Have You Eaten Grandma? - Gyles Brandreth
2019-08-13
For anyone who wants to make fewer (not less) grammar mistakes, a lively, effective, and witty

guide to all the ins and outs of the English language, reminiscent of the New York Times bestseller *Eats, Shoots & Leaves*. Our language is changing, literary levels are declining, and our

grasp of grammar is at a crisis point. From commas to colons, apostrophes to adverbs, there are countless ways we can make mistakes when writing or speaking. But do not despair! Great Britain's most popular grammar guru has created the ultimate modern manual for English speakers on both sides of the Atlantic. In this brilliantly funny and accessible guide to proper punctuation and so much more, Gyles Brandreth explores the linguistic horrors of our times, tells us what we've been doing wrong and shows us how, in the future, we can get it right every time. Covering everything from dangling participles to transitive verbs, from age-old conundrums like "lay" vs. "lie," to the confounding influences of social media on our everyday language, *Have You Eaten Grandma?* is an endlessly useful and entertaining resource for all.

The Very Short Story Starter - John Gillard

2018-02-06

Think about your writing from a new perspective

and learn to tell a story in the most effective way possible with this flash fiction workbook.

Popular with creative writers around the world, flash fiction is an ultra-short story format (usually 1,000 words or less) that distills a narrative into its most economic and impactful form. In this lay-flat paperback workbook you'll find 101 flash fiction writing prompts, each crafted to inspire an incredible variety of very short stories. Some prompts instruct you to focus on setting or developing a specific character. Other prompts ask you to play with story structure, to begin at the end or jump right into the middle of the action. You are also encouraged to bring the journal to different locations (a coffee shop or a museum) and take story cues from your surroundings. With helpful writing tips and just the right amount of space to write, this journal is the perfect tool to jump-start a flash fiction writing practice.

[The Gift of the Gab](#) - David Crystal 2016-05-17

We all know eloquence when we hear it. But

what exactly is it? And how might we gain more of it for ourselves? This entertaining and, yes, eloquent book illuminates the power of language from a linguistic point of view and provides fascinating insights into the way we use words. David Crystal, a world-renowned expert on the history and usage of the English language, probes the intricate workings of eloquence. His lively analysis encompasses everyday situations (wedding speeches, business presentations, storytelling) as well as the oratory of great public gatherings. Crystal focuses on the here and now of eloquent speaking—from pitch, pace, and prosody to jokes, appropriateness, and how to wield a microphone. He explains what is going on moment by moment and examines each facet of eloquence. He also investigates topics such as the way current technologies help or hinder our verbal powers, the psychological effects of verbal excellence, and why certain places or peoples are thought to be more eloquent than others. In the core analysis of the book, Crystal

offers an extended and close dissection of Barack Obama’s electrifying “Yes we can” speech of 2008, in which the president demonstrated full mastery of virtually every element of eloquence—from the simple use of parallelism and an awareness of what not to say, to his brilliant conclusion constructed around two powerful words: dreams and answers.

Rhetorical Devices - Brendan McGuigan 2011

A Short History of Drunkenness - Mark Forsyth 2018-05-08

From the internationally bestselling author of *The Etymologicon*, a lively and fascinating exploration of how, throughout history, each civilization has found a way to celebrate, or to control, the eternal human drive to get sloshed “An entertaining bar hop though the past 10,000 years.”—*The New York Times Book Review* Almost every culture on earth has drink, and where there’s drink there’s drunkenness. But in every age and in every place drunkenness is a

little bit different. It can be religious, it can be sexual, it can be the duty of kings or the relief of peasants. It can be an offering to the ancestors, or a way of marking the end of a day's work. It can send you to sleep, or send you into battle. Making stops all over the world, *A Short History of Drunkenness* traces humankind's love affair with booze from our primate ancestors through to the twentieth century, answering every possible question along the way: What did people drink? How much? Who did the drinking? Of the many possible reasons, why? On the way, learn about the Neolithic Shamans, who drank to communicate with the spirit world (no pun intended), marvel at how Greeks got giddy and Sumerians got sauced, and find out how bars in the Wild West were never quite like in the movies. This is a history of the world at its inebriated best.

LOVE - B.C. Aronson 2010-03-03

"True love is like ghosts, which everybody talks about and few have seen." —Francois, Duc de La

Rochefoucauld, Writer "To have a good friend is the purest of all God's gifts, for it is a love that has no exchange of payment. It is not inherited, as with a family. It is not compelling, as with a child. And it has no means of physical pleasure, as with a mate. It is, therefore, an indescribable bond that brings with it a far deeper devotion than all the others." —Frances Farmer, Actress Whether it's the love we feel for parents, significant others, or even pets, this treasury of quotes and passages offers a wonderfully diverse way to discover the meaning of love. Included are thoughts from talented minds such as George Bernard Shaw, Anna Quindlen, Woody Allen, and many more. This beautiful hardcover gift book, affordably priced at \$14.95, is perfect for readers of any age who are in the mood for love.

A Handlist of Rhetorical Terms - Richard A. Lanham 1991

"--A revised system of cross-references among terms

Lost in Translation - Ella Frances Sanders
2014-09-16

From the author of *Eating the Sun*, an artistic collection of more than 50 drawings featuring unique, funny, and poignant foreign words that have no direct translation into English. Did you know that the Japanese language has a word to express the way sunlight filters through the leaves of trees? Or that there's a Finnish word for the distance a reindeer can travel before needing to rest? *Lost in Translation* brings to life more than fifty words that don't have direct English translations with charming illustrations of their tender, poignant, and humorous definitions. Often these words provide insight into the cultures they come from, such as the Brazilian Portuguese word for running your fingers through a lover's hair, the Italian word for being moved to tears by a story, or the Swedish word for a third cup of coffee. In this clever and beautifully rendered exploration of the subtleties of communication, you'll find new

ways to express yourself while getting lost in the artistry of imperfect translation.

The Elements of Eloquence - Mark Forsyth
2014-10-07

From the #1 international bestselling author of *The Etymologicon* and *The Horologicon* comes an education in the art of articulation, from the King James Bible to Katy Perry... From classic poetry to pop lyrics, from Charles Dickens to Dolly Parton, even from Jesus to James Bond, Mark Forsyth explains the secrets that make a phrase—such as “O Captain! My Captain!” or “To be or not to be”—memorable. In his inimitably entertaining and wonderfully witty style, he takes apart famous phrases and shows how you too can write like Shakespeare or quip like Oscar Wilde. Whether you're aiming to achieve literary immortality or just hoping to deliver the perfect one-liner, *The Elements of Eloquence* proves that you don't need to have anything important to say—you simply need to say it well. In an age unhealthily obsessed with

the power of substance, this is a book that highlights the importance of style.

Elements of Eloquence The (Signed -
FORSYTH MARK 2013-11-07

Farnsworth's Classical English Rhetoric -
Ward Farnsworth 2010-11

Rhetoric is among the most ancient academic disciplines, and we all use it every day whether expertly or not. This book is a lively set of lessons on the subject. It is about rhetorical figures: practical ways of applying old and powerful principles--repetition and variety, suspense and relief, concealment and surprise, the creation of expectations and then the satisfaction or frustration of them--to the composition of a simple sentence or a complete paragraph. --from publisher description.

Metaphysics: The Key Concepts - Nikk
Effingham 2010-11-30

'Informative, accessible, and fun to read— this is an excellent reference guide for undergraduates

and anyone wanting an introduction to the fundamental issues of metaphysics. I know of no other resource like it.'- Meghan Griffith, Davidson College, USA 'Marvellous! This book provides the very best place to start for students wanting to take the first step into understanding metaphysics. Undergraduates would do well to buy it and consult it regularly. The quality and clarity of the material are consistently high.' - Chris Daly, University of Manchester, UK Ever wondered about Gunk, Brains in a Vat or Frankfurt's Nefarious Neurosurgeon? With complete explanations of these terms and more, Metaphysics: The Key Concepts is an accessible and engaging introduction to the most widely studied and challenging concepts in metaphysics. The authors clearly and lucidly define and discuss key terms and concepts, under the themes of: time particulars & universals realism & antirealism free will personal identity causation and laws. Arranged in an easy to use A-Z format, each concept is

explored and illustrated with engaging and memorable examples, and accompanied by an up-to-date guide to further reading. Fully cross-referenced throughout, this remarkable reference guide is essential reading for students of philosophy and all those interested in the nature of reality.

A Christmas Cornucopia - Mark Forsyth
2016-11-03

The unpredictable origins and etymologies of our cracking Christmas customs For something that happens every year of our lives, we really don't know much about Christmas. We don't know that the date we celebrate was chosen by a madman, or that Christmas, etymologically speaking, means "Go away, Christ". Nor do we know that Christmas was first celebrated in 243 AD on March 28th - and only moved to 25th December in 354 AD. We're oblivious to the fact that the advent calendar was actually invented by a Munich housewife to stop her children pestering her for a Christmas countdown. And

we would never have guessed that the invention of crackers was merely a way of popularising sweet wrappers. Luckily, like a gift from Santa himself, Mark Forsyth is here to unwrap this fundamentally funny gallimaufry of traditions and oddities, making it all finally make sense - in his wonderfully entertaining wordy way.

One Day Smarter - Emily Winter 2021-10-12
Dominate trivia night, liven up a date, and impress everyone you know with this funny, weird, smart book of little-known facts. Did you know a group of bunnies is called a fluffle? Or that the people who voiced Mickey and Minnie Mouse were married in real life? How about this one: In ancient Persia, government officials debated laws twice—once sober and once drunk? We could all use a little good news right now. Comedian and writer Emily Winter is here to tell you confidently that there is kindness, beauty, empathy, humor, resilience, wonder, silliness, cuteness, strength, hope, and joy in our world. With this book in hand, you can make

yourself that much smarter while also lighting up your brain with positivity.

The Secret Life of Words - Henry Hitchings
2009-09-29

Words are essential to our everyday lives. An average person spends his or her day enveloped in conversations, e-mails, phone calls, text messages, directions, headlines, and more. But how often do we stop to think about the origins of the words we use? Have you ever thought about which words in English have been borrowed from Arabic, Dutch, or Portuguese? Try admiral, landscape, and marmalade, just for starters. The Secret Life of Words is a wide-ranging account not only of the history of English language and vocabulary, but also of how words witness history, reflect social change, and remind us of our past. Henry Hitchings delves into the insatiable, ever-changing English language and reveals how and why it has absorbed words from more than 350 other languages—many originating from the most

unlikely of places, such as shampoo from Hindi and kiosk from Turkish. From the Norman Conquest to the present day, Hitchings narrates the story of English as a living archive of our human experience. He uncovers the secrets behind everyday words and explores the surprising origins of our most commonplace expressions. The Secret Life of Words is a rich, lively celebration of the language and vocabulary that we too often take for granted.

Nine Nasty Words - John McWhorter
2021-05-04

A New York Times bestseller One of the preeminent linguists of our time examines the realms of language that are considered shocking and taboo in order to understand what imbues curse words with such power--and why we love them so much. Profanity has always been a deliciously vibrant part of our lexicon, an integral part of being human. In fact, our ability to curse comes from a different part of the brain than other parts of speech--the urgency with

which we say "f&*k!" is instead related to the instinct that tells us to flee from danger. Language evolves with time, and so does what we consider profane or unspeakable. *Nine Nasty Words* is a rollicking examination of profanity, explored from every angle: historical, sociological, political, linguistic. In a particularly coarse moment, when the public discourse is shaped in part by once-shocking words, nothing could be timelier.

The Elements of Eloquence - Mark Forsyth
2016-11-03

FROM THE AUTHOR OF THE SUNDAY TIMES NUMBER ONE BESTSELLER THE ETYMOLOGICON. 'An informative but highly entertaining journey through the figures of rhetoric ... Mark Forsyth wears his considerable knowledge lightly. He also writes beautifully.' David Marsh, *Guardian*. Mark Forsyth presents the secret of writing unforgettable phrases, uncovering the techniques that have made immortal such lines as 'To be or not to be' and

'Bond. James Bond.' In his inimitably entertaining and witty style, he takes apart famous quotations and shows how you too can write like Shakespeare, Oscar Wilde or John Lennon. Crammed with tricks to make the most humdrum sentiments seem poetic or wise, *The Elements of Eloquence* reveals how writers through the ages have turned humble words into literary gold - and how you can do the same.

[The Craft of Lyric Writing](#) - Sheila Davis
1984-10-15

Based on the author's highly successful songwriting workshops and seminars.

Shakespeare's Wordcraft - Scott Kaiser 2007 (Limelight). Written for readers who have a passion for Shakespeare, *Shakespeare's Wordcraft* takes a comprehensive look at Shakespeare's stellar use of language devices throughout his plays, devices he used to ink memorable lines like these: * I must be cruel only to be kind * Fair is foul, and foul is fair * Once more unto the breach, dear friends, once

more! * Friends, Romans, countrymen, lend me your ears! In a clear, accessible, non-academic style using plain terms, modern quotes, and several thousand examples Shakespeare's Wordcraft deftly reveals how these lasting lines were not accidental or coincidental, but designed and crafted by a master of the word.

The Unknown Unknown - Mark Forsyth
2014-09-04

Mark Forsyth - author of the Sunday Times Number One bestseller *The Etymologicon* - reveals in this essay, specially commissioned for Independent Booksellers Week, the most valuable thing about a really good bookshop. Along the way he considers the wisdom of Donald Rumsfeld, naughty French photographs, why Elizabeth Bennet and Mr Darcy would never have met online, and why only a bookshop can give you that precious thing - what you never knew you were looking for.

[The Horologicon](#) - Mark Forsyth 2013-10-01
From Mark Forsyth, the author of the #1

international bestseller, *The Etymologicon*, comes a book of weird words for familiar situations. *The Horologicon* (or book of hours) contains the most extraordinary words in the English language, arranged according to what hour of the day you might need them. Do you wake up feeling rough? Then you're philogrobolized. Find yourself pretending to work? That's fudgelling. And this could lead to rizzling, if you feel sleepy after lunch. Though you are sure to become a sparkling deipnosopbist by dinner. Just don't get too vinomadefied; a drunk dinner companion is never appreciated. From ante-jentacular to snudge by way of quaafftide and wamblecropt, at last you can say, with utter accuracy, exactly what you mean.

The Hekatompathia, Or, Passionate Centurie of Love - Thomas Watson 1869

Socratic Scribbling - Katie King 2021-03-10
Do you suffer from the Blank Page Syndrome?

Do you have trouble thinking up what you want to say when you're called on to write or to speak? Not being able to find the right words can get in the way of romance and success! Retired advertising man Malachy Walsh had to write on demand for 30 years. In *Socratic Scribbling*, he reveals secrets he learned from Plato, Aristotle, Cicero, Quintillion, Shakespeare, and other Great Writers and Thinkers that helped him make his mark in advertising. Malachy believes good writing is less about following rules and more about making things happen with words. He shows us how to explain complicated things in simple ways, how to persuade people by getting them to convince themselves, how to tell stories that delight and instruct, and how to make speeches that engage and enchant. And it all starts when we follow Socrates as he asks the right questions.

The Complete Accomplice - Steve Aylett 2010-07

All four of Steve Aylett's "Accomplice" books in one volume, revised, with a new Preface and an

intro by Michael Moorcock. *Starburst Magazine* has called the books "a hugely impressive example of outrageous literary wit and uncommon good sense, demonstrating once more that Aylett is the coolest writer alive today." *SFX* has called them "Bizarre, innovative and utterly original." Collecting the titles *Only an Alligator*, *The Velocity Gospel*, *Dummyland* and *Karloff's Circus*, **THE COMPLETE ACCOMPLICE** follows the simple Barny and his friends through the intertwined power manipulations of *Accomplice*, a zone where hell's defected demons discover they can never match or out-do humanity when it comes to spectacular dishonesty and evasion. "Something this rapid shouldn't be so intoxicating or so dense with ideas. It's a roaring, groaning perpetual motion machine decked out as a fun fair attraction. Read it and you'll need resuscitating" - 3: AM

A Modest Book About How to Make an Adequate Speech - John-Paul Flintoff 2021-02-18

"Where I come from, where modesty is a sin,

Flintoff 's book would be called 'The Indispensable Guide to Giving an Unforgettable Speech'. "Jay Heinrichs, New York Times bestselling author Most of us dread public speaking. But at some point we find ourselves forced to make a speech. And we worry: Will my jokes fall flat? What if I freeze? Is it okay to read notes? What if people walk out? This book won't magically transform you into a fast-talking corporate hotshot. But it will show you how to think about public speaking in a new way, and with a spot of luck, you will achieve adequacy. Or better! Drawing on ancient principles of rhetoric and his own entertaining successes and failures on the speech-giving circuit, John-Paul Flintoff provides simple but effective techniques to help you to speak with confidence to any crowd, whether it's a work presentation or a best friend's wedding. Humble but motivating, this is a guide to finding your voice, even if it's a bit croaky at first, and a reassuring affirmation that we all have something to say.

Swift: New and Selected Poems - David Baker
2019-04-02

A sweeping achievement from a poet whose "rhythms are as alive to the roll and tang of syllables on the tongue as they are to the circulation of blood and sap" (Rosanna Warren, Theodore Roethke Memorial Poetry Prize citation). David Baker, acclaimed for his combination of "visionary scope" (Gettysburg Review) and "emotional intensity" (Georgia Review), is one of contemporary poetry's most gifted lyric poets. In Swift, he gathers poems from eight collections, including his masterful latest, Scavenger Loop (2015); the prize-winning, intimate travelogues of Never-Ending Birds (2009); and the complications of history and home in Changeable Thunder (2001). Opening the volume are fifteen new poems that continue Baker's growth in form and voice as he investigates the death of parents, the loss of homeland, and a widening natural history, not only of his beloved Midwest but of the tropical

flora and fauna of a Caribbean island. Together, these poems showcase the evolution of Baker's distinct eco-poetic conscience, his mastery of forms both erotic and elegiac, and his keen eye for the shifting landscapes of passion, heartbreak, and renewal. With equal curiosity and candor, Baker explores the many worlds we all inhabit—from our most intimate relationships to the wider social worlds of neighborhoods, villages, and our complex national identity, to the environmental community we all share. With his dazzling formal restlessness and lifelong devotion to landscapes both natural and human on full display, David Baker demonstrates why he has been called “the most expansive and moving poet to come out of the American Midwest since James Wright” (Marilyn Hacker). **The Elements of Eloquence** - Mark Forsyth 2013-11-07
FROM THE AUTHOR OF THE SUNDAY TIMES NUMBER ONE BESTSELLER THE ETYMOLOGICON. 'An informative but highly

entertaining journey through the figures of rhetoric ... Mark Forsyth wears his considerable knowledge lightly. He also writes beautifully.' David Marsh, Guardian. Mark Forsyth presents the secret of writing unforgettable phrases, uncovering the techniques that have made immortal such lines as 'To be or not to be' and 'Bond. James Bond.' In his inimitably entertaining and witty style, he takes apart famous quotations and shows how you too can write like Shakespeare, Oscar Wilde or John Lennon. Crammed with tricks to make the most humdrum sentiments seem poetic or wise, **The Elements of Eloquence** reveals how writers through the ages have turned humble words into literary gold - and how you can do the same. **Speak Like Churchill, Stand Like Lincoln** - James C. Humes 2009-02-19
Turn any presentation into a landmark occasion "I love this book. I've followed Humes's lessons for years, and he combines them all into one compact, hard-hitting resource. Get this book on

your desk now.”—Chris Matthews, *Hardball* Ever wish you could captivate your boardroom with the opening line of your presentation, like Winston Churchill in his most memorable speeches? Or want to command attention by looming larger than life before your audience, much like Abraham Lincoln when, standing erect and wearing a top hat, he towered over seven feet? Now, you can master presentation skills, wow your audience, and shoot up the corporate ladder by unlocking the secrets of history’s greatest speakers. Author, historian, and world-renowned speaker James C. Humes—who wrote speeches for five American presidents—shows you how great leaders through the ages used simple yet incredibly effective tricks to speak, persuade, and win throngs of fans and followers. Inside, you’ll discover how Napoleon Bonaparte mastered the use of the pregnant pause to grab attention, how Lady Margaret Thatcher punctuated her most serious speeches with the use of subtle props, how Ronald Reagan could

win even the most hostile crowd with carefully timed wit, and much, much more. Whether you’re addressing a small nation or a large staff meeting, you’ll want to master the tips and tricks in *Speak Like Churchill, Stand Like Lincoln*.

Analyzing Prose - Richard Lanham 2003-06-26
This second edition of the classic linguistics text provides a basic descriptive terminology for prose style. What is a noun style? A verb style? A hypotactic or a paratactic one? How does the running style differ from the periodic style? What do "high, middle, and low" prose style mean? How might one apply the classical terminology of rhetorical figures to prose analysis? *Analyzing Prose* supplies detailed, carefully charted answers to these questions in order to teach the student of prose style how and where to begin.

Defining the World - Henry Hitchings
2006-10-17

By the early eighteenth century, France and Italy had impressive lexicons, but there was no

authoritative dictionary of English. Sensing the deficit, and impelled by a mixture of national pride and commercial expedience, the prodigious polymath Samuel Johnson embraced the task, turning over the garret of his London home to the creation of his own giant dictionary. Johnson imagined that he could complete the job in three years. But the complexity of English meant that his estimate was wildly inadequate. Only after he had expended nearly a decade of his prime on the task did the dictionary finally appear - magisterial yet quirky, dogmatic but generous of spirit, and steeped in the richness of English literature. It would come to be seen as the most important British cultural monument of the eighteenth century, and its influence fanned out across Europe and throughout Britain's colonies - including, crucially, America. Brilliantly entertaining and enlightening, *Defining the World* is the story of Johnson's heroic endeavor, 250 years after the first publication of the Dictionary. In alphabetically

sequenced chapters, Henry Hitchings describes Johnson's adventure - his ambition and vision, his moments of despair, the mistakes he made along the way, and his ultimate triumph.

Eunoia - Christian Bök 2009-06-11

'Eunoia', which means 'beautiful thinking', is the shortest English word to contain all five vowels. This book also contains them all, except that each one appears by itself in its own chapter. A unique personality for each vowel soon emerges: A is courtly, E is elegiac, I is lyrical, O is jocular, U is obscene. A triumphant feat, seven years in the making, Eunoia is as playful as it is awe-inspiring.

Ayoade on Ayoade - Richard Ayoade 2014-09-30

In this book Richard Ayoade - actor, writer, director, and amateur dentist - reflects on his cinematic legacy as only he can: in conversation with himself. Over ten brilliantly insightful and often erotic interviews, Ayoade examines himself fully and without mercy, leading a breathless investigation into this once-in-a-generation

visionary. Only Ayoade can appreciate Ayoade's unique methodology. Only Ayoade can recognise Ayoade's talent. Only Ayoade can withstand Ayoade's peculiar scent. Only Ayoade can truly get inside Ayoade. They have called their book *Ayoade on Ayoade: A Cinematic Odyssey*. Take the journey, and your life will never be the same again. *Ayoade on Ayoade* captures the director in his own words: pompous, vain, angry and very, very funny.

You Talkin' To Me? - Sam Leith 2011-10-20
Rhetoric gives our words the power to inspire. But it's not just for politicians: it's all around us, whether you're buttering up a key client or persuading your children to eat their greens. You have been using rhetoric yourself, all your life. After all, you know what a rhetorical question is, don't you? In this updated edition of his classic guide, Sam Leith traces the art of argument from ancient Greece down to its many modern mutations. He introduces verbal villains from Hitler to Donald Trump - and the three

musketees: ethos, pathos and logos. He explains how rhetoric works in speeches from Cicero to Richard Nixon, and pays tribute to the rhetorical brilliance of AC/DC's "Back In Black". Before you know it, you'll be confident in chiasmus and proud of your panegyrics - because rhetoric is useful, relevant and absolutely nothing to be afraid of.

Figures of Speech - Arthur Quinn 2012-11-12
Writing is not like chemical engineering. The figures of speech should not be learned the same way as the periodic table of elements. This is because figures of speech are not about hypothetical structures in things, but about real potentialities within language and within ourselves. The "figurings" of speech reveal the apparently limitless plasticity of language itself. We are inescapably confronted with the intoxicating possibility that we can make language do for us almost anything we want. Or at least a Shakespeare can. The figures of speech help to see how he does it, and how we

might. Therefore, in the chapters presented in this volume, the quotations from Shakespeare, the Bible, and other sources are not presented to exemplify the definitions. Rather, the definitions are presented to lead to the quotations. And the quotations are there to show us how to do with language what we have not done before. They are there for imitation.

Eloquence - Peter Andrei 2020-08-26

Why do people ignore our ideas or support them? Agree with our positions or undermine them? Tune out when we speak or give us undivided attention? Why do most of us fail to persuade others? Fail to formulate convincing arguments? Fail to speak with confidence and fail to get our way? And why do some lawyers and legal professionals quickly soar above the competition, their words carrying immense weight, while others struggle to communicate effectively? 53 little-known, cutting-edge, and revolutionary (but practically unheard-of) scientific studies present a virtually unknown

answer based on irrefutable empirical evidence... The answer? If you can't speak with eloquence, your words don't count. This undermines your professional image and stagnates your career, holding you back and sabotaging your ideas. Eloquent words outperform their weak counterparts. Eloquent words convince. They compel. They captivate. They persuade. They move hearts and minds. And they can change the world. What are the hidden secrets of words that change the world? This concise new release by an Amazon best-selling author dissects the little-known "eloquence secrets" of two of the most impactful messages in the history of American political persuasion. These messages defined the ethos of both major parties, shaped the political discussions we have decades later, and redefined the very meaning of America. Eloquence breaks down the 61 techniques hidden in these two messages, revealing simple, repeatable, step-by-step strategies for eloquent

speaking that allow you to:

- Inspire, impact, and influence people
- Gain an edge in any discussion
- Captivate listeners
- Avoid people tuning out
- Speak with more eloquence than many world-leaders
- Grab undivided attention
- Persuade people to your point of view
- Master the ancient art of rhetoric
- Appeal to human emotion for massive influence
- Achieve instant eloquence
- Attract support to your ideas
- Win any argument
- Avoid ineffectual and boring communication
- Build rapport and form connections
- Make your ideas seem drastically and dramatically better
- Earn trust and portray credibility
- Appear like an expert and visionary worth listening to
- Know exactly what to say
- Earn instant respect for yourself and your ideas
- Gain an unfair competitive advantage in your career

What free bonuses do you get in the limited-edition version of *Eloquence*? The strategy workbook. Use the proven secrets revealed in the book, applying them to your communication for instant eloquence. The

eloquence on demand service. Send the author your message and he will personally work with you to guarantee it achieves unparalleled eloquence. The 219-point speech-writing checklist. Unlock the checklist top CEOs use to guarantee their message always impacts, inspires, and influences their audience. The speech-feedback on demand service. Send the author your speech and he will personally run through the 219-point checklist, giving you feedback and suggestions for improvement.

On Being Blue - William H. Gass 2014-03-11

On Being Blue is a book about everything blue—sex and sleaze and sadness, among other things—and about everything else. It brings us the world in a word as only William H. Gass, among contemporary American writers, can do. Gass writes: Of the colors, blue and green have the greatest emotional range. Sad reds and melancholy yellows are difficult to turn up. Among the ancient elements, blue occurs everywhere: in ice and water, in the flame as

purely as in the flower, overhead and inside caves, covering fruit and oozing out of clay. Although green enlivens the earth and mixes in the ocean, and we find it, copperish, in fire; green air, green skies, are rare. Gray and brown are widely distributed, but there are no joyful swatches of either, or any of exuberant black, sullen pink, or acquiescent orange. Blue is therefore most suitable as the color of interior life. Whether slick light sharp high bright thin quick sour new and cool or low deep sweet dark soft slow smooth heavy old and warm: blue moves easily among them all, and all profoundly qualify our states of feeling.

Pandemic Baby - Pia Bramley 2021-11-04

'A thing to treasure and keep close at hand. I would prescribe it to the lost and the lonely, the busy and the overburdened, the heart-broken and the happy' - Emily Haworth-Booth A moving, funny exploration of life as the parent of a lockdown baby, by illustrator Pia Bramley. Since March 2020, babies have been born into a world

of masks, hand washing and social distancing. They met their grandparents on video calls. Their parents held them up to windows and took them for long walks in the rain. Pia Bramley's illustrations capture the intimacy of the small, strange world of the pandemic baby. She draws on her own experience as a new parent, telling the story of a child's first year against the backdrop of the pandemic: the quiet streets of the first lockdown, the relative freedom of summer, the long nights of autumn and winter and, finally, new hope as spring arrives and life begins to open up again. Moving, funny and deeply honest, this is a book for every parent, grandparent, aunt, uncle or friend who waited to hold their pandemic baby.

The Etymologicon - Mark Forsyth 2012-10-02
This perfect gift for readers, writers, and literature majors alike unearths the quirks of the English language. For example, do you know why a mortgage is literally a “death pledge”? Why guns have girls’ names? Why “salt” is

related to “soldier”? Discover the answers to all of these etymological questions and more in this fascinating book for fans of *Eats, Shoots & Leaves*. *The Etymologicon* is a completely unauthorized guide to the strange underpinnings of the English language. It explains how you get from “gruntled” to “disgruntled”; why you are absolutely right to believe that your meager salary barely covers “money for salt”; how the biggest chain of coffee shops in the world connects to whaling in Nantucket; and what, precisely, the Rolling Stones have to do with gardening. This witty book will awake the linguist in you and illuminate the hidden meanings behind common words and phrases, tracing their evolution through all of their surprising paths throughout history.

On Eloquence - Denis Donoghue 2008-10-01

On Eloquence questions the common assumption that eloquence is merely a subset of rhetoric, a means toward a rhetorical end. Denis Donoghue, an eminent and prolific critic of the English

language, holds that this assumption is erroneous. In this book, Donoghue maintains that eloquence should be examined independent of mere rhetoric and that it has its own intrinsic value.

[The Engineer's Wife](#) - Tracey Enerson Wood
2020-04-07

THE USA TODAY BESTSELLER! THE INTERNATIONAL BESTSELLER! She built the Brooklyn Bridge, so why don't you know her name? Emily Roebling built a monument for all time. Then she was lost in its shadow. Discover the fascinating woman who helped design and construct the Brooklyn Bridge. Perfect for book clubs and fans of Marie Benedict. Emily refuses to live conventionally—she knows who she is and what she wants, and she's determined to make change. But then her husband asks the unthinkable: give up her dreams to make his possible. Emily's fight for women's suffrage is put on hold, and her life transformed when her husband Washington Roebling, the Chief

Engineer of the Brooklyn Bridge, is injured on the job. Untrained for the task, but under his guidance, she assumes his role, despite stern resistance and overwhelming obstacles. But as the project takes shape under Emily's direction, she wonders whose legacy she is building—hers, or her husband's. As the monument rises, Emily's marriage, principles, and identity threaten to collapse. When the bridge finally stands finished, will she recognize the woman who built it? Based on the true story of an American icon, *The Engineer's Wife* delivers an emotional portrait of a woman transformed by a project of unfathomable scale, which takes her

into the bowels of the East River, suffragette riots, the halls of Manhattan's elite, and the heady, freewheeling temptations of P.T. Barnum. The biography of a husband and wife determined to build something that lasts—even at the risk of losing each other. "Historical fiction at its finest."—Andrea Bobotis, author of *The Last List of Miss Judith Kratt* Other Bestselling Historical Fiction from Sourcebooks Landmark: *The Only Woman in the Room* by Marie Benedict *The Mystery of Mrs. Christie* by Marie Benedict *The Book Woman of Troublesome Creek* by Kim Michele Richardson *Sold on a Monday* by Kristina McMorris
