Prophecy and Current Events in the Middle East - Chuck Lee 2018-07-27

As the title implies, Prophecy and Current Events in the Middle East: Framing Israels and Americas Future traces Old and New Testament prophetic events beginning with the patriarch Abrams fathering of two sons who form the roots of religions now at war. It details how the fulfillment of these events is impacting the world today and will impact the world in the near future. The book documents ancient prophecies fulfilled through the modern miracle the nation of Israel and it delves into yet-to-be-fulfilled prophecies of future wars that Israel will be forced to fight. It documents the construction of the third temple, and it examines ancient prophecies of a future tribulation time, Gods hand in Israels survival, and his role in the total destruction of their enemies. The book documents how the prophecies of Old Testament prophets, such as Daniel, Ezekiel, Zechariah, Jeremiah, Joel, Asaph, and Isaiah, correlate perfectly with New

Testament prophecies of Jesus and the apostles John, Paul, Peter, and Jude to show Gods power and total control as this present age comes to an end.

The Next Great War In the Middle East: Russia Prepares to Fulfill the Prophecy of Gog and Magog - S. Douglas Woodward 2016-01-21

S. Douglas Woodward tackles the turbulent and tense relationship between Russia and the US as the backdrop to Ezekiel's famed prophecy—the "Battle of Gog and Magog." The author argues the specter of nuclear war looms as prelude to the prophesied war when Gog gathers his great army to attack Israel. Woodward builds upon scores of timely articles composed by respected journalists and research papers written by geopolitical experts who study the Middle East, compiling their findings and documenting why a great war may explode in the days just ahead as a result of Islamic terror, Russian militarism, and failed U.S. policies toward Iran, Iraq, Israel, and most recently the fight against ISIS in Syria. Woodward challenges popular prophetic teachings arguing the next war in the Middle East is not the "Psalm 83 War," why Russia and not Turkey will be Ezekiel's Gog, why advances in Russian weaponry threaten the security of the United States, and how U.S. policy is at fault for today's instability in Syria and Iraq.

Dateline Jerusalem - Chris Mitchell
2013-09-24

History's final chapter will be written in Jerusalem. When an Iranian president thunders a murderous threat or an obscure Turkish drunkard has a dream in Mecca or a Jewish couple from Brooklyn lands at Tel Aviv's Ben Gurion airport, these events might seem disconnected. But they're not. In Dateline Jerusalem, CBN News correspondent Chris Mitchell connects the dots and unveils Jerusalem as the epicenter and crossroads of the spiritual, political, and, yes, supernatural worlds. For thousands of years, Jerusalem's powerful draw has always transcended simple economics, military strategy, and religious affiliation. In our own time, as the Arab Spring threatens to become an Islamic Winter, one commentator warns: "The Arab Spring doesn't lead to democracy, it leads to Jerusalem." Indeed, the fragile peace of Israel is in new peril as violent Islamic factions vie for control of surrounding nations. Yet Muslims are converting to Christianity in record numbers. Dateline Jerusalem untangles and chronicles all this through the riveting narrative of a Christian reporter in the upheaval of the modern Fertile Crescent. We live in a world where we cannot afford to be ill informed. What happens in the strategic Middle East, Israel, and Jerusalem is critical. It matters to you. Today's news might focus on Washington, New York, London, or Moscow, but history's final chapter will be written in Jerusalem. Chris Mitchell's firsthand experiences and reporting uniquely qualify him to expound on and

explain the major trends and developments sweeping the Middle East and affecting the world. Mitchell has served as the bureau chief for CBN News since August 2000.

The Destiny of Israel and the Church -

Derek Prince 2016-07-07

Israel is at the center of a powerful clash of forces, but God has established firm covenants with both Israel and the church. The only reliable source of light upon the situation in the Middle East is provided by God's prophetic Word. If we do not seek the light that comes from this source, we will inevitably find ourselves in the dark, subject to confusion and deception. The church had its origin within Israel, but over the centuries the destinies of the two groups have diverged widely--until now. An exciting feature of our time is that the destinies of Israel and the church are once again beginning to converge. This God-ordained convergence will produce the most dramatic and significant developments in all of human history. In *The Destiny of Israel and the Church*, renowned Bible teacher Derek Prince explores the answers to these questions, and more: Has the church replaced Israel in God's plan? Why is the tiny nation of Israel the focus of world attention? What is the restoration of Israel? What is the responsibility of Christians toward Israel?

Isralestine - Bill Salus 2012-12-03

Isralestine is a new neologism, which is used in multiple ways in this book to define, past, present and future geopolitical concepts pertaining to the Middle East conflict between the Arabs and the Israelis. Set to explode in the not so distant future, is a devastating war in the Middle East. The Jews will fight off Arab aggression and end terrorism once and for all! ISRALESTI≠ The Ancient Blueprints of the Future Middle East, boldly unveils significant Bible prophecy that has eluded the discernment of today's great scholars. Once upon a foretold time the Jewish people were to meet with a holocaust type condition, out from which they would return back to their ancient homeland of Israel. They would begin as refugees, but promptly emerge into an exceedingly great army. As per Psalm 83, destiny's design for this great army is a head to head confrontation with a formidable Arab confederacy consisting of Palestinians, Lebanese, Syrians, Jordanians, Saudi Arabians and Egyptians. This Arab coalition has been developing in its fledgling stages since 1948 and will climax and officially confederate in the very near future. The Israeli Defense Force will decisively defeat this offensive and prove to be the "exceedingly great army" of Ezekiel 37:10. They will expand their territory, become regionally superior, take prisoners of war and exploit the resources of these conquered Arab nations. In that condition they will become one of, if not the wealthiest nations on earth. It is from that position of empowerment that the Jews will dwell securely in the Middle East. Subsequently the world stage is set for the Russian - Iranian led coalition of nations,

which will form against Israel as prophesied in the book of Ezekiel, chapters 38 and 39. This non-fiction thriller is carefully designed to cautiously navigate the reader through the end time's calendar.

The news headlines from the war-torn Middle East are constantly changing, and though those countries are on the opposite side of the globe, the events unfolding there have a powerful effect on America. But the complexity of all that's happening makes it difficult to understand what it means and how it affects us. does the United States have at stake? Readers who have perceived the Middle East conflict as too complicated to understand will gain a new appreciation for how today's events fit into God's plan for the future.

The Middle East in Bible Prophecy - United Church of God 2010-08-20

The Arab Spring, the continuing Israel - Palestine conflict... why does the Middle East dominate the news headlines so often? One obvious answer is oil, the lifeblood of our modern world. It has also been the battlefield for each religion—trying to control the territory they consider holy. Nowhere are these conflicts more obvious than in Israel, and specifically in Jerusalem. Whether you understand it or not, events in the Middle East are destined to affect the lives of every person on earth! Bible prophecy gives us the clues to understand what will happen. This ebook, "The Middle East in Bible Prophecy", will help you better understand the troubled history of the Middle East—and its tumultuous future. Chapters in this ebook: - Introduction: Worlds in Turmoil -- The Middle East: Worlds in Collision -- The Sons of Abraham -- The Rise and Fall of Ancient Israel -- The Four Empires of Daniel's Prophecies -- The Coming of Islam -- The Jews: From the Dispersion to the Modern Israeli State -- The Creation of the Modern Middle East -- A Rising Tide of Arab Nationalism -- Fundamentalist Islam Resurges -- Anger Mounts Following Gulf War -- Not Enemies Forever -- "Why Do People Hate Us So Much?" -- War and Peace in the Middle East -- What Is the "Abomination of Desolation"? -- Prophecy of an Arab Confederation -- What Should You Do? Inside this Bible Study Aid ebook: "It's impossible to understand the present Middle East without a knowledge of the three great religions that emanate from the area—Judaism, Christianity and Islam.

These three faiths all trace their spiritual roots back to the same individual, Abraham." "However, conflict between Christians and Muslims has been a constant theme of history for 14 centuries." "Many other factors have contributed to the rise of Islamic fundamentalism and subsequent terrorism, including the Israeli-Palestinian problem and the domination of American culture." "After so much death and destruction, and centuries of war and unrest in the Middle East, imagine what a difference the second coming of Jesus Christ will make."

Are we on the road to the Apocalypse? Will there ever be peace in the Middle East? What can we expect in the days to come? How are events in the Middle East affecting America today? An eye-opening survey of where things stand and how it all ties in with Bible prophecy. *Showdown with Iran* - Mark Hitchcock 2020-04-14

The Threat of War with Iran Grows Day by Day Bible prophecy expert Mark Hitchcock, PhD, is noticing a dangerous trend: the nation of Iran remains in the newspaper headlines for all the wrong reasons. In *Showdown with Iran*, he reveals why this rogue nation is so dangerous and how that connects to what the Bible says about what's to come while encouraging readers to remain alert, aware, and hopeful as the

end times near. He tackles questions such as: Does Iran still plan to wipe Israel off the map? What does this mean for the future of the Middle East? Where does Iran stand in Bible prophecy? What will be the role of the United States in Bible prophecy? The warning of what will happen is not new. In the book of Ezekiel, the Bible records a multitude of predictions about the region then known as Persia as well as about the nation of Israel. These ancient prophecies

foretell an end-time rise of Iran, as well as Russia and Turkey. But are the prophecies still unfulfilled today? Hitchcock is convinced Iran continues to play a central role in bringing about chaos in the Middle East. In *Showdown with Iran*, he explores the continued validity and accuracy of end-time prophecy and answers questions that will become increasingly relevant as the end times draw near.
