How Not to Be Afraid - Gareth Higgins 2021-04-13

The world seems terrifying. Whether your fear is about violence, shame, illness, money, meaning, or the collapse of certainty, you are not alone. Yet the power of the fear we feel depends on the story we tell about fear. Fight, flee, or freeze: are these are only options? Growing up near the troubled city of Belfast, Gareth Higgins was schooled in suspicion, mistrust, and paranoia. Would someone be lurking behind the door? Was there a bomb under that car? Yet fear feeds on the stories we tell ourselves, Higgins claims, and in the pages of *How Not to Be Afraid*, he delves into the mechanisms of fear, as well as the quiet, immense strength of individuals and communities that refuse to let it reign. Grounded in personal experience and expert reflection on violence, conflict transformation, and trauma recovery, Higgins traces vulnerability as strength to address seven common fears that plague each of us at some point in our lives. By examining such topics as the fear of being alone, the fear of not having enough, and the fear of violence and death, he invites readers into habits

of hope rooted in Celtic spirituality and the mysteries of love. In the rich spiritual, activist, and literary tradition of Walter Wink and Kathleen Norris, Higgins points us toward tenderness, empathy, and gentle encounter with each other and with our deepest and most relentless fears. He shows us how we can replace our narratives of fear and cynicism with better stories. Peace is the way to itself, he reveals, and when we choose this path, our lives will never be the same.

Not Afraid to Tell You Who I Am - James Rostello 2021-02-26

I am a first and one-time author with a special purpose: self-understanding and personal growth through my memoirs. After six years of digging through life's events, tapping into my eidetic memory for the pointed details of the good and bad days of my soul, I give myself to you. The good loves, along with those entangled with evil and low self-esteem, are raveled up in a search for what love is supposed to be. Love would be kindled and found for me but then lost in not being able to give, believe or receive life's greatest treasure. I shrouded love in poisonous passion, fear and hate. Some choices in my life moved me toward self-interpreted success while other things I chose to do took me to the edge of society and the law. My voice is from the heart in the hope to inspire within you an empathy to those different than yourself. Two lifelong friends encouraged me and stood by me through my journey of self-reflection. After all the years of knowing me, one said "she loved me even more after reading my story," and it doesn't get any better than that. So please, sit down and have a cup of coffee with me, be amused, and understand why I did the things I did. Yes, you'll laugh and even possibly experience shock at times, but more importantly, you will "see me." Though the book does not end

with a "happily ever-after," you will see the magic of introspection, along with the peace and acceptance it provides. While dysfunctional times can be a part of our lives, they're certainly not present all of our life. - Jim Rostello "I was engrossed in this memoir from the first chapter. The relationships chronicled in this book are many, they are varied, and they are moving. Jim Rostello openly shares the complicated father-son relationship he had as a child as he internally struggled to love himself as a closeted gay youth in a rural environment where acceptance of those feelings was unheard of at the time. The author takes you on a journey from his childhood all the way through his adult life describing his family, his Catholic upbringing, his teaching career, and his pursuit to find love and happiness in often risky and unconventional places." - Dawn Wilson

Why Am I Afraid to Tell You Who I Am? - John Powell 1999

In order to survive childhood, she had to learn to convincingly perform masculinity. As an adult, she makes daily compromises to steel herself against everything from verbal attacks to heartbreak. Why does your toddler get upset when his or her routine is disrupted? Why do they follow you from room to room and refuse to play on their own? Why are daily routines such as mealtimes, bath time, and bed time such a

struggle? This accessible guide demystifies the difficult behaviors of anxious toddlers, offering tried-and-tested practical solutions to common parenting dilemmas. Each chapter begins with a real life example, clearly illustrating the behavior from the parent's and the toddler's perspective. Common difficulties with bath time, toileting, sleep, eating, transitions, social anxiety, separation anxiety, and sensory issues are solved, along with specific fears and phobias, and more extreme behaviors such as skin picking and hair pulling. Be Not Afraid of Love - Mimi Zhu 2022-09-07

Be Not Afraid of Love is a stunning collection of interconnected essays and affirmations that follow Mimi Zhu's journey toward embodying and re-learning love after a violent relationship. In their early twenties, queer Chinese-Australian writer and artist Mimi Zhu was a survivor of intimate-partner abuse. This left them broken, in search of ways to heal and find love again. They found that in words. In sharing their own intimate encounters with oppression, healing, joy and community, Mimi invites readers all over the world to reflect deeply on their own experiences, with the intention of acting as a guide to undoing the hurt or uncertainty within them. This book is a continuation of that re-learning, exploring the intersections of love

and fear in self-esteem, friendship, family dynamics and romantic relationships, and extending out to its effects on society and the greater political realm. Mimi's powerful and provocative words will guide and inspire readers to lean into love with softness. Heartrending and revolutionary, *Be Not Afraid of*

Love is a testament to the strength and adaptability all humans possess, and a tribute to love in all its forms.
