When God Says NO, Let it Go! - Betty Jean Lathan 2013-05-20

Betty Jean Lathan has published five children's books and has published her first Christian book which speaks to those who have experienced world's trials that will cause one to question, "Why Me Lord." After being

married to the late Rev. Robert Lathan for 33 years, God tested her faith by calling him home after a three year battle with multiple myeloma cancer. The book details his and her strength as they watched loved ones leave this world and the God and satan will test your faith through problems in your marriage, through drugs, alcohol and yes even through your enemies and loved ones. It encourages you to stay strong and stay in the word of God by constantly talking to Him and trusting him. All of us will have tests during this journey in life, and we must be ready for all types of tests, and when you feel that you will fail, God tells us to hold on and keep the faith because the race is not given to the swift and the strong, but it is given to the one that can endure to the end.

The Origin of Competitive Strength - Akira Kawahara 2012-12-06

When the war ended on August 15, 1945, I was a naval engineering cadet at the Kure Navy Yard near Hiroshima, Japan. A week later, I was demobi

lized and returned to my home in Tokyo, fortunate not to find it ravaged by firebombing. At the beginning of September, a large contingent of the American occupation forces led by General Douglas MacArthur moved its base from Yokohama to Tokyo. Near my home I watched a procession of American military motor vehicles snaking along Highway 1. This truly awe-inspiring cavalcade included jeeps, two-and-a-half-ton trucks, and enormous trailers mounted with tanks and artillery. At the time, I was a 21-year-old student in the Machinery Section of Engineering at the Tokyo Imperial University. Watching that magnificent parade of military vehicles, I was more than impressed by the gap in industrial strength between Japan and the U. S. That realization led me to devote my whole life to the development of the Japanese auto industry. I wrote a small article concerning this incident in Nikkei Sangyo Shimbun (one of the leading business newspapers in Japan) on May 2, 1983. The English translation of this story was carried in the July 3, 1983 edition of the Topeka Capital-Journal and the September 13, 1983 issue of the Asian Wall Street Journal. The Topeka Capital-Journal headline read, "MacArthur's Jeeps Were the Toyota Catalyst.
