The King in Yellow - Robert William Chambers 2020-09-28

Toward the end of the year 1920 the Government of the United States had practically completed the programme, adopted during the last months of President Winthrop's administration. The country was apparently tranquil. Everybody knows how the Tariff and Labour questions were settled. The war with Germany, incident on that country's seizure of the Samoan Islands, had left no visible scars upon the republic, and the temporary occupation of Norfolk by the invading army had been forgotten in the joy over repeated naval victories, and the subsequent ridiculous plight of General Von Gartenlaube's forces in the State of New Jersey. The Cuban and Hawaiian investments had paid one hundred per cent and the territory of Samoa was well worth its cost as a coaling station. The country was in a superb state of defence. Every coast city had been well supplied with land fortifications; the army under the parental eye of the General Staff, organized according to the Prussian system, had been increased to 300,000 men, with a territorial reserve of a million; and six magnificent squadrons of cruisers and battle-ships patrolled the six stations of the navigable seas, leaving a steam reserve amply fitted to control home waters. The gentlemen from the West had at last been constrained to acknowledge that a college for the training of diplomats was as necessary as law schools are for the training of barristers; consequently we were no longer represented abroad by

incompetent patriots. The nation was prosperous; Chicago, for a moment paralyzed after a second great fire, had risen from its ruins, white and imperial, and more beautiful than the white city which had been built for its plaything in 1893. Everywhere good architecture was replacing bad, and even in New York, a sudden craving for decency had swept away a great portion of the existing horrors. Streets had been widened, properly paved and lighted, trees had been planted, squares laid out, elevated structures demolished and underground roads built to replace them. The new government buildings and barracks were fine bits of architecture, and the long system of stone quays which completely surrounded the island had been turned into parks which proved a god-send to the population. The subsidizing of the state theatre and state opera brought its own reward. The United States National Academy of Design was much like European institutions of the same kind. Nobody envied the Secretary of Fine Arts, either his cabinet position or his portfolio. The Secretary of Forestry and Game Preservation had a much easier time, thanks to the new system of National Mounted Police. We had profited well by the latest treaties with France and England; the exclusion of foreign-born Jews as a measure of self-preservation, the settlement of the new independent negro state of Suanee, the checking of immigration, the new laws concerning naturalization, and the gradual centralization of power in the executive all contributed to national calm and prosperity.

When the Government solved the Indian problem and squadrons of Indian cavalry scouts in native costume were substituted for the pitiable organizations tacked on to the tail of skeletonized regiments by a former Secretary of War, the nation drew a long sigh of relief. When, after the colossal Congress of Religions, bigotry and intolerance were laid in their graves and kindness and charity began to draw warring sects together, many thought the millennium had arrived, at least in the new world which after all is a world by itself.

Parable of the Sower - Octavia E. Butler 2023-03-28

This acclaimed post-apocalyptic novel of hope and terror from an award-winning author "pairs well with 1984 or The Handmaid's Tale" and includes a foreword by N. K. Jemisin (John Green, New York Times). When global climate change and economic crises lead to social chaos in the early 2020s, California becomes full of dangers, from pervasive water shortage to masses of vagabonds who will do anything to live to see another day. Fifteen-year-old Lauren Olamina lives inside a gated community with her preacher father, family, and neighbors, sheltered from the surrounding anarchy. In a society where any vulnerability is a risk, she suffers from hyperempathy, a debilitating sensitivity to others' emotions. Precocious and clear-eyed, Lauren must make her voice heard in order to protect her loved ones from the imminent disasters her small community stubbornly ignores. But what begins as a fight for survival soon leads to something much more: the birth of a new faith . . . and a startling vision of human destiny.

Wer wäre schließlich besser dafür geeignet, das kühlste Geschöpf der Welt zum Schmelzen zu bringen, als ein wirklich heißer Drache?

The Blacksmith Queen - G.A. Aiken 2019-08-27

The Monsters Know What They're Doing - Keith Ammann 2019-10-29

From the creator of the popular blog *The Monsters Know What They're Doing* comes a compilation of villainous battle plans for *Dungeon Masters*. In the course of a *Dungeons & Dragons* game, a *Dungeon Master* has to make one decision after another in response to player behavior—and the better the players, the more unpredictable their behavior! It's easy for even an experienced DM to get bogged down in

on-the-spot decision-making or to let combat devolve into a boring slugfest, with enemies running directly at the player characters and biting, bashing, and slashing away. In *The Monsters Know What They're Doing*, Keith Ammann lightens the DM's burden by helping you understand your monsters' abilities and develop battle plans before your fifth edition D&D game session begins. Just as soldiers don't whip out their field manuals for the first time when they're already under fire, a DM shouldn't wait until the PCs have just encountered a dozen bullywugs to figure out how they advance, fight, and retreat. Easy to read and apply, *The Monsters Know What They're Doing* is essential reading for every DM.

The Dragon Who Loved Me - G.A. Aiken 2011-05-26

"There's never a dull moment with these dragons. Fighting! Mayhem! Danger! . . . a fun read" from the New York Times bestselling author (Vampire Book Club). I was raised for battle. And as the first daughter of a warrior family, I've earned my reputation the hard way. Yet now I fight alongside uncivilized male Northland dragons who think a female is only good for breeding and waiting back home in the cave. But it's the foolish and foolhardy who would try to stop me, Rhona the Fearless, from doing what I do best—destroying the enemies of my kind. So the smartest thing wily barbarian Vigholf the Abhorrent can do for me is stay out of my way as we risk all on a deadly mission in enemy territory. I don't care if he's fascinated by me, even though he is as attractive as he is resourceful. He's having far too much fun putting me in difficult situations and testing my sense of duty to the limit. And I'm going to enjoy challenging his insufferable confidence, outwitting his schemes, and making him surrender in the wildest ways . . . Praise for the Dragon Kin Series "Aiken's patented mix of bloodthirsty action, crazy scenarios and hilarious dialogue have made this series a truly unique pleasure."—RT Book Reviews (4½ Stars) "A chest thumping, mead-hall rocking, enemy slaying brawl of a good book."—All Things Urban Fantasy "Laugh-out-loud funny—I loved it!"—Thea Harrison, New York Times bestselling author

Last Dragon Standing - G.A. Aiken 2010-09-01

"Sexy and outrageous humor" heat up this fun fantasy from the New York Times bestselling author of the Scarred Earth Saga (Romantic Times). I know what they see when they look at me. The charming, soft-spoken dragoness bred from the most powerful of royal bloodlines. A disguise stronger than any battle shield that allows me to keep all suitors at tail's length. A technique that's worked until him. Until Ragnar the Cunning, handsome barbarian warlord and warrior mage from the desolate Northlands. Unlike those who've come before him, he does not simply submit to my astounding charm and devastating smile. Instead, he dismisses me as vapid, useless and, to my great annoyance, rather stupid! Yet I'll allow no male to dismiss me. Soon he'll learn my worth, my many skills, and the strength of my will. For this one challenges me enough to make me want to ruthlessly taunt him, tease him and, finally, when the trap is set, bring him to his knees. Praise for the Dragon Kin Series "Aiken's patented mix of bloodthirsty action, crazy scenarios and hilarious dialogue have made this series a truly unique pleasure."—RT Book Reviews (4½ Stars) "A chest thumping, mead-hall rocking, enemy slaying brawl of a good book."—All Things Urban Fantasy "Laugh-out-loud funny—I loved it!"—Thea Harrison, New York Times bestselling author

The Heretic Royal - G.A. Aiken 2022-12-27

In the G.A. Aiken's fantasy follow up to the USA Today bestselling Scarred Earth Saga's *The Princess Knight* and *The Blacksmith Queen*, two sisters battle for a single throne, warring factions take up arms, a land is divided, and uncertain allies become very certain lovers . . . With subtle commentary on today's political polarization, this riveting epic celebrates strong female characters and champions the underdog within a diverse, high fantasy framework. As two sisters battle for a single throne in G.A. Aiken's newest fantasy, warring factions take up arms, a land is divided, and uncertain allies become very certain lovers . . . **GODS SAVE THE QUEEN!** Ainsley Farmerson has always planned to break free of the family business—and the family drama. But what was once farming, smithworking, and bickering over the dinner table has turned into open warfare between sisters. Sides have been taken, lives are on

the line, and Ainsley has no doubt which sister must be queen. She'll do whatever is necessary to take down the soulless Beatrix. Even if that means joining forces with angry battle nuns, irritating monks, and overbearing centaurs. Gruffyn of the Torn Moon Clan has no time for human beings. And yet . . . there is something about the uncontrollable princess that he can't ignore. Maybe it's the way her eldest sisters underestimate her. Or her bravery facing down dragons and mad queens from distant lands. Whatever the reason, Gruff is willing to fight by this human's side. Not only for the entertainment value, but because she's right. Beatrix must never be queen. So whatever he has to do, whoever he has to destroy, Gruff will battle beside Ainsley. Fast. Hard. And with absolutely no mercy . . .

Bring the Heat - G.A. Aiken 2017-08-29

The New York Times bestselling author "brings back her irresistibly humorous, snarky, action packed, violent and outrageously larger than life dragons" (Smexy Books). HE SAYS . . . I, Aidan the Divine, am, well divine. My name was given to me by the Dragon Queen herself! I'm a delight! Cheerful. Charming. And a mighty warrior who is extremely handsome with a very large and well-hidden hoard of gold. I am also royal born, despite the fact that most in my family are horrendous beings that don't deserve to live. And yet, Branwen the Awful—a low-born, no less—either tells me to shut up or, worse, ignores me completely. SHE SAYS . . . I'll admit, I ignore Aidan the Divine because it annoys him. A lot. But, we have so much to do right now, I can't worry about why he keeps looking at me like he's thinking about kissing me. We have our nations to save and no time for such bloody foolishness . . . no matter how good Aidan looks or how long his spiked tail is. Because before this war destroys everything we love, we'll have to face our enemies together. But if we make it out alive, who knows what the future will hold . . . But it's the foolish and foolhardy who would try to stop me, Rhona the Fearless, from doing what I do best--destroying the enemies of my kind. So the smartest thing wily barbarian Vigholf the Abhorrent can do for me is stay out of my way as we risk all on a deadly mission in enemy territory. I don't care if he's fascinated by me, even though he is as attractive as he is resourceful. He's having far too much fun putting me in difficult situations and testing my sense of duty to the limit. And I'm going to enjoy challenging his insufferable confidence, outwitting his schemes, and making him surrender in the wildest ways. . . "Sexy and outrageous humor." --Romantic Times Some things never go away, like vile enemies, bad ale, and annoying kin. But I thought I was finished with the one dragon I'd have done anything for: Éibhear the Blue, a big, gorgeous, blue-haired beast who thinks the world belongs to him. The world and, apparently, me. So if Éibhear wants to play the caring hero and travel into the most forsaken of Gods forsaken lands to protect the one woman who doesn't need it--namely me--I'll let him. Because while I'm trying to fulfill a ridiculous quest for a pushy god, I'm going to draw this overconfident warlord much too close, rekindle his fires, and enjoy every minute of his delicious defeat. . . Dragon on Top - G.A. Aiken 2015-11-01

A little dragon tenderness goes a long way in the “hot, hot” fantasy series from the New York Times bestselling author of the *Scarred Earth Saga* (Library Journal). I am Ghleanna the Decimator. I am a warrior. A soldier. I know no fear. No pain. No mercy. I do, however, know acute embarrassment! How could I not after getting dumped by a bastard dragon in front of my own troops? So I tuck tail and return to my cave, drowning my sorrows in ale—as is my family’s way. But instead of leaving me to my misery, I’ve been summoned to the Dragon Queen’s court. As if my life wasn’t pathetic enough, Her Majesty now has me escorting the highborn Bram the Merciful through dangerous territories—not exactly the best use of my military training. And just so

he can negotiate with enemy dragons instead of battling them? Honestly, what has my world come to? Then again . . . Bram is quite easy on the eyes. And the perfect distraction for what ails me. Perhaps I’m looking at all this the wrong way. Maybe there is a place for a little “mercy” in my life . . . Previously published in *Supernatural*. Praise for the *Dragon Kin Series* “Aiken’s patented mix of bloodthirsty action, crazy scenarios and hilarious dialogue have made this series a truly unique pleasure.”—RT Book Reviews (4½ Stars) “A chest thumping, mead-hall rocking, enemy slaying brawl of a good book.”—All Things Urban Fantasy “Laugh-out-loud funny—I loved it!”—Thea Harrison, New York Times bestselling author

Dragon Kin: Alonia and Trift - Shae Geary 2018-06-05

Sometimes being silly can be deadly serious. Alonia is the kind of elf who wears a pretty dress to go gathering in the forest just because it makes her happy. And it seems to work. It gathers her a dragon, one who likes to be silly and moon over cute boys just like she does. Which is all fine and good until they turn the weapon's master's sword into... well, I can't tell you. That would be a spoiler. ;) *Dragon Kin: Alonia & Trift* is book three of a new fantasy series for readers of all ages. If you love dragons, ordinary heroes, and bravery that has to be earned one day at a time, we hope you'll give *Dragon Kin* a try!

Feel the Burn - G.A. Aiken 2015-11-24

War makes strange bedfellows in this “awesome read . . . the perfect mix of mystery, action, and romance” from the New York Times bestselling author (BTH Reviews). I, Gaius Domitus, one-eyed rebel dragon king of the Provinces, know better than most that sacrifices must be made, since I have to fight off half my ungrateful family on a regular basis to keep law and order here in my lands. But I never expected to have to consort with a barbarian human woman. Kachka is beautiful, if you like them fierce—and of course I do. But she keeps complaining about how spoiled and decadent I am, and how a feared Daughter of the Steppes has no time for foolish dragons. I think she likes my eye patch, though. It is quite dashing. With death always at our tails, we take our passion like we take our allies. As they say, love the barbarian you’re with . . . Praise for

Essential for Pern fans of all ages.”—Library Journal (starred review) The son of a miner, Kindan has no expectations for any other life. He loves his lessons with the camp’s harper, but music isn’t part of a miner’s future. He also enjoys helping out with the camp’s watch-wher—a creature distantly related to dragons and uniquely suited to work in dark, cold spaces—but even that important job can’t promise a future

above the ground. Then disaster strikes. In one terrible instant, Kindan loses his family and the camp loses its watch-wher. It will take a new friendship and a new responsibility to teach Kindan that even a seemingly impossible dream is never out of reach . . . and that light can be found in the deepest darkness. “A guaranteed pleaser [in] one of SF’s most splendid and longest-lived sagas.”—Booklist “Another delightful entry in the Pern series.”—Publishers Weekly

Grendel - John Gardner 2010-06-02

The first and most terrifying monster in English literature, from the great early epic Beowulf, tells his own side of the story in this frequently banned book. This classic and much lauded retelling of Beowulf follows the monster Grendel as he learns about humans and fights the war at the center of the Anglo Saxon classic epic. This is the book William Gass called "one of the finest of our contemporary fictions."
