- Make every dollar count

## **The Great Gatsby SparkNotes Literature Guide** - SparkNotes 2014

This text provides chapter-by-chapter analysis of explanations of F. Scott Fitzgerald's *The Great Gatsby*. Also includes key themes, motifs and symbols, review quizzes and sample A+ student essay, step-by-step analysis in plain English, study questions and more.

## **It Ends with Us** - Colleen Hoover 2020-07-28

In this “brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it” (Anna Todd, *New York Times* bestselling author) from the #1 *New York Times* bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small

town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (*USA TODAY*).

## **The significance of color in "The Great Gatsby"** - Sabine Reich 2005-07-29

Seminar paper from the year 2005 in the subject American Studies - Literature, University of Erfurt, course: Modernism, 8 entries in the bibliography, language: English, abstract: Introduction Artists use colors to show hidden intentions and traffic lights provoke a certain way of acting through their color. Colors symbolize various things in everyday live. One usually has an instinctive connection from colors to certain feelings or uses. In his novel “*The Great Gatsby*”, F. Scott Fitzgerald is an artist.

He uses colors to communicate to the reader feelings and attitudes of the protagonists. With my term paper on Fitzgerald's color symbolism in "The Great Gatsby" I want to show the different uses of colors and the way color influences a scene subliminal.

**This Side of Paradise Illustrated** - F Scott Fitzgerald 2021-04-17

This Side of Paradise is the debut novel by F. Scott Fitzgerald, published in 1920. The book examines the lives and morality of post-World War I youth. Its protagonist Amory Blaine is an attractive student at Princeton University who dabbles in literature. The novel explores the theme of love warped by greed and status seeking, and takes its title from a line of Rupert Brooke's poem Tiare Tahiti. The novel famously helped F. Scott Fitzgerald gain Zelda Sayre's hand in marriage; its publication was her condition of acceptance.

Inventing Great Neck - Judith S. Goldstein 2006-09-01

Great Neck, New York, is one of America's most fascinating suburbs. Settled by the Dutch in the 1600s, generations have been attracted to this once quiet enclave for its easy access to New York City and its tranquil setting by the Long Island Sound. This illustrious suburb has also been home to a number of film and theatrical luminaries from Groucho Marx and Oscar Hammerstein to comedian Alan King and composer Morton Gould. Famous writers who have lived there include Ring Lardner and of course, F. Scott Fitzgerald, who used Great Neck as the inspiration for his classic novel The Great Gatsby. Although frequently recognized as the home to well-known personalities, Great Neck is also notable for the conspicuous way it transformed itself from a Gentile community, to a mixed one, and, finally, in the 1960s, to one in which Jews were the majority. In Inventing Great Neck, Judith Goldstein tells this lesser known story. The book spans four decades of rapid change, beginning with the 1920s. Throughout the early half of the century, Great Neck was a leader in the reconfiguration of the American suburb, serving as a playground of rich estates for New York's aristocracy. Throughout the forties, it boasted one of the country's most outstanding school systems, served as the temporary home to the United Nations, and gave

significant support to the civil rights movement. During the 1950s, however, the suburb diverged from the national norm when the Gentile population began to lose its dominant position. Inventing Great Neck is about the allure of suburbia, including the institutions that bind it together, and the social, economic, cultural, and religious tensions that may threaten its vibrancy. Anyone who has lived in a suburban town, particularly one in the greater metropolitan area, will be intrigued by this rich narrative, which illustrates not only Jewish identity in America but the struggle of the American dream itself through the heart of the twentieth century.

**Into the Wild** - Jon Krakauer 2009-09-22

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the

clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

*Before Gatsby* - Francis Scott Fitzgerald 2001  
A collection of "commercial short stories F. Scott Fitzgerald published before he began to work on what would become his great American novel, *The Great Gatsby*."--Back cover.

**The Read-Aloud Family** - Sarah Mackenzie  
2018-03-27

Discover practical strategies to make reading aloud a meaningful family ritual. The stories we read--and the conversations we have about them--help shape family traditions, create lifelong memories, and become part of our legacy. Reading aloud not only has the power to change a family--it has the power to change the world. But we all know that connecting deeply with our families can be difficult in our busy, technology-driven society. Reading aloud is one of the best ways to be fully present with our children, even after they can read themselves, but it isn't always easy to do. Discover how to: Prepare your kids for academic success through reading to them Develop empathy and compassion in your kids through books Find time to read aloud in the midst of school, sports, and dinner dishes Choose books across a variety of sibling interests and ages Make reading aloud the best part of your family's day The Read-Aloud Family also offers age-appropriate book lists from infancy through adolescence. From a toddler's wonder to a teenager's resistance, you will find the inspiration you need to start a read-aloud movement in your own home.

*We'll Always Have Summer* - Jenny Han  
2012-04-24

The summer after her first year of college, Isabel "Belly" Conklin is faced with a choice between Jeremiah and Conrad Fisher, brothers she has always loved, when Jeremiah proposes marriage and Conrad confesses that he still loves her. *The Yellow Wallpaper Illustrated* - Charlotte Perkins Gilman 2020-04-29

""The Yellow Wallpaper"" is a short story by American writer Charlotte Perkins Gilman, first published in January 1892 in *The New England Magazine*.<sup>[1]</sup> It is regarded as an important early work of American feminist literature, due to its illustration of the attitudes towards mental and physical health of women in the 19th century. Narrated in the first person, the story is a collection of journal entries written by a woman whose physician husband (John) has rented an old mansion for the summer. Forgoing other rooms in the house, the couple moves into the upstairs nursery. As a form of treatment, the unnamed woman is forbidden from working, and is encouraged to eat well and get plenty of air, so she can recuperate from what he calls a ""temporary nervous depression - a slight hysterical tendency"", a diagnosis common to women during that period"

Hemingway vs. Fitzgerald - Scott Donaldson  
2001-12-01

Paris in the 20s: The era of literary expatriates Ernest Hemingway and F. Scott Fitzgerald continues to burn in the imagination as a time of unparalleled glamour and romance. This legendary friendship -- and rivalry -- was compellingly chronicled by Hemingway in *A Moveable Feast*, but as Hemingway reminded the reader, that book is fiction. Here, in *Hemingway vs. Fitzgerald*, prize-winning biographer Scott Donaldson goes beyond the mythologizing to create a true, multi-faceted narrative of a great friendship fueled by admiration, jealousy, and liquor -- a heady mixture of literary scholarship, history, and vivid storytelling. With a dazzling cast of characters that includes legendary Scribner's editor Maxwell Perkins, socialites Gerald and Sara Murphy, Zelda Fitzgerald, Hadley Hemingway, and writers Gertrude Stein, Morley Callaghan and Edmund Wilson, Scott Donaldson recounts the glory and pain of the great literary friendship of our time. Book jacket.

**The Passage of Power** - Robert A. Caro

2012-05-01

WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD, THE LOS ANGELES TIMES BOOK PRIZE, THE MARK LYNTON HISTORY PRIZE, THE AMERICAN HISTORY BOOK PRIZE

Book Four of Robert A. Caro's monumental *The Years of Lyndon Johnson* displays all the narrative energy and illuminating insight that led the *Times* of London to acclaim it as "one of the truly great political biographies of the modern age. A masterpiece." *The Passage of Power* follows Lyndon Johnson through both the most frustrating and the most triumphant periods of his career—1958 to 1964. It is a time that would see him trade the extraordinary power he had created for himself as Senate Majority Leader for what became the wretched powerlessness of a Vice President in an administration that disdained and distrusted him. Yet it was, as well, the time in which the presidency, the goal he had always pursued, would be thrust upon him in the moment it took an assassin's bullet to reach its mark. By 1958, as Johnson began to maneuver for the presidency, he was known as one of the most brilliant politicians of his time, the greatest Senate Leader in our history. But the 1960 nomination would go to the young senator from Massachusetts, John F. Kennedy. Caro gives us an unparalleled account of the machinations behind both the nomination and Kennedy's decision to offer Johnson the vice presidency, revealing the extent of Robert Kennedy's efforts to force Johnson off the ticket. With the consummate skill of a master storyteller, he exposes the savage animosity between Johnson and Kennedy's younger brother, portraying one of America's great political feuds. Yet Robert Kennedy's overt contempt for Johnson was only part of the burden of humiliation and isolation he bore as Vice President. With a singular understanding of Johnson's heart and mind, Caro describes what it was like for this mighty politician to find himself altogether powerless in a world in which power is the crucial commodity. For the first time, in Caro's breathtakingly vivid narrative, we see the Kennedy assassination through Lyndon Johnson's eyes. We watch Johnson step into the presidency, inheriting a staff fiercely loyal to his slain predecessor; a Congress determined to retain its power over

the executive branch; and a nation in shock and mourning. We see how within weeks—grasping the reins of the presidency with supreme mastery—he propels through Congress essential legislation that at the time of Kennedy's death seemed hopelessly logjammed and seizes on a dormant Kennedy program to create the revolutionary War on Poverty. Caro makes clear how the political genius with which Johnson had ruled the Senate now enabled him to make the presidency wholly his own. This was without doubt Johnson's finest hour, before his aspirations and accomplishments were overshadowed and eroded by the trap of Vietnam. In its exploration of this pivotal period in Johnson's life—and in the life of the nation—*The Passage of Power* is not only the story of how he surmounted unprecedented obstacles in order to fulfill the highest purpose of the presidency but is, as well, a revelation of both the pragmatic potential in the presidency and what can be accomplished when the chief executive has the vision and determination to move beyond the pragmatic and initiate programs designed to transform a nation. It is an epic story told with a depth of detail possible only through the peerless research that forms the foundation of Robert Caro's work, confirming Nicholas von Hoffman's verdict that "Caro has changed the art of political biography."

*The Great Gatsby* - F. Scott Fitzgerald

2021-02-14

Set in the Jazz Age on Long Island, the novel depicts narrator Nick Carraway's interactions with mysterious millionaire Jay Gatsby and Gatsby's obsession to reunite with his former lover, Daisy Buchanan. Gatsby continues to attract popular and scholarly attention. The novel was most recently adapted to film in 2013 by director Baz Luhrmann, while modern scholars emphasize the novel's treatment of social class, inherited wealth compared to those who are self-made, race, environmentalism, and its cynical attitude towards the American dream. As with other works by Fitzgerald, criticisms include allegations of antisemitism. *The Great Gatsby* is widely considered to be a literary masterwork and a contender for the title of the Great American Novel.

*Red Rising* - Pierce Brown 2014-01-28

NEW YORK TIMES BESTSELLER • Pierce Brown's relentlessly entertaining debut channels the excitement of *The Hunger Games* by Suzanne Collins and *Ender's Game* by Orson Scott Card. "Red Rising ascends above a crowded dystopian field."—USA Today ONE OF THE BEST BOOKS OF THE YEAR—Entertainment Weekly, BuzzFeed, Shelf Awareness "I live for the dream that my children will be born free," she says. "That they will be what they like. That they will own the land their father gave them." "I live for you," I say sadly. Eo kisses my cheek. "Then you must live for more." Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for *Red Rising* "[A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown's dizzyingly good debut novel evokes *The Hunger Games*, *Lord of the Flies*, and *Ender's Game*. . . . [Red Rising] has everything it needs to become meteoric."—Entertainment Weekly "Ender, Katniss, and now Darrow."—Scott Sigler "Red Rising is a sophisticated vision. . . . Brown will find a devoted audience."—Richmond Times-Dispatch Don't miss any of Pierce Brown's Red Rising Saga: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE **Pale Fire** - Vladimir Nabokov 2012-09-06 A novel constructed around the last great poem

of a fictional American poet, John Shade, and an account of his death. The poem appears in full and the narrative develops through the lengthy, and increasingly eccentric, notes by his posthumous editor.

**Jake, Reinvented** - Gordon Korman 2013-04-02 There is a mysterious new student at Fitzgerald High, Jake Garret. He seems to have it all figured out. He looks like he just stepped off the cover of the J. Crew catalog, he is the best kicker the football team has ever had, and best of all, he hosts the party to go to every Friday night. All the guys want to be like him and all the girls want to date him, but Jake only has eyes for Didi, the girlfriend of alpha male and quarterback, Todd Buckley . As Jake's friend Rick gets to know him, he at first admires him, then starts to like him, but soon grows to fear for him as he learns Jake's dangerous secret. From beloved young adult author Gordon Korman, comes a new look at age-old themes about popularity, acceptance, and human nature.

**American Immigration** - Maldwyn Allen Jones 1992-04-15 Immigration, writes Maldwyn Allen Jones, was America's historic *raison d'être*. Reminding us that the history of immigration to the United States is also the history of emigration from somewhere else, Mr. Jones considers the forces that uprooted emigrants from their homes in different parts of the world and analyzes the social, economic, and psychological adjustments that American life demanded of them—adjustments essentially the same for the Jamestown settlers and for Vietnamese refugees. As well as measuring the impact of America on the lives of the sixty million or so immigrants who have arrived since 1607, he assesses their role in industrialization, the westward movement, labor organization, politics, foreign policy, the growth of American nationalism, and the theory and practice of democracy. In this new edition, Jones brings his history of immigration to the United States up to 1990. His new chapter covers the major changes in immigration patterns caused by changes in legislation, such as the Immigration and Nationality Act of 1965. "It is done with a grasp of regional, chronological, national and racial information, plus that 'feel' for the situation which can come only from the vast resources

and a gift for interpretation."—A. T. DeGroot, Christian Century "A scholarly contribution, based on a thorough mastery of the subject."—Carl Wittke, Journal of Southern History

### **Wuthering Heights** - Emily Bronte 2021-05-21

Emily Bronte was an English novelist & poet, who is best known for her only novel, "Wuthering Heights: She has written poems also such as - 'Poems by Currer, Ellis and Action Bell', 'A Death Scene', 'To a Wreath of Snow, and lots Many. 'Wuthering Heights' is a highly imaginative work of passion and hate. Author was interested in mysticism and used to enjoy her solitude outdoors. This novel consists of those elements. It is now considered a classic of English literature. It was published under the pseudonym - "Ellis Bell" The story is full of high creativity and very imaginative. It narrates revenge also. It revolves around the main character, Heathcliff. Wuthering Heights is his farmhouse. Heathcliff is a young orphan, who was brought by Earnshaw at Wuthering Heights, 30 years ago. Earnshaw loves him (Heathcliff) so much, even neglects his own children. After death of Earnshaw, his elder son Hindley becomes the new master of Wuthering Heights and he allows Heathcliff to stay there only as a servant. Catherine is in love with Heathcliff, but doesn't show due to her social statue. The story thus seems very interesting and it ends with sights of the ghosts of Catherine and Heathcliff. It consists of many ups and downs Readers will Surely going to enjoy the novel. It's Heartthrobing and it's very difficult to getup without reading the novel - fully.

### **A Pair of Blue Eyes** - Thomas Hardy

2016-01-01

Chapter I 'A fair vestal, throned in the west' Elfride Swancourt was a girl whose emotions lay very near the surface. Their nature more precisely, and as modified by the creeping hours of time, was known only to those who watched the circumstances of her history. Personally, she was the combination of very interesting particulars, whose rarity, however, lay in the combination itself rather than in the individual elements combined. As a matter of fact, you did not see the form and substance of her features when conversing with her; and this charming power of preventing a material study of her

lineaments by an interlocutor, originated not in the cloaking effect of a well-formed manner (for her manner was childish and scarcely formed), but in the attractive crudeness of the remarks themselves. She had lived all her life in retirement—the monstrari gigitto of idle men had not flattered her, and at the age of nineteen or twenty she was no further on in social consciousness than an urban young lady of fifteen. One point in her, however, you did notice: that was her eyes. In them was seen a sublimation of all of her; it was not necessary to look further: there she lived. These eyes were blue; blue as autumn distance—blue as the blue we see between the retreating mouldings of hills and woody slopes on a sunny September morning. A misty and shady blue, that had no beginning or surface, and was looked INTO rather than AT. As to her presence, it was not powerful; it was weak. Some women can make their personality pervade the atmosphere of a whole banqueting hall; Elfride's was no more pervasive than that of a kitten. Elfride had as her own the thoughtfulness which appears in the face of the Madonna della Sedia, without its rapture: the warmth and spirit of the type of woman's feature most common to the beauties—mortal and immortal—of Rubens, without their insistent fleshiness. The characteristic expression of the female faces of Correggio—that of the yearning human thoughts that lie too deep for tears—was hers sometimes, but seldom under ordinary conditions.

### **So We Read On** - Maureen Corrigan

2014-09-09

The "Fresh Air" book critic investigates the enduring power of The Great Gatsby -- "The Great American Novel we all think we've read, but really haven't." Conceived nearly a century ago by a man who died believing himself a failure, it's now a revered classic and a rite of passage in the reading lives of millions. But how well do we really know The Great Gatsby? As Maureen Corrigan, Gatsby lover extraordinaire, points out, while Fitzgerald's masterpiece may be one of the most popular novels in America, many of us first read it when we were too young to fully comprehend its power. Offering a fresh perspective on what makes Gatsby great-and utterly unusual-So We Read On takes us into archives, high school classrooms, and even out

onto the Long Island Sound to explore the novel's hidden depths, a journey whose revelations include Gatsby's surprising debt to hard-boiled crime fiction, its rocky path to recognition as a "classic," and its profound commentaries on the national themes of race, class, and gender. With rigor, wit, and infectious enthusiasm, Corrigan inspires us to re-experience the greatness of Gatsby and cuts to the heart of why we are, as a culture, "borne back ceaselessly" into its thrall. Along the way, she spins a new and fascinating story of her own.

*Under the Red, White, and Blue* - F. Scott Fitzgerald 2021-02-26

*Under the Red, White, and Blue* was F. Scott Fitzgerald's final choice for the novel we all know as, *The Great Gatsby*. This particular edition aims to achieve Fitzgerald's last known wishes for the novel, if such a thing exists. The Introduction discusses Fitzgerald's struggle with the title as well as the influence of the original cover art and its artist, Francis Cugat.

**The Great Gatsby** - Francis Scott Fitzgerald 1993

A young man newly rich tries to recapture the past and win back his former love, despite the fact that she has married

**Where I Lived, and What I Lived For** - Henry Thoreau 2005-08-25

Throughout history, some books have changed the world. They have transformed the way we see ourselves - and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives - and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are. Thoreau's account of his solitary and self-sufficient home in the New England woods remains an inspiration to the environmental movement - a call to his fellow men to abandon their striving, materialistic existences of 'quiet desperation' for a simple life within their means, finding spiritual truth through awareness of the sheer beauty of their surroundings.

**The Baker's Secret** - Stephen P. Kiernan

2017-05-02

A tale beautifully, wisely, and masterfully told.”

— Paula McLain, author of *The Paris Wife* and *Circling the Sun* From the multiple-award-winning, critically acclaimed author of *The Hummingbird* and *The Curiosity* comes a dazzling novel of World War II—a shimmering tale of courage, determination, optimism, and the resilience of the human spirit, set in a small Normandy village on the eve of D-Day. On June 5, 1944, as dawn rises over a small town on the Normandy coast of France, Emmanuelle is making the bread that has sustained her fellow villagers in the dark days since the Germans invaded her country. Only twenty-two, Emma learned to bake at the side of a master, Ezra Kuchen, the village baker since before she was born. Apprenticed to Ezra at thirteen, Emma watched with shame and anger as her kind mentor was forced to wear the six-pointed yellow star on his clothing. She was likewise powerless to help when they pulled Ezra from his shop at gunpoint, the first of many villagers stolen away and never seen again. In the years that her sleepy coastal village has suffered under the enemy, Emma has silently, stealthily fought back. Each day, she receives an extra ration of flour to bake a dozen baguettes for the occupying troops. And each day, she mixes that precious flour with ground straw to create enough dough for two extra loaves—contraband bread she shares with the hungry villagers. Under the cold, watchful eyes of armed soldiers, she builds a clandestine network of barter and trade that she and the villagers use to thwart their occupiers. But her gift to the village is more than these few crusty loaves. Emma gives the people a taste of hope—the faith that one day the Allies will arrive to save them.

*The Great Gatsby* - F. Fitzgerald 2018-04

It's the Roaring Twenties, and New York City is the place to be. Everything can be purchased, everyone can be bought. But, can you make money erase your past? As more and more people lose themselves to the lure of money, ironically the only person who remains unaffected is Jay Gatsby, the enigmatic host of the most extravagant parties . . ."

**The Great Gatsby by F. Scott Fitzgerald** - Kristen Bowers 2009

*The Rising Tide of Color Against White World-supremacy* - Lothrop Stoddard 1921

*The Handmaid's Tale* - Margaret Atwood

2010-12-10

An instant classic and eerily prescient cultural phenomenon, from “the patron saint of feminist dystopian fiction” (New York Times). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate “Handmaids” under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred’s persistent memories of life in the “time before” and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood’s devastating irony, wit, and acute perceptive powers in full force, *The Handmaid’s Tale* is at once a mordant satire and a dire warning.

*This Is Water* - Kenyon College 2014-05-22

Only once did David Foster Wallace give a public talk on his views on life, during a commencement address given in 2005 at Kenyon College. The speech is reprinted for the first time in book form in *THIS IS WATER*. How does one keep from going through their comfortable, prosperous adult life unconsciously? How do we get ourselves out of the foreground of our thoughts and achieve compassion? The speech captures Wallace's electric intellect as well as his grace in attention to others. After his death, it became a treasured piece of writing reprinted in *The Wall Street Journal* and the *London Times*, commented on endlessly in blogs, and emailed from friend to friend. Writing with his one-of-a-kind blend of causal humor, exacting intellect, and practical philosophy, David Foster Wallace probes the challenges of daily living and offers advice that renews us with every reading.

**Crazy Sunday** - F. Scott Fitzgerald 2014-05-13  
Joel Coles should be in the prime of his life, but the twenty-eight-year-old screenwriter has yet to accomplish anything of significance. Unfortunately, Joel is acutely aware of his own shortcomings, and the knowledge that his writing is stale and uninspired has driven him to

seek solace in a bottle. His only prospects may lie in his relationship with a rich and popular Hollywood couple, Miles and Stella Calman, who are suffering problems of their own. Despite his popularity, F. Scott Fitzgerald had a hard time finding a publisher for "Crazy Sunday" because he refused to make changes that would censor the content. Eventually, the story was picked up by the magazine *American Mercury*.

HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

**Black Cultural Traffic** - Harry J. Elam 2010-02-11

"A shrewdly designed, generously expansive, timely contribution to our understanding of how 'black' expression continues to define and defy the contours of global (post)modernity. The essays argue persuasively for a transnational ethos binding disparate African and diasporic enactments, and together provide a robust conversation about the nature, history, future, and even possibility of 'blackness' as a distinctive mode of cultural practice." --Kimberly Benston, author of *Performing Blackness* "Black Cultural Traffic is nothing less than our generation's manifesto on black performance and popular culture. With a distinguished roster of contributors and topics ranging across academic disciplines and the arts (including commentary on film, music, literature, theater, television, and visual cultures), this volume is not only required reading for scholars serious about the various dimensions of black performance, it is also a timely and necessary teaching tool. It captures the excitement and intellectual innovation of a field that has come of age. Kudos!" --Dwight A. McBride, author of *Why I Hate Abercrombie & Fitch* "The explosion of interest in black popular culture studies in the past fifteen years has left a significant need for a reader that reflects this new scholarly energy. *Black Cultural Traffic* answers that need." --Mark Anthony Neal, author of *Songs in the Key of Black Life* "A revolutionary anthology that will be widely read and taught. It crisscrosses continents and cultures and examines confluences and influences of black popular culture -- music, dance, theatre, television,

fashion and film. It also adds a new dimension to current discussions of racial, ethnic, and national identity." --Horace Porter, author of *The Making of a Black Scholar*

**The Seven Basic Plots** - Christopher Booker  
2005-11-11

This remarkable and monumental book at last provides a comprehensive answer to the age-old riddle of whether there are only a small number of 'basic stories' in the world. Using a wealth of examples, from ancient myths and folk tales via the plays and novels of great literature to the popular movies and TV soap operas of today, it shows that there are seven archetypal themes which recur throughout every kind of storytelling. But this is only the prelude to an investigation into how and why we are 'programmed' to imagine stories in these ways, and how they relate to the inmost patterns of human psychology. Drawing on a vast array of examples, from Proust to detective stories, from the Marquis de Sade to E.T., Christopher Booker then leads us through the extraordinary changes in the nature of storytelling over the past 200 years, and why so many stories have 'lost the plot' by losing touch with their underlying archetypal purpose. Booker analyses why evolution has given us the need to tell stories and illustrates how storytelling has provided a uniquely revealing mirror to mankind's psychological development over the past 5000 years. This seminal book opens up in an entirely new way our understanding of the real purpose storytelling plays in our lives, and will be a talking point for years to come.

**The Great Gatsby** - F. Scott Fitzgerald  
2020-11-17

The only authorized mass market edition of the twentieth-century classic, featuring F. Scott Fitzgerald's final revisions, a foreword by his granddaughter, and a new introduction by National Book Award winner Jesmyn Ward. This edition of *The Great Gatsby* has been updated by F. Scott Fitzgerald scholar James L.W. West III to include the author's final revisions and features a note on the composition and text, a personal foreword by Fitzgerald's granddaughter, Eleanor Lanahan—and an introduction by two-time National Book Award winner Jesmyn Ward. Featuring the iconic original cover art, this is a must-have for

students and Gatsby fans. *The Great Gatsby*, Fitzgerald's third book, stands as the supreme achievement of his career. First published in 1925, this quintessential novel of the Jazz Age has been acclaimed by generations of readers. The story of the mysteriously wealthy Jay Gatsby and his love for the beautiful Daisy Buchanan is an exquisitely crafted tale of America in the 1920s.

*The Great Gatsby* - F. Scott Fitzgerald

2012-05-01

A beautiful new edition of F. Scott Fitzgerald's classic novel *The Great Gatsby* to coincide with the release of Baz Luhrmann's film. 'There was music from my neighbour's house through the summer nights. In his blue gardens men and girls came and went like moths among the whisperings and the champagne and the stars.' Everybody who is anybody is seen at the glittering parties held in millionaire Jay Gatsby's mansion in West Egg, east of New York. The riotous throng congregates in his sumptuous garden, coolly debating Gatsby's origins and mysterious past. None of the frivolous socialites understands him and among various rumours is

the conviction that 'he killed a man'. A detached onlooker, Gatsby is oblivious to the speculation he creates, but always seems to be watching and waiting, though no one knows what for. As writer Nick Carraway is drawn into this decadent orbit, Gatsby's destructive dreams and passions are revealed, leading to disturbing and tragic consequences. 'Not only a page turner and heartbreaker, it's one of the most quintessentially American novels ever written' Time F. Scott Fitzgerald was born in St Paul, Minnesota in 1896. He studied at Princeton University before joining the army in 1917. In 1920 he married Zelda Sayre. Their traumatic relationship and subsequent breakdowns became a major influence on his writing. Among his publications were five novels, *This Side of Paradise*, *The Great Gatsby*, *The Beautiful and the Damned*, *Tender is the Night* and *The Last Tycoon* (his last and unfinished work); six volumes of short stories and *The Crack-Up*, a selection of autobiographical pieces. F. Scott Fitzgerald died suddenly in 1940.

**Torres and Ehrlich Modern Dental Assisting**  
- Doni Bird 2002
