Linguistics for TESOL - Hannah Valenzuela 2020-05-09

This textbook proposes a theoretical approach to linguistics in relation to teaching English. Combining research with practical classroom strategies and activities, it aims to satisfy the needs of new and experienced TESOL practitioners, helping them to understand the features of the English language and how those features impact on students in the classroom. The author provides a toolkit of strategies and practical teaching ideas to inspire and support practitioners in the classroom, encouraging reflection through regular stop-and-think tasks, so that practitioners have the opportunity to deepen their understanding and relate it to their own experience and practice. This book will appeal to students and practitioners in the fields of applied linguistics, TESOL, EAL, English language and linguistics, EAP, and business English.

Mac Natural and Soc Sci 1 PB Pk - Joanne Ramsden 2010

Macmillan Natural and Social Science is a new six-level course for children studying science in English. The course develops children's knowledge of science, history and geography and provides a systematic development of English language skills. The activities are varied in their approach to provide a motivating stimulus to children's learning.

A History of Eighteenth Century Literature (1660-1780) - Edmund Gosse 1891

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
