### **Rethinking Prestige Branding** - Wolfgang Schaefer 2015-05-03

What makes someone covet a Kelly bag? Why are Cirque Du Soleil or Grey Goose so successful despite breaking all the conventions of their categories? What does Gucci's approach to marketing have in common with Nespresso's? And why do some people pay a relative fortune for Renova toilet paper or Aesop detergent even though they hardly ever 'advertise' and seem to have none of the 'functional performance advantages' conventional marketers would seek to demonstrate? Prestige brand experts JP Kuehlwein and Wolfgang Schaefer have dedicated themselves to studying what drives the success of prestige brands. Rethinking Prestige Branding collects their insights. Uncovering the secrets of why and how some brands are created more equal than others, Rethinking Prestige Branding includes over 100 case studies from Apple and Abercrombie & Fitch to Tate Modern and Tesla. Rather than re-telling brand success stories or re-hashing long-standing marketing principles, it takes readers on a colourful journey behind the scenes of today's marketing pros. This book will fascinate marketing professional just as much as those who are simply curious as to how premium brands tick.

### **Digital Luxury** - Wided Batat 2019-04-29

The fashion and luxury industries have been well-established for centuries, but the new disruptive digital environment is causing these industries to rethink their business case and adapt their brand offerings for consumers and experiences both online and offline, mixing physical place and digital space: phygital. This exciting new text, the first on this timely subject, written by an expert author explores the current malaise and offers ways forward through a mixture of research and practice-led examples.

### **Luxury wine marketing** - Peter Yeung 2019-09-23

A textbook and practitioner's guide, written by a leading Professor of Wine Business and a seasoned luxury wine marketing practitioner. It describes the history and best practices of marketing luxury wine, and includes case studies of wineries from around the world, as well as new, primary research into the market size of luxury wine.

### **The Management of Luxury** - Benjamin Berghaus 2018-06-03

Examine luxury branding on a global scale, with more than fifty cutting edge contributions from the foremost thought leaders in luxury management and marketing. The Management of Luxury, second edition, presents a unique snapshot of best practice insights into the increasing challenges faced in luxury business, with contributions shared by more than fifty global leaders on luxury management. The highly renowned editors draw these together into one essential handbook, ranging from luxury brand strategy, luxury consumer behaviour and

market positioning, through to management succession, heritage, counterfeiting and competing effectively as a luxury SME. Fully updated in its second edition, The Management of Luxury explores the newly evolving direction of Asian market trends and how to integrate digitalization into sales and product strategies. Both are crucial for competitive advantage in the luxury market, featured alongside iconic case studies such as Burberry, Louis Vuitton and Leica. The book's value is not only in streamlining management processes and return on investment; but equally for those who marvel at an industry unlike any other, striving to trust both in the conventional and innovate new paths towards the extraordinary. Highly influential, applicable and enlightening, it is a vital addition to every luxury business manager's collection.

### **International Luxury Brand Strategy** - Pierre Xiao Lu 2021-11-22

This book looks at luxury brand management and strategy from theory to practice and presents new theoretical models and solutions for how to create and develop a worldwide luxury brand in the twenty-first century. The book gives an overview of how a luxury brand is created through the understanding and application of economic rules and through firms adopting new management models across multiple business dimensions. It also explains the application of theories and models and illustrates specific issues through case studies drawn from international markets such as China and France. The Chinese cases provide unique opportunities and insights into how these new luxury brands were created and how they have benefited from the international market over time. From the international brand management perspective, this book is a useful reference for anyone who wants to learn more about luxury brand management and to better understand how the international market has evolved and how products may change the rules of the game.

### **Luxury Selling** - Francis Srun 2017-04-07

Srun shows how the psychology of luxury brands truly plays into high value customer motivations and unlocks the potential to understand their decision processes which are unlike that of any other customer. Selling to very wealthy, demanding customers – whether you're selling luxury products or high value bespoke professional services – is a very different process to selling anything else to anyone else. Francis Srun has twenty years experience in the luxury industry, based in France, Switzerland, China and Hong Kong, most recently with Maison Boucheron. The first step is learning how to physically embody "Luxury". You need to look, speak, and move "Luxury". The true luxury attitude is not submissive nor is it hauteur – it is gentle, generous and simply, truly human. Success comes from not just being professional but from building a genuinely luxury

relationship with clients. To do that you need to truly understand your client. High value customers today are younger, international in outlook and residence, and increasingly from Asia. Their buying motivation is always about self-affirmation and pleasure and never about money. The luxury customer's decision process is unlike that of other customers. While emotion is important when selling anything to anyone – with luxury selling it is paramount. Srun shows how the psychology of Brand, Product, Place, Price and Time all play a role in customer's motivations. Finally this book guides you step by step with concrete examples and useful techniques through the seven steps of luxury selling: be prepared to sell, welcome appropriately, listen genuinely, propose and present with style, meet objections with persuasion rather than refutation, conclude sharply and finally gain loyalty for a long term relationship.

**The Luxury Strategy** - Kapferer 2009-01-01

Designing Luxury Brands - Diana Derval 2018-04-13

This book shows how to build successful luxury brands using the power of sensory science and neuro-physiology. The author introduces – based on inspiring business cases like Tesla, Louis Vuitton, Chanel, Hermès, Moncler, Louboutin, or Sofitel in industries such as Fashion, Automotive or Leisure – groundbreaking scientific methods - like the Derval Color Test® taken by over 10 million people - to predict luxury shoppers' preferences and purchasing patterns and illustrates common and unique features of successful luxury brands. Through various practical examples and experiments, readers will be able to build, revamp, or expand luxury brands and look at luxury from a new angle.

**Brand Elevation** - Wolfgang Schaefer 2020-07-03

Put brand theory into action and learn from the strategies and expertise of luxury organizations, to understand why certain brands become stellar prestige brands.

**Quantitative Marketing and Marketing Management** -

Adamantios Diamantopoulos 2013-01-31

Quantitative marketing has been gaining importance during the last decade. This is indicated by the growing number of model- and method-oriented studies published in leading journals as well as by the many successful applications of quantitative approaches in pricing, advertising, new product planning, and market segmentation decisions. In addition, market research has clearly benefitted from applying advanced quantitative models and methods in practice. Some 60 researchers – among them worldwide leading scholars – offer a broad overview of quantitative approaches in marketing. They not only highlight diverse mathematical and methodological perspectives, but also demonstrate the relevance and practical consequences of applying quantitative approaches to marketing problems.

The 22 Immutable Laws of Marketing - Al Ries 1994

Ries and Trout share their rules for certain successes in the world of marketing. Combining a wide-ranging historical overview with a keen eye for the future, the authors bring to light 22 superlative tools and innovative techniques for the international marketplace.

**Product-Led Growth** - Bush Wes 2019-05

"Product-Led Growth is about helping your customers experience the ongoing value your product provides. It is a critical step in successful product design and this book shows you how it's done." - Nir Eyal, Wall Street Journal Bestselling Author of "Hooked"

**Fashion Branding and Communication** - ByoungHo Jin 2017-04-26

This second volume in the Palgrave Studies in Practice: Global Fashion Management series focuses on core strategies of branding and communication of European luxury and premium brands. Brand is a critical asset many firms strive to establish, maintain, and grow. It

is more so for fashion companies when consumers purchase styles, dreams and symbolic images through a brand. The volume starts with an introductory chapter that epitomizes the essence of fashion brand management with a particular emphasis on emerging branding practices, challenges and trends in the fashion industry. The subsequent five cases demonstrate how a family workshop from a small town can grow into a global luxury or premium brand within a relatively short amount of time. Scholars and practitioners in fashion, retail, branding, and international business will learn how companies can establish a strong brand identity through innovative strategies and management.

**Selling Luxury** - Robin Lent 2009-05-27

Praise for SELLING LUXURY "Geneviève and Robin have brought together their talents to create a book that gives all Sales Ambassadors the fundamentals in selling and building customer loyalty." –Hamida Belkadi, CEO, De Beers Diamond Jewellers, USA "Selling Luxury is filled with ways of exceeding each client's expectations through offering a service that surprises and delights." –Aaron Simpson, Group Executive Chairman, Quintessentially What does it take to sell high-end luxury creations to the richest clients in the world? In Selling Luxury, Robin Lent and Geneviève Tour, with thirty years of combined experience, share their savoir-faire. You'll also pick up tips from multi-million dollar luxury sales professionals who will help you understand the complexities of the universe of luxury. Selling Luxury will show you how a salesperson can acquire Sales Ambassador status by offering the impeccable service associated with the world's most prestigious brands.

Luxury Online - Uché Okonkwo 2010-02-26

This new book focuses on the analysis of the online strategy and development of the luxury industry, tracing the evolution of the Internet from a means of communication to a trade and distribution channel. The author provides a comprehensive evaluation and a critical assessment of the tactics required for the management of luxury brands online.

The Luxury Strategy - Jean-Noël Kapferer 2012-09-03

The Luxury Strategy, written by two world experts on the subject, provides the first rigorous blueprint for the effective management of luxury brands and companies at the highest level. It rationalizes those business models that have achieved profitability and unveils the original methods that were used to transform small family businesses such as Ferrari, Louis Vuitton, Cartier, Chanel, Armani, Gucci, and Ralph Lauren into profitable global brands. By defining the differences between premium and luxury brands and products, analysing the nature of true luxury brands and turning established marketing 'rules' upside down, it has established itself as the definitive work on the essence of a luxury brand strategy. This fully revised second edition of The Luxury Strategy explores the diversity of meanings of 'luxury' across different markets. It also now includes a section on marketing and selling luxury goods online and the impact of social networks and digital developments, cementing its position as the authority on luxury strategy.

The 22 Immutable Laws of Branding - Al Ries 2009-10-06

This marketing classic has been expanded to include new commentary, new illustrations, and a bonus book: The 11 Immutable Laws of Internet Branding. Smart and accessible, The 22 Immutable Laws of Branding is the definitive text on branding, pairing anecdotes about some of the best brands in the world, like Rolex, Volvo, and Heineken, with the signature savvy of marketing gurus Al and Laura Ries. Combining The 22 Immutable Laws of Branding and The 11 Immutable Laws of Internet Branding, this book proclaims that the only way to stand out in today's marketplace is to build your product or service into a brand—and provides the step-by-step

instructions you need to do so. The 22 Immutable Laws of Branding also tackles one of the most challenging marketing problems today: branding on the Web. The Rieses divulge the controversial and counterintuitive strategies and secrets that both small and large companies have used to establish internet brands. The 22 Immutable Laws of Branding is the essential primer on building a category-dominating, world-class brand.

**The Road to Luxury** - Ashok Som 2015-01-28

A thorough, comprehensive guide to the luxury goods industry for executives, entrepreneurs, and students interested to know about the luxury business As key new luxury markets like Asia, Latin America and Africa continue to expand, The Road to Luxury: The Evolution, Markets and Strategies of Luxury Brand Management gives professionals interested in the industry a holistic understanding of luxury market dynamics around the world using stories, experiences, relevant data and statistics on current market trends. For investors, the book offers valuable insight on where the industry is headed. For industry insiders and executives, it presents valuable data with which to craft successful business strategies. The definitive insider's guide to the luxury sector by leading figures in the field Includes rigorous academic data, including information on the business attractiveness and appropriateness of various country markets Examines strategies and success factors of key players, and insight into the systems and operations, retail, distribution and e-commerce, emerging markets and emerging brands, as well as management styles For professionals in the luxury industry, as well as those studying it or investing in it, The Road to Luxury presents a complete and information-packed resource covering virtually every aspect of this growing sector.

**Luxury World** - Mark Tungate 2009-10-03

The word "luxury" has almost lost its meaning. Once used to describe genuinely prestigious products or places, the concept of luxury has been hijacked by a multitude of aspiring or overpriced commodities, from foot spas to chocolates. So what is real luxury? Which are the genuine luxury brands, and how have they reacted to the rise of the "mass luxury" sector? What strategies do they use to lift themselves into the realm of the truly elite? Who are their customers - and what kind of lives do these remarkable people lead? How do luxury brands attract and retain them? And above all, where can the industry turn now excess is out of fashion? With wit, accuracy and insatiable curiosity, Luxury World takes us on a voyage around the luxury universe, slipping behind the facades of the world's most sophisticated businesses to demonstrate how they function. Among other destinations, Luxury World visits Swiss watchmakers, the Champagne houses of France, the diamond district of Antwerp, the luxury enclave of Monte Carlo, the discreet ateliers of the last craftsmen and a host of brands in Paris - the self-proclaimed capital of elegance. Along the way, he uncovers the true face of today's luxury industry.

**Deluxe** - Dana Thomas 2007

Documents how luxury goods have been transformed by a shift from exclusive distribution practices by quality-minded family businesses to mass production by profit-minded big corporations, revealing the secrets of top designers while examining the ways in which today's methods have had a negative impact.

**Luxury Strategy in Action** - J. Hoffmann 2016-01-05

Written by experts in Luxury and Fashion Management at SKEMA Business School this exciting new book offers a new perspective that challenges the established rules of the luxury and fashion industry. The authors and contributors examine the evolution of luxury strategy and how the luxury industry is being redefined in the twenty-first century.

Luxury Brand Management in Digital and Sustainable Times  
- Michel Chevalier 2021-02-08

Learn about the luxury brand industry from the inside out with this masterful and insightful resource The newly revised Fourth Edition of Luxury Brand Management in Digital and Sustainable Times delivers a timely re-examination of what constitutes the contemporary luxury brand landscape and the current trends that shape the sector. Distinguished experts and authors Michel Chevalier and Gerald Mazzalovo provide readers with a comprehensive treatment of the macro- and micro-economic aspects of management, communication, distribution, logistics, and creation in the luxury industry. Readers will learn about the growing importance of authenticity and sustainability in the management of fashion, perfume, cosmetics, spirits, hotels and hospitality, jewelry, and other luxury brands, as well as the strategic issues facing the companies featured in the book. The new edition offers: A new chapter on the "Luxury of Tomorrow," with a particular focus on authenticity and durable development A completely revised chapter on "Communication in Digital Times," which takes into account the digital dimension of brand identity and its implications on customer engagement activities and where the concept of Customer Journey is introduced as a key marketing tool A rewritten chapter on "Luxury Clients" that considers the geographical changes in luxury consumption Considerations on the emerging notion of "New Luxury" Major updates to the data and industry figures contained within the book and a new section dedicated to the hospitality industry New semiotic analytical tools developed from the authors' contemporary brand management experiences Perfect for MA and MBA students, Luxury Brand Management also belongs on the bookshelves of marketing, branding, and advertising professionals who hope to increase their understanding of the major trends and drivers of success in this sector.

**Harnessing Omni-Channel Marketing Strategies for Fashion and Luxury Brands** - Wilson Ozuem 2019-11-15

This book provides a contemporary theoretical insight into the fashion and luxury industry, addressing potential gray areas within the literature. The authors analyze the luxury and fashion industry using multiple perspectives, allowing for a critical comprehensive overview of the phenomenon across diverse streams. The book provides insight into fashion and luxury retailing in the context of both online and brick and mortar retailers based on a variety of market scenarios. It deciphers the rationale of customer behavioral and decision making in online and offline luxury and fashion purchasing contexts. It provides an overview of the challenges that the industry faces with the advent of the evolving omni-channel environment. The multiple theoretical and practical nuances of the fashion and luxury industry are presented. In this sense, the book is a fundamental reference point for the students and academics. This book will be of interest to practitioners in the fashion and luxury retailing sectors. Also, many policy makers will find the conceptual and exploratory insight of this book relevant to their organizational and retailing policies. The new knowledge that is produced in this book is a ground breaker in the fashion and luxury literature. It offers insight from both theoretical and practical perspectives from both retailer and customer perspectives.

**The Road to Luxury** - Ashok Som 2021-08-19

Discover the meaning of the latest trends in the luxury industry with this resource from leading voices in the field The thoroughly revised Second Edition of The Road to Luxury: The New Frontiers in Luxury Brand Management delivers a comprehensive overview of the foundations of, and new developments in, luxury brands. The book discusses a new wave of mergers and acquisitions, the rise of Gucci, the growth of Balenciaga, a variety of new collaborations between different companies, a growing support for sustainability, and the COVID-19

pandemic. Readers will also benefit from the inclusion of: An insightful analysis of the impact and meaning of the COVID-19 for the luxury industry, particularly for market growth in China The creation of savoir faire and business plan competitions in the luxury industry LVMH's sponsoring of Viva Technology Perfect for students in MBA programs or taking degrees or courses in Luxury Brand Management, The Road to Luxury will also earn a place in the libraries of executives and managers in the luxury business, marketing, branding, and advertising professionals and companies, and entrepreneurs interested in the workings of the luxury industry.

*Luxury Talent Management* - G. Auguste 2013-03-28

The first book focusing specifically on talent management, retention and leadership in the luxury industry. It explores how to lead and manage the people this industry attracts, and the major HR challenges the industry is about to face as the previous generation of luxury pioneers retire and Asia becomes a major player in the luxury world.

Advances in Luxury Brand Management - Jean-Noël Kapferer 2017-09-21

Presenting some of the most significant research on the modern understanding of luxury, this edited collection of articles from the Journal of Brand Management explores the complex relationships consumers tie with luxury, and the unique characteristics of luxury brand management. Covering the segmentation of luxury consumers worldwide, the specificity of luxury management, the role of sustainability for luxury brands and major insights from a customer point of view, *Advances in Luxury Brand Management* is essential reading for upper level students as well as scholars and discerning practitioners.

*The Luxury Strategy* - Jean-Noel Kapferer 2008-12-03

Luxury is in fashion and is now to be found within almost every retail, manufacturing and service sector. New terms qualifying luxury regularly appear such as 'premium', 'ultra-premium' and 'hyperluxe'. Today, luxury is everywhere - but if everything is 'luxury' then surely the term itself has no meaning? What really is a luxury product, a luxury brand or a luxury company? The *Luxury Strategy* is a definitive new work that sets the record straight. Luxury is as old as humanity and it is only by a thorough understanding of the genuine concept, that it is possible to define a rigorous set of rules for the effective management of luxury brands and products. The *Luxury Strategy* rationalizes the management of this new business concept based on the highly original methods that were used to transform small family businesses such as Ferrari, Louis Vuitton, Cartier, Chanel, Bulgari, Gucci and Prada, into global brands. The *Luxury Strategy* explains the difference between 'premium' and 'luxury', and sets out the rules to be applied to the luxury marketing mix (the opposite of those for classic marketing). It describes how to implement a luxury strategy within a company and delivers clear principles for becoming - and remaining - 'luxury'.

**Meta-Luxury** - M. Ricca 2012-04-26

*Meta-Luxury* sets out to define the ultimate meaning of true luxury, exploring it as both a culture and business model. Through the concept of Unique Achievement and the drivers of Craftsmanship, Focus, History and Rarity, the authors examine what is at the heart of true luxury through a unique series of conversations.

*Luxury Brand Management* - Michel Chevalier 2012-05-18

The definitive guide to managing a luxury brand, newly revised and updated What defines a luxury brand? Traditional wisdom suggests that it's one that's selective and exclusive—to such a degree that only one brand can exist within each retail category (automobiles, fragrances, cosmetics, etc.). But this definition is inherently restrictive, failing to take into account the way in which luxury brands today are

increasingly identified as such by their placement in stores and how consumers perceive them. This revised and updated edition of *Luxury Brand Management*, the first comprehensive book on luxury brand management, looks at the world of branding today. Written by two renowned insiders, the book builds on this new, broader definition of luxury and examines more than 450 internationally known brands from a wide range of industries. Packed with new information covering the financial crisis's impact on luxury brands, and looking towards a new period of growth, the book reconciles management, marketing, and creation with real-life examples and management tools that the authors have successfully used in their professional careers. Includes dedicated chapters focusing on each of the main functions of a luxury brand, including brand creation, the complexity of managing brand identity, the convergence of arts and brands, and much more Addresses the practical functions that can make or break bottom lines and affect brand perception, such as distribution, retailing, logistics, and licensing Focuses on brand life-cycle, brand identity, and licensing issues A compelling and comprehensive examination of the different dimensions of luxury management in various sectors, this new edition of the classic text on brand management is essential reading for anyone working with or interested in making the most of a luxury brand in the post-recession world.

**Obsessed** - Emily Heyward 2020-06-09

The 2020 Porchlight Marketing & Sales Book of the Year The cofounder and chief branding officer of Red Antler, the branding and marketing company for startups and new ventures, explains how hot new brands like Casper, Allbirds, Sweetgreen, and Everlane build devoted fan followings right out of the gate. We're in the midst of a startup revolution, with new brands popping up every day, taking over our Instagram feeds and vying for our affection. Every category is up for grabs, and traditional brands are seeing their businesses erode as hundreds of small companies encroach on their territory, each hoping to become the next runaway success. But it's not enough to have a great idea, or a cool logo. Emily Heyward founded Red Antler, the Brooklyn based brand and marketing company, to help entrepreneurs embed brand as a driver of business success from the beginning. In *Obsessed*, Heyward outlines the new principles of what it takes to build and launch a brand that has people queuing up to buy it on opening day. She takes you behind the scenes of the creation of some of today's hottest new brands, showing you: • How Casper was able to upend the mattress industry by building a beloved brand where none had existed before • How the dating app Hinge won a fanatical user base and great word-of-mouth with the promise that the app was "designed to be deleted" • Why luggage startup Away, now valued at \$1.4 billion, could build their brand around love of travel by launching with just one product--a hard-shell carry-on suitcase--rather than a whole range of luggage offerings. Whether you're starting a new business, launching a new product line, or looking to refresh a brand for a new generation of customers, *Obsessed* shows you why the old rules of brand-building no longer apply, and what really works for today's customers.

Luxury Marketing - Klaus-Peter Wiedmann 2012-11-10

□ The luxury market has transformed from its traditional conspicuous consumption model to a new experiential luxury sensibility that is marked by a change in how consumers define luxury. In a global context, it is crucial to understand why consumers buy luxury, what they believe luxury is, and how their perception of luxury value impacts their buying behavior. This handbook aims to provide a holistic approach to luxury marketing with respect to the characteristics and the key challenges and opportunities of luxury brand management. Therefore, the multifaceted contributions by

authors from different parts of the world will offer both a research and management perspective of luxury marketing and deliver a concentrated body of knowledge with contributions from diverse elements.

**Rumors** - Jean-Noel Kapferer 2013-04-01

Rumors may be the oldest medium of mass communication of information or ideas. Even before there were newspapers, radio, or television, rumors communicated by word-of-mouth made and shattered reputations, and set off riots and wars. Yet contrary to predictions, rumors continue to thrive, in spite of and parallel to mass media. What accounts for the puzzling persistence and continuing significance of this little-studied social phenomenon? Jean-Noël Kapferer examines the theory and practice of rumors, focusing on specific areas such as entertainment, criminal behavior, business and finance, and politics. He describes the kinds of conditions that give birth to rumors, why we believe them, and the hidden messages they convey. Kapferer points out that rumors frequently serve useful social purposes and present rich examples. He speculates about how rumors can be controlled, changed, and prevented. Drawing upon contributions of disciplines ranging from psychology to history, and integrating the insights of Europeans with the latest work of American researchers, this is the most comprehensive examination of rumors, gossip, and urban legends yet published. Translated into nine languages, this edition was updated with advances in theory and research since the book's original French publication in 1987. Its brisk, accessible style makes the book of interest to psychologists, economists, political scientists, sociologists, and folklore analysts, as well as the general reader who is curious about the origins of this fascinating social phenomenon.

**Future Luxe** - Erwan Rambourg 2020-09-22

In *Future Luxe: What's Ahead for the Business of Luxury*, Erwan Rambourg identifies the major forces and emerging trends that are set to reshape luxury over the next decade. The expansion of Chinese consumption and the boost in women's spending power around the world will fuel continued growth in the industry--but even more importantly, fundamental changes are on the horizon. The younger generation is entering the luxury market, bringing new values and demands that will redefine the very meaning of luxury. The sector should expand in the realms of travel, health, leisure, even cannabis. For brands to resonate with these younger consumers they will have to develop substance beyond a high-quality product or a desirable logo. Greenwashing won't cut it--brands will need to take seriously issues like diversity, sustainability, and ethical production. To ensure his portrait of the industry has the depth and nuance of real-world experience, Rambourg interviews several CEOs from the largest groups and brands, including Kering, Cartier, Puma, and Moncler, in addition to drawing on his own observations from over two decades in luxury. *Future Luxe* is engaging, wise, and deeply informed, a vital read for those new to the industry as well as veterans planning for continued success.

**Trading Up** - Michael J. Silverstein 2008-04-29

Trading up isn't just for the wealthy anymore. These days no one is shocked when an administrative assistant buys silk pajamas at Victoria's Secret. Or a young professional buys only Kendall-Jackson premium wines. Or a construction worker splurges on a \$3,000 set of Callaway golf clubs. In dozens of categories, these new luxury brands now sell at huge premiums over conventional goods, and in much larger volumes than traditional old luxury goods. *Trading Up* has become the definitive book about this growing trend.

**The New Luxury** - Gestalten 2019-09-15

21st century luxury is about the interplay between cult streetwear brands and elite fashion houses. Explore fashion's transformation for a new generation of in-the-

know consumers. *Highsnobiety*, the publication geared at culturally-connected, style-savvy, forward-thinking young men, is seen as a gatekeeper to the growing intersection of music, fashion, and style. Their latest book seeks to define "New Luxury," a term that summarizes how streetwear and sneakers have not only infiltrated the upper tiers of fashion, but became it. *The New Luxury* isn't just about what you wear, but also what you know. This book provides the foundational knowledge of how youth-driven culture and fashion trends start from the ground up.

**The New Strategic Brand Management** - Jean-Noël Kapferer 2012-01-03

Adopted internationally by business schools and MBA programmes, *The New Strategic Brand Management* is simply the reference source for senior strategists, positioning professionals and postgraduate students. Over the years it has not only established a reputation as one of the leading works on brand strategy, but also has become synonymous with the topic itself. Using an array of international case studies, Jean-Noël Kapferer covers all the leading issues faced by brand strategists today. With both gravitas and intelligent insight, the book reveals new thinking on topics such as putting culture and content into brands, the impact of private labels and the comeback of local brands. This updated fifth edition of *The New Strategic Brand Management* builds on its impressive reputation, including new information to enable students and practitioners to stay up to date with targeting, adding recent research and market knowledge to the discipline. With dedicated sections for specific types of brands (luxury, corporate and retail), international examples and case studies from companies such as Audi, Nivea, Toyota and Absolut Vodka; plus models and frameworks such as the Brand Identity Prism; it remains at the forefront of strategic brand thinking.

**No Logo** - Naomi Klein 2000-01-15

"What corporations fear most are consumers who ask questions. Naomi Klein offers us the arguments with which to take on the superbrands." Billy Bragg from the bookjacket.

**The Halo Effect** - Phil Rosenzweig 2014-06-17

Controversial and iconoclastic, a veteran corporate manager and business school professor exposes the dangerous myths, fantasies, and delusions that pervade much of the business world today.

**The Luxury Economy and Intellectual Property** - Haochen Sun 2015

This title explores the rise of the luxury goods economy and the growing role of intellectual property in creating, sustaining, and regulating this economy. Leading scholars across various disciplines critically consider the industry, its foundational intellectual property laws, and the public interest and social concerns arising from the intersection of economics and law.

**Kapferer on Luxury** - Jean-Noël Kapferer 2015-03-03

This book addresses the No 1 challenge of all major luxury brands today: How can these brands pursue their growth yet remain luxury? How do you reconcile growth and rarity? *Kapferer on Luxury* offers a selection of the most recent and insightful articles and original essays on the luxury growth challenge from Jean-Noël Kapferer, a world-renowned luxury analyst. Each chapter addresses a specific issue relating to the luxury growth challenge such as sustaining the 'luxury dream', adapting the internet to luxury demands, re-widening the gap with premium brands' competition, and the importance of non-delocalization. It also explores in detail facing the demand of the Chinese clients, rising sustainable quality and experiential standards, developing real luxury services and managing luxury brands within groups without diluting their equity and more. As such, *Kapferer on Luxury* is the perfect and timely resource for luxury executives, communication managers, luxury

observers and advanced students willing to deepen their understanding of this major luxury challenge.
