The Heart is a Lonely Hunter begins with a focus on the relationship between two close friends, John Singer and SpirosAntonapoulos, deaf-mutes who have lived together for several years. Antonapoulos becomes mentally ill, misbehaves, and despite attempts at intervention from Singer, is eventually

put into an insane asylum away from town. Now alone, Singer moves into a new room. In the absence of his friend, how will Singer cope in a new surrounding?_x000D_ Excerpt:_x000D_ "In the town there were two mutes, and they were always together. Early every morning they would come out from the house where they lived and walk arm in arm down the street to work. The two friends were very different. The one who always steered the way was an obese and dreamy Greek. In the summer he would come out wearing a yellow or green polo shirt stuffed sloppily into his trousers in front and hanging loose behind."_x000D_ _x000D_ _x000D_

The Heart Is a Lonely Hunter - Carson McCullers 2004-08-03

With the publication of her first novel, *THE HEART IS A LONELY HUNTER*, Carson McCullers, all of twenty-three, became a literary sensation. With its profound sense of moral isolation and its compassionate glimpses into its characters' inner lives, the novel is considered McCullers' finest work, an enduring masterpiece first published by Houghton Mifflin in 1940. At its center is the deaf-mute John Singer, who becomes the confidant for various types of misfits in a Georgia mill town during the 1930s. Each one yearns for escape from small town life. When Singer's mute companion goes insane, Singer moves into the Kelly house, where Mick Kelly, the book's heroine (and loosely based on McCullers), finds solace in her music. Wonderfully attuned to the spiritual isolation that underlies the human condition, and with a deft sense for racial tensions in the South, McCullers spins a haunting,

unforgettable story that gives voice to the rejected, the forgotten, and the mistreated -- and, through Mick Kelly, gives voice to the quiet, intensely personal search for beauty. Richard Wright praised Carson McCullers for her ability to rise above the pressures of her environment and embrace white and black humanity in one sweep of apprehension and tenderness. She writes with a sweep and certainty that are overwhelming, said the *NEW YORK TIMES*. McCullers became an overnight literary sensation, but her novel has endured, just as timely and powerful today as when it was first published. *THE HEART IS A LONELY HUNTER* is Carson McCullers at her most compassionate, endearing best.

The Lonely Hunter - Virginia Spencer Carr 2003

The Lonely Hunter is widely accepted as the standard biography of Carson McCullers. Author of such landmarks of modern American fiction as *Reflections in a Golden Eye* and *The Ballad of the Sad Café*, Carson McCullers was the enfant terrible of the literary world of the 1940s and 1950s. Gifted but tormented, vulnerable but exploitative, McCullers led a life that had all the elements--and more--of a tragic novel. From McCullers's birth in Columbus, Georgia, in 1917 to her death in upstate New York in 1967, *The Lonely Hunter* thoroughly covers every significant event in, and aspect of, the

writer's life: her rise as a young literary sensation; her emotional, artistic, and sexual eccentricities and entanglements; her debilitating illnesses; her travels in America and Europe; and the provenance of her works from their earliest drafts through their book, stage, and film versions. To research her subject, Virginia Spencer Carr visited all of the important places in McCullers's life, read virtually everything written by or about her, and interviewed hundreds of McCullers's relatives, friends, and enemies. The result is an enduring, distinguished portrait of a brilliant, but deeply troubled, writer.

Bolstered by lively conversations with her house servant, Berenice, and her six-year-old cousin—and her own unbridled imagination—Frankie takes on an overly active role in the wedding, even hoping to go (uninvited) on the honeymoon. Carson McCullers: Complete Novels (LOA #128) -
Carson McCullers 2001-10-01

When *The Heart Is a Lonely Hunter* was published in 1940, Carson McCullers was instantly recognized as one of the most promising writers of her generation. The novels that followed established her as a master of Southern Gothic. This Library of

America volume collects McCullers's complete novels for the first time in a single-volume edition that reveals the power and breadth of her haunting vision. "McCullers's gift," writes Joyce Carol Oates, "was to evoke, through an accumulation of images and musically repeated phrases, the singularity of experience, not to pass judgment on it." McCullers effortlessly conveyed the raw anguish of her characters and the weird beauty of their perceptions. Set in small Georgia towns that are at once precisely observed and mythically resonant, McCullers's novels explore the strange, sometimes grotesque inner lives of characters who are often marginal and misunderstood. Above all, McCullers possessed an unmatched ability to capture the bewilderment and fragile wonder of adolescence. In *The Heart Is a Lonely Hunter* (1940), one of the most extraordinary debuts in modern American literature, an enigmatic deaf-mute draws out the

haunted confessions of an itinerant worker, a young girl, a doctor, and a widowed owner of a small-town café. The disfiguring violence of desire is explored with shocking intensity in two shorter works, *Reflections in a Golden Eye* (1941) and *The Ballad of the Sad Café* (1943). *The Member of the Wedding* (1946), thought by many to be McCullers's masterpiece, hauntingly depicts a young girl's fascination with her brother's wedding. In 13-year-old Frankie Addams, confused, easily wounded, yet determined to survive, McCullers created her most indelible protagonist. *Clock Without Hands* (1960), her final novel, was completed against great odds in the midst of tremendous physical suffering. Set against the background of court-ordered school integration, it contains some of McCullers's most forceful social criticism. LIBRARY OF AMERICA is an independent nonprofit cultural organization

Illumination and Night Glare - Carson McCullers
1999

MORE THAN THIRTY YEARS AFTER IT WAS written, the autobiography of Carson McCullers, *Illumination and Night Glare*, will be published for the first time. McCullers -- one of the most gifted writers of her generation, author of *The Member of the Wedding*, *Reflections in a Golden Eye*, and

"The Ballad of the Sad Cafe" -- died of a stroke at the age of fifty before finishing this, her last manuscript. Editor Carlos L. Dews has faithfully brought her story back to life, complete with never-before-published letters between McCullers and her husband Reeves, and an outline of her most famous novel, *The Heart Is a Lonely Hunter*. Looking back over her life from a precocious childhood in Georgia to her painful decline after a series of crippling strokes, McCullers offers poignant and unabashed remembrances of her early writing success, her family attachments, a troubled marriage, friendships with literary and film luminaries (Gypsy Rose Lee, Richard Wright, Isak Dinesen, John Huston, Marilyn Monroe), and her intense relationships with the important women in her life. When she was interviewed by Rex Reed in the Plaza Hotel on her final birthday, McCullers revealed her reason for writing an autobiography: "I think it is

important for future generations of students to know why I did certain things, but it is also important for myself. I became an established literary figure overnight, and I was much too young to understand what happened to me or the responsibility it entailed. I was a bit of a holy terror. That, combined with all my illnesses, nearly destroyed me. Perhaps if I trace and preserve for other generations the effect this success had on me it will prepare future artists to accept it better".

The Mere Wife - Maria Dahvana Headley

2018-07-17

New York Times bestselling author Maria Dahvana Headley presents a modern retelling of the literary classic *Beowulf*, set in American suburbia as two mothers—a housewife and a battle-hardened veteran—fight to protect those they love in *The Mere Wife*. From the perspective of those who live in Herot Hall, the suburb is a paradise. Picket fences

divide buildings—high and gabled—and the community is entirely self-sustaining. Each house has its own fireplace, each fireplace is fitted with a container of lighter fluid, and outside—in lawns and on playgrounds—wildflowers seed themselves in neat rows. But for those who live surreptitiously along Herot Hall’s periphery, the subdivision is a fortress guarded by an intense network of gates, surveillance cameras, and motion-activated lights. For Willa, the wife of Roger Herot (heir of Herot Hall), life moves at a charmingly slow pace. She flits between mommy groups, playdates, cocktail hour, and dinner parties, always with her son, Dylan, in tow. Meanwhile, in a cave in the mountains just beyond the limits of Herot Hall lives Gren, short for Grendel, as well as his mother, Dana, a former soldier who gave birth as if by chance. Dana didn’t want Gren, didn’t plan Gren, and doesn’t know how she got Gren, but when she returned from

war, there he was. When Gren, unaware of the borders erected to keep him at bay, ventures into Herot Hall and runs off with Dylan, Dana’s and Willa’s worlds collide.

My Autobiography of Carson McCullers: A Memoir
- Jenn Shapland 2020-02-04
FINALIST FOR THE NATIONAL BOOK

AWARD Longlisted for the Andrew Carnegie Medal for Excellence in Nonfiction How do you tell the real story of someone misremembered—an icon and idol—alongside your own? Jenn Shapland’s celebrated debut is both question and answer: an immersive, surprising exploration of one of America’s most beloved writers, alongside a genre-defying examination of identity, queerness, memory, obsession, and love. Shapland is a graduate student when she first uncovers letters written to Carson McCullers by a woman named Annemarie. Though Shapland recognizes herself in the letters, which are intimate and unabashed in their feelings, she does not see McCullers as history has portrayed her. Her curiosity gives way to fixation, not just with this newly discovered side of McCullers’s life, but with how we tell queer love stories. Why, Shapland asks, are the stories of women paved over by others’ narratives? What happens when constant

revision is required of queer women trying to navigate and self-actualize in straight spaces? And what might the tracing of McCullers’s life—her history, her secrets, her legacy—reveal to Shapland about herself? In smart, illuminating prose, Shapland interweaves her own story with McCullers’s to create a vital new portrait of one of our nation’s greatest literary treasures, and shows us how the writers we love and the stories we tell about ourselves make us who we are.

Clock Without Hands - Carson McCullers 1998-09-15

An “impeccable” novel about race relations and responsibility set in the civil-rights-era South, by the author of *The Heart Is a Lonely Hunter* (The Atlantic Monthly). In a small Georgia town, pharmacist J. S. Malone, diagnosed with leukemia, is given a mere year to live—and a lifetime’s worth of regret over years and opportunities wasted.

Meanwhile, Judge Clane, still reeling from the

suicide of his son, looks for meaning in the past and judgment in the present. Clane’s grandson, Jester, seeks identity in the wake of his father’s selfish act. And all three of them find their stories inexorably bound together as Sherman Pew, a young black man with blue eyes, looking to uncover the truth about his parentage, moves into a white neighborhood, thus upsetting the fragile balance of the town. “One of the few first-rate novelists of our time,” Carson McCullers deftly weaves a story of life and death, love and hate, progress and stagnation, a brilliant examination of the universal human experiences that at once bind us together and tear us apart (Kirkus Reviews).
