Porn After Porn - Aa. Vv. 2014-12-19T00:00:00+01:00

After the "digital turn," expansion of sexual representations has taken shape quantitatively(thanks to the multiplication of production and distribution channels) and qualitatively (giving rise to a plurality of new representational forms). In this context, several social groups – including women and non-normative sexual subcultures – have obtained full citizenship rights within the "pornosphere," moving beyond their traditional marginalization or, indeed, exclusion. These "nonconventional" pornographies exist in a dialectical relationship with mainstream production in so far as they are at the same time a development and a repudiation of the latter (on an aesthetic, economic and political level).This volume investigates the emergences of alternative pornographies, highlighting theirdiscursive heterogeneity, their cultural status and connections to identities and non-normativepractices, and their role in redefining the very idea of

pornography. The publication maps the main areas relating to alternative pornographies, such as alt porn, queer pornography, indie porn, post porn, feminist pornography, and amateur porn. With a foreword by Feona Attwood

Paying for Sex - Kerr Fuffie 2003

This book was written for - and by - horny males who are just too chicken to figure this stuff out for themselves. Commercial sex isn't exactly hard to find no matter where you live, so the main reason why guys who are otherwise interested in this sort of thing haven't managed to indulge in a fully satisfying way is that something - fear - is holding them back. So even if you're a total wuss, we'll show you how easy it is to buy sexual gratification with complete confidence. And if you've dabbled in some kinds of low risk sex-for-pay, such as Internet porn, we'll show you how to safely indulge in more adventurous amusements, such as strip clubs, brothels and escort services - legal ones, that is. If you just want to find some great online porn, have a naked stripper gyrating in your lap or getting laid by an erotic professional without putting your life, health, wallet or reputation at risk, we'll show you how. Here's a review of *Paying for Sex* by Doxy, who operates the popular web site Phone Slut Diary. "Next things second -- Phone Slut Diary had been featured in another independent publication and I promised to mention it here. *Paying For Sex* is a fabulous little "gentleman's guide to web porn, strip clubs, prostitutes & escorts without humiliation, job loss, bankruptcy, infection, bloodshed or incarceration." Because it does not address phone sex, but refers readers to my site (bless), authors Kerr Fuffie & Roscoe Spanks (it cannot possibly be their real names, can it?) decided to put in a few blurbs about me and some other net sites. Although I'm not a guy looking to hire an escort (and don't expect to be) I found many of the details and hints fascinating. The chapters on throwing brothel parties were absorbing. If you're a gentleman (or not so gentle man) that spends money on websites, strippers, or other such diversions this is a really handy little manual to getting the biggest bang for your buck without getting ripped off or in trouble. They explain etiquette, precautions, approximate pricing, common (and not so common) practices. Want to find out how to encourage a stripper to give you a little better than the regular treatment? It's in there. So, I'm going to be adding it to my Store shopping section because it's just awesome. And I'm quoted in very cute passages. And, you know, I'm an egomaniacal slut. No, really. Okay, well sometimes."

Wifey 101 - Jamie N Otis 2016-03-10

When Jamie Otis agreed to be placed in a scientifically arranged marriage on TV's most controversial and groundbreaking reality show, *Married At First Sight*, she knew that saying "I do" to Doug Hehner, a complete stranger, was a huge risk. What she didn't know was how to be a wife! Through trial and error - and more ups

and downs than a roller coaster - Jamie learned to quickly negotiate all of those universal problems all newlywed couples face, from leaving the toilet seat up to winning over the in-laws. All the while, her traumatic past and unresolved issues with an ex-boyfriend threatened to derail the healthiest relationship she'd ever been in. In her shocking, unflinching and hilarious memoir, *Wifey 101: Everything I Got Wrong After Finding Mr. Right*, Jamie fumbles her way through the newlywed game and lives to tell the tale.
