Warring with Words - Michael Hanne 2014-08-01

Scholars in many of the disciplines surrounding politics explicitly utilize either a narrative perspective or a metaphor perspective (though rarely the two in combination) to analyze issues -- theoretical and practical, domestic and international -- in the broad field of politics. Among the topics they have studied are: competing metaphors for the state or nation which have been coined over the centuries in diverse cultures; the frequency with which communal and international conflicts are generated, at least in part, by the clashing religious and historical narratives held by opposing groups; the cognitive short-cuts employing metaphor by which citizens make sense of politics; the need for political candidates to project a convincing

self-narrative; the extent to which the metaphors used to formulate social issues determine the policies which will be developed to resolve them; the failure of narratives around the security of the nation to take account of the individual experiences of women and children. This volume is the first in which eminent scholars from disciplines as diverse as social psychology, anthropology, political theory, international relations, feminist political science, and media studies, have sought to integrate the narrative and the metaphor perspectives on politics. It will appeal to any scholar interested in the many ways in which narrative and metaphor function in combination as cognitive and rhetorical instruments in discourse around politics.

Philosophy and the Patience of Film in Cavell and Nancy - Daniele Rugo
2016-04-01

Philosophy and the Patience of Film presents a comparative study of the work of Jean-Luc Nancy and Stanley Cavell. It discusses the effect of their philosophical engagement with film, and proposes that the interaction between philosophy and film produces a power of patience capable of turning our negation of the world into a relation with it. Through detailed readings of cinematic works ranging from Hollywood classics to contemporary Iranian cinema, this book describes the interaction between film and philosophy as a productive friction from which the concept of patience emerges as a demand for thinking. Daniele Rugo explains how Nancy and Cavell's relationship with film demands the surrendering of philosophical mastery, and that it is precisely this act in view of the world that brings Cavell and Nancy to the study of film. While clarifying the nature of their engagement with film this book suggests that film does not represent the world, but 'realizes' it. This realization provides a scene of instruction for philosophy.

Dad, God, and Me - Ralph Friesen
2019-12-10

In a compelling, honest, and transparent account, Ralph Friesen tells the story of his father, Reverend Peter D. Friesen of Steinbach, Manitoba. He also tells his own story, of the search for his father and a crisis of faith. Growing up in a fundamentalist Mennonite community as the son of a minister, Ralph resisted the pressure to be "saved" and struggled to find a spiritual alternative. His father suffered a debilitating stroke when Ralph was a young teenager, but it is only now, in his seventies, that Ralph has delved into the meaning of that event. Dad, God, and Me is Ralph's quest to discover and convey the man his father was—with all of his strengths, faults, aspirations, and regrets. Drawing on journal entries, old photographs, and personal memories, this memoir welcomes readers into a particular time, place, and family. An engaging read for anyone who appreciates that "real life" can be challenging, painful, and beautiful all at the same time.

Married to the Russian Kingpin - Leslie North

Viktor Sokolov does not know if he should love his beautiful new wife ... or kill her. Growing up with a father who held a high position in the Russian mob, Alexandra Volkin was thrilled when her parents signed a contract promising her to a Russian mob boss, even though she'd never met him. All she ever wanted was to be the powerful woman of a man all respected. When she was killed and she was promised to another, Alexandra is almost unfazed. One mob boss is as good as another. Besides, she can not deny the strong attraction she feels for Viktor. Alexandra learned at a young age that sex equals power, and she is about to exercise a heavy dose of power on her new, coldly distant husband. It's not long, though, before she learns Viktor believes her father has murdered his own. Through a dark twist of fate, Viktor marries the woman for his murdered father-and his lovely bride's own father is the

likely murderer. As the saying goes, keep your friends close and your enemies closer. It's not so big and sacrificing when your enemy is your sexy new wife. Viktor does not have the stomach for the brutal violence his father has exacted on his enemies, but it's almost certain that his wife's father killed his own father, and that leaves him with little choice. Yet, while he can ignore his pretty wife's pleas, her insistence that her father is innocent ... ignoring how she makes him feel a whole different challenge. There isn't going to be a happily ever after for the two of them. Unless, that is, she can prove her father's innocence.

Date. Love. Marry. - Chris NiAm
2022-05-16

The story is about a young lady,

Marie, in her desperate search for love in the wrong places and with the wrong guys whose preference is in playing the field, rather than building a serious relationship. To find love, she had to pay a heavy price, going from fantasyland to hellish pain and heartaches. Engaging in hitching up, and being ditched by slippery slope no-good men within and outside her college neighborhood. The beauty of her story is that she inexplicably found her dream man when she least expected it. Her best friend and former roommate, Elisa, was finally sick of watching her going from one bad apple to another and decided to literally take the bull by the horns and introduce her to her fiancé's boss, Greg. An all-around, successful, wholesome, and compassionate young man who took her into his arms, loved and proposed to her, and eventually married her. The pages of this book would take the reader through her love life, her persistence and zeal to find love, her pain and pleasures in searching for passionate loving relationships, and her final transformation into a fabulous, and nurturing woman in the quest for continuous growth and development. A determination to love and cherish herself, her romantic husband, and her children. The take-away for people like herself would be to view her story as a GPS and use bits of her experiences as a road map in navigating detours and anguish in love relationships. Marie's recipe is not perfect for everybody, but it worked magic for her. The only way to find out is by checking out the pages and seeing for oneself. If nothing else, enjoy her heart-warming pleasurable story and share it with your fellow feministic divas and their lovers.

Jesus the Bridegroom - Phillip J. Long 2013-11-06

Did Jesus claim to be the "bridegroom"? If so, what did he mean by this claim? When Jesus says that the wedding guests should not fast "while the bridegroom is with them" (Mark 2:19), he is claiming to be a bridegroom by intentionally alluding to a rich tradition from the Hebrew Bible. By eating and drinking with "tax collectors and other sinners," Jesus was inviting people to join him in celebrating the eschatological banquet. While there is no single text in the Hebrew Bible or the literature of the Second Temple Period which states the "messiah is like a bridegroom," the elements for such a claim are present in several texts in Isaiah, Jeremiah, and Hosea. By claiming that his ministry was an ongoing wedding celebration he signaled the end of the Exile and the

restoration of Israel to her position as the Lord's beloved wife. This book argues that Jesus combined the tradition of an eschatological banquet with a marriage metaphor in order to describe the end of the Exile as a wedding banquet.

D'Albuquerque's Children - Margaret Sarkissian 2000-12-15

When the Portuguese seafarer Afonso de Albuquerque conquered the bustling port of Malacca in 1511, he effectively gained control of the entire South China Sea spice trade. Although their dominance lasted only 130 years, the Portuguese legacy lies at the heart of a burgeoning tourist attraction on the outskirts of the city, in which performers who believe they are the descendants of swashbuckling Portuguese conquerors encapsulate their "history" in a cultural stage show. Using historical and ethnographic data, Margaret Sarkissian reveals that this music and dance draws on an eclectic array of influences that span the Portuguese diaspora (one song conjures up images of Lucille Ball impersonating Carmen Miranda on "I Love Lucy"). Ironically, she shows, what began as a literate tradition in the 1950s has now become an oral one so deeply rooted in Settlement life that the younger generation, like the tourists, now see it as an unbroken heritage stretching back almost 500 years. A fascinating case of "orientalism in reverse," *D'Albuquerque's Children* illuminates the creative ways in which one community has adapted to life in a postcolonial world.
