Pretty Little Werewolf - Katie Salidas 2018-03-05

Orphaned as a pup, and lost in the foster care system, Giselle Richards has spent the last 16 years dreaming of finding her pack. But, when she does she's forced to decide if submitting to an alpha is worth sacrificing her life.

East of Eden - John Steinbeck 2002-02-05

A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called East of Eden "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, East of Eden is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, East of Eden has remained vitally present in American culture for over half a century.

Unique, Different, Found - Samuels 2016-11-24

"We're free. I'm free. Never again will we have to face the Moonlight pack." Beaten, punched, slapped, kicked, tortured. That was Celina's life with the pack who was supposed to take care of her. She was nothing but their slave. And then one day, she decided that it had to stop. She would run away. And she did. And when she shifted, little did Celina know that she was the last pure white wolf in the world. Or that she was special. She just knew she was different. Axel was everything the alpha of her old pack was not. He was strong, powerful, demanding. And apparently, he was the only pitch black wolf left in the world. And when little Celina ran through his territory, he knew he was hers forever. Running away seemed to be the best decision she ever made, but will a destiny that was foretold long before she was born rip her apart about things in her past? Or will she show everyone she's not the weak girl her old pack made her to be?

The Passionate Quest (Classic Reprint) - E. Phillips Oppenheim 2018-11-23

Excerpt from The Passionate Quest Their efforts at conversation seemed temporarily expended - or perhaps the exertion of climbing the last hundred yards of the hill kept them a little breathless. The girl, as they drew nearer the stretch of wood towards which they were bound, moved her head from side to side as though asking for the caress of the west wind, which came to them now with a. Sweeter and

fresher quality. Her companion paused to tear a little cluster of wild roses from the hedge. The girl accepted them, looked into the petals for a moment and then flung them to the ground. Smuts she exclaimed. Even the flowers are blackened! One can't escape, even here, from the filth of that hateful town. The young man looked down regretfully at the blossom which her foot had crushed. Bitten - Noelle Marie 2018-04-16

Bastian had to have been the most handsome man that Katherine had ever met. It really was unfortunate that he was also the most stubborn, controlling, downright infuriating jackass she'd ever known as well. Oh, and there was the fact that he was a werewolf – a werewolf who has bitten her. Sixteen-year-old Katherine Mayes had never believed in mythological creatures like werewolves or mermaids – certainly not those sparkly vampires that her friend Abby was obsessed with. Even when she's bitten by a massive animal after a reckless night of teenage adventure and her body begins to change in mystifying ways, she can't force herself to believe in what she's convinced is impossible. Little does she realize she's been infected with a disease a little more permanent than the rabies she feels fortunate to have not contracted. Lycanthropy. Her fierce denial is soundly shattered, however, when she is simultaneously saved and kidnapped by Bastian and his pack. Forced to leave small town Iowa behind and adjust to their way of life in a hidden society, Katherine must also deal with fighting the pull she feels towards the man – or wolf, rather – who has bitten her and disrupted her life so completely.

Metallography and Microstructure in Ancient and Historic Metals - David A. Scott 1992-01-02

David A. Scott provides a detailed introduction to the structure and morphology of ancient and historic metallic materials. Much of the scientific research on this important topic has been inaccessible, scattered throughout the international literature, or unpublished; this volume, although not exhaustive in its coverage, fills an important need by assembling much of this information in a single source.

Jointly published by the GCI and the J. Paul Getty Museum, the book deals with many practical matters relating to the mounting, preparation, etching, polishing, and microscopy of metallic samples and includes an account of the way in which phase diagrams can be used to assist in structural interpretation. The text is supplemented by an extensive number of microstructural studies carried out in the laboratory on ancient and historic metals. The student beginning the study of metallic materials and the conservation scientist who wishes to carry out structural studies of metallic objects of art will find this publication quite useful.

French Rococo Ébénisterie in the J. Paul Getty Museum - Gillian Wilson 2021-03-30
The first comprehensive catalogue of the Getty Museum's significant collection of French Rococo ébénisterie furniture. This catalogue focuses on French ébénisterie furniture in the Rococo style dating from 1735 to 1760. These splendid objects directly reflect the tastes of the Museum's founder, J. Paul Getty, who started collecting in this area in 1938 and continued until his death in 1976. The Museum's collection is particularly rich in examples created by the most talented cabinet masters then active in Paris, including Bernard van Risenburgh II (after 1696–ca. 1766), Jacques Dubois (1694–1763), and Jean-François Oeben (1721–1763). Working for members of the French royal family and aristocracy, these craftsmen excelled at producing veneered and marquetry pieces of furniture (tables, cabinets, and chests of drawers) fashionable for their lavish surfaces, refined gilt-bronze mounts, and elaborate design. These objects were renowned throughout Europe at a time when Paris was considered the capital of good taste. The entry on each work comprises both a curatorial section, with description and commentary, and a conservation report, with construction diagrams. An introduction by Anne-Lise Desmas traces the collection's acquisition history, and two technical essays by Arlen Heginbotham present methodologies and findings on the analysis of gilt-bronze mounts and lacquer. www.getty.edu/publications/rococo

Horrorology - Stephen Jones 2015-10-01

Curated by award-winning editor Stephen Jones and illustrated by bestselling writer and artist Clive Barker, author of *THE BOOKS OF BLOOD*, welcome to HORRORLOGY: 'a dozen bone-chilling tales by modern masters' (Barry Forshaw, Independent). 'Stephen Jones knows horror . . . he's become one of the best guides to its shifting landscape' says Kirkus, and in HORRORLOGY, a follow-up to the bestselling *A BOOK OF HORRORS*, he has enticed terrifying storytellers including Clive Barker (*THE SCARLET GOSPELS*), Joanne Harris (*A POCKETFUL OF CROWS*), Kim Newman (*ANNO DRACULA*), Muriel Gray (*THE TRICKSTER*) and Michael Marshall Smith (*HANNAH GREEN AND HER UNFEASIBLY MUNDANE EXISTENCE*), amongst many others. A dozen all-new stories from some of the best talents in the field, they present 'a gamut of fear and sombre wonders demonstrating how horror writing can be both entertaining and challenging' (Maxim Jakubowski, *Lovereading*). Be warned: you are about to discover the true meanings of fear!

Herbal Rituals - Judith Berger 2019-10-29

This book records a year-long journey into the earth's natural cycles as they unfold in New York City. Each monthly section discusses one herb in detail -- how and where it grows and what it does -- and presents recipes for simple teas, lotions, and foods, along with rituals appropriate to the season that can bring your life back into harmony with the moods of nature. Even in the city, the constant presence of the natural world and the use of herbs can be a touchstone to lead both body and soul back to a natural cadence.

Axel was everything the alpha of her old pack was not. He was strong, powerful, demanding. And apparently, he was the only pitch black wolf left in the world. And he was going to take what's his: his mate, who happened to be the rogue Celina. Running away seemed to be the best decision she ever made, but will a destiny that was foretold long before she was born rip her apart about things in her past? Or will she show everyone she's not the weak girl her old pack made her to be?

Werewolf Academy - Jody Morse 2020-01-15

Four sexy wolves stand between me and my sworn enemy. I can join them at Werewolf Academy... or die. After my parents die in a fire, the Darken pack comes to town. The werewolves are here for one thing: me. The Darken made a promise to keep me safe, and I need their protection more now than ever before. It turns out that my family has been keeping a secret from me my entire life: I'm a werewolf--a powerful one--and my life is in danger. The only place where I'll be safe is at Werewolf Academy, a boarding school for shifters like us. I feel an unnatural pull to Aiden, Colton, Rhys, and Theo, the hot Alpha of the pack who wants to claim me as his own. The only problem? One hint: It's not that my magic is so strong I'm freaking out my Lunar Magic 101 professor. I'm mated to all of them. Hidden Alpha is a YA paranormal academy/reverse harem romance. Recommended for ages 17+.

Riot House - Callie Hart 2020-05-04

They might be richer than gods, but they're morally bankrupt. As far as the boys who run America's most exclusive international academy are concerned, I'm an unwelcome interloper, an inconvenience, and they're determined to make my life a living hell. When Wren Jacobi sets eyes on Wolf Hall Academy's newest inductee, all he sees is an easy mark. A reserved little girl with a target painted on her back. He knows nothing of my troubled past, though. Nothing of my mother's suspicious death, or the horrific treatment I've had to endure at the hands of my psychotic father. And he has no idea of the lengths that I, unassuming little Elodie Stillwater, will go to in order to break the savage beast who dreams of breaking me first. There's a wolf stalking the forests that surround my new school. Little does he know... There are far scarier predators lurking out there in the dark.

loyalties flesh out this first novel in which sf and mystery intersect in a well-crafted plot...Pedreira's science thriller powerfully highlights the human politics and economics from the seemingly desolate expanse of the moon. It will attract readers who enjoyed Andy Weir's lunar crime caper *Artemis*." -- Library Journal, starred review A realistic and chilling vision of life on the Moon, where dust kills as easily as the vacuum of space...but murder is even quicker—a fast-paced, cinematic science fiction thriller, this debut novel combines the inventiveness of *The Martian*, the intrigue of *The Expanse*, and the thrills of *Red Rising*. The Moon smells like gunpowder. Every lunar walker since Apollo 11 has noticed it: a burnt-metal scent that reminds them of war. Caden Dechert, the chief of the U.S. mining operation on the edge of the Sea of Serenity, thinks the smell is just a trick of the mind—a reminder of his harrowing days as a Marine in the war-torn Middle East back on Earth. It's 2072, and lunar helium-3 mining is powering the fusion reactors that are bringing Earth back from environmental disaster. But competing for the richest prize in the history of the world has destroyed the oldest rule in space: Safety for All. When a bomb kills one of Dechert's diggers on Mare Serenitatis, the haunted veteran goes on the hunt to expose the culprit before more blood is spilled. But as Dechert races to solve the first murder in the history of the Moon, he gets caught in the crosshairs of two global powers spoiling for a fight. Reluctant to be the match that lights this powder-keg, Dechert knows his life and those of his crew are meaningless to the politicians. Even worse, he knows the killer is still out there, hunting. In his desperate attempts to save his crew and prevent the catastrophe he sees coming, the former Marine uncovers a dangerous conspiracy that, with one spark, can ignite a full lunar war, wipe out his team . . . and perhaps plunge the Earth back into darkness.

Acts of Violet - Margarita Montimore 2022-07-05

From Margarita Montimore, the author of GMA Book Club pick and national bestseller *Oona Out of Order*, *Acts of Violet* is a dazzling and twisty new novel about a famous magician who disappears, leaving her sister to figure out what really happened. Nearly a decade ago, iconic magician Violet Volk performed her greatest trick yet: vanishing mid-act. Though she hasn't been seen since, her hold on the public hasn't wavered. While Violet sought out the spotlight, her sister Sasha, ever the responsible one, took over their mother's salon and built a quiet life for her daughter, Quinn. But Sasha can never seem to escape her sister's orbit or her memories of their unresolved, tumultuous relationship. Then there's Cameron Frank, determined to finally get his big break hosting a podcast devoted to all things Violet—though keeping his job hinges on an exclusive interview with Sasha, the last person who wants to talk to him. As the ten-year anniversary approaches, the podcast picks up steam, and Cameron's pursuit of Sasha becomes increasingly intrusive. He isn't the only one wondering what secrets she might be keeping: Quinn, loyal to the aunt she always idolized, is doing her own investigating. Meanwhile, Sasha begins to experience an unsettling series of sleepwalking episodes and coincidences, which all lead back to Violet. Pushed to her emotional limits, Sasha must finally confront the most painful truths about her sister, and herself, even at the risk of losing everything. Alternating between Sasha's narration and Cameron's podcast transcripts, interspersed with documents that offer a tantalizing peek at Violet herself, *Acts of Violet* is an utterly original, propulsive story of fame, deception, and forgiveness that will make you believe in magic.

Bless Me, Ultima - Rudolfo Anaya 2022-03-15

A collectible hardcover 50th-anniversary edition of the bestselling Chicano novel of all time, featuring a new foreword by Erika L. Sánchez, the New York Times bestselling author of *I Am Not Your Perfect Mexican Daughter*. A Penguin Vitae Edition. Although only six years old, Antonio Marez is perceptive beyond his years. He was brought into the world with the help of Ultima, a curandera, or folk healer, in touch with nature and the spirit world. Revered by some as a wisewoman but rebuked by others as a witch, Ultima has now come back to stay with Tony's family in New Mexico. As Tony seeks out his destiny—torn between his mother's farming forebears and his father's wandering vaquero roots, between Spanish Catholicism and the gods of his indigenous ancestors—Ultima's loving tutelage will help him navigate questions of life and death, good and evil, and reveal to him the vastness of the heritage that shapes him, in this pioneering work of literature. Penguin Vitae—loosely translated as “Penguin of one's life”—is a deluxe hardcover series from Penguin Classics celebrating a dynamic and diverse landscape of classic fiction and nonfiction from seventy-five years of classics publishing. Penguin Vitae provides readers with beautifully designed classics that have shaped the course of their lives, and welcomes new readers to discover these literary gifts of personal inspiration, intellectual engagement, and creative originality.

Transcend - Jewel E. Ann 2018-03-02

"In another life, she was my forever." An unexpected tragedy leaves Professor Nathaniel Hunt a widower alone with a newborn baby. He hires a nanny. She's young,

but well-qualified, with a simple life, a crazy name obsession, and a boyfriend she met at the grocery store. Over time, he discovers she knows things about him—things that happened before she was born—like a hidden scar on his head, his favorite pizza, and how he cheated on a high school Spanish test. She speaks familiar words and shares haunting memories that take him back to over two decades earlier when he lost his best friend in a tragic accident. "I'm afraid of what's going to happen when you realize I'm not her." *Transcend* is a sexy, mind-bending journey that uncovers possibilities, challenges beliefs, and begets the age-old question: is there life after death?

Mysterious, Discovered, Accepted - Samulels 2016-03-30

"You know I would never do anything to intentionally hurt you. I would do anything and everything in my power to not hurt you against my own free will." Lionel is a lone wolf, a mysterious werewolf with a dark history that he keeps hidden. Without a pack to call home, Lionel is the epitome of the one thing werewolves hate the most: a rogue. No one knows his past, and he intends not to tell anyone. When he unexpectedly comes into the now perfect lives of the Night Family, everything goes haywire. Practically everyone in the family resents him, but not Clarissa. She, a Shaded Wolf of royal bloodline with the rarest of beauty, finds herself smitten by a lone wolf of unknown origin. Things become worse when death threats come knocking on the family's door. Everyone is taken at the edge of their sanity, but Clarissa is the one hurt the most. How will these chaotic events unfold? Will Clarissa ever get to discover Lionel's past? Will Lionel be accepted by those who hate him the most? Is the lone wolf a friend or a foe? This is the third book in the Nightfall Series. Grab a copy to continue the saga of Celina, Axel, and the triplets. With the same— if not greater— amount of suspense, drama, and plot twists, this tale is sure to not disappoint.

Never His Mate - Sarah Spade 2021-05-18

After my mate rejected me, I wanted to kill him. Instead, I ran away—which nearly killed me... A year ago, everything was different. I had just left my home, joining the infamous Mountainside Pack. The daughter of an omega wolf, I've always been prized—but not as prized as I would be if my new packmates found out my secret. But when my fated mate—Mountainside's Alpha—rejected me in front of his whole pack council and my secret got out, I realized I had one choice. Going lone wolf was the only option I had, and I took it. Now I live in Muncie, hiding in plain sight. If the wolves ever left the mountains surrounding the city, I'd be in big trouble. Good thing that the truce between the vampires and my people is shaky at best and Muncie? It's total vamp territory. Thanks to my new vamp roomie, I get a pass, and I try to forget all about the call of the wolf. It's tough, though. I... I just can't forget my embarrassment—and my anger—from that night. And then he shows up and my chance at forgetting flies out the damn window. Ryker Wolfson. He was supposed to be my fated mate, but he chose his pack over our bond. At least, he did—but now that he knows what I've been hiding, he wants me back. But doesn't he remember? I told him I'll never be his mate, and there isn't a single thing he can do to change my mind. To Ryker, that sounds like a challenge. And if there's one thing I know about wolf shifters, it's that they can never resist a challenge. Just like I'm finding it more difficult than I should to resist him. ** *Never His Mate* is a new release (65,000+ words) featuring Gemma Swann, a wolf shifter who is hiding a damning secret. When her fated mate rejects her for another female, her anger and her embarrassment lead to that secret getting out. Since staying behind on the mountains is just not an option and going back to her home pack is impossible, Gem decides she has one choice: risk death by fang in

Muncie, the vamp town surrounding the mountains. Luckily for her, she not only manages to survive the local vamps, but she makes friends with one. Things are looking up for her: she has a place with her roommate, a new job she loves, and the certainty that she'll never have to look at Ryker Wolfson's handsome face ever again. Until he stalks into Muncie and, suddenly, Gem is confronted by his rejection all over again. So what if he says he had a good reason? If he thinks she's going to take him back now, he has another think coming. Because Gem? She'll never be his mate...

The Face That Changed It All - Beverly Johnson 2017-08-29

In her revelatory and redemptive memoir, Beverly Johnson, the first African American supermodel to grace the cover of Vogue, recounts her career in her own passionate and deeply honest voice. She chronicles her childhood as a studious, and sometimes bullied, bookworm during the sixties. She left college to pursue modeling and a successful three-decade career followed. Amid glamorous tales of the hard partying of the 1970s and Hollywood during the eighties, she details her many encounters and friendships with the likes of Jackie Kennedy, Halston, Calvin Klein, Andy Warhol, Elizabeth Taylor, Michael Jackson, Eddie Murphy, Jack Nicholson, Keith Richards, and Warren Beatty. But she also reveals the demons she wrestled with--her struggles with racism, drug addiction, and an abusive marriage followed by divorce proceedings which tested her fortitude and sanity. She shares for the first time intimate details surrounding her love affair with the late tennis icon Arthur Ashe, and pays homage to her mentor, the late Naomi Sims, while lifting the veil off the complicated and often tense relationships among models. Familiar names from the catwalk, such as Pat Cleveland and Iman, illustrate how each had to fight not just the system, but each other, in order to survive. More than five hundred magazine covers later, Johnson is now a successful businesswoman, actress, women's advocate, and philanthropist. This no-holds-barred look at the lives of the rich, fabulous, and famous is also a story of failure and success in the upper echelons of the fashion world, and how Beverly Johnson emerged from her struggles smarter, happier, and stronger than ever.--Adapted from book jacket.

Best Friends - Laurann Dohner 2019-12-17

Lone Wolf - Kristin Coley 2020-03-03

"It's time to come home, Caleb." Caleb Bradshaw. Former Alpha. Lone Wolf. He's spent the last decade wandering the country searching for other shifter packs and forming alliances for his Alpha and his Pack. Now, he's being called home. But there's one last place he needs to go before he heads back to the place that feels more like a prison than a home. He's heard rumors of a small pack deep in the woods north of his family Pack lands that shun outsiders. The pack's close proximity to their Pack lands combined with the shroud of secrecy around them draws his interest, but he isn't prepared for what he finds. The pack is being hunted and his mate is their target.

recommendations related to Captain Marvel "What Solomon achieves with this debut--the sharpness, the depth, the precision--puts me in mind of a syringe full of stars. I want to say about this book, its only imperfection is that it ended. But that might give the wrong impression: that it is a happy book, a book that makes a body feel good. It is not a happy book. I love it like I love food, I love it for what it did to me, I love it for having made me feel stronger and more sure in a nightmare world, but it is not a happy book. It is an antidote to poison. It is inoculation against pervasive, enduring disease. Like a vaccine, it is briefly painful, leaves a lingering soreness, but armors you from the inside out." --NPR "Ghosts are 'the past refusing to be forgot,' says a character in this assured science-fiction debut. That's certainly the case aboard the HSS Matilda, a massive spacecraft arranged along the cruel racial divides of pre-Civil War America." --Toronto Star "This novel from an exciting new voice follows Aster, who lives in the slums of a spaceship that is escorting the last survivors of humanity to a Promised Land--a journey that has taken decades so far. The vessel is segregated and cruel, and as she tries to escape, she starts discovering dark connections between her own mother's death and the fate of the ship's sovereign. Solomon has already been called a successor to Octavia Butler, rightly so." --Elle UK "In Rivers Solomon's highly imaginative sci-fi novel An Unkindness of Ghosts, eccentric Aster was born into slavery on--and is trying to escape from--a brutally segregated spaceship that for generations has been trying to escort the last humans from a dying planet to a Promised Land. When she discovers clues about the circumstances of her mother's death, she also comes closer to disturbing truths about the ship and its journey." --Buzzfeed "Rivers Solomon's debut science fiction novel is cunning, dark, and unapologetic; atmospheric and visceral; the kind of story that pulls you in and doesn't let go. Aboard the HSS Matilda, a spaceship in the future, Solomon and her characters deftly tackle race, identity, sexuality, gender, poverty, and discrimination, all with thoughtful insight and thrilling intensity. This is a difficult work that pays off; the rare kind of book that stays with you for years. You should read it now--I plan to read it again." --Shondaland Aster has little to offer folks in the way of rebuttal when they call her ogre and freak. She's used to the names; she only wishes there was more truth to them. If she were truly a monster, she'd be powerful enough to tear down the walls around her until nothing remains of her world. Aster lives in the lowdeck slums of the HSS Matilda, a space vessel organized much like the antebellum South. For generations, Matilda has ferried the last of humanity to a mythical Promised Land. On its way, the ship's leaders have imposed harsh moral restrictions and deep indignities on dark-skinned sharecroppers like Aster. Embroiled in a grudge with a brutal overseer, Aster learns there may be a way to improve her lot--if she's willing to sow the seeds of civil war.

Nine Stories - J.D. Salinger 2019-08-13

The "original, first-rate, serious, and beautiful" short fiction (New York Times Book Review) that introduced J. D. Salinger to American readers in the years after World War II, including "A Perfect Day for Bananafish" and the first appearance of Salinger's fictional Glass family. Nine exceptional stories from one of the great literary voices of the twentieth century. Witty, urbane, and frequently affecting, *Nine Stories* sits alongside Salinger's very best work--a treasure that will be passed down for many generations to come. The stories: A Perfect Day for Bananafish Uncle Wiggily in Connecticut Just Before the War with the Eskimos The Laughing Man Down at the Dinghy For Esmé--with Love and Squalor Pretty Mouth and Green My Eyes De Daumier-Smith's Blue Period Teddy

Atmospheric Science at NASA - Erik M. Conway 2008-11-03

Honorable Mention, 2008 ASLI Choice Awards. Atmospheric Science Librarians International This book offers an informed and revealing account of NASA's involvement in the scientific understanding of the Earth's atmosphere. Since the nineteenth century, scientists have attempted to understand the complex processes of the Earth's atmosphere and the weather created within it. This effort has evolved with the development of new technologies—from the first instrument-equipped weather balloons to multibillion-dollar meteorological satellite and planetary science programs. Erik M. Conway chronicles the history of atmospheric science at NASA, tracing the story from its beginnings in 1958, the International Geophysical Year, through to the present, focusing on NASA's programs and research in meteorology, stratospheric ozone depletion, and planetary climates and global warming. But the story is not only a scientific one. NASA's researchers operated within an often politically contentious environment. Although environmental issues garnered strong public and political support in the 1970s, the following decades saw increased opposition to environmentalism as a threat to free market capitalism. Atmospheric Science at NASA critically examines this politically controversial science, dissecting the often convoluted roles, motives, and relationships of the various institutional actors involved—among them NASA, congressional appropriation committees, government weather and climate bureaus, and the military.

Mr. Samuel's Penny - Treva Melvin 2014

It's 1972 and fourteen-year-old New Yorker Elizabeth Landers is sent to the sleepy town of Ahoskie, North Carolina to spend the summer with relatives. Her expectation of boredom is quickly dispelled when police sirens and flashing lights

draw her to a horrible scene at the Danbury Bridge. Mr. Samuel, owner of Samuel's Lumber Yard, has driven his car off the bridge and into the river, drowning himself and his daughter. The medical examiner thinks it's an accident, but the Sheriff finds fresh bullet holes on the bridge right where the skid marks are. Curiously, Mr. Samuel died clutching a unique 1909 wheat penny --a penny that is then stolen from the Sheriff's office. Lizbeth witnesses Miss Violet's grief upon learning that her husband and child are dead, and decides she will help by finding the penny. Her search involves Lizbeth in the lives of many Ahoskie residents. Like the owner of the grocery store, mean old Mr. Jake, who --as all the kids in Ahoskie know --hates black folks. Plenty of pennies in his till. Then there is Ms. Melanie Neely, otherwise known as "Ms. McMeanie," who thinks the lumber yard should belong to her. And Mr. Samuel's handsome brother Ben, who struggles to keep the business afloat after his more clever brother's death. Lizbeth searches through the collection plates at church and in the coin jars of crazy old Aunt Ode, a strange old woman missing one eye and most of her teeth, who keeps a flask in her apron pocket and a secret in her soul.

Forgotten, Saved, Loved - Samuels 2016-11-24

"The war that happened three years ago was not one that was won, but one that had just begun." Comrade, the guardian, was lost that day. When he ran into the forest, no one from his pack ever saw him again. Now, disillusioned and void of any hope, Comrade is just a shadow of what he used to be. Three years of torture and solitude made him doubt everything and everyone he believed in, even the ones he loved the most. Alex, a young werewolf, was a survivor of that day. Much like Comrade, she knows the horrors of the war all too well. It tore her family to shreds, but it did little to dull her brave soul. Craving for a chance to avenge her parents, she volunteers to help rescue a man she has never met. Just when Comrade thought no one's coming for him, she does. Unbeknownst to him, help is coming. Comrade was forgotten, or so he thought. Will Alex and the pack finally find him? Can he still be saved? What will heal his deep-seated scars? Better yet, what will happen when the two kindred souls meet?
