[The Dark Eidolon and Other Fantasies](#) - Clark Ashton Smith 2014-03-25

A much-awaited collection of prose and poetry from one of the great cosmic masters of the supernatural. Not just any fantasy, horror, and science fiction author could impress H. P. Lovecraft into calling him "unexcelled by any other writer, dead or living" or compel Fritz Lieber to employ the worthy term *sui generis*. Clark Ashton Smith—autodidact, prolific poet, amateur philosopher, bizarre sculptor, and unmatched storyteller—simply wrote like no one else, before or since. This new collection of his very best tales and poems is selected and introduced by supernatural literature scholar S. T. Joshi and allows readers to encounter Smith's visionary brand of fantastical, phantasmagorical worlds, each one filled with invention, terror, and a superlative sense of metaphysical wonder. The Dream Quest of Unknown Kadath Annotated - H. P. Lovecraft 2020-05-16

The Dream-Quest of Unknown Kadath is a novella by American writer H. P. Lovecraft. Begun probably in the autumn of 1926, the draft was completed on January 22, 1927 and it remained unrevised and unpublished in his lifetime. It is both the longest of the stories that make up his Dream Cycle and the longest Lovecraft work to feature protagonist Randolph Carter. Along with his 1927 novel *The Case of Charles Dexter Ward*, it can be considered one of the significant achievements of that period of Lovecraft's writing. The Dream-Quest combines elements of horror and fantasy into an epic tale that illustrates the scope and wonder of humankind's ability to dream. Randolph Carter dreams of a majestic city but can not approach it. When he prays to the gods of dream to reveal the city's whereabouts, his dreams of the city stop altogether. Undaunted, Carter resolves to beseech the gods in person at Kadath. However, no one knows where that is.

At the Mountains of Madness - H. P. Lovecraft 2018-10-16

At the Mountains of Madness is a novella by horror writer H. P. Lovecraft. The story has inadvertently popularized the concept of ancient astronauts, as well as Antarctica's place in the "ancient astronaut mythology". The story is told in first-person perspective by the geologist William Dyer, a professor at Miskatonic University. He writes to disclose hitherto unknown and closely kept secrets in the hope that he can deter a planned and much publicized scientific expedition to Antarctica. On a previous expedition there, scholars from Miskatonic University led by Dyer discovered fantastic and horrific ruins and a dangerous secret beyond a range of mountains higher than the Himalayas. A smaller advance group, led by Professor Lake, discovered and crossed the mountains and found the remains of fourteen ancient life forms,

completely unknown to science and unidentifiable as either plants or animals. Six of the specimens are badly damaged and the others uncannily pristine. Their highly evolved features are problematic: their stratum location puts them at a point on the geologic time scale much too early for such features to have naturally evolved. When the main expedition loses contact with Lake's party, Dyer and the rest of his colleagues travel to their last known location to investigate. Lake's camp is devastated, and both the men and the dogs slaughtered, while a man named Gedney and another dog are unaccounted for. Near the camp they find six star-shaped snow mounds, and one specimen buried under each. They discover that the better preserved life forms have vanished, and that some form of dissection experiment has been done on an unnamed man and a dog. Dyer elects to close off the area from which they took their samples. Dyer and a graduate student named Danforth fly an airplane over the mountains, which they soon realize are the outer walls of a huge, abandoned stone city of cubes and cones, utterly alien compared with any human architecture. Because of their resemblance to creatures of myth mentioned in the *Necronomicon*, the builders of this lost civilization are dubbed the "Elder Things". By exploring these fantastic structures, the men are able to learn the history of the Elder Things through interpreting their magnificent hieroglyphic murals: The Elder Things first came to Earth shortly after the Moon was pulled loose from the planet and were the creators of life. They built their cities with the help of "Shoggoths", biological entities created to perform any task, assume any form, and reflect any thought. As more buildings are explored, a fantastic vista opens of the history of races beyond the scope of man's understanding, including the Elder Things' conflicts with the Star-spawn of Cthulhu and the Mi-go, who arrived on Earth some time after the Elder Things themselves.

The Clock of Dreams - Brian Lumley 1999-10-06

Titus Crow and his faithful companion and record-keeper fight the gathering forces of darkness—the infamous and deadly Elder Gods of the works of H.P. Lovecraft. Cthulhu and his dark minions are bent on ruling the earth. A few puny humans cannot possibly stand against these otherworldly evil gods, yet time after time, Titus Crow drives the monsters back into the dark from whence they came. *The Clock of Dreams* is the third book in the Titus Crow series. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Tales of H. P. Lovecraft - Joyce Carol Oates 2007-09-18

When he died in 1937, destitute and emotionally as well as physically ruined, H. P. Lovecraft had no idea that he would one day be celebrated as the godfather of modern horror. A dark visionary, his work would influence an entire generation of writers, including Stephen King, Clive Barker, Neil Gaiman, and Anne Rice. Now, the most important tales of this distinctive American storyteller have been collected in a single volume by National Book Award-winning author Joyce Carol Oates. In tales that combine the nineteenth-century gothic sensibility of Edgar Allan Poe with a uniquely daring internal vision, Lovecraft fuses the supernatural and mundane into a terrifying, complex, and exquisitely realized vision, foretelling a psychically troubled century to come. Set in a meticulously described New England landscape, here are harrowing stories that explore the total collapse of sanity beneath the weight of chaotic events—stories of myth and madness that release monsters into our world. Lovecraft's universe is a frightening shadow world where reality and nightmare intertwine, and redemption can come only from below.

[The Dream-Quest of Unknown Kadath \(Fantasy and Horror Classics\)](#) - H. P. Lovecraft 2016-03-31

“The Dream-Quest of Unknown Kadath” is a 1926 novella written by American writer H. P. Lovecraft and published posthumously. The story revolves around the intrepid dreamer Randolph Carter who embarks on an epic journey to find a mystical city that appears in his dreams. However, to reach it he must traverse both inner and outer-space while negotiating with a variety of dangerous entities and avoiding the many denizens of the Dreamlands. A fantastic example of classic Lovecraftian fiction, “The Dream-Quest of Unknown Kadath” is not to be missed by fans and collectors of Lovecraft's unmistakable work. Howard Phillips Lovecraft (1890-1937) was an American writer of supernatural horror fiction. Though his works remained largely unknown and did not furnish him with a decent living, Lovecraft is today considered to be among the most significant writers of supernatural horror fiction of the twentieth century. Read & Co. is publishing this classic novella now as part of our “Fantasy and Horror Classics” imprint in a new edition with a dedication by George Henry Weiss.

H. P. Lovecraft's Tales from the Dream Cycle - A Collection of Short Stories (Fantasy and Horror Classics) - H. P. Lovecraft 2012-11-01

These early works by H. P. Lovecraft were originally published in the first half of the 20th century. As a collection of short stories, this represents Lovecraft's tales of the Dream Cycle, and includes 'Hypnos', 'The Doom That Came to Sarnath', 'Ex Oblivione', 'Azathoth', 'At the Mountains of Madness', and many other titles. Born in 1890 in Rhode Island, USA, Lovecraft began writing at a very young age, quickly developing a deep and abiding interest in science. In 1913, Lovecraft joined the UAPA (United Amateur Press Association) but it was four years later, in 1917, that he began to focus on fiction, producing such well-known early stories as 'Dagon' and 'A Reminiscence of Dr. Samuel Johnson'. However, it was during the last decade of his life that Lovecraft produced his most notable works, such as 'the Dunwich Horror' and 'The Call of Cthulhu' which subsequently earned him his place as one of the most influential horror writers of the 20th century. Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions.

The Dreams in the Witch-House - H.P. Lovecraft 2022-09-15

The Dreams in the Witch-House is a horror short story by American writer H. P. Lovecraft, part of his Cthulhu Mythos cycle. Excerpt: "It was also possible that the inhabitants of a given dimensional realm could survive entry to many unknown and incomprehensible realms of additional or indefinitely multiplied dimensions—be they within or outside the given space-time continuum—and that the converse would be likewise true. This was a matter for speculation, though one could be fairly certain that the type of mutation involved in a passage from any given dimensional plane to the next higher one would not be destructive of biological integrity as we understand it."

The White Ship - H.P. Lovecraft 2021-01-01

"The White Ship" is a short story written by science fiction and horror fiction writer H. P. Lovecraft. It was first published in *The United Amateur* (Volume 19) #2, November 1919. Unlike many of Lovecraft's other tales, "The White Ship" does not expressly tie into the popularized Cthulhu Mythos. However, the story cannot be entirely excluded from mythos continuity either, since it makes reference to preternatural, godlike beings. The tone and temperament of "The White Ship" speaks largely of the Dream Cycle literary structure that Lovecraft utilized in other stories such as *The Dream-Quest of Unknown Kadath* (1926) and "The Cats of Ulthar" (1920).

The Dream Cycle of H.p. Lovecraft - 2010

At The Mountains Of Madness - H P Lovecraft 2020-05-30

I am forced into speech because men of science have refused to follow my advice without knowing why. It is altogether against my will that I tell my reasons for opposing this contemplated invasion of the antarctic with its vast fossil hunt and its wholesale boring and melting of the ancient ice caps. And I am the more reluctant because my warning may be in vain. Doubt of the real facts, as I must reveal them, is inevitable; yet, if I suppressed what will seem extravagant and incredible, there would be nothing left. The hitherto withheld photographs, both ordinary and aerial, will count in my favor, for they are damnably vivid and graphic. Still, they will be doubted because of the great lengths to which clever fakery can be carried. The ink drawings, of course, will be jeered at as obvious impostures, notwithstanding a strangeness of technique which art experts ought to remark and puzzle over. In the end I must rely on the judgment and standing of the few scientific leaders who have, on the one hand, sufficient independence of thought to weigh my data on its own hideously convincing merits or in the light of certain primordial and highly baffling myth cycles; and on the other hand, sufficient influence to deter the exploring world in general from any rash and over-ambitious program in the region of those mountains of madness. It is an unfortunate fact that relatively obscure men like myself and my associates, connected only with a small university, have little chance of making an impression where matters of a wildly bizarre or highly controversial nature are concerned.

The Doom That Came to Sarnath - H.P. Lovecraft 2021-01-08

"The Doom that Came to Sarnath" (1920) is a fantasy short story by American writer H. P. Lovecraft. It is written in a mythic/fantasy style and is associated with his Dream Cycle. It was first published in *The Scot*, a Scottish amateur fiction magazine, in June 1920. *The Doom That Came to Sarnath and Other Stories* is also the title for a collection of short stories by Lovecraft, first published in February 1971. According to the tale, more than 10,000 years ago, a race of shepherd people colonized the banks of the river Ai, in a land called Mnar, forming the cities of Thraa, Ilarnek, and Kadatheron (not to be confused with Kadath), which rose to great intellectual and mercantile prowess. Craving more land, a group of these hardy people migrated to the shores of a lonely and vast lake at the heart of Mnar, founding the city of Sarnath... Famous works of the author Howard Phillips Lovecraft: *At the Mountains of Madness*, *The Dreams in the Witch House*, *The Horror at Red Hook*, *The Shadow Out of Time*, *The Shadows over Innsmouth*, *The Alchemist*, *Reanimator*, *Ex Oblivione*, *Azathoth*, *The Call of Cthulhu*, *The Cats of Ulthar*, *The Dunwich Horror*, *The*

Doom that Came to Sarnath, *The Festival*, *The Silver Key*, *The Other Gods*, *The Outsider*, *The Temple*, *The Picture in the House*, *The Shunned House*, *The Terrible Old Man*, *The Tomb*, *Dagon*, *What the Moon Brings*.
The Dream-Quest of Vellitt Boe - Kij Johnson 2016-08-16

World Fantasy Award winner, Hugo, Nebula, John W. Campbell, and Locus Award finalist for Best Novella, and one of NPR's Best Books of 2016 Professor Vellitt Boe teaches at the prestigious Ulthar Women's College. When one of her most gifted students elopes with a dreamer from the waking world, Vellitt must retrieve her. d"Kij Johnson's haunting novella *The Dream-Quest of Vellitt Boe* is both a commentary on a classic H.P. Lovecraft tale and a profound reflection on a woman's life. Vellitt's quest to find a former student who may be the only person who can save her community takes her through a world governed by a seemingly arbitrary dream logic in which she occasionally glimpses an underlying but mysterious order, a world ruled by capricious gods and populated by the creatures of dreams and nightmares. Those familiar with Lovecraft's work will travel through a fantasy landscape infused with Lovecraftian images viewed from another perspective, but even readers unfamiliar with his work will be enthralled by Vellitt's quest. A remarkable accomplishment that repays rereading." —Pamela Sargent, winner of the Nebula Award

The Shadow Out of Time - H.P. Lovecraft 2013-07-14

"The Shadow Out of Time" indirectly tells of the Great Race of Yith, an extraterrestrial species with the ability to travel through space and time. The Yithians accomplish this by switching bodies with hosts from the intended spatial or temporal destination. The story implies that the effect when seen from the outside is similar to spiritual possession.

Tales of the Cthulhu Mythos - H. P. Lovecraft 2011-10-12

"The oldest and strongest emotion of mankind is fear, and the oldest and strongest kind of fear is fear of the unknown." --H. P. LOVECRAFT, "Supernatural Horror in Literature" Howard Phillips Lovecraft forever

changed the face of horror, fantasy, and science fiction with a remarkable series of stories as influential as the works of Poe, Tolkien, and Edgar Rice Burroughs. His chilling mythology established a gateway between the known universe and an ancient dimension of otherworldly terror, whose unspeakable denizens and monstrous landscapes--dread Cthulhu, Yog-Sothoth, the Plateau of Leng, the Mountains of Madness--have earned him a permanent place in the history of the macabre. In *Tales of the Cthulhu Mythos*, a pantheon of horror and fantasy's finest authors pay tribute to the master of the macabre with a collection of original stories set in the fearsome Lovecraft tradition: *The Call of Cthulhu* by H. P. Lovecraft: The slumbering monster-gods return to the world of mortals. *Notebook Found in a Deserted House* by Robert Bloch: A lone farmboy chronicles his last stand against a hungering backwoods evil. *Cold Print* by Ramsey Campbell: An avid reader of forbidden books finds a treasure trove of deadly volumes--available for a bloodcurdling price. *The Freshman* by Philip José Farmer: A student of the black arts receives an education in horror at notorious Miskatonic University. PLUS EIGHTEEN MORE SPINE-TINGLING TALES!

The Dream Cycle of H. P. Lovecraft: Dreams of Terror and Death - H.P. Lovecraft 2003-02-25

"[Lovecraft's] dream fantasy works are as terrifying and haunting as his tales of horror and the macabre. A master craftsman, Lovecraft brings compelling visions of nightmarish fear, invisible worlds and the demons

of the unconscious. If one author truly represents the very best in American literary horror, it is H. P. Lovecraft."—John Carpenter, Director of *At the Mouth of Madness*, *Halloween*, and *Christine* With an introduction by Neil Gaiman This volume collects, for the first time, the entire Dream Cycle created by H. P. Lovecraft, the master of twentieth-century horror, including some of his most fantastic tales: *The Doom That Came to Sarnath*—Hate, genocide, and a deadly curse consume the land of Mnar. *The Statment of Randolph Carter*—"You fool, Warren is DEAD!" *The Nameless City*—Death lies beneath the shifting sands, in a story linking the Dream Cycle with the legendary Cthulhu Mythos. *The Cats of Ulthar*—In Ulthar, no man may kill a cat...and woe unto any who tries. *The Dream Quest of Unknown Kadath*—The epic nightmare adventure with tendrils stretching throughout the entire Dream Cycle. And twenty more tales of surreal terror!

The King in Yellow - Robert William Chambers 2020-09-28

Toward the end of the year 1920 the Government of the United States had practically completed the programme, adopted during the last months of President Winthrop's administration. The country was apparently tranquil. Everybody knows how the Tariff and Labour questions were settled. The war with Germany, incident on that country's seizure of the Samoan Islands, had left no visible scars upon the republic, and the temporary occupation of Norfolk by the invading army had been forgotten in the joy over repeated naval victories, and the subsequent ridiculous plight of General Von Gartenlaube's forces in the State of New Jersey. The Cuban and Hawaiian investments had paid one hundred per cent and the territory of Samoa was well worth its cost as a coaling station. The country was in a superb state of defence. Every coast city had been well supplied with land fortifications; the army under the parental eye of the General Staff, organized according to the Prussian system, had been increased to 300,000 men, with a territorial reserve of a million; and six magnificent squadrons of cruisers and battle-ships patrolled the six stations of the navigable seas, leaving a steam reserve amply fitted to control home waters. The gentlemen from the West had at last been constrained to acknowledge that a college for the training of diplomats was as necessary as law schools are for the training of barristers; consequently we were no longer represented abroad by incompetent patriots. The nation was prosperous; Chicago, for a moment paralyzed after a second great fire, had risen from its ruins, white and imperial, and more beautiful than the white city which had been built for its plaything in 1893. Everywhere good architecture was replacing bad, and even in New York, a sudden craving for decency had swept away a great portion of the existing horrors. Streets had been widened, properly paved and lighted, trees had been planted, squares laid out, elevated structures demolished and underground roads built to replace them. The new government buildings and barracks were fine bits of architecture, and the long system of stone quays which completely surrounded the island had been turned into parks which proved a god-send to the population. The subsidizing of the state theatre and state opera brought its own reward. The United States National Academy of Design was much like European institutions of the same kind. Nobody envied the Secretary of Fine Arts, either his cabinet position or his portfolio. The Secretary of Forestry and Game Preservation had a much easier time, thanks to the new system of National Mounted Police. We had profited well by the latest treaties with France and England; the exclusion of foreign-born Jews as a measure of self-preservation, the settlement of the new independent negro state of Suanee, the checking of immigration, the new laws concerning naturalization, and the gradual centralization of power in the executive all contributed to national calm and prosperity. When the Government solved the Indian problem and squadrons of Indian cavalry scouts in native costume were substituted for the pitiable organizations tacked on to the tail of skeletonized regiments by a former Secretary of War, the nation drew a long sigh of relief. When, after the colossal Congress of Religions, bigotry and intolerance were laid in their graves and kindness and charity began to draw warring sects together, many thought the millennium had arrived, at least in the new world which after all is a world by itself.

H.P. Lovecraft Omnibus 1 - Howard Phillips Lovecraft 1985

Tales of gothic horror.

[The Call of Cthulhu and Other Dark Tales](#) - Howard Phillips Lovecraft 2009

Frequently imitated and widely influential, Howard Phillips Lovecraft reinvented the horror genre in the twentieth century, discarding ghosts and witches and envisioning instead mankind as a tiny outpost of

dwindling sanity in a chaotic and malevolent universe.
