*Gaspipe* - Philip Carlo 2009-10-13

The boss of New York's infamous Lucchese crime family, Anthony "Gaspape" Casso's life in the Mafia was preordained from birth. His rare talent for "earning"—concocting ingenious schemes to hijack trucks, rob banks, and bring vast quantities of drugs into New York—fueled his unstoppable rise up the ladder of organized crime. A mafioso responsible for at least fifty murders, Casso lived large, with a beautiful wife and money to burn. When the law finally caught up with him in 1994, Casso became the thing he hated most—an informer. From his blood feud with John Gotti to his dealings with the "Mafia cops," decorated NYPD officers Lou Eppolito and Stephen Caracappa, to the Windows case, which marked the beginning of the end for the New York Mob, *Gaspape* is Anthony Casso's shocking

story—a roller-coaster ride into an exclusive netherworld that reveals the true inner workings of the Mafia, from its inception to the present time.

**Bad Moon** - Anthony Bruno 2008-05

"Bruno drives deep into Elmore Leonard territory with . this deliriously comic mess. It's like a giant box of chocolates without a single dud."-Kirkus Reviews Mobster or mental case? That's what FBI agents Mike Tozzi and Cuthbert Gibbons have to figure out in *Bad Moon*, the fifth book in the Gibbons and Tozzi thriller series. Incarcerated in a mental institution, mob boss Sal Immordino plots his comeback with the help of his sister the nun and a serial-killer-in-training. Bodies are piling up. Gibbons and Tozzi have to throw out the rule book to keep Immordino off the throne.

**Dark Roads** - Chevy Stevens 2021-08-03

“Chevy Stevens is a brilliant and unique talent and *Dark Roads* is an instant classic. My hat’s off to her.” – C. J. Box, #1 New York Times bestselling author of *Long Range* "My favorite Chevy Stevens book since *Still Missing*...The suspense builds with every page, and the ending is a complete shocker."—Sarah Pekkanen, #1 New York Times Bestselling Author of *The Wife Between Us* "Aptly named, *Dark Roads* is deep, dark, and unsettling. From the opening page, it’s clear you’re in the hands of a master storyteller...With brilliant characterizations, tight plotting, and a setting bound to give you chills, this is Stevens's finest book to date. A tour de force mystery you do not want to miss."—J.T. Ellison, New York Times bestselling author of *Her Dark Lies* "Chevy Stevens is back and better than ever...*Dark Roads* is a chilling, pulse-pounding thriller that also tugs at the heartstrings. It's everything you've come to love from a master of the psych thriller genre!"— Mary Kubica, New York Times bestselling author of *The Other Mrs.* The Cold Creek Highway stretches close to five hundred miles through British Columbia’s rugged wilderness to the west coast. Isolated and vast, it has become a prime hunting ground for predators. For decades, young women traveling the road have gone missing. Motorists and hitchhikers, those passing through or living in one of the small towns scattered along the region, have fallen prey time and again. And no killer or

abductor who has stalked the highway has ever been brought to justice. Hailey McBride calls Cold Creek home. Her father taught her to respect nature, how to live and survive off the land, and to never travel the highway alone. Now he’s gone, leaving her a teenage orphan in the care of her aunt whose police officer husband uses his badge as a means to bully and control Hailey. Overwhelmed by grief and forbidden to work, socialize, or date, Hailey vanishes into the mountainous terrain, hoping everyone will believe she’s left town. Rumors spread that she was taken by the highway killer—who’s claimed another victim over the summer. One year later, Beth Chevalier arrives in Cold Creek, where her sister Amber lived—and where she was murdered. Estranged from her parents and seeking closure, Beth takes a waitressing job at the local diner, just as Amber did, desperate to understand what happened to her and why. But Beth’s search for answers puts a target on her back—and threatens to reveal the truth behind Hailey’s disappearance...

Hot Fudge - Anthony Bruno 2001-10-08

The ultimate guide to the past, present, and future of same-sex relationship laws in the U.S. Same-sex relationships are treated differently under each state's laws, and nearly a quarter of the U.S. population lives in a state with some form of legal recognition for same-sex couples. More than 85,000 same-sex couples have

entered a legal relationship since 1997. Making It Legal is the only book that offers a comprehensive review of all the issues that influence the decision to marry, breaks down the complex and ever-changing rules of same-sex relationship laws, and provides practical guidance on one of the most important decisions a couple can make. Following a brief history of the same-sex marriage movement and a survey of the current legal landscape, Making It Legal discusses the important factors involved in the personal decision to marry along with the issues that every married couple may face: Is a pre-nup advisable? What does it involve? What happens when you want to file your taxes? When is a will or a living trust needed? What are the special needs of same-sex couples with kids? When should you turn to professionals for help during disagreements? How do you work with step-parents, past partners, and the blended family? Nationally-recognized same-sex relationship law expert Attorney Frederick Hertz and Attorney Emily Doskow have written the ultimate guide to the ultimate decision -- whether to enter into a marriage or other legal relationship with your same-sex partner.

*Thought Economics* - Vikas Shah 2021-02-04

'Stimulating, intelligent and enjoyable discussions of the most important issues of our day.' STEVEN PINKER 'From entrepreneurs to athletes, and world leaders to entertainers, this is a fascinating collection of interviews with some of the world's most influential individuals.' MARK CUBAN 'Thought Economics is a fine rebuke to the soundbite culture; these interviews are driven by real curiosity, and there is a wealth of wisdom here.' EDWARD STOURTON

\_\_\_\_\_ Since 2007, entrepreneur and philanthropist Vikas Shah has been on a mission to interview the people shaping our century. Including conversations with Nobel prizewinners, business leaders, politicians, artists and Olympians, he has been in the privileged position of questioning the minds that matter on the big issues that concern us all. We often talk of war and conflict, the economy, culture, technology and revolutions as if they are something other than us. But all these things are a product of us - of our ideas, our dreams and our fears. We live in fast-moving and extraordinary times, and the changes we're experiencing now, in these first decades of the twenty-first century, feel particularly poignant as

decisions are made that will inform our existence for years to come. What started out as a personal interest in the mechanisms that inform our views of the world, and a passion for understanding, has grown into a phenomenal compilation of once-in-a-lifetime conversations. In this incredible collection, Shah shares some of his most emotive and insightful interviews to date.

**Pimp - Iceberg Slim 2011-05-10**

“[In Pimp], Iceberg Slim breaks down some of the coldest, capitalist concepts I’ve ever heard in my life.” –Dave Chappelle, from his Netflix special *The Bird Revelation* Pimp sent shockwaves throughout the literary world when it published in 1969. Iceberg Slim’s autobiographical novel offered readers a never-before-seen account of the sex trade, and an unforgettable look at the mores of Chicago’s street life during the 1940s, 50s, and 60s. In the preface, Slim says it best, “In this book, I will take you, the reader, with me into the secret inner world of the pimp.” An immersive experience unlike anything before it, Pimp would go on to sell millions of copies, with translations throughout the world. And it would have a profound impact upon generations of writers, entertainers, and filmmakers, making it the classic hustler’s tale that never seems to go out of style.

**The Serial Killers The Cannibals The Cold Blooded and Ed Gein - Rodney Cannon 2019-10-16**

Ed Gein was convicted of killing only two women.

It is not his number of murders that have made this damaged man the prototype for a number of the most famous motion picture killers, such as Buffalo Bill, Norman Bates, Hannibal Lecter, Leatherface. The actions that he engaged in before and after these murders are what makes him perhaps the most interesting serial killer of all. Samuel Little, a serial killer who fulfilled his grisly urges between 1987 and 1999, has confessed to 93 counts of homicide. This makes him one of the most prolific serial killers in history. Are you familiar with the story of Vera Renczi, popularly known as the Black Widow? Irina Gaidamachuk is a female serial killer from Russia. She killed 17 elderly women between the years 2002 and 2010. Luis Garavito is a convicted serial killer and rapist. He was nicknamed Triblin from the character Goofy in Disney and also as La Bestia, meaning the beast. Though he isn't listed as the world's worst serial killer in the Guinness world book of records, most media stations have referred to him as such. Joachim Georg Kroll or Ruhr the Cannibal was arrested after murdering and butchering a 4-year-old girl. The police discovered some of her organs stuffed in the waste pipe of his apartment building and her hand being cooked in a pot. Richard Ramirez is a well-known serial killer, burglar, and rapist who murdered at least thirteen (13) people in LA, California between 1984 and 1985. Gary Leon Ridgway convicted of 48

murders. He was one of the world's most vile serial killers. A murder and rapist of both the living and the dead. Richard Kuklinski, the Iceman. From mob hitman to cold-blooded killer. These serial killers and a few more are featured in this book .

*What Doesn't Kill Us* - Scott Carney 2018-12-11

*What Doesn't Kill Us*, a New York Times bestseller, traces our evolutionary journey back to a time when survival depended on how well we adapted to the environment around us. Our ancestors crossed deserts, mountains, and oceans without even a whisper of what anyone today might consider modern technology. Those feats of endurance now seem impossible in an age where we take comfort for granted. But what if we could regain some of our lost evolutionary strength by simulating the environmental conditions of our ancestors? Investigative journalist and anthropologist Scott Carney takes up the challenge to find out: Can we hack our bodies and use the environment to stimulate our inner biology? Helping him in his search for the answers is Dutch fitness guru Wim Hof, whose ability to control his body temperature in extreme cold has sparked a whirlwind of scientific study. Carney also enlists input from an Army scientist, a world-famous surfer, the founders of an obstacle course race movement, and ordinary people who have documented how they have cured autoimmune diseases, lost weight, and

reversed diabetes. In the process, he chronicles his own transformational journey as he pushes his body and mind to the edge of endurance, a quest that culminates in a record-bending, 28-hour climb to the snowy peak of Mt. Kilimanjaro wearing nothing but a pair of running shorts and sneakers. An ambitious blend of investigative reporting and participatory journalism, *What Doesn't Kill Us* explores the true connection between the mind and the body and reveals the science that allows us to push past our perceived limitations.

*The Seekers* - Joshua Armstrong 2000-08-01

An insider's look at the world of bounty hunters describes the work of *The Seekers*, a twelve-man team which has pursued and captured some of America's most dangerous criminals

*The Iceman* - Jim Wilson 2012-01-25

A story of unrelenting, seedy brutality' - *The Herald* The elite police officers secretly launching Scotland's biggest ever offensive against organised crime had only one target. His name was Jamie Stevenson, but he was known as *The Iceman*, the biggest drugs trafficker the country has ever seen. Suspected of a string of murders - including the gangland assassination of his best friend - Stevenson's decade-long rise was built on ruthless ambition, strategic cunning and calculated, brutal violence. It left him at the head of one of Europe's biggest smuggling operations pouring tons of drugs and guns onto the streets

of Scotland. "The Iceman" tells the astonishing story of Stevenson's rise and fall, offering a unique and explosive insight into Operation Folklore, the unprecedented four-year investigation that ended in his arrest. It lays bare the blood-soaked business of Scotland's most powerful crime lord and, for the first time, exposes how he made - and laundered - his dirty millions.

Double Espresso - Anthony Bruno 2014-03-16

"A cast of kooky, dangerous characters worthy of Elmore Leonard or Carl Hiaasen . . . A funny, often harrowing crime novel" (Booklist). In this follow-up to the Anthony Award finalist Devil's Food, fugitive-hunter Loretta Kovacs races to keep one hitman from killing another. The intended victim is a valuable government witness against the mob, and a dirty FBI agent is helping the bad guys. Now, while she struggles to kick her caffeine habit once and for all, Loretta must fend off the advances of an amorous mob boss while babysitting the cantankerous witness in Seattle—the capital of coffee—in this "highly entertaining" caper (Kirkus Reviews). "Fans of comic mysteries should add Bruno to their must-read list, alongside Laurence Shames and Janet Evanovich." —Booklist

The Onion Field - Joseph Wambaugh 2007-08-28

NEW YORK TIMES BESTSELLER • "A fascinating account of a double tragedy: one physical, the other psychological."—Truman

Capote This is the frighteningly true story of two young cops and two young robbers whose separate destinies fatally cross one March night in a bizarre execution in a deserted Los Angeles field. "A complex story of tragic proportions . . . more ambitious than *In Cold Blood* and equally compelling!"—The New York Times "Once the action begins it is difficult to put the book down. . . Wambaugh's compelling account of this true story is destined for the bestseller lists."—Library Journal

Winter Prey - John Sandford 1993

Twin Cities detective Lucas Davenport faces his most determined foe yet, the savage serial killer called Iceman.

The Iceman - Anthony Bruno 2013-03-26

Soon to be a major motion picture starring Michael Shannon, Winona Ryder, with Ray Liotta and Chris Evans He was smart, merciless, and deadly. And it took someone just as tough to bring him down. A mob contract killer known as "The Iceman" for hiding a body in an ice-cream truck freezer, Richard Kuklinski boasted a personal body count of more than a hundred victims. Using guns, knives, poison, ice picks, tire irons, baseball bats, and bombs, the family man from New Jersey killed for fun, for money, to cover up his own crimes, and to satisfy his inner rage. Law enforcement officials knew all about Kuklinski and had a list of his victims, but couldn't get near him—until undercover agent Dominick

Polifrone posed as a mobster and began a deadly game of cat and mouse. In this harrowing true-crime account, Anthony Bruno delves into the mind of a cold-blooded killer, chronicling the Iceman's grisly crimes and probing the bizarre dynamics of Agent Polifrone's dangerous liaison with him. For as Polifrone carefully built up a case against Kuklinksi, he knew he was running out of time—because the Iceman was planning to kill him too. “Bruno puts his writing talents to white-knuckle use with a tight focus on a killer with no human feelings.”—Kirkus Reviews  
“Excellent . . . [re-creates] the tension and stress Polifrone experienced in fulfilling his risky undercover assignment.”—Publishers Weekly  
**Survived by One** - Robert E. Hanlon 2013-08-06  
On November 8, 1985, 18-year-old Tom Odle brutally murdered his parents and three siblings in the small southern Illinois town of Mount Vernon, sending shockwaves throughout the nation. The murder of the Odle family remains one of the most horrific family mass murders in U.S. history. Odle was sentenced to death and, after seventeen years on death row, expected a lethal injection to end his life. However, Illinois governor George Ryan's moratorium on the death penalty in 2000, and later commutation of all death sentences in 2003, changed Odle's sentence to natural life. The commutation of his death sentence was an epiphany for Odle. Prior to the commutation of his death sentence, Odle lived in

denial, repressing any feelings about his family and his horrible crime. Following the commutation and the removal of the weight of eventual execution associated with his death sentence, he was confronted with an unfamiliar reality. A future. As a result, he realized that he needed to understand why he murdered his family. He reached out to Dr. Robert Hanlon, a neuropsychologist who had examined him in the past. Dr. Hanlon engaged Odle in a therapeutic process of introspection and self-reflection, which became the basis of their collaboration on this book. Hanlon tells a gripping story of Odle's life as an abused child, the life experiences that formed his personality, and his tragic homicidal escalation to mass murder, seamlessly weaving into the narrative Odle's unadorned reflections of his childhood, finding a new family on death row, and his belief in the powers of redemption. As our nation attempts to understand the continual mass murders occurring in the U.S., *Survived by One* sheds some light on the psychological aspects of why and how such acts of extreme carnage may occur. However, *Survived by One* offers a never-been-told perspective from the mass murderer himself, as he searches for the answers concurrently being asked by the nation and the world.

Hunting Eichmann - Neal Bascomb 2009

With the intrigue of a detective story, "Hunting Eichmann" follows the Nazi as he escapes two

American POW camps, hides in the mountains, and builds an anonymous life in Buenos Aires, before finally being captured and brought to trial.

Bind, Torture, Kill - Roy Wenzl 2009-10-13

For thirty-one years, a monster terrorized the residents of Wichita, Kansas. A bloodthirsty serial killer, self-named "BTK"—for "bind them, torture them, kill them"—he slaughtered men, women, and children alike, eluding the police for decades while bragging of his grisly exploits to the media.

The nation was shocked when the fiend who was finally apprehended turned out to be Dennis Rader—a friendly neighbor . . . a devoted husband . . . a helpful Boy Scout dad . . . the respected president of his church. Written by four award-winning crime reporters who covered the story for more than twenty years, Bind, Torture, Kill is the most intimate and complete account of the BTK nightmare told by the people who were there from the beginning. With newly released documents, evidence, and information—and with the full cooperation, for the very first time, of the Wichita Police Department's BTK Task Force—the authors have put all the pieces of the grisly puzzle into place, thanks to their unparalleled access to the families of the killer and his victims.

The Night Agent - Matthew Quirk 2019-01-15

NOW ON NETFLIX! Starring Gabriel Basso and Luciane Buchanan "Matthew Quirk moves into David Baldacci and John Grisham territory with The Night Agent, a paranoid, pulse-pounding

thriller that could not be more prescient. If you're wondering where the best of the next generation of suspense talent is headed, look no further." — Joseph Finder To find a Russian mole in the White House, an FBI agent must question everything. . . and trust no one. No one is more surprised than FBI Agent Peter Sutherland when he's tapped to work in the White House Situation Room. When Peter was a boy, his father was suspected of selling secrets to the Russians—a breach that cost him his career, his reputation, and eventually his life. Now Peter's job is monitoring an emergency line for a call that has not—and might never—come. Until tonight. At 1:05 A.M. the phone rings. A terrified young woman named Rose tells Peter that two people have just been murdered and that the killer might still be in the house with her. One of the victims gave her this phone number with urgent instructions: "Tell them OSPREY was right. It's happening..." The call thrusts Peter into the heart of a conspiracy years in the making, involving a Russian mole at the highest levels of the U.S. government.

Anyone in the White House could be the traitor. Anyone could be corrupted. To save the nation, Peter must take the rules into his own hands, question everything, and trust no one. The Night Agent marks the return of the classic conspiracy thriller, a Three Days of the Condor for today's chaotic world. With incredible twists and heart-stopping action, this electrifying novel pulls back

the curtain on Washington power and confirms Matthew Quirk as a new master of suspense. Don't miss Matthew Quirk's twisty new thriller, Inside Threat! **The Ice Man** - Philip Carlo 2007-04-01

Philip Carlo's *The Ice Man* spent over six weeks on the New York Times Bestseller List. Top Mob Hitman. Devoted Family Man. Doting Father. For thirty years, Richard "The Iceman" Kuklinski led a shocking double life, becoming the most notorious professional assassin in American history while happily hosting neighborhood barbecues in suburban New Jersey. Richard Kuklinski was Sammy the Bull Gravano's partner in the killing of Paul Castellano, then head of the Gambino crime family, at Sparks Steakhouse. Mob boss John Gotti hired him to torture and kill the neighbor who accidentally ran over his child. For an additional price, Kuklinski would make his victims suffer; he conducted this sadistic business with coldhearted intensity and shocking efficiency, never disappointing his customers. By his own estimate, he killed over two hundred men, taking enormous pride in his variety and ferocity of technique. This trail of murder lasted over thirty years and took Kuklinski all over America and to the far corners of the earth, Brazil, Africa, and Europe. Along the way, he married, had three

children, and put them through Catholic school. His daughter's medical condition meant regular stays in children's hospitals, where Kuklinski was remembered, not as a gangster, but as an affectionate father, extremely kind to children. Each Christmas found the Kuklinski home festooned in colorful lights; each summer was a succession of block parties. His family never suspected a thing. Richard Kuklinski is now the subject of the major motion picture titled "The Iceman"(2013), starring James Franco, Winona Ryder, Ray Liotta, and Chris Evans.

**The Iceman** - P. T. Deutermann 2018-08-21

1942, off the port city of St. Nazaire in occupied France. A United States Navy S-class submarine assigned to the Royal Navy lurks just outside the borders of the minefield protecting a German U-boat base. Lieutenant Commander Malachi Stormes patrols close to the minefield entrance and manages to trap and sink three outbound U-boats in one spectacular attack. The U.S. Navy promotes him and gives him command of a new class of submarine, a fleet boat called Firefish. Based in Perth, Australia, the Perth boats are the only American forces capable of hitting the Japanese in the western Pacific. Stormes-- nicknamed The Iceman-- makes it clear that he is willing to take huge chances to achieve results. -- adapted from publisher info.

**The Evil 100** - Martin Gilman Wolcott 2004

Who was the evilest of the evil, the baddest

of, the bad? For armies of armchair thrill seekers and, shudder hounds everywhere, *The Evil 100* presents a, cold, heartless ranking of the world's 100 most, malevolent people, past and present. Including, well-known figures from Stalin to Jack the Ripper, to Bin Laden, obscure characters like King, Astyges, who punished a servant by feeding the man, his own son, and evil organisations such as the, Klu Klux Klan. This makes for more than a simple, catalogue of atrocities, it is a serious, examination of the darker side to human nature.

*The Butcher* - Philip Carlo 2014-05-01

'He was like a vampire. We believe he killed over sixty people.' -- James J. Hunt, Assistant Special Agent, New York DEA 9 July 1990: the DEA makes the gruesome discovery of nine bodies, dismembered, stuffed into cheap suitcases and buried in a secluded bird sanctuary near Gravesend, Brooklyn. It was Tommy Pitera's personal cemetery. When John Gotti put out a contract on informer Willie Boy Johnson, Pitera took it - he shot him fourteen times in broad daylight outside his home. Pitera not only murdered for the mob, he took pleasure in killing and did so at whim - the slightest insult could provoke him and he killed friends, associates, anyone who got in his way. A cold-blooded, homicidal maniac with a fascination for the macabre, he had an autopsy table in his basement and regularly dismembered his victims,

expertly cutting them into six pieces: the arms, legs, torso and head. Convicted for six murders, he is believed to be responsible for over sixty. Philip Carlo, author of the bestseller *The Iceman*, reveals the horrendous crimes of drug kingpin and merciless mob killer Thomas Pitera, and the New York DEA's three-year battle to bring him to justice.

*The Last Godfather* - Simon Crittle 2006-03-07

As head of the Bonanno clan, Joey Massino was the last don, and ran his world with an iron hand-- until he got hit with a murder rap, and turned on his own people. Here, for the first time, is his shocking true story--a glimpse inside the world of organized crime that we may never see again.

#### *Becoming the Iceman* - Wim Hof 2011-11

Becoming the Iceman is a project inspired by Wim and Justin to show the world that anyone can adopt the ability to become an Iceman or Icewoman. The project's goal is to show that the ability to control the body's temperature is not a genetic defect in Wim, but an ability that can be adopted by everyone. For many generations, we have been taught to fear the cold: "Don't forget your jacket You don't want hypothermia, do you?" "Put your gloves on before you get frostbite" "Of course, these are consequences of extreme cold exposure, but with the proper understanding, anyone can learn to use the cold as a natural teacher. You may have seen Wim Hof on television running barefoot through the snow or swimming in ice-cold waters. While performing those incredible feats, Wim remained completely

warm and comfortable the entire time Wim is the epitome of what can happen if someone uses the cold to train the body. Like any new tool, you must understand how it works before you can use it efficiently. This pertains to the cold as well. You may be wondering, "How can you prove that anyone can learn this ability? Well, as of Fall 2009, Justin Rosales had no experience with the cold whatsoever. He was a college student attending Penn State University. After Justin's friend, Jarrett, showed him one of Wim's videos on You-Tube, he became exceedingly interested in understanding this ability. He wanted to see if it was possible for anyone to learn. In Spring 2010, after speaking to Wim for several months via email, Wim invited Justin to attend his workshop in Poland. After many weeks of working as a dishwasher, Justin was able to pay for the trip and learn the technique of the Iceman. With more training and countless experiences with the cold, Justin began to slowly adapt. The length of time he could remain exposed increased dramatically. He quickly realized that the technique to withstand the cold was, indeed, an ability that could be learned by everyone. This book tells the tale of Wim and Justin's journey to Becoming the Iceman

#### *The Iceman Speaks* - Cheyenne Valentino Yakima 2010

"The Iceman Speaks: Choices and Consequences" is an autobiography written to

deter teenagers and young adults from a lifestyle of drugs, gangs, violence, and criminal activities. It focuses youth toward education, rewarding relationships with parents, making wise decisions, and the consequences of going down the wrong path. It consists of valid information as to how youths can avoid the traps that lurk in the shadows of society. This book speaks boldly about the rights of victims and the fate of criminals, and the uncensored graphic descriptions of life behind bars is expressed in detail. In today's society, far too many teenagers glorify themselves in violence and a renegade way of life, and far too many young people are filling up jails and prisons. This extraordinary book is designed to combat such negativity. It charts the life of a man, a man with excellent advice.

Straightforward, no nonsense, thought provoking.  
*The Iceman Cometh* - Eugene O'Neill 2022-11-22

This is a play that revolves around a group of alcoholics who live together in a flop house above a saloon. They always discuss their dreams but never take a step toward actualizing them. This group of misfits always awaits the coming of the salesman whose name is Hickey. Hickey determines to strip them of their pipe dreams and then reveals that he has been on the run after murdering his wife.

[The Way of the Iceman](#) - Wim Hof 2017-02-26  
Science has now proved that the legendary Wim Hof Method of breath control and cold-training

can dramatically enhance energy levels, improve circulation, reduce stress, boost the immune system, strengthen the body and successfully combat many diseases. While Wim Hof himself has run marathons in -30 C in shorts, swum hundreds of meters under the ice, sat in a tank of ice for 90 minutes without his core temperature changing and boosted his metabolism by over 300%, *The Way of The Iceman* documents how anyone can use Wim's methods to transform their health and strength, quickly and safely. "After teaching specialized breathing techniques to SEALs for years, helping them focus, stay warm in the cold ocean and get centered in combat, I can attest to the authenticity and power of Wim Hof's methods. Wim Hof is providing a great service with his new book *The Way of The Iceman* by bringing breath training and simple, powerful health practices into mainstream consciousness." -- Mark Divine, US Navy SEAL (ret), Founder SEALFIT, Best selling author of *Unbeatable Mind* and *Way of the SEAL* "I am continuously searching for ways to expand my mind, body and spirit--Wim Hof and *The Way of The Iceman* have done just that! He shows us that human potential is limitless and we are ALL capable of anything we set our minds to." -- Lewis Howes, New York Times bestselling author of *The School of Greatness* "What fascinates me most about Wim Hof's method is the potential application for athletes...the science in this book

shows that we can all amplify our recovery, maximize our pain tolerance, massively jack up energy levels and even learn to control inflammation...and it can be done without resorting to toxic drugs. In fact, the system outlined in this manual might just be the key to producing a generation of enhanced but drug-free athletes." -- Paul "Coach" Wade, author of *Convict Conditioning* "Inspiration inspires. What I like most about Wim and his book is how he taught me to trust my body, overcome fear and give me the best opportunity for success. He mixes personal experience and science--which becomes truly motivating. Wim provides the tools you need to master self-discipline, gain courage and live a vibrant life. He is Aquaman and Tony Robbins rolled into one. He is The Iceman!" -- Jesse Itzler, author of *Living With A SEAL* "Homo sapiens is a species that is uniquely and tragically ill-adapted to our environment. Maladies ranging from heart disease to diabetes to autoimmune disorders are generated by the mismatch between the natural world we evolved to live in and the artificial realms in which we find ourselves today. Wim Hof's teachings show us how to recalibrate our bodies in a way that recognizes the extremes of our natural environment as teachers to be celebrated and consulted, rather than enemies to be insulated against. Wim's deepest insights resonate with our hunter-gatherer ancestors, who understood the

wisdom of adapting to the natural world rather than trying to dominate and control it." -- Christopher Ryan, PhD., New York Times best-selling author of *Sex at Dawn* "We live in a chaotic modern world with daily assaults on our health from frenetic schedules, poor sleep, high stress, chronic disease, and infectious illness. Our brain and nervous system have been highjacked by this toxic environment, always on high alert with real consequences to our physical and mental health. With *The Way of The Iceman*, Wim Hof has given a profound gift to public health. The science is solid and the results actual and measureable. As you follow his remarkable life story it is readily apparent that this man is no charlatan or snake oil salesman. Through years of commitment and self-experimentation, Wim has empirically figured out how to exert significant control over the autonomic nervous system, a feat once thought impossible. His method has held up to scrutiny under the dispassionate lens of science, expanding our knowledge of what is possible with dedicated training in what is now known as the Wim Hof Method. Deceptively simple, and incredibly powerful, *The Way of the Iceman* gives you not only the scientific framework, but actionable steps you can implement to take back control over your high-jacked brain, increase resilience from illness, and start healing yourself from the inside out. The Wim Hof Method has become a cornerstone in

my personal daily wellness plan, and as a public health physician, I cannot recommend it highly enough." --Dr. Chris Hardy, D.O. MPH, CSCS, Public Health Physician, Integrative Medicine Specialist "The Way of The Iceman is one of only two books in my life that I have read cover to cover the first time I put my hands on it. What won me over was the simplicity of the explanations of diabetes, inflammation and the family of modern ills. Moreover, the discussion on diet, just a brief mention of 'Fast-Five, ' is the first time I actually understood not only how inflammation is such an issue, but a means to deal with it. This book is the missing link for most of us: the discussion of breathing is so simple, yet so doable; coaches and athletes will understand a newer and simpler means of recovery. Nothing in the book is over the top and we are talking about a guy who swims under ice. The method is so simple, yet so elegant. It's marvelous and I think you will apply the techniques immediately." -- Daniel John, author of Never Let Go "Wim Hof has learned to control his physiology in a way rarely seen in human history. This book takes his extraordinary techniques and simplifies them so you can optimize your health and wellness. I recommend you learn the unique methods Wim has mastered in order to add vitality to your body and life." -- Chad Waterbury, neurophysiologist, author The Muscle Revolution "I found The Way of The Iceman absolutely

fascinating! Many of us are familiar with the numerous benefits of cold training, such as increased energy levels, better circulation and improved mood, but nothing on the subject has ever been presented of this magnitude before! The legend himself, Wim Hof, along with Koen De Jong, share not only a detailed account of Mr. Hof's lifetime achievements (such as running a marathon in the Arctic... in just a pair of shorts!), but also practical, actionable methods that anyone can employ. This book has everything from progressive cold submersion methods to breathing techniques. It delves into meditation and spirituality, but also presents the hard science to back it up. Any fan of physical culture or anybody curious about how far the human limits can be pushed needs to add this to their library." -- Danny Kavadlo, author of Strength Rules "Wim Hof's techniques healed my gut where nothing else would. And I tried everything. The Way of The Iceman should be required reading. The world is just beginning to realize the extraordinary gift we have in Wim Hof." -- Mark Joyner, founder of Simpleology "As someone who enjoys bare-chested, outdoor winter calisthenics workouts, Wim Hof's extreme cold weather feats immediately appealed to me. The Wim Hof Method is so simple that anyone can get started right away. And the results are so palpable that once you start, you'll almost certainly want to keep going." -- Al Kavadlo, author of Street

Workout and Pushing The Limits! "Wim Hof first came across my radar a few years ago when I heard of a crazy Dutchman defying the laws of thermodynamics. How could a man submerge himself in freezing water for prolonged periods of time without hypothermia? How was it possible for his body temperature to stay the same during the process? This book is an enlightening look into the nervous system, and the amazing power of the mind. Don't mistake this for simple 'cold therapy' although that is a piece of the puzzle. This book will give you a front row seat to an education on the nervous system, and how one man and his disciples have learned to control it in a way that we previously thought was impossible. I found The Way of The Iceman fascinating." -- Max Shank, founder of Ultimate Athleticism and author of Master The Kettlebell "When I read The Way of The Iceman I was struck with awe and hope! Wim has brought scientific evidence to what I personally believe and have been teaching my students for years about breathing, bioenergetics and our connection to the spirit world. By demystifying the religious Wim is helping to support a Truth in the New World; mainly that spirituality without science descends into superstition, and science without spirituality degrades humanity into the meaninglessness of materialism." -- Elliott Hulse "Wim Hof makes the seemingly mystical and extraordinary, ridiculously easy to access. Anyone who is willing to explore

the latent powers of deep breathing and imagination will feast upon his unique story and his method of overpowering the unconquerable elements of nature."--Matt Furey, author of Combat Conditioning "What lies within this book is the key to accessing power whenever and wherever on demand. A tool to transcend consciousness and tap into the highest version of yourself. Never have I experienced anything that allowed me to instantly shift vibration and release such energy."--AJ Roberts, Fitness Hall of Fame and All-Time World Record Holder

Greentown - Timothy Dumas 2013-03-20

The first edition of Greentown helped reopen one of America's most shameful unsolved murder cases, the savage slaying of fifteen-year-old Martha Moxley in an exclusive enclave of Greenwich, Connecticut, the night before Halloween 1975. Soon after Martha's body was discovered, attention focused on members of the Skakel family, who lived across the street from the Moxleys. Ethel Skakel and Robert Kennedy had married in Greenwich, and the two families were close. Thomas Skakel, Ethel's nephew, was the last known person to see Martha alive. The murder weapon, a ladies' golf club, came from the Skakel household. When the Greenwich police tried to pursue its investigation, however, the community closed in upon itself. Lawyers were summoned, walls went up, information was suppressed, and no one was charged. And yet,

continuing to haunt Greenwich, the case refused to go away—until, twenty-three years later, following the publication of this book, a grand jury was convened, and two years after that a man—Thomas’s brother Michael—was finally indicted for the crime. This revised edition now brings the Martha Moxley murder case to a close. Updated to include the indictment, trial, and conviction of the murderer, Greentown offers the suspenseful and chilling account of a terrible crime. More than that, while relating a tale of seductive power, it uses the murder to tell the heartrending story of a family and a community responding to the unthinkable.

**Psycho USA** - Harold Schechter 2012-08-07

AMERICA’S MOST COLD-BLOODED! In the

horrifying annals of American crime, the infamous

names of brutal killers such as Bundy, Dahmer,

Gacy, and Berkowitz are writ large in the

imaginings of a public both horrified and

hypnotized by their monstrous, murderous acts.

But for every celebrity psychopath who’s gotten

ink for spilling blood, there's a bevy of all-but-forgotten homicidal fiends studding the bloody margins of U.S. history. The law gave them their just desserts, but now the hugely acclaimed author of *The Serial Killer Files* and *The Whole Death Catalog* gives them their dark due in this absolutely riveting true-crime treasury. Among America's most cold-blooded you'll meet • Robert Irwin, "The Mad Sculptor": He longed to use his carving skills on the woman he loved—but had to settle for making short work of her mother and sister instead. • Peter Robinson, "The Tell-Tale Heart Killer": It took two days and four tries for him to finish off his victim, but no time at all for keen-eyed cops to spot the fatal flaw in his floor plan. • Anton Probst, "The Monster in the Shape of a Man": The ax-murdering immigrant's systematic slaughter of all eight members of a Pennsylvania farm family matched the savagery of the Manson murders a century later. • Edward H. Ruloff, "The Man of Two Lives": A genuine Jekyll and Hyde, his brilliant scholarship disguised his bloodthirsty brutality, and his oversized brain gave new meaning to "mastermind." Spurred by profit, passion, paranoia, or perverse pleasure, these killers—the Witch of Staten Island, the Smutty Nose Butcher, the Bluebeard of Quiet Dell, and many others—span three centuries and a host of harrowing murder methods. Dramatized in the pages of penny dreadfuls, sensationalized in tabloid headlines, and immortalized in "murder

ballads" and classic fiction by Edgar Allan Poe and Theodore Dreiser, the demonic denizens of Psycho USA may be long gone to the gallows—but this insidiously irresistible slice of gothic Americana will ensure that they'll no longer be forgotten.

**Mafia Prince** - Phil Leonetti 2014-04-29

CONTAINS A NEW EPILOGUE!" Mafia Prince is the first-person account of one of the most violent eras in Mafia history —"Little" Nicky Scarfo's reign as boss of the Philly family in the 1980s—written by Scarfo's underboss and nephew, "Crazy" Phil Leonetti. The youngest-ever underboss at the age of 31, Leonetti was at the crux of the violent downfall of the traditional American Mafia in the 1980s when he infiltrated Atlantic City after gambling was legalized, and later turned state's evidence against his own. His testimony directly led to the convictions of dozens of high-ranking made men including John Gotti, Vincent Gigante, and his own uncle, Nicky Scarfo—sparking the beginning of the end of La Cosa Nostra. Just as *The Godfather* and *Boardwalk Empire* defined the early 20th century Mafia, and *Wiseguy* and *Casino* depicted the next great era through the '70s, *Mafia Prince* concludes this epic genre revealing the Mafia's violent final heyday of the 1980s— straight from the horse's mouth.

**Where the Crawdads Sing** - Delia Owens

2018-08-14

NOW A MAJOR MOTION PICTURE—The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, hailed by The New York Times Book Review as “a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature.” For years, rumors of the “Marsh Girl” have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

**Five Night Stand** - Richard J. Alley 2015

Legendary jazz pianist Oliver Pleasant finds himself alone at the end of his career, playing his last five shows, hoping the music will draw his

estranged family back... Frank Severs, a middle-aged, out-of-work journalist, is at a crossroads as his longtime dreams and marriage grind to a standstill... And piano prodigy Agnes Cassady is desperately grasping for fulfillment before a debilitating disease wrenches control from her trembling fingers... When Frank and Agnes come to New York to witness Oliver's final five-night stand, the timeless force of Oliver's music pulls the trio together. Over the course of five nights, the three reflect on their triumphs and their sorrows: families forsaken, ideals left along the wayside, secrets kept. Their shared search for meaning and direction in a fractured world creates an unexpected kinship that just might help them make sense of the past, find peace in the present, and muster the courage to face the future.

[Iceman](#) - Chris Lynch 2013-03-05

Is Eric as cold as the ice he skates on? A fiery tour de force from the author of *Inexcusable*, a National Book Award finalist. The other guys on Eric's hockey team call him the Iceman, because he's a heartless player, cold as ice. Only Eric knows the truth—he's not cold, he's on fire, burning with a need he just can't explain. Least of all to his family—not to his dad, whose only joy in life is watching Eric smash other hockey players to a pulp. Or his mom, who starts every conversation with, “Your problem is...” Or even his brother, Duane, once a star athlete, now a

star slacker. Can Eric find a way to make them understand how he feels—before the fire inside consumes him completely?

**Murder Machine** - Gene Mustain 1993-07-01

"The inside story of a single Brooklyn gang that killed more Americans than the Iraqi army."—Mike McAlary, columnist, New York Post They were the DeMeo gang—the most deadly hit men in organized crime. Their Mafia higher-ups came to know, use, and ultimately fear them as the Murder Machine. They killed for profit and for pleasure, following cold-blooded plans and wild whims, from the mean streets of New York to the

Florida Gold Coast, and from coast to coast. Now complete with personal revelations of one of the key players, this is the savage story that leaves no corpse unturned in its terrifying telling.

**Seven** - Anthony Bruno 1999

A serial killer is on the loose. Each of the murders deals with one of the seven deadly sins, and Detective Somerset has just seven more days before he retires. He wants to get through them as easily as possible, but when they find the body of the first victim he knows that isn't going to be easy. And Mills, his new partner, isn't going to make it any easier.
