**Pentecostal Origins** - James Robinson  
2011-01-19

Harvey Cox describes Pentecostalism as "the fascinating spiritual child

of our time" that has the potential, at the global scale, to contribute to the "reshaping of religion in the twenty-first century." This study grounds such sentiments by examining at the local scale the origin, development and nature of Pentecostalism in Ireland in its first twenty years.

**Joseph Smale** - Tim Welch 2014-07-08  
Joseph Smale was a catalytic figure in the church life of Los Angeles, leading many towards the 'Promised land' of Pentecostal blessing in 1905-1906; although his subsequent experiences led him to retreat from the burgeoning Pentecostal movement. Joseph Smale (1867-1926) was one of the central figures involved in the chain of events leading to the 1906 Azusa Street revival in Los Angeles. This study presents the diverse

influences which impacted Smale - formative years in Britain, growing up in Cornwall and Somerset amid a rhythm of Wesleyan revival; reformed theological training under the tutelage of C.H. Spurgeon in London; migration to the United States; plus hard experiences in the 'school of anxiety' - which were all precursors for Smale's influential role as champion of Pentecostal revival. Smale's leadership will resonate with every church leader who prays for revival and longs for more Holy Spirit power experimentally. Furthermore, his story is also educative for those contending with some of the more problematic and 'untidy' aspects of Pentecostal-Charismatic experience, involving painful power struggles, hurts, abuse of freedom, spiritual excesses and so

on. Smale's 'Moses' designation and biography still have relevance for the church in the present day.

**Deuteronomy** - Ajith Fernando

2012-05-31

The book of Deuteronomy is a call to obedience—the proper response to God’s faithfulness and love. Consisting primarily of speeches that Moses gave to the Israelites shortly before they entered the Promised Land, Moses’ words proclaimed God’s covenant faithfulness in hopes of motivating the Israelites to obey God despite the coming temptation to conform to the Canaanite culture. The challenges they faced then are remarkably parallel to those facing Christians today as we grapple with the issue of obedience in a world that offers other attractive ways of life. We wonder: How can we be

faithful to God? And how do we help our children and the people we lead to be faithful? This book tells us how Moses tackled these challenges and, as Paul confirms in the New Testament, Deuteronomy serves “as an example...written down for our instruction” (1 Cor. 10:11). Ajith Fernando unpacks the relevance of Deuteronomy and captivates us with rich anecdotes from his thirty-five years of ministry to first-generation Christians in Sri Lanka. He offers concrete examples of how the truths contained in Deuteronomy can be applied, and he teaches us that obedience is the necessary response to the God who loves and saves us. Part of the Preaching the Word series.

**The Everlasting Gospel** - D William Faupel 2019-05-21

How did Pentecostalism become the fastest growing movement within Christendom in the twentieth century? Faupel contends that Pentecostalism was propelled onto the world stage when early adherents felt commissioned by God to announce that Christ would soon return to establish his kingdom on earth. The gift of tongues would equip them supernaturally to proclaim this message to the nations in the language of the people. Although this expectation was soon disproved, the eschatological hope nevertheless remained the motivating force for Pentecostalism's rapid growth.

**World Christian Trends Ad30-ad2200 (hb)** - 2001

Ecumenism and Independency in World Christianity - 2020-09-07

Essays written in honour of Brian Stanley on the entangled nature of ecumenism and independency in the modern global history of Christianity. They demonstrate transnational connectivity as well as local and contextual expressions of Christianity.

**Call Down Lightning** - Wallace Henley  
2019-03-12

God Is Up to Something Big The Bible dedicates more space to prophecy than to any other subject. These prophetic portions of Scripture have received an enormous amount of literary attention throughout the history of the church. Over the past fifty years alone countless books have been written about the biggest global trends of our day and whether they are signs of the coming end times. But one sign has been inexplicably

neglected—revival. Wallace Henley believes such a spiritual awakening is not only possible today but probable—and likely a harbinger of the end times. Where are we on the timeline of human history? Are we approaching the rapture of the church? Henley presents a meticulously researched and compelling case that the Welsh Revival and the historical cycle revealed in God’s redemptive interactions with nations, make it highly likely that our contemporary world is ripe for the lightning of another revival. Henley is confident that we will be a part of that worldwide event, perhaps moving all creation nearer to its sudden glorious conclusion and rebirth. Global Dictionary of Theology - William A. Dyrness 2009-10-25

Theological dictionaries are foundational to any theological library. But until now there has been no Global Dictionary of Theology, a theological dictionary that presumes the contribution of the Western tradition but moves beyond it to embrace and explore a full range of global expressions of theology. The Global Dictionary of Theology is inspired by the shift of the center of Christianity from the West to the Global South. But it also reflects the increase in two-way traffic between these two sectors as well as the global awareness that has permeated popular culture to an unprecedented degree. The editorial perspective of the Global Dictionary of Theology is an ecumenical evangelicalism that is receptive to discovering new facets of truth

through listening and conversation on a global scale. Thus a distinctive feature of the Global Dictionary of Theology is its conversational approach. Contributors have been called on to write in the spirit of engaging in a larger theological conversation in which alternative views are expected and invited. William A. Dyrness, Veli-Matti Kärkkäinen, Juan F. Martinez and Simon Chan edit approximately 250 articles written by over 100 contributors representing the global spectrum of theological perspectives. Pastors, theological teachers, theological students and lay Christian leaders will all find the Global Dictionary of Theology to be a resource that unfolds new dimensions and reveals new panoramas of theological perspective and inquiry.

Here is a new launching point for doing theology in today's global context.

Encyclopedia of Christianity in the United States - George Thomas Kurian  
2016-11-10

From the Founding Fathers through the present, Christianity has exercised powerful influence in America—from its role in shaping politics and social institutions to its hand in art and culture. The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play. This masterful multi-volume reference includes biographies of major figures in the Christian church in the United States, documents and Supreme Court decisions, and information on theology and theologians, denominations, faith-

based organizations, immigration, art—from decorative arts and film to music and literature—evangelism and crusades, women's issues, racial issues, civil religion, and more.

**Fundamentalism and American Culture -**

George M. Marsden 1982

Chronicles the history of the fundamentalist movement in the United States and discusses how the social, political, and intellectual aspects of Protestant fundamentalism affected the movement.

*The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume Two* -

James Leo Garrett 2018-07-26

James Leo Garrett Jr., has been called “the last of the gentlemen theologians” and “the dean of Southern Baptist theologians.” In *The Collected Writings of James Leo Garrett Jr., 1950–2015*, the reader

will find a truly dazzling collection of works that clearly evince the meticulous scholarship, the even-handed treatment, the biblical fidelity, the wide historical breadth, and the honest sincerity that have made the work and person of James Leo Garrett Jr., so esteemed and revered among so many. The first two volumes of the series explore Dr. Garrett’s writings on the experience, history, and lives of Baptist Christians, and this inaugural volume specifically considers Baptists, Baptist views of the Bible, and Anabaptists. Spanning sixty-five years and touching on topics from Baptist history, theology, ecclesiology, church history and biography, religious liberty, Roman Catholicism, and the Christian life, *The Collected Writings of James Leo*

Garret Jr., 1950–2015 will inform and inspire readers regardless of their religious or denominational affiliations.

**Justice that Restores** - Charles W. Colson 2001

Something clearly is wrong with the current justice system in which repeat incarceration is high, injustice is rampant, and 25 percent of African-American males can expect to spend time behind bars. Colson's biblical ideas for reform have the potential to turn the system around, keep innocent people out of prison, and give victims some relief.

**Contextual Missiology of the Spirit** - Wessly Lukose 2013-01-01

This book explores the identity, context and features of Pentecostalism in Rajasthan, India as well as the internal and external

issues facing Pentecostals. It argues for an indigenous origin of Pentecostalism in Rajasthan, as it is a product of local Spirit revivals in the existing churches and the missionary activities of Indian Pentecostals. It also reveals that both the intra-church as well as extra-church issues place Pentecostals in a 'missio-ethical dilemma.' The book aims to suggest 'a contextual missiology of the Spirit,' as a new model of contextual missiology from a Pentecostal perspective. It is presented as a glocal, ecumenical, transformational, and public missiology.

God Moves in a Mysterious Way - Anna Maria Kool 1993

**A Godward Life** - John Piper  
2015-10-06

A Godward Life is the first of three devotional volumes by John Piper, each feature 120 vignettes that focus on the radical difference it makes when we choose to live with God at the center of all that we do.

Scripture-soaked and touching on the issues which most affect our lives today, A Godward Life is a passionate, moving, and articulate call for all believers to live their lives in conscious and glad submission to the sovereignty and glory of God.

**Unlikely Converts** - Randy Newman

2019-07-30

Rely on the unstoppable power of the gospel, not your own words Most Christians have people in their lives who they're sure will never come to faith. Whether they're too committed to their sinful ways, too angry at

God, or too quick to shut down any mention of the saving grace of Jesus, these long shots don't seem worth approaching. But some of the most unlikely converts have the strongest faith stories, and they can be a source of incredible encouragement for Christians who are trying to evangelize those around them. Randy Newman knows firsthand the discomfort that comes with sharing the gospel. He's been tongue-tied and timid too. But the truth is, we don't need to sound like the brilliant, charismatic, legendary evangelists. In this book, Randy shares surprising conversion stories straight from those who took the long way around to Christianity. He considers current cultural trends that make evangelism more difficult today. Then with his characteristic upbeat style, he

offers practical ways, and even exact wording, to proclaim the gospel and includes a plan of action. In the end, *Unlikely Converts* encourages us to remember that while the Great Commission requires us to share the good news, it does not require perfection, only confidence in the message.

Global Awakening - Mark R. Shaw  
2010-05-07

The last century has seen the revolutionary remaking of Christianity into a truly world religion. How did it happen? What triggered the emergence of this new global faith no longer dominated by the West, full of new and vital forms of devotion? Mark Shaw's provocative thesis is that far-flung revivals are at the heart of the global resurgence of Christianity. These were not the

quirky folk rituals associated with rural America and nineteenth-century camp meetings that belong more to an age of plows and prairies than of postmodernity and globalization. Rather they were like forces of nature, protean, constantly adjusting their features and ferocity to new times and to new places, speaking Spanish, Portuguese, Yoruba, Korean, Mandarin and Gujarati. They crossed the equator. As they traveled abroad they grabbed hold of missionaries, Bible translations, national evangelists, globalization and glossolalia and turned them into a religious revolution. In this engaging book we read the stories of Joseph Babalola and the Aladura Revival in Africa, of Kil Sun-Ju and the great Korean revival of 1907, of Paulo Borges Jr. and explosion of

neo-Pentecostalism in Brazil, and of V. S. Azariah and the mass conversions of the Dalit people in India. As Shaw paints portraits of these and many more, his gallery fills, and we begin to see beyond isolated pictures to the sweeping landscape that we didn't realize was before our eyes all the time.

**Pastoral Ministry** - Deron J. Biles  
2017-11-01

Pastoral Ministry brings together the mandate of God, the needs of the sheep, and the model of the good Shepherd to uniquely inspire and equip you to fulfill your ministry as a shepherd.

Yale Under God - Roberta Buckingham  
Mouheb 2012-02-01

"Yale under God" - does it sound unlikely these days? That's probably because of what has been happening in

the past few decades in our country. Our colleges - and America - were founded by believers in God, but there are those revisionists who would argue otherwise. In an effort to include all cultures in this melting-pot of a nation, today's humanists with their man-made ideas have cut any mention of God out of classrooms and textbooks, contributing to the decline of American education. This book is an attempt to restore the Christian history of Yale and its town, New Haven. Beginning with the Puritans in 1638 to the present day, it also reveals a dark side of Yale, along with points of "Lux et Veritas" (light and truth). A few years ago Yale celebrated several events that brought out facets of its history - the 300th birthdays of both the

University and Jonathan Edwards, one of its first students (1701 and 1703); the 350th birthday of Elihu Yale; and the Amistad Affair, which was made into a movie by Stephen Spielberg. A few people appreciated these events for a moment, but what long-lasting effect did they have? From the author, who worked at Yale for two decades and has lived in New Haven for even longer, comes the hope that this book will shed some light on our past, be a tool in the reader's hands, and ultimately be a guide to future generations.

**Are Southern Baptists "Evangelicals"?**

- James Leo Garrett 1983

*An Eyewitness Remembers the Century of the Holy Spirit* - Vinson Synan

2010-04-01

Premier Pentecostal historian Vinson

Synan shares for the first time his engaging personal assessment of and involvement in the extraordinary events of the last 100 years that gave birth to the charismatic and Pentecostal movements. Because of his unique position and participation in most of these events, Synan offers a rare and fascinating behind-the-scenes look at the phenomenal events that took place when the Holy Spirit fell at Azusa Street; the subsequent formation of the Pentecostal denominations; the surprising birth of the charismatic renewal; the emergence of charismatic Catholicism; the Toronto Blessing; and beyond. Because Synan is so widely respected across denominational lines for his scholarship and balance, his candid eyewitness memoir will rivet all who walk in the fullness of the Holy

Spirit, as well as professors, students, and curious onlookers. A once-in-a-lifetime perspective!

*A Guide to the Study of the Pentecostal Movement* - Charles Edwin Jones 1983

This bibliographic and organizational guide to traditional Pentecostalism includes historical information on churches, associations, and evangelistic and missionary agencies, schools, and individual proponents and critics of the movement worldwide, and related bibliography.

Churches and other agencies are classified by doctrinal tradition. More than 6,000 items are included.  
**From Asbury University Revival to the Russian Revival: Read about Twenty Revivals of the Twentieth Century** - G. J. Hocking 2019-12-24

How many countries experienced a

religious revival during the 20th century? According to this new book on church revival history, there were, at the very least, twenty such revivals occurring in various parts of the world. Revival swept from Asbury University, Australia, through America, and across the European continent; all within the space of one century. Why This Book? I wrote *The Twentieth Revivals of the Century* because there are so many stories that need to be told. Stories of sweeping revivals, which happened all across the globe. Spiritual awakenings that occurred in countries making headlines today--sometimes for all the wrong reasons. Nations like North Korea's Pyongyang and Japan, which incidentally almost became a Christian nation, leading up to the twentieth century. At this time,

Christianity began gaining ground at a rapid pace. Such was the impact of the revivals covered in this book heading into the twentieth century. So, can we see a repeat of such revival fervour in the twenty-first Century? Was the recent Asbury Revival comparable with the one seen there in the 1970s? Does it measure up to the same basic criteria or pass the 'smell test' of how recent revivals have come about? These question, although not directly answered will show the the so-called Asbury revival was missing two basic ingredients, the preaching of the gospel and conversion of the masses.

This Encyclopedia is the definitive reference to the history and beliefs that continue to exert a profound

influence on Western thought.

**A Survey of 20th-century Revival Movements in North America** - Richard M. Riss 1988

The twentieth century has witnessed periodic revivals comparable to the awakenings of the eighteenth and nineteenth centuries. And yet, many of the places and players of these reawakenings have been overlooked or neglected by the chroniclers of North American church history. "A Survey of 20th-Century Revival Movements in North America" attempts to set the record straight. It offers a concise and useful survey of the major currents of revival that have swept over this continent since the turn of the century. As the final decade of this century approaches it is appropriate that historian Richard Riss chart the course of twentieth-

century revival on this continent and record the people, places, and events that have shaped the modern American church. Names like William J. Seymour or Maria B. Woodworth-Etter; places like Azusa Street or North Battleford, Saskatchewan; and events like the forest Home Briefing Conference or the Latter Rain Revival might not be as familiar as Billy Graham, Oral Roberts, or the Jesus movement, but each has played a significant role in keeping the streams of revival flowing. The impact of these often lesser-known figures and events is tremendous. For example, William J. Seymour was a key figure in early Pentecostalism, which has become one of the most rapidly growing segments of modern Christianity. Also, college awakenings at Bethel College in St.

Paul, Minnesota, Northern Baptist Theological Seminary, North Park College, and Wheaton College in late 1949 and early 1950 received nationwide press coverage and sparked college revivals throughout the country. A decade later, in 1960, Dennis Bennett's experience of the Holy Spirit in Van Nuys, California, would mark the beginning of a tremendous outpouring of the Spirit, and for many, came to represent the start of the charismatic renewal movement.

Historical Drift - Arnold L. Cook  
2008-02-21

Historical Drift—This book helps define, diagnose, detect and reverse historical drift. Must my church die, you ask? The vision dims, the core values shift, the passion fades, the original moorings are left behind.

You are not alone in your question. There are others like you, Christian leaders, both lay and clergy, who want to see our churches return to the basic issues of doctrine and faith.

**Christianity in Eurafrica** - Steven Paas 2016-10-01

Christianity in Eurafrica is an impressive book, meticulously researched and well written by a professional scholar. The first chapter includes some valuable historiographical guidelines for writing and understanding the History of the Church. In its first part, the book traces the history of the Church in the Middle East and Europe, explaining the roots of theological diversity to this day. In the second part, the author narrates how the Faith moved south, took root in African soil and grew independently. Many pictures and illustrations serve to further enliven the account. Steven Paas, taught Theology in Malawi for many years. He writes from

a deep knowledge of and love for the Lord's Church, especially in Africa and Europe. This textbook on the history of Christianity in two continents fits with the curricula of institutions of theological training in Africa and the West. The content is especially aimed at students who prepare for the ministry and for Christian education. The book is, however, also invaluable for all scholars of the History of Christianity.

**The Routledge Research Companion to the History of Evangelicalism -**

Andrew Atherstone 2018-07-11

Evangelicalism, an inter-denominational religious movement that has grown to become one of the most pervasive expressions of world Christianity in the early twenty-first century, had its origins in the

religious revivals led by George Whitefield, John Wesley and Jonathan Edwards in the middle decades of the eighteenth century. With its stress on the Bible, the cross of Christ, conversion and the urgency of mission, it quickly spread throughout the Atlantic world and then became a global phenomenon. Over the past three decades evangelicalism has become the focus of considerable historical research. This research companion brings together a team of leading scholars writing broad-ranging chapters on key themes in the history of evangelicalism. It provides an authoritative and state-of-the-art review of current scholarship, and maps the territory for future research. Primary attention is paid to English-speaking evangelicalism, but the volume is

transnational in its scope. Arranged thematically, chapters assess evangelicalism and the Bible, the atonement, spirituality, revivals and revivalism, worldwide mission in the Atlantic North and the Global South, eschatology, race, gender, culture and the arts, money and business, interactions with Roman Catholicism, Eastern Christianity, and Islam, and globalization. It demonstrates evangelicalism's multiple and contested identities in different ages and contexts. The historical and thematic approach of this research companion makes it an invaluable resource for scholars and students alike worldwide.

*How Biblical is the Church Growth Movement?* - J. Robertson McQuilkin  
1973

**River of God** - Douglas D. Priest Jr.  
2012-04-19

River of God is an introduction to world missions aimed at undergraduate students. However, the readers will soon discover that the book is rich in its content far beyond the editors' original plan. It serves as a reader for people with various levels of missiological interest and competence and deals with cutting-edge issues in missions. This book introduces a new paradigm, Kingdom Missiology, which builds on shalom in the Old Testament and as Jesus applied to the Kingdom of God in the New Testament. The first half of the book looks at Kingdom Missiology from the biblical, historical, and cultural dimensions. The second half of the book describes helpful strategies in the implementation of

this paradigm. The importance of urban ministry is woven throughout the book.

**Firestorms of Revival** - Bob Griffin  
2006-10

This book focuses on the history of revival movements but includes the author's own views and experiences -- "Dr. Bob Griffin comprehensively details how revival always happens and how it will happen again. He points out key components to historic revival including: passionate prayer and repentance, a return to the priority of worship, a period of radical social reform or transformation" -- page 4 of cover.

With Concerts of Prayer - David Bryant 1984

New Revised Edition.

Welsh Mythology and Folklore in Popular Culture - Audrey L. Becker

2011-09-07

Examining how we interpret Welshness today, this volume brings together fourteen essays covering a full range of representations of Welsh mythology, folklore, and ritual in popular culture. Topics covered include the twentieth-century fantasy fiction of Evangeline Walton, the Welsh presence in the films of Walt Disney, Welshness in folk music, video games, and postmodern literature. Together, these interdisciplinary essays explore the ways that Welsh motifs have proliferated in this age of cultural cross-pollination, spreading worldwide the myths of one small British nation.

Researching Modern Evangelicalism - Robert D. Shuster 1990-06-26  
Strategic to the study of popular

evangelical movements, this volume provides a thorough description of the holdings of one of the major evangelical resource centers in the United States. The Billy Graham Center, with its focus on efforts by Evangelicals around the world to spread the Christian Gospel, with a special emphasis on North America, has developed a superb array of sources to document this vigorous yet largely uncharted aspect of modern Christianity. The special strengths of the Graham Center's Library, Museum, and Archives are documented here. Books, magazines, photographs, paintings, artifacts, diaries, letters, and files of Christian organizations are among the types of sources described. Two appendices, comprising 20 percent of this volume, give detailed summaries of holdings

in 161 other archives and libraries throughout the United States. Also included are 61 photographs of artifacts and documents from the Graham Center. This guide includes three main chapters on the Library, Museum, and Archives of the Billy Graham Center at Wheaton College. Chapters on the collections of the Library and Museum discuss their thematic strengths, featured holdings, and services. A lengthy chapter on the Archives provides an overview, an annotated catalog of its more than 525 collections, and a list of subjects treated in each collection. Two appendices provide extensive descriptions of other archival and library collections around the country. A comprehensive index of subjects and names quickly helps researchers determine what the

Graham Center and other North American research centers offer. The user can enjoy a general overview or receive direct information on a specific topic. This volume is designed for the varied interests of pastor, missionary, scholar, journalist, or interested layperson. *Arrows of Victory: God's Work of Revival, Restoration, and Release* - Jamison Work

Revival, Renewal, and the Holy Spirit

- Dyfed Wyn Roberts 2009-11-01

The revival of 1904-05 had a profound effect not only on Wales, but also on many other nations. This volume of academic papers from the centenary conference in 2004 explores the local and International Impact of the revival as well as previous eighteenth- and nineteenth-century Welsh revivals. Contributors include David Bebbington and Mark A. Noll.
