" teaches us how to transform life's stumbling blocks into opportunities for becoming calmer, tougher, and more resilient. Not only can we overcome everyday obstacles—we can benefit from them, too.

The Boy Who Would Be King - Ryan Holiday 2021-02

Meditations - Marcus Aurelius 2012-03-01

Stirring reflections on the human condition provide a fascinating glimpse into the mind and personality of a highly principled Roman warrior and emperor of the 2nd century.

The Obstacle Is the Way - Ryan Holiday 2014-05-01

#1 Wall Street Journal Bestseller *The Obstacle is the Way* has become a cult classic, beloved by men and women around the world who apply its wisdom to become more successful at whatever they do. Its many fans include a former governor and movie star (Arnold Schwarzenegger), a hip hop icon (LL Cool J), an Irish tennis pro (James McGee), an NBC sportscaster (Michele Tafoya), and the coaches and players of winning teams like the New England Patriots, Seattle Seahawks, Chicago Cubs, and University of Texas men's basketball team. The book draws its inspiration from stoicism, the ancient Greek philosophy of enduring pain or adversity with perseverance and resilience. Stoics focus on the things they can control, let go of everything else, and turn every new obstacle into an opportunity to get better, stronger, tougher. As Marcus Aurelius put it nearly 2000 years ago: "The impediment to action advances action. What stands in the way becomes the way." Ryan Holiday shows us how some of the most successful people in history—from John D. Rockefeller

to Amelia Earhart to Ulysses S. Grant to Steve Jobs—have applied stoicism to overcome difficult or even impossible situations. Their embrace of these principles ultimately mattered more than their natural intelligence, talents, or luck. If you're feeling frustrated, demoralized, or stuck in a rut, this book can help you turn your problems into your biggest advantages. And along the way it will inspire you with dozens of true stories of the greats from every age and era.

The Stoic Way of Life - Marcus Epictetus 2020-11-16

This book contains many powerful and effective practices for a modern person. If you want to have control over things that belong to your internal state, then *The Stoic way of Life* is for you.

Lives of the Stoics - Ryan Holiday 2020-09-29

Instant New York Times Advice & Business Bestseller, USA Today Bestseller, and Wall Street Journal #1 Bestseller! A New York Times Noteworthy Pick and a "stellar work" by Publishers Weekly From the bestselling authors of *The Daily Stoic* comes an inspiring guide to the lives of the Stoics, and what the ancients can teach us about happiness, success, resilience and virtue. Nearly 2,300 years after a ruined merchant named Zeno first established a school on the Stoa Poikile of Athens, Stoicism has found a new audience among those who seek greatness, from athletes to politicians and everyone in between. It's no wonder; the philosophy and its embrace of self-mastery, virtue, and indifference to that which we cannot control is as urgent today as it was in the chaos of the Roman Empire. In *Lives of the Stoics*, Holiday and Hanselman present the fascinating lives of the men and women who strove to live by the timeless Stoic virtues of Courage. Justice. Temperance. Wisdom. Organized in digestible, mini-biographies of all the well-known--and not so well-known--Stoics, this book vividly brings home what Stoicism was like for the people who loved it and lived it, dusting off powerful lessons to be learned from their struggles and successes. More than a mere history book, every example in these pages, from Epictetus to Marcus Aurelius--slaves to emperors--is designed to help the reader apply philosophy in their own lives. Holiday and Hanselman unveil the core values and ideas that unite figures from Seneca to Cato to Cicero across the centuries. Among them are the idea that self-rule is the greatest empire, that character is fate; how Stoics benefit from preparing not only for success, but failure; and learn to love, not merely accept, the hand they are dealt in life. A treasure of valuable insights and stories, this book can be visited again and again by any reader in search of inspiration from the past.

Ego Is the Enemy - Ryan Holiday 2016-06-14

The instant Wall Street Journal, USA Today, and international bestseller "While the history books are filled with tales of obsessive visionary geniuses who remade the world in their image with sheer, almost irrational force, I've found that history is also made by individuals who fought their egos at every turn, who eschewed the spotlight, and who put their higher goals above their desire for recognition." —from the prologue Many of us insist the main impediment to a full, successful life is the outside world. In fact, the most common enemy lies within: our ego. Early in our careers, it impedes learning and the cultivation of talent. With success, it can blind us to our faults and sow future problems. In failure, it magnifies each blow and makes recovery more difficult. At every stage, ego holds us back. *Ego Is the Enemy* draws on a vast array of stories and examples, from literature to philosophy to history. We meet fascinating figures such as George Marshall, Jackie Robinson, Katharine Graham, Bill Belichick, and Eleanor Roosevelt, who all reached the highest levels of power and success by conquering their own egos. Their strategies and tactics can be ours as well. In an era that glorifies social media, reality TV, and other forms of shameless self-promotion, the battle against ego must be fought on many fronts. Armed with the lessons in this book, as Holiday writes, "you will be less invested in the story you tell about your own specialness, and as a result, you will be liberated to accomplish the world-changing work you've set out to achieve."

Trust Me, I'm Lying - Ryan Holiday 2013-07-02

The cult classic that predicted the rise of fake news—revised and updated for the post-Trump, post-Gawker age. Hailed as "astonishing and disturbing" by the Financial Times and "essential reading" by TechCrunch at its original publication, former American Apparel marketing director Ryan Holiday's first book sounded a prescient alarm about the dangers of fake news. It's all the more relevant today. *Trust Me, I'm Lying* was the first book to blow the lid off the speed and force at which rumors travel online—and get "traded up" the media ecosystem until they become real headlines and generate real responses in the real world. The culprit? Marketers and professional media manipulators,

encouraged by the toxic economics of the news business. Whenever you see a malicious online rumor costs a company millions, politically motivated fake news driving elections, a product or celebrity zooming from total obscurity to viral sensation, or anonymously sourced articles becoming national conversation, someone is behind it. Often someone like Ryan Holiday. As he explains, "I wrote this book to explain how media manipulators work, how to spot their fingerprints, how to fight them, and how (if you must) to emulate their tactics. Why am I giving away these secrets? Because I'm tired of a world where trolls hijack debates, marketers help write the news, opinion masquerades as fact, algorithms drive everything to extremes, and no one is accountable for any of it. I'm pulling back the curtain because it's time the public understands how things really work. What you choose to do with this information is up to you."

The Genius Habit - Laura Garnett 2019-02-05

Make your job the right job Maybe you're a young professional just starting to think seriously about what you want out of your career. Maybe you've been job hopping for a few years and haven't found the perfect fit. Or maybe you want to launch your career to a new level and bring fresh energy to your work. In *The Genius Habit*, performance strategist Laura Garnett shows you how the path to finding long-lasting professional happiness starts with building the habit that makes extraordinary accomplishment all but guaranteed, as well as: The difference between passion and purpose and why one matters more than the other How to stop equating achievements with happiness Why having a mentor is not a necessity for career success The benefits of continually fine-tuning your career so you are challenged and fulfilled every day Combining the most recent and exciting research on productivity and performance with Laura's experience guiding dozens of high-level clients to the heights of success, *The Genius Habit* is a must-read for anyone who believes that work can and should be one of the most rewarding aspects of life.

The Discourses of Epictetus - Epictetus 1877

Conspiracy - Ryan Holiday 2019-06-25

An NPR Book Concierge Best Book of 2018! A Sunday Times of London Pick of the Paperbacks A stunning story about how power works in the modern age--the book the New York Times called "one helluva page-turner" and The Sunday Times of London celebrated as "riveting...an astonishing modern media conspiracy that is a fantastic read." Pick up the book everyone is talking about. In 2007, a short blogpost on Valleywag, the Silicon Valley-vertical of Gawker Media, outed PayPal founder and billionaire investor Peter Thiel as gay. Thiel's sexuality had been known to close friends and family, but he didn't consider himself a public figure, and believed the information was private. This post would be the casus belli for a meticulously plotted conspiracy that would end nearly a decade later with a \$140 million dollar judgment against Gawker, its bankruptcy and with Nick Denton, Gawker's CEO and founder, out of a job. Only later would the world learn that Gawker's demise was not incidental--it had been masterminded by Thiel. For years, Thiel had searched endlessly for a solution to what he'd come to call the "Gawker Problem." When an unmarked envelope delivered an illegally recorded sex tape of Hogan with his best friend's wife, Gawker had seen the chance for millions of pageviews and to say the things that others were afraid to say. Thiel saw their publication of the tape as the opportunity he was looking for. He would come to pit Hogan against Gawker in a multi-year proxy war through the Florida legal system, while Gawker remained confidently convinced they would prevail as they had over so many other lawsuit--until it was too late. The verdict would stun the world and so would Peter's ultimate unmasking as the man who had set it all in motion. Why had he done this? How had no one discovered it? What would this mean--for the First Amendment? For privacy? For culture? In Holiday's masterful telling of this nearly unbelievable conspiracy, informed by interviews with all the key players, this case transcends the narrative of how one billionaire took down a media empire or the current state of the free press. It's a study in power, strategy, and one of the most wildly ambitious--and successful--secret plots in recent memory. Some will cheer Gawker's destruction and others will lament it, but after reading these pages--and seeing the access the author was given--no one will deny that there is something ruthless and brilliant about Peter Thiel's shocking attempt to shake up the world.

The Beginner's Guide to Stoicism - Matthew Van Natta 2019-10-08
Optimize joy, overcome obstacles--discover the calm of stoicism Being a stoic means embracing positivity and self-control through the ability to accept the uncertainty of outcomes. With this stoicism guide, the

The Stoic's Bible - Giles Lauren 2014-02-12

A collection of referenced quotes from the Stoics & their antecedents, composing a complete reference source to Stoic thought. Also an aide memoir to locate many classical quotes. With Introduction, bibliography and 3 illustrations.

The Effective Executive in Action - Peter F. Drucker 2005-12-02

The Effective Executive in Action is a journal based on Peter F. Drucker's classic and preeminent work on management and effectiveness -- *The Effective Executive*. Here Drucker and Maciariello provide executives, managers, and knowledge workers with a guide to effective action -- the central theme of Drucker's work. The authors take more than one hundred readings from Drucker's classic work, update them, and provide provocative questions to ponder and actions to take in order to improve your own work. Also included in this journal is a space for you to record your thoughts for later review and reflection. *The Effective Executive in Action* will teach you how to be a better leader and how to lead according to the five main pillars of Drucker's leadership philosophy.

Unseen City - Nathanael Johnson 2016-04-05

It all started with Nathanael Johnson's decision to teach his daughter the name of every tree they passed on their walk to day care in San Francisco. This project turned into a quest to discover the secrets of the neighborhood's flora and fauna, and yielded more than names and trivia: Johnson developed a relationship with his nonhuman neighbors. Johnson argues that learning to see the world afresh, like a child, shifts the way we think about nature: Instead of something distant and abstract, nature becomes real—all at once comical, annoying, and beautiful. This shift can add tremendous value to our lives, and it might just be the first step in saving the world. No matter where we live—city, country, oceanside, or mountains—there are wonders that we walk past every day. *Unseen City* widens the pinhole of our perspective by allowing us to view the world from the high-altitude eyes of a turkey vulture and the distinctly low-altitude eyes of a snail. The narrative allows us to eavesdrop on the comically frenetic life of a squirrel and peer deep into the past with a ginkgo biloba tree. Each of these organisms has something unique to tell us about our neighborhoods and, chapter by chapter, *Unseen City* takes us on a journey that is part nature lesson and part love letter to the world's urban jungles. With the right perspective, a walk to the subway can be every bit as entrancing as a walk through a national park.

Discipline Is Destiny - Ryan Holiday 2022-09-27

The instant New York Times, Wall Street Journal, and USA Today Bestseller! In his New York Times bestselling book *Courage is Calling*, author Ryan Holiday made the Stoic case for a bold and brave life. In this much-anticipated second book of his Stoic Virtue series, Holiday celebrates the awesome power of self-discipline and those who have seized it. To master anything, one must first master themselves—one's emotions, one's thoughts, one's actions. Eisenhower famously said that freedom is really the opportunity to practice self-discipline. Cicero called the virtue of temperance the polish of life. Without boundaries and restraint, we risk not only failing to meet our full potential and jeopardizing what we have achieved, but we ensure misery and shame. In a world of temptation and excess, this ancient idea is more urgent than ever. In *Discipline is Destiny*, Holiday draws on the stories of historical figures we can emulate as pillars of self-discipline, including Lou Gehrig, Queen Elizabeth II, boxer Floyd Patterson, Marcus Aurelius and writer Toni Morrison, as well as the cautionary tales of Napoleon, F. Scott Fitzgerald and Babe Ruth. Through these engaging examples, Holiday teaches readers the power of self-discipline and balance, and cautions against the perils of extravagance and hedonism. At the heart of Stoicism are four simple virtues: courage, temperance, justice, and wisdom. Everything else, the Stoics believed, flows from them. *Discipline is Destiny* will guide readers down the path to self-mastery, upon which all the other virtues depend. *Discipline is predictive*. You cannot succeed without it. And if you lose it, you cannot help but bring yourself failure and unhappiness.

Summary of the Daily Stoic - Benjamin Collins 2021-02-09

Summary and Analysis of *The Daily Stoic: 366 Meditations on Wisdom, Perseverance and the Art of Living* By Ryan Holiday & Stephen Hanselman The question is that... Do you want more wisdom, more persistence, and more skill in the art of living? If so, begin with the summary of the Daily Stoic. Inspired by the teachings of famous Greek and Roman philosophers such as Seneca, Epictetus, and the great emperor Marcus Aurelius, this book presents 366 meditations a day to get you through the year. Given the fact that Stoicism is the most common discipline of its day, it is timeless and highly relevant in our brave new world. The purpose of this book is "to restore Stoicism to its rightful place as a tool in the pursuit of self-mastery, perseverance, and wisdom. If you're looking to live a good life, this book provides regular doses of motivation and wisdom.

The Rebel's Apothecary - Jenny Sansouci 2020-05-19

Learn how to improve your health and wellness with the healing magic of cannabis, CBD and medicinal mushrooms. When health coach and wellness blogger Jenny Sansouci learned that her father was diagnosed with stage 4 pancreatic cancer, her extensive knowledge of the latest alternative therapies was put to the test. Jenny dove into the world of cannabis and mushrooms and their medicinal properties - and she and her dad are now outspoken champions of the healing power of these plants and fungi - not only to tame the side effects of chemotherapy, but to address everyday wellness concerns. *The Rebel's Apothecary* is the result of her heartfelt and rigorous quest -- a science-based and supportive guide that will enhance the lives of anyone living with pain, anxiety, depression, a weakened immune system, insomnia, and more. Complete with background information, dosing instructions, and everyday recipes, this is the essential handbook for harnessing the ancient healing powers of cannabis and mushrooms --safely, without confusion, fear, or an unwanted high. In addition to debunking myths and de-stigmatizing these powerful healing plants and fungi, *The Rebel's Apothecary* presents:

- Specific protocols and dosage guides for wellness uses (mood, sleep, immunity, focus, energy) and managing common chemotherapy side effects
- Everyday wellness routines
- Recipes for delicious, easy, health-enhancing cannabis and mushroom infused smoothies, coffee drinks, teas, elixirs, gummies, and broths - including recipes from chefs and wellness experts like Dr. Andrew Weil, Kris Carr, Seamus Mullen, Marco Canora and more
- The latest research on CBD, THC, medicinal mushrooms and psilocybin
- Tips for creating a cutting-edge home apothecary of your own

A Handbook for New Stoics - Massimo Pigliucci 2019-05-14

A pragmatic philosophy more popular than ever—here are 52 ancient lessons to help you overcome adversity and find tranquility in the modern world An ancient belief system made new, Stoicism teaches us how to accept the things we cannot change and how to live a good life. It helps us improve our outlook, increase our wellbeing, and thrive in the face of adversity. But how does one live like a Stoic? In *A Handbook for New Stoics*, renowned philosopher Massimo Pigliucci and practitioner Gregory Lopez guide readers through 52 weekly lessons, each based on a common obstacle. Stressing out about a meeting at work? Try listing the things you can control and those you can't. Epictetus writes: "In our power are thought, impulse, will to get, and will to avoid"—in other words, our own attitudes. Discover what you can control, and quickly achieve peace of mind. Featuring quotes from philosophers, analysis by the authors, and journaling activities, these lessons enable readers to reframe their perceptions and be happier.

The Wisdom of the Stoics - Frances Kanes Hazlitt 1984

The first volume of its kind to bring together generous selections of the works of three of the great Stoic philosophers, Seneca, Epictetus, and Marcus Aurelius.

Summary of The Daily Stoic - Alexander Cooper 2021-10-31

Summary of *The Daily Stoic - 366 Meditations on Wisdom, Perseverance, and the Art of Living - A Comprehensive Summary* How Is The Daily Stoic Arranged? As the subtitle suggests, the book provides 366 Meditations on Wisdom, Persistence, and the Art of Living. These daily meditations are Stoic quotes translated by Stephen Hanselman, one for each day of the year, combined with Ryan Holiday's thoughts. The design is associated with the Stoic exercises in the three critical disciplines:

- The Discipline of Perception: how we see and see the world around us.
- The Discipline of Action: the decisions and actions that we take, and to what end.
- The Discipline of Will: How we deal with circumstances that we cannot alter, obtain a strong and persuasive judgment, and come to a true understanding of our position in the universe. We can find clarity by controlling our perceptions. We will be successful in directing our acts properly and equally. Through using and aligning our will, we will find

wisdom and insight to deal with everything the universe brings before us. Ryan holiday devoted four months to each discipline, all of which have a particular stoic character to cultivate in our own lives. In this summary,

you will find the most interesting ideas for each month. Let's dig in. Here is a Preview of What You Will Get: A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc. Get a copy of this summary and learn about the book.
