Practical Research - Paul D.

Leedy 2013-07-30

For undergraduate or graduate courses that include planning, conducting, and evaluating research. A do-it-yourself, understand-it-yourself manual designed to help students understand the fundamental structure of research and the methodical process that leads to valid, reliable results.

Written in uncommonly engaging and elegant prose, this text guides the reader, step-by-step, from the selection of a problem, through the process of conducting authentic research, to the preparation of a completed report, with practical suggestions based on a solid theoretical framework and sound pedagogy. Suitable as the core text in any introductory research course or even for self-instruction, this text will show students two things: 1) that quality research demands planning and design; and, 2) how their own research projects can be executed effectively and professionally.

*Writing Fiction, Tenth Edition -*

Janet Burroway 2019-04-01

More than 250,000 copies sold! A creative writer's shelf should hold at least three essential books: a dictionary, a style guide, and Writing Fiction. Janet Burroway's best-selling classic is the most widely used creative writing text in America, and for more than three decades it has helped hundreds of thousands of students learn the craft. Now in its tenth edition, Writing Fiction is more accessible than ever for writers of all

levels—inside or outside the classroom. This new edition continues to provide advice that is practical, comprehensive, and flexible. Burroway's tone is personal and nonprescriptive, welcoming learning writers into the community of practiced storytellers. Moving from freewriting to final revision, the book addresses "showing not telling," characterization, dialogue, atmosphere, plot, imagery, and point of view. It includes new topics and writing prompts, and each chapter now ends with a list of recommended readings that exemplify the craft elements discussed, allowing for further study. And the examples and quotations throughout the book feature a wide and diverse range of today's best and best-known creators of both novels and short stories. This book is a master class in creative writing that also calls on us to renew our love of storytelling and celebrate the skill of writing well. There is a very good chance that one of your

favorite authors learned the craft with Writing Fiction. And who knows what future favorite will get her start reading this edition?

To sign up all you have to do is go to my website! You can find all of my books listed there along with longer excerpts. Hope to see you soon! The last book in the Lovers and Other Strangers series! She was the kind of woman that took comfort in the rules... Eileen McCormick has watched both of her sons find love, how hard could it be to find a man to go to dinner with? She didn't count on the hot fireman helping her out of a jam. It was only neighborly to return the favor. He was getting too old for this... Mike Hartigan loved his job but there had to be more to life than a bowl of cold cereal and a lonely bed at the end of a double. He hadn't planned on falling for a woman 12 years older than him but love doesn't play by the rules. From this day forward their lives will never

be the same.

**Strategies for Successful Writing** - James A. Reinking 2007

The authors of *Strategies for Successful Writing: a Rhetoric, Research Guide, and Reader* have strived to achieve the same steadfast goals that have motivated them from the beginning: create a rhetorically-organized writing guide that combines three books into one convenient and flexible teaching tool while offering students an exceptional value. By having at their disposal a comprehensive textbook that offers ample material for a full-year composition course, instructors teaching a one-term course can make various selections from Chapters 1-17, from whatever types of specialized writing suits the needs of their students, and from the appropriate essays in the

reader. As well, because the authors believe strongly that an effective composition textbook should address students directly, they've aimed for a conversational yet clear style that invites students into the book, lessens their apprehensions about writing, and provides a model for their own prose. This style complements the authors' strong student-based approach to writing, and together they help create a text that genuinely meets student needs.
